**Notes:**

- (1) As of September 30, 2021, insurance premiums are paid in full except for the items discussed in footnotes 2, 3 and 4.
- (2) The auto liability policy will be audited during December 2021. A premium will be due for autos assigned to LBR for the period from June 1, 2021 through December 31, 2021
- (3) Audit premiums are expected to be invoiced for non-current insurance policies including the Builders All Risk policy and OCIP. As of the filing of the monthly operating report, the audit amounts have not been determined.
- (4) Premium obligations outstanding as of August 31, 2021 for LBR are as follows:
- PFA Loan 2055: Balance due for \$266,145
  - PFA Loan 2303: Balance due for \$536,580
- (5) September 1, 2021 was an expiration date for 36.5% of the property insurance program insuring the Refinery. It was not replaced or renewed
- (6) December 1, 2021 is an expiration date for the remaining 63.5% of the property insurance program insuring the Refinery. It is not presently being marketed, LBR assumes the risk for 30% of a \$50 million primary section of the insurance program.

**CASE NAME:** Limetree Bay Refining, LLC  
**CASE NUMBER:** 21-32354 (Jointly Administered under Lead Case No.: 21-32351)

### Notes to the Monthly Operating Report

#### General:

On July 12, 2021 (the "Petition Date"), Limetree Bay Services, LLC ("Limetree") filed a voluntary petition with the United States Bankruptcy Court under Chapter 11 of the Bankruptcy Code [Case No.: 21-32351], along with five (5) affiliated entities (Affiliated Entities"). The debtors in these Chapter 11 cases are (with the last four digits of their federal tax identification numbers in parentheses): Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); and Limetree Bay Refining Marketing, LLC (9222); (collectively, the "Debtors" or "Jointly Administered Debtors"). The bankruptcy filings of Limetree and the Affiliated Entities are jointly administered under Case No. 21-32351.

On or about June 17, 2021, the Jointly Administered Debtors retained B. Riley as chief restructuring officer ("CRO"). Mark Shapiro, as principal representative of B. Riley in its capacity, serves as CRO to the Jointly Administered Debtors.

Debtor-in-Possession Financial Statements - The accompanying schedules herein are unaudited, preliminary, and may not comply with generally accepted accounting principles in the United States of America ("U.S. GAAP") in all material respects.

The Monthly Operating Report ("MOR") is limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Bankruptcy Court and the United States Trustee. The information presented herein has not been subjected to all procedures that would typically be applied to financial information presented in accordance with U.S. GAAP. Upon the application of such procedures, the financial information could be subject to changes, and these changes could be material. The information furnished in this MOR includes normal recurring adjustments, but does not include all of the adjustments that would typically be made for interim financial statements in accordance with U.S. GAAP.

Reservation of Rights: Given the complexity of the Debtors' business, inadvertent errors, omissions or over inclusions may have occurred. Accordingly, the Debtors hereby reserve all of their rights to dispute the validity, status, enforceability, or executory nature of any claim amount, representation or other statement in this MOR and reserve the right to amend or supplement this MOR, if necessary, but shall be under no obligation to do so.

#### September 1-30, 2021 Monthly Operating Report:

- (1) The Reporting Period for this MOR is September 1-30, 2021, and the financial statements referenced herein cover the same time period.
- (2) The Financial Statements are reported on an Accrual Basis. Cash Receipts & Disbursements are reported on a Cash Basis.
- (3) The CRO, Mark Shapiro, has signed this MOR. Mr. Shapiro is an authorized signatory for the Debtor. In reviewing and signing the MOR, Mr. Shapiro has relied upon the efforts, statements and representations of various personnel employed by the Debtor and the Debtor's advisors. Mr. Shapiro has not (and could not have) personally verified the accuracy of each statement and representation contained in the MOR, including statements and representations concerning amounts owed to creditors, classification of such amounts, and other attached information.
- (4) MOR Part 2, d - Total Current Assets includes Cash, Accounts Receivable, Inventory and Prepaid Expenses.
- (5) MOR Part 2, e - Total Assets includes Current Assets, Property, Plant, and Equipment, Investments, and Security Deposits.
- (6) MOR Part 2, f - Post-Petition Payables (excluding taxes) is comprised of Trade Payables. The net increase in total liabilities from the previous reporting period is \$6,459,326.87.
- (7) MOR Part 2, k-m - Amounts are per the Debtor's bankruptcy schedules and are subject to adjustment once the claims process has been completed by the CRO, which includes, but is not limited to, examining, determining the validity of and objecting to any disputed, contingent, unliquidated and filed claims.
- (8) MOR Part 2, k-o - As of the time of this filing, the CRO has not determined with accuracy the amount of the secured and unsecured debt, both of which are components of ending net equity/net worth. Accordingly, the CRO makes no representations regarding the accuracy of the form-calculated net equity/net worth of the Debtor.
- (9) MOR Part 7, i - See attached the schedule of insurance in effect for the Jointly Administered Debtors.

#### Attachments to MOR:

- A. Financial Statements (unaudited)
- B. Statement of Cash Receipts and Disbursements
- C. Bank Account Schedule, bank statements and bank reconciliations
- D. Schedule of Insurance in effect as of September 30, 2021 for the Jointly Administered Debtors

**Notes:**

- (1) As of September 30, 2021, insurance premiums are paid in full except for the items discussed in footnotes 2, 3 and 4.
- (2) The auto liability policy will be audited during December 2021. A premium will be due for autos assigned to LBR for the period from June 1, 2021 through December 31, 2021
- (3) Audit premiums are expected to be invoiced for non-current insurance policies including the Builders All Risk policy and OCIP. As of the filing of the monthly operating report, the audit amounts have not been determined.
- (4) Premium obligations outstanding as of August 31, 2021 for LBR are as follows:
- PFA Loan 2055: Balance due for \$266,145
  - PFA Loan 2303: Balance due for \$536,580
- (5) September 1, 2021 was an expiration date for 36.5% of the property insurance program insuring the Refinery. It was not replaced or renewed
- (6) December 1, 2021 is an expiration date for the remaining 63.5% of the property insurance program insuring the Refinery. It is not presently being marketed, LBR assumes the risk for 30% of a \$50 million primary section of the insurance program.

**CASE NAME:** Limetree Bay Refining Operating, LLC  
**CASE NUMBER:** 21-32355 (Jointly Administered under Lead Case No.: 21-32351)

### Notes to the Monthly Operating Report

#### General:

On July 12, 2021 (the "Petition Date"), Limetree Bay Services, LLC ("Limetree") filed a voluntary petition with the United States Bankruptcy Court under Chapter 11 of the Bankruptcy Code [Case No.: 21-32351], along with five (5) affiliated entities (Affiliated Entities). The debtors in these Chapter 11 cases are (with the last four digits of their federal tax identification numbers in parentheses): Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); and Limetree Bay Refining Marketing, LLC (9222); (collectively, the "Debtors" or "Jointly Administered Debtors"). The bankruptcy filings of Limetree and the Affiliated Entities are jointly administered under Case No. 21-32351.

On or about June 17, 2021, the Jointly Administered Debtors retained B. Riley as chief restructuring officer ("CRO"). Mark Shapiro, as principal representative of B. Riley in its capacity, serves as CRO to the Jointly Administered Debtors.

Debtor-in-Possession Financial Statements - The accompanying schedules herein are unaudited, preliminary, and may not comply with generally accepted accounting principles in the United States of America ("U.S. GAAP") in all material respects.

The Monthly Operating Report ("MOR") is limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Bankruptcy Court and the United States Trustee. The information presented herein has not been subjected to all procedures that would typically be applied to financial information presented in accordance with U.S. GAAP. Upon the application of such procedures, the financial information could be subject to changes, and these changes could be material. The information furnished in this MOR includes normal recurring adjustments, but does not include all of the adjustments that would typically be made for interim financial statements in accordance with U.S. GAAP.

Reservation of Rights: Given the complexity of the Debtors' business, inadvertent errors, omissions or over inclusions may have occurred. Accordingly, the Debtors hereby reserve all of their rights to dispute the validity, status, enforceability, or executory nature of any claim amount, representation or other statement in this MOR and reserve the right to amend or supplement this MOR, if necessary, but shall be under no obligation to do so.

#### September 1-30, 2021 Monthly Operating Report:

- (1) The Reporting Period for this MOR is September 1-30, 2021, and the financial statements referenced herein cover the same time period.
- (2) The Financial Statements are reported on an Accrual Basis. Cash Receipts & Disbursements are reported on a Cash Basis.
- (3) The CRO, Mark Shapiro, has signed this MOR. Mr. Shapiro is an authorized signatory for the Debtor. In reviewing and signing the MOR, Mr. Shapiro has relied upon the efforts, statements and representations of various personnel employed by the Debtor and the Debtor's advisors. Mr. Shapiro has not (and could not have) personally verified the accuracy of each statement and representation contained in the MOR, including statements and representations concerning amounts owed to creditors, classification of such amounts, and other attached information.
- (4) MOR Part 2, d - Total Current Assets includes Cash and Accounts Receivable.
- (5) MOR Part 2, e - Total Assets includes Current Assets.
- (6) MOR Part 2, f - Post-Petition Payables (excluding taxes) is comprised of Trade Payables. The net increase in total liabilities from the previous reporting period is \$3,581,581.30.
- (7) MOR Part 2, k-m - Amounts are per the Debtor's bankruptcy schedules and are subject to adjustment once the claims process has been completed by the CRO, which includes, but is not limited to, examining, determining the validity of and objecting to any disputed, contingent, unliquidated and filed claims.
- (8) MOR Part 2, k-o - As of the time of this filing, the CRO has not determined with accuracy the amount of the secured and unsecured debt, both of which are components of ending net equity/net worth. Accordingly, the CRO makes no representations regarding the accuracy of the form-calculated net equity/net worth of the Debtor.
- (9) MOR Part 7, i - See attached the schedule of insurance in effect for the Jointly Administered Debtors.

#### Attachments to MOR:

- A. Financial Statements (unaudited)
- B. Statement of Cash Receipts and Disbursements
- C. Bank Account Schedule, bank statements and bank reconciliations
- D. Schedule of Insurance in effect as of September 30, 2021 for the Jointly Administered Debtors

**Notes:**

- (1) As of September 30, 2021, insurance premiums are paid in full except for the items discussed in footnotes 2, 3 and 4.
- (2) The auto liability policy will be audited during December 2021. A premium will be due for autos assigned to LBR for the period from June 1, 2021 through December 31, 2021
- (3) Audit premiums are expected to be invoiced for non-current insurance policies including the Builders All Risk policy and OCIP. As of the filing of the monthly operating report, the audit amounts have not been determined.
- (4) Premium obligations outstanding as of August 31, 2021 for LBR are as follows:
- PFA Loan 2055: Balance due for \$266,145
  - PFA Loan 2303: Balance due for \$536,580
- (5) September 1, 2021 was an expiration date for 36.5% of the property insurance program insuring the Refinery. It was not replaced or renewed
- (6) December 1, 2021 is an expiration date for the remaining 63.5% of the property insurance program insuring the Refinery. It is not presently being marketed, LBR assumes the risk for 30% of a \$50 million primary section of the insurance program.

**CASE NAME:** Limetree Bay Refining Marketing, LLC  
**CASE NUMBER:** 21-32356 (Jointly Administered under Lead Case No.: 21-32351)

### Notes to the Monthly Operating Report

#### General:

On July 12, 2021 (the "Petition Date"), Limetree Bay Services, LLC ("Limetree") filed a voluntary petition with the United States Bankruptcy Court under Chapter 11 of the Bankruptcy Code [Case No.: 21-32351], along with five (5) affiliated entities (Affiliated Entities). The debtors in these Chapter 11 cases are (with the last four digits of their federal tax identification numbers in parentheses): Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); and Limetree Bay Refining Marketing, LLC (9222); (collectively, the "Debtors" or "Jointly Administered Debtors"). The bankruptcy filings of Limetree and the Affiliated Entities are jointly administered under Case No. 21-32351.

On or about June 17, 2021, the Jointly Administered Debtors retained B. Riley as chief restructuring officer ("CRO"). Mark Shapiro, as principal representative of B. Riley in its capacity, serves as CRO to the Jointly Administered Debtors.

Debtor-in-Possession Financial Statements - The accompanying schedules herein are unaudited, preliminary, and may not comply with generally accepted accounting principles in the United States of America ("U.S. GAAP") in all material respects.

The Monthly Operating Report ("MOR") is limited in scope, covers a limited time period, and has been prepared solely for the purpose of complying with the monthly reporting requirements of the Bankruptcy Court and the United States Trustee. The information presented herein has not been subjected to all procedures that would typically be applied to financial information presented in accordance with U.S. GAAP. Upon the application of such procedures, the financial information could be subject to changes, and these changes could be material. The information furnished in this MOR includes normal recurring adjustments, but does not include all of the adjustments that would typically be made for interim financial statements in accordance with U.S. GAAP.

Reservation of Rights: Given the complexity of the Debtors' business, inadvertent errors, omissions or over inclusions may have occurred. Accordingly, the Debtors hereby reserve all of their rights to dispute the validity, status, enforceability, or executory nature of any claim amount, representation or other statement in this MOR and reserve the right to amend or supplement this MOR, if necessary, but shall be under no obligation to do so.

#### September 1-30, 2021 Monthly Operating Report:

- (1) The Reporting Period for this MOR is September 1-30, 2021, and the financial statements referenced herein cover the same time period.
- (2) The Financial Statements are reported on an Accrual Basis. Cash Receipts & Disbursements are reported on a Cash Basis.
- (3) The CRO, Mark Shapiro, has signed this MOR. Mr. Shapiro is an authorized signatory for the Debtor. In reviewing and signing the MOR, Mr. Shapiro has relied upon the efforts, statements and representations of various personnel employed by the Debtor and the Debtor's advisors. Mr. Shapiro has not (and could not have) personally verified the accuracy of each statement and representation contained in the MOR, including statements and representations concerning amounts owed to creditors, classification of such amounts, and other attached information.
- (4) MOR Part 2, d - Total Current Assets includes Cash, Accounts Receivable, Inventory, Prepaid Expenses and expected insurance refund for \$159,562.50. The expected insurance refund is recorded as a debit to post-petition accounts payable in the debtor's accounting records.
- (5) MOR Part 2, e - Total Assets includes Current Assets, Fixed Assets, and Debt Issuance Costs.
- (6) MOR Part 2, f - Post-Petition Payables (excluding taxes) is comprised of Trade Payables. The net increase in total liabilities from the previous reporting period is \$4,738,111.19.
- (7) MOR Part 2, k-m - Amounts are per the Debtor's bankruptcy schedules and are subject to adjustment once the claims process has been completed by the CRO, which includes, but is not limited to, examining, determining the validity of and objecting to any disputed, contingent, unliquidated and filed claims.
- (8) MOR Part 2, k-o - As of the time of this filing, the CRO has not determined with accuracy the amount of the secured and unsecured debt, both of which are components of ending net equity/net worth. Accordingly, the CRO makes no representations regarding the accuracy of the form-calculated net equity/net worth of the Debtor.
- (9) MOR Part 7, i - See attached the schedule of insurance in effect for the Jointly Administered Debtors.

**Notes:**

- (1) As of September 30, 2021, insurance premiums are paid in full except for the items discussed in footnotes 2, 3 and 4.
- (2) The auto liability policy will be audited during December 2021. A premium will be due for autos assigned to LBR for the period from June 1, 2021 through December 31, 2021
- (3) Audit premiums are expected to be invoiced for non-current insurance policies including the Builders All Risk policy and OCIP. As of the filing of the monthly operating report, the audit amounts have not been determined.
- (4) Premium obligations outstanding as of August 31, 2021 for LBR are as follows:
- PFA Loan 2055: Balance due for \$266,145
  - PFA Loan 2303: Balance due for \$536,580
- (5) September 1, 2021 was an expiration date for 36.5% of the property insurance program insuring the Refinery. It was not replaced or renewed
- (6) December 1, 2021 is an expiration date for the remaining 63.5% of the property insurance program insuring the Refinery. It is not presently being marketed, LBR assumes the risk for 30% of a \$50 million primary section of the insurance program.

**IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE SOUTHERN DISTRICT OF TEXAS  
HOUSTON DIVISION**

**IN RE:**

**LIMETREE BAY SERVICES, LLC, *et al.*,<sup>1</sup>  
Debtors.**

**CHAPTER 11**

**CASE NO.: 21-32351 (DRJ)  
(Jointly Administered)**

**DEBTORS' EMERGENCY MOTION FOR  
AUTHORITY TO PAY FORBEARANCE FEE**

Emergency relief has been requested. A hearing will be conducted on this matter on November 10, 2021, at 1:00 p.m. (prevailing Central Time) in Courtroom 400, 4th floor, 515 Rusk St., Houston, Texas 77002. You may participate in the hearing in person or by audio/video connection.

Audio communication will be by use of the Court's dial-in facility. You may access the facility at (832) 917-1510. You will be responsible for your own long-distance charges. Once connected, you will be asked to enter the conference room number. Judge Jones's conference room number is 205691.

You may view video via GoToMeeting. To use GoToMeeting, the Court recommends that you download the free GoToMeeting application. To connect, you should enter the meeting code "JudgeJones" in the GoToMeeting app or click the link on Judge Jones's home page on the Southern District of Texas website. Once connected, click the settings icon in the upper right corner and enter your name under the personal information setting.

Hearing appearances must be made electronically in advance of the hearing. To make your electronic appearance, go to the Southern District of Texas website and select "Bankruptcy Court" from the top menu. Select "Judges' Procedures," then "View Home Page" for Judge Jones. Under "Electronic Appearance" select "Click here to submit Electronic Appearance". Select the case name, complete the required fields and click "Submit" to complete your appearance.

If you object to the relief requested or you believe that emergency consideration is not warranted, you must either appear at the hearing or file a written response prior to the hearing. Otherwise, the Court may treat the pleading as unopposed and grant the relief requested.

**Relief is requested not later than November 10, 2021.**

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors' mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

Limetree Bay Services, LLC (“**Limetree**”) and its debtor affiliates (collectively, the “**Debtors**”), as debtors and debtors-in-possession in the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”), respectfully represent as follows in support of this motion (the “**Motion**”).

### **Relief Requested**

1. Pursuant to Sections 105(a) and 363 of title 11 of the United States Code, 11 U.S.C. §§ 101, *et seq.* (the “**Bankruptcy Code**”), the Debtors request entry of an order authorizing, but not directing, the Debtors to pay a Forbearance Fee (defined below), the payment of which is necessary to continue the administration of these Chapter 11 Cases.

2. A proposed form of order granting the relief requested herein is attached hereto as **Exhibit A** (the “**Proposed Order**”).

### **Jurisdiction and Venue**

3. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

### **Background**

4. On July 12, 2021 (the “**Petition Date**”), each of the Debtors filed with this Court a voluntary petition for relief under Chapter 11 of the Bankruptcy Code—thereby commencing the above-captioned Chapter 11 Cases. The Debtors continue to operate their businesses as debtors in possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these Chapter 11 Cases. On or about July 26, 2021, an Official Committee of Unsecured Creditors was appointed (Doc. 189) (the “**Committee**”).

5. On July 13, 2021, the Court entered an order jointly administering the Chapter 11 Cases under Case No. 21-32351 (DRJ) (Doc. 20).

6. A discussion of the facts and circumstances surrounding these Chapter 11 Cases and underlying the relief requested herein is set forth in the *Declaration of Mark Shapiro in Support of Chapter 11 Petitions and First Day Motions* (Doc. 8) (the “**First Day Declaration**”), which was filed on the Petition Date and is incorporated herein by reference in its entirety.

7. On July 12, 2021, the Debtors filed an *Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Post-Petition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Granting Liens and Providing Claims with Superpriority Administrative Expense Status, (IV) Approving Adequate Protection to Pre-Petition Secured Creditors, (V) Modifying the Automatic Stay, and (VI) Scheduling a Final Hearing* (Doc. 14) (the “**DIP Motion**”).

8. On July 14, 2021, August 2, 2021, and August 11, 2021, the Court entered orders granting the DIP Motion on an interim basis (Docs. 104, 271, and 393).

9. On August 27, 2021, the Court granted the DIP Motion on a final basis (Doc. 495) (the “**Final DIP Order**”).

10. Under the DIP Loan Documents (as defined in the Final DIP Order), Debtor Limetree Bay Refining, LLC, as borrower (the “**Borrower**”), was required to make a \$5 million payment due the week of October 11, 2021 (the “**First Payment**”), a \$7.5 million payment due the week of October 18, 2021 (the “**Second Payment**”), and a \$12.5 million payment due the week of October 25, 2021 (the “**Third Payment**” and together with the First Payment and Second Payment, collectively, the “**DIP Payments**”).

11. The Borrower did not have the necessary funds to make the DIP Payments when due, which resulted in a Default (as defined in the DIP Loan Documents) under the DIP Loan Documents (the “**Payment Defaults**”).

12. 405 Sentinel LLC, as administrative and collateral agent for the Lenders (as defined in the DIP Loan Documents) (the “**Agent**”) has agreed to forbear (the “**Forbearance**”) from exercising its default-related rights and remedies under the DIP Loan Documents as of the date hereof until December 10, 2021 (the “**Forbearance Period**”) subject to, among other things, the Borrower’s payment of a forbearance fee in the amount of \$250,000.00 (the “**Forbearance Fee**”).

13. Furthermore, while the Debtors’ approved budget is for a two-week period, it was originally contemplated to be a six-week budget. Given this, as long as the Debtors file a budget approved by the Agent extending the term by four additional weeks, the Agent has stated it will not require an additional forbearance fee in connection with this budget extension.

14. In addition, the Debtors intend on making the First Payment, pursuant to the previously approved budget and due the week of October 11, 2021, on Monday, November 8, 2021, and prior to the hearing on this Motion.

15. Section 10 of the Final DIP Order precludes the Debtors from modifying the DIP Loan Documents “without the approval of the Court on notice and a hearing” if such modifications “(iii) require the payment of any new or additional fee[.]”

#### **Basis for Relief Requested**

16. Payment of the Forbearance Fee is in the best interests of the Debtors, their creditors, and all interested parties. The Forbearance will allow the Debtors to continue the sale process and work with various bidders and potential bidders to obtain the highest and best value

for creditors. The Forbearance Period ends within one week after the deadline to close the sale. Moreover, the Debtors submit that the amount of the Forbearance Fee is reasonable.

17. The Debtors respectfully request emergency consideration of this Motion. Without the payment of the Forbearance Fee, the Agent would be immediately entitled to exercise its default-related rights and remedies under the DIP Loan Documents—which would jeopardize the Debtors’ efforts to maximize value through the sale process. Accordingly, the Debtors respectfully request that the Court approve the relief requested in this Motion on an emergency basis.

18. The Debtors submit that such relief is appropriate and necessary under the circumstances.

**Waiver of Bankruptcy Rules 6004(a) and 6004(h)**

19. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h), if applicable.

**Certification of Accuracy**

20. Pursuant to Local Rule 9013-1(i), this Motion is verified as to its accuracy by Debtors’ counsel.

**Notice**

21. Notice of this Motion will be provided to the Master Service List, including: (a) the U.S. Trustee; (b) all secured creditors; (c) the Offices of the Attorney General of the State of Texas and the United States Virgin Islands; (d) the thirty (30) largest consolidated unsecured creditors for the Debtors; (e) the Debtors’ identified, interested taxing authorities, including the Internal Revenue Service; (f) the Debtors’ identified, interested government and regulatory entities; (g)

other interested parties as identified by the Debtors; (h) the Committee members and their counsel, if known; (i) counsel to the Committee; and (j) any party that has requested notice pursuant to Bankruptcy Rule 2002. The method of service for each party will be described more fully in the certificate of service prepared by the Debtors' claims and noticing agent. The Debtors submit that no other or further notice is required.

*[remainder of page intentionally left blank]*

WHEREFORE, the Debtors respectfully request that the Court enter an order, substantially in the form attached hereto, granting the Motion and granting all other relief that is appropriate under the circumstances.

**CHAPTER 11**

**CASE NO.: 21-32351 (DRJ)  
(Jointly Administered)**

**DEBTORS' EMERGENCY MOTION TO AMEND  
BID PROCEDURES ORDER AND OTHER RELATED RELIEF**

Emergency relief has been requested. A hearing will be conducted on this matter on November 15, 2021, at 3:30 p.m. (prevailing Central Time) in Courtroom 400, 4th floor, 515 Rusk St., Houston, Texas 77002. You may participate in the hearing by audio/video connection.

Audio communication will be by use of the Court's dial-in facility. You may access the facility at (832) 917-1510. You will be responsible for your own long-distance charges. Once connected, you will be asked to enter the conference room number. Judge Jones's conference room number is 205691.

You may view video via GoToMeeting. To use GoToMeeting, the Court recommends that you download the free GoToMeeting application. To connect, you should enter the meeting code "JudgeJones" in the GoToMeeting app or click the link on Judge Jones's home page on the Southern District of Texas website. Once connected, click the settings icon in the upper right corner and enter your name under the personal information setting.

Hearing appearances must be made electronically in advance of the hearing. To make your electronic appearance, go to the Southern District of Texas website and select "Bankruptcy Court" from the top menu. Select "Judges' Procedures," then "View Home Page" for Judge Jones. Under "Electronic Appearance" select "Click here to submit Electronic Appearance". Select the case name, complete the required fields and click "Submit" to complete your appearance.

If you object to the relief requested or you believe that emergency consideration is not warranted, you must either appear at the hearing or file a written response prior to the hearing. Otherwise, the Court may treat the pleading as unopposed and grant the relief requested.

**Relief is requested not later than November 15, 2021.**

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors' mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

Limetree Bay Services, LLC (“**Limetree**”) and its debtor affiliates (collectively, the “**Debtors**”), as debtors and debtors-in-possession in the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”), respectfully represent as follows in support of this motion (the “**Motion**”).

### **Relief Requested**

1. Pursuant to Sections 363(b), (f), and (m) of title 11 of the United States Code, 11 U.S.C. §§ 101, *et seq.* (the “**Bankruptcy Code**”), Rules 2002, 6004, 6006, and 9014 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), and Section K of the Procedures for Complex Cases in the Southern District of Texas (the “**Complex Rules**”), the Debtors hereby move for entry of an order amending the Bid Procedures Order (defined below), substantially in the form attached hereto as Exhibit A (the “**Proposed Order**”), in order to increase the percentage of the Bid Protections (defined below) from three percent (3%) to five percent (5%)<sup>2</sup> and modify those terms such that the Bid Protections would be payable on a closing of a sale as an expenses reimbursement whether or not the proposed purchaser ultimately wins the auction (the “**Bid Procedures Amendments**”).

### **Jurisdiction and Venue**

2. The United States Bankruptcy Court for the Southern District of Texas (the “**Court**”) has jurisdiction to consider this Motion pursuant to 28 U.S.C. § 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b).

3. This Court has constitutional authority to enter final orders with respect to the relief requested herein. The Debtors further confirm their consent to this Court’s entry of final orders or

---

<sup>2</sup> As explained further below, the value to the estate for the sale is well in excess of the amount of the nominal purchase price in the asset purchase agreement.

judgments on this Motion, if it is later determined that, in the absence of the consent of the parties, this Court does not have constitutional authority to enter final orders or judgments.

### **Background**

4. On July 12, 2021 (the “**Petition Date**”), each of the Debtors filed with this Court a voluntary petition for relief under Chapter 11 of the Bankruptcy Code—thereby commencing the above-captioned Chapter 11 Cases. The Debtors continue to operate their businesses as debtors in possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these Chapter 11 Cases. On or about July 26, 2021, an Official Committee of Unsecured Creditors was appointed (Doc. 189) (the “**Committee**”).

5. On July 13, 2021, the Court entered an order jointly administering the Chapter 11 Cases under Case No. 21-32351 (DRJ) (Doc. 20).

6. A discussion of the facts and circumstances surrounding these Chapter 11 Cases and underlying the relief requested herein is set forth in the *Declaration of Mark Shapiro in Support of Chapter 11 Petitions and First Day Motions* (Doc. 8) (the “**First Day Declaration**”), which was filed on the Petition Date and is incorporated herein by reference in its entirety.

7. On July 26, 2021, the Debtors filed an *Emergency Motion for Entry of Order: (i) Establishing Bidding and Sale Procedures; (II) Approving the Sale of Assets; and (III) Granting Related Relief* (Doc. 191) (the “**Bid Procedures Motion**”).

8. On August 11, 2021, the Court entered an order granting the Bid Procedures Motion (Doc. 381) (the “**Bid Procedures Order**”).<sup>3</sup> In accordance with the Bid Procedures Order, the Stalking Horse Bidder is granted certain Bid Protections. Such Bid Protections include “any break-

---

<sup>3</sup> Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to them in the Bid Procedures Order.

up fee, expense reimbursement, termination fee or similar type of payment or bid protections[.]”  
Bid Procedures Motion, § 3(n).

9. Currently, “the aggregate amount of any proposed Bid Protections may not exceed three percent (3%) of the total purchase price under the Bid.” *Id.* In the Bid Procedures Motion, the Debtors explicitly “reserve[d] the right to supplement the discussion of any Bid Protections and the bases for approving such Bid Protections in any Stalking Horse Notices.” *Id.* at § 70.

10. The Debtors, through their investment bankers Jefferies LLC, commenced an extensive “going-concern sale” marketing process over the past three months. The Debtors, through B. Riley Advisory Services, also simultaneously performed a liquidation sale process. In connection with the Debtors’ going-concern sale marketing process, the Debtors officially contacted 183 potential buyers. The Debtors signed NDAs with 35 potential interested parties who accessed the Debtors’ data room and performed due diligence. The Debtors received several letters of interest for a going-concern sale. While the Debtors believe they will receive additional qualified bids and are in the process of working with other qualified bidders, the bid of St. Croix Energy, LLLP (the “**Stalking Horse Bidder**”) is the only qualified bid received by the date of this Motion.

11. After extensive marketing efforts, on or around November 14, 2021, the Debtors received a firm bid with an executed asset purchase agreement from the Stalking Horse Bidder for \$20 million for all or substantially all of the Debtors’ Assets on a “going-concern” basis. Over the last few days, the Debtors have negotiated a significant increase in the amount being offered by the Stalking Horse Bidder. In exchange, the Stalking Horse Bidder has required an increase in the total allowable amount of Bid Protections from three percent (3%) to five percent (5%)—which would result in reimbursement of expenses of \$1 million payable on the closing of a sale. The

Stalking Horse Bidder will receive payment of the Bid Protections whether or not it is the successful bidder and will be paid from the proceeds of the purchase price. Thus, with these changes to the Bid Protections, a \$20 million purchase price would generate \$19 million for the Debtors' estates (the "**Estates**"). The \$1 million Bid Protections would be deducted from the \$20 million purchase price such that the Debtors would receive \$19 million whether or not the Stalking Horse Bidder is the winning bidder and closes a transaction with the Debtors.

12. Based upon the Stalking Horse Bidder's participation in the sale process, the Debtors have observed a considerable amount of outside professional time associated with this proposed sale. The Stalking Horse Bidder has represented to the Debtors it has already incurred, or will shortly incur, in excess of the amount sought as reimbursement in professional fees and expenses. The complexities of the Debtors' businesses and attendant professional costs are evident—given all of the regulatory, operational, compliance, financial, and other issues required for a successful sale and planned restart of the refinery.

**The Requested Relief is Reasonable and Should be Approved**

13. Pursuant to Bankruptcy Rule 6004(f)(1), sales of property outside the ordinary course of business may be by private sale or auction. Fed. R. Bankr. P. 6004(f)(1). The paramount goal of any proposed sale of property of a debtor is to maximize the value received by the estate. *See, e.g., Official Committee of Subordinated Bondholders v. Integrated Resources, Inc. (In re Integrated Resources, Inc.)*, 147 B.R. 650, 659 ("It is a well-establish principal of bankruptcy law that the Debtors' duty with respect to [Section 363] sales is to obtain the highest price or greatest overall benefit possible for the estate"), *quoting Cello Bag Co. v. Champion Int'l Corp. (In re Atlanta Packaging Prods., Inc.)*, 99 B.R. 124, 131 (Bankr. N.D. Ga. 1988).

14. To that end, debtors are granted significant latitude in devising and implementing bidding and sale procedures under Section 363 of the Bankruptcy Code. Indeed, bankruptcy courts have made clear that a debtor's business judgment is entitled to substantial deference with respect to the bid procedures to be used in selling assets of the estate. *See, e.g., In re Integrated Resources, Inc.*, 147 B.R. at 656–57 (noting that overbid procedures and break-up fee arrangements that have been negotiated by a debtor are to be reviewed according to the deferential “business judgment” standard, under which such procedures and arrangements are “presumptively valid”); *See In re ASARCO, L.L.C.*, 650 F.3d at 601 (“The business judgment standard in section 363 is flexible and encourages discretion.”); *see also GBL Holding Co. v. Blackburn/Travis/Cole, Ltd.*, 331 B.R. 251, 254 (N.D. Tex. 2005) (“Great judicial deference is given to the Trustee’s exercise of business judgment.”), (citing *In re Gulf States Steel, Inc. of Ala.*, 285 B.R. 497, 516 (Bankr. N.D. Ala.2002)); *see also In re W.A. Mallory Co., Inc.*, 214 B.R. 834, 836–37 (Bankr. E.D. Va. 1997) (“[G]reat deference is given to a business in determining its own best interests.”); *see also In re Global Crossing, Ltd.*, 295 B.R. 726, 744 n. 58 (Bankr. S.D.N.Y. 2003) (“[T]he Court does not believe that it is appropriate for a bankruptcy court to substitute its own business judgment for that of the [d]ebtors and their advisors....”).

15. While subject to further disclosure and objection, courts routinely approve bid protections, including break-up fees, expense reimbursement and other incentives as reasonable and, often, necessary to facilitate the sale of assets in chapter 11 cases. *See, e.g., In re Acis Capital Mgmt., L.P.*, 604 B.R. 484, 517 (N.D. Tex. 2019) (“Without the Break-Up Fee, the Trustee would have had no ready, willing, and able partner for the proposed Plan. . . .”); *In re Lincolnshire Campus, LLC*, 2010 WL 5269706 at \*2 (Bankr. N.D. Tex. July 23, 2010) (“The Break-Up Fee . . . induced the Buyer to submit a bid that will serve as a minimum or floor bid on which the Debtors

. . . and other bidders can rely. Accordingly, the Break-Up Fee . . . [is] reasonable and appropriate and represent[s] the best method for maximizing the value for the benefit of the Debtors' estates."); *Reliant Energy Channelview LP v. Kelson Channelview LLC (In re Reliant Energy Channelview LP)*, 594 F.3d 200, 206-07 (3d Cir. 2010); *see also In re Integrated Res., Inc.*, 147 B.R. at 659-660 ("Breakup fees are important tools to encourage bidding and to maximize the value of the debtor's assets . . . . In fact, because the . . . corporation ha[s] a duty to encourage bidding, break-up fees can be necessary to discharge [such] duties to maximize values."); *In re ASARCO, L.L.C.*, 650 F.3d at 603 (affirming a break-up fee that the bankruptcy court found helped to maximize the debtor's estate).

16. The Debtors submit that the Bid Procedures Amendments are supported by their sound business judgment and serve the best interests of the Debtors, their Estates, and their creditors. First, the Bid Procedures Amendments are both fair and reasonable given the complexity of these Chapter 11 Cases and the amount of due diligence required to properly evaluate the Assets. Second, the Debtors and the Stalking Horse Bidder have negotiated at arms'-length and in good faith with respect to the increase in the Bid Protections percentage from 3% to 5%. Third, the Debtors believe the Stalking Horse Bid is the best bid that the Debtors have received and, accordingly, it provides the best outcome for the Debtors and their Estates, their creditors, and all other parties in interest.

17. The Debtors believe the consideration received for the Stalking Horse Bidder is well in excess of the nominal amount of \$20 million in the asset purchase agreement. The Stalking Horse Bidder has agreed to incur millions in connection with the continuation of the Debtors' business post closing for operations and other expenses. The Debtors also believe that the remediation costs would be very significant in these cases. When factoring in the value provided

by the Stalking Horse Bidder's agreement to pay certain continued costs and the avoidance of remediation costs, the Debtors believe the total value to the estates of entering into the asset purchase agreement would make the Bid Protections in line with 3% or less of that aggregate value.

18. Denying the requested relief would jeopardize the viability of the Stalking Horse Bid, which would ultimately result in less proceeds available for distribution to creditors.

19. Based on the foregoing, the Debtors respectfully request that the Court find that the Bid Procedures Amendments are supported by the sound business judgment of the Debtors.

**Waiver of Bankruptcy Rules 6004(a) and 6004(h)**

20. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h), if applicable.

**Request for Emergency Relief**

21. The Debtors respectfully request emergency consideration of this Motion. Under the current Bid Procedures Deadlines, there are several deadlines that are about to pass. Until the Court rules on this Motion, the Debtors and bidders are unable to meet these impending deadlines. Further, hearing the Motion on an emergency basis will not adversely affect any interested parties; rather, the relief requested herein, if granted, would provide a benefit to all interested parties.

**Certification of Accuracy**

22. Pursuant to Local Rule 9013-1(i), this Motion is verified as to its accuracy by Debtors' counsel.

**Notice**

23. Notice of this Motion will be provided to the Master Service List, including: (a) the U.S. Trustee; (b) all secured creditors; (c) the Offices of the Attorney General of the State of Texas and the United States Virgin Islands; (d) the thirty (30) largest consolidated unsecured creditors for the Debtors; (e) the Debtors' identified, interested taxing authorities, including the Internal Revenue Service; (f) the Debtors' identified, interested government and regulatory entities; (g) other interested parties as identified by the Debtors; (h) the Committee members and their counsel, if known; (i) counsel to the Committee; and (j) any party that has requested notice pursuant to Bankruptcy Rule 2002. The method of service for each party will be described more fully in the certificate of service prepared by the Debtors' claims and noticing agent. The Debtors submit that no other or further notice is required.

*[remainder of page intentionally left blank]*

**WHEREFORE**, the Debtors respectfully request that the Court enter an order, substantially in the form attached hereto, granting the Motion and granting all other relief that is appropriate under the circumstances.

Dated: November 14, 2021

**CHAPTER 11**

**CASE NO.: 21-32351 (DRJ)  
(Jointly Administered)**

**ORDER GRANTING DEBTORS' EMERGENCY MOTION TO  
AMEND BID PROCEDURES ORDER AND OTHER RELATED RELIEF**

Upon the motion (“**Motion**”)<sup>2</sup> of the debtors and debtors-in-possession (collectively, the “**Debtors**”) in the above-captioned chapter 11 cases (collectively, the “**Chapter 11 Cases**”) for entry of an order (the “**Order**”) amending the Bid Procedures Order as more fully set forth in the Motion; finding this Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334; finding that this matter is a core proceeding pursuant to 28 U.S.C. § 157; finding this Court may enter final orders in this matter consistent with Article III of the United States Constitution; finding that this matter is properly venued in this Court pursuant to 28 U.S.C. §§ 1408 and 1409; finding notice of the Motion due and proper under the circumstances and in accordance with all applicable rules and orders, and no further or additional notice of the Motion being warranted; receiving no objections to the relief requested in the Motion; having considered the Motion, and all other documents submitted in support of the Motion; and, after due deliberation, finding that the relief requested by and through the Motion is due and proper, is premised on the Debtors’ sound business judgment, and serves the best interests of the estates and their creditors; and sufficient cause appearing therefor,

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors’ mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

<sup>2</sup> Unless otherwise defined herein, capitalized terms shall have the meanings ascribed to them in the Motion.

**IT IS HEREBY ORDERED:**

1. The Motion is hereby granted in its entirety.
2. The allowable Bid Protections may be increased, based upon the Debtors' sole discretion, from three percent (3%) to five percent (5%) of the aggregate purchase price, in the amount of \$1 million, payable on a closing of a sale as an expenses reimbursement whether or not the Stalking Horse Purchaser ultimately wins the auction.
3. Unless otherwise explicitly amended hereby, the Bid Procedures Order shall remain unaffected.
4. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.
5. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.
6. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

IN RE:

LIMETREE BAY SERVICES, LLC, *et al.*,<sup>1</sup>  
Debtors.

CHAPTER 11

CASE NO.: 21-32351 (DRJ)  
(Jointly Administered)

**DECLARATION OF MICHAEL O'HARA IN SUPPORT OF DEBTORS' EMERGENCY  
MOTION TO AMEND BID PROCEDURES ORDER AND OTHER RELATED RELIEF**

I, Michael O'Hara, hereby declare under penalty of perjury that, to the best of my knowledge and belief, and after reasonable inquiry, the following is true and correct:

1. I am a Managing Director at Jefferies LLC ("**Jefferies**"), an investment banking and financial advisory firm with principal offices located at 520 Madison Avenue, New York, New York 10022, as well as at other locations worldwide.

2. I submit this declaration (this "**Declaration**") in support of the Debtors' *Emergency Motion to Amend Bid Procedures Order and Other Related Relief* (the "**Motion**").<sup>2</sup>

3. On September 10, 2021, the Court authorized the retention of Jefferies to serve as the Debtors' investment banker effective as of July 16, 2021 (Doc. 563).

4. Except as otherwise indicated, I have personal knowledge of the matters set forth herein, and, if called as a witness, would testify competently thereto. Certain of the disclosures herein, however, relate to matters within my personal knowledge of other professionals at Jefferies and are based on information provided by such professionals.

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors' mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

<sup>2</sup> Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to them in the Motion.

5. Jefferies commenced an extensive “going-concern sale” marketing process over the past three months. Throughout the course of the process, Jefferies contacted 185 prospective investors and received several letters of interest for a going-concern sale. Thirty-five parties executed nondisclosure agreements with the Debtors, accessed the Debtors’ data room, and performed due diligence.

6. While Jefferies believes it may receive additional qualified bids and is in the process of working with other potential qualified bidders, the St. Croix Energy, LLLP (the “**Stalking Horse Bidder**”) bid is the only qualified bid received by the date of this Motion.

7. After extensive marketing efforts, on October 25, 2021, the Debtors and Jefferies received an opening bid from the Stalking Horse Bidder of \$11.5 million.

8. However, over the last few days, the parties have negotiated a significant increase in the amount being offered by the Stalking Horse Bidder. To that end, on or around November 14, 2021, Jefferies received a firm bid with an executed asset purchase agreement from the Stalking Horse Bidder for \$20 million—or \$8.5 million more than the Stalking Horse Bidder’s initial bid—for all or substantially all of the Debtors’ Assets on a “going-concern” basis. In exchange, the Stalking Horse Bidder has required an increase in the total allowable amount of Bid Protections from three percent (3%) to five percent (5%)—which would result in reimbursement of expenses of \$1 million payable on the closing of a sale. The Stalking Horse Bidder will receive payment of the Bid Protections whether or not it is the successful bidder and will be paid from the proceeds of the purchase price.

9. Based upon the Stalking Horse Bidder’s participation in the sale process, Jefferies has observed a considerable amount of outside professional time associated with this proposed

sale. The Stalking Horse Bidder has represented to Jefferies it has already incurred, or will shortly incur, in excess of the amount sought as reimbursement in professional fees and expenses.

10. Jefferies believes the increase in Bid Protections is both fair and reasonable given the complexities of the Debtors' businesses—the regulatory, operational, compliance, financial, and other issues required for a successful sale and planned restart of the refinery.

I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.

Dated: November 14, 2021  
New York, New York

Respectfully submitted,

/s/ Michael O'Hara

1. The Motion is hereby granted in its entirety.
2. The Debtors shall provide the Stalking Horse Bidder as a Bid Protection an expense reimbursement in the amount \$1 million to reimburse the Stalking Horse Bidder for expenses, including attorneys' and investment banking fees and costs, incurred in connection with the Stalking Horse Bid, which Bid Protection shall be payable solely from the proceeds of any sale transaction that has a purchase price of at least \$20 million; *provided, however*, if the consideration for such sale transaction is in the form of a credit bid of existing debt obligations, the Bid Protection in the amount of \$1 million shall be allowed as an administrative expense claim consistent with paragraph 3 below; *provided, further*, that the Stalking Horse Bidder shall not be entitled to any Bid Protections, and any such amounts shall not be due or payable or otherwise allowed as an administrative expense claim, if (a) either the Debtors or the Stalking Horse Bidder declines to proceed with or terminates the Stalking Horse Bid due to the inability to reach agreement on any material transaction document, including, without limitation, the transition services agreement, or (b) the Stalking Horse Bidder (i) breaches the Stalking Horse Bid, which breach has not been waived by the Debtors (*provided* the Debtors may not waive a breach relating to the purchase price), (ii) does not, for any reason other than a breach by the Debtor, close the transaction memorialized in the Stalking Horse Bid by the closing date, or (iii) terminates the Stalking Horse Bid.
3. The Bid Protection approved by this Order is an actual and necessary expense of the Debtors' estates and, to the extent not paid from cash proceeds from any sale because the successful bidder credit bids its existing debt obligations, shall be deemed an allowed superpriority administrative expense claim under section 503(b) of the Bankruptcy Code, senior to all other

allowed administrative expense claims, other than (x) those administrative expense claims payable from the Carve-Out (as defined in the final order authorizing the Debtors to obtain postpetition financing) (the “**Carve-Out Claims**”) and (y) the superpriority adequate protection claims granted to the Debtors’ prepetition secured lenders under the final order authorizing the Debtors to obtain postpetition financing (the “**Adequate Protection Claims**”), payable out of the first proceeds available to pay administrative claims that are not Carve-Out Claims or Adequate Protection Claims.

4. Unless otherwise explicitly amended hereby, the Bid Procedures Order shall remain unaffected.

5. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

6. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

7. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

**Signed: November 22, 2021.**

**EXHIBIT A**

**DESIGNATION OF WINNING BID AND BACK-UP BIDS**

**IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE SOUTHERN DISTRICT OF TEXAS  
HOUSTON DIVISION**

**IN RE:**

**LIMETREE BAY SERVICES, LLC, *et al.*,<sup>4</sup>  
Debtors.**

**CHAPTER 11**

**CASE NO.: 21-32351 (DRJ)  
(Jointly Administered)**

**DESIGNATION OF WINNING BID AND BACK-UP BIDS**

Limetree Bay Services, LLC and its debtor affiliates (collectively, the “**Debtors**”) hereby designate the Winning Bid and Back-up Bids, as provided herein, in accordance with the *Order Granting Debtors’ Emergency Motion for Entry of Order: (I) Establishing Bidding and Sale Procedures; (II) Approving the Sale of Assets; and (III) Granting Related Relief* [Doc. No. 392] (the “**Bid Procedures Order**”) and Paragraph 28 of the Bidding Procedures attached thereto as Appendix A (the “**Bidding Procedures**”).<sup>5</sup>

**I. Summary of Winning Bid**

St. Croix Energy, LLLP (“**St. Croix**”) is the Winning Bidder.

The St. Croix transaction is structured as an asset sale with an expected continuation of the business operations as a going concern upon SCE retaining the requisite personnel and securing certain authorizations during the transition period. The following is a summary of the principal terms of the Winning Bid, a copy of which is attached to the accompanying notice as Exhibit B (the “**APA**”) <sup>6</sup> and incorporated herein by reference:

Purchased Assets.

Substantially all assets of the Debtors, as identified in Sections 1.1 and 1.2 of the APA, exclusive of Excluded Assets. The sale shall be free and clear of any interests in the Purchased Assets pursuant to Section 363(f) of the Bankruptcy Code on an “as is, where is” basis, without

---

<sup>4</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors’ mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

<sup>5</sup> Unless otherwise defined herein, capitalized terms shall have the meanings ascribed to them in the Bid Procedures Order, Bidding Procedures, *Debtors’ Emergency Motion to Amend Milestones and Bid Procedures Deadlines* [Doc. No. 565], or the Bid Procedures Amendment Order, as applicable.

<sup>6</sup> Unless otherwise defined herein, capitalized terms used in the summary shall have the meanings ascribed to them in the APA. All section references in the summary shall refer to the referenced section of the APA. The summary does not contain all material terms of the APA; accordingly, interested parties should review the APA in its entirety. In the event of any inconsistency between the summary and the APA, the provisions of the APA shall control.

representations or warranties, except for the representations and warranties expressly set forth in the APA.

Without limiting the foregoing, the Purchased Assets to be acquired as of the Closing Date include: (a) all Improvements; (b) all Parts Inventory; (c) books and records of the Debtors related to the Purchased Assets, subject to Debtors' right to retain copies of pre-Closing books and records; (d) rights to Intellectual Property; (e) all Furniture and Equipment; (f) accounts receivables related to Purchased Assets; (g) rights, claims, causes of action, and insurance recoveries on account of Purchased Assets; and (h) any rights of the Debtors under any bids to acquire any of the Purchased Assets.

Excluded Assets.

Excluded Asset are identified in Section 1.3 of the APA, and include, among other things, (a) cash and cash equivalents, (b) Avoidance Actions and proceeds thereof, (c) certain rights, claims and causes of action identified in Section 1.3(h), (d) certain rights, claims and causes of action under insurance policies as identified in Section 1.3(i), (e) deposits and prepaid charges unrelated to any Purchased Assets, (f) tax refunds/credits unrelated to any Purchased Assets, (g) accounts receivable unrelated to the Purchased Assets, and including the J. Aron Receivables, the BP Receivables, and NRI Receivables, (h) all contract rights under the APA or any other Transaction Document or otherwise relating to the Excluded Assets or Excluded Liabilities, including rights under executory contracts and unexpired leases, and (i) all equity interests of the Debtors or any of their respective Affiliates.

Subject to the provisions of Section 1.4 of the APA, St. Croix may designate Excluded Assets, including executory contracts and unexpired leases, for inclusion in the Purchased Assets without further consideration until the Designation Deadline.

Assumed Liabilities.

None as of Closing, subject to designation of Excluded Liabilities as Assumed Liabilities pursuant to Section 1.4 and terms of the TSA (defined below).

Excluded Liabilities.

All liabilities as of Closing, subject to designation of Excluded Liabilities as Assumed Liabilities pursuant to Section 1.4 and terms of the TSA.

Consideration.

**\$33,000,000.00**, which is comprised of:

\$20,000,000.00 in cash at the Closing, plus

\$14,000,000.00 (est.) in assumed and avoided liabilities and expense reimbursement pursuant to the terms of a transition services agreement, minus

\$1,000,000.00 in St. Croix expense reimbursement.

Executory Contracts and Unexpired Leases.

None as of Closing, subject to designation of executory contracts and unexpired leases for assumption and assignment under Section 1.4 and terms of the TSA.<sup>7</sup>

Under the terms of the TSA, St. Croix shall be liable for all costs associated with maintaining executory contracts and unexpired leases pending assumption or rejection and any cure costs, if any executory contracts or unexpired leases are ultimately assumed and assigned to St. Croix.

Transition Services.

The St. Croix transaction is predicated upon the Debtors continuing to provide or facilitating services in connection with the operation of the refinery pending St. Croix's designation of operational assets (e.g., permits, contractual rights, etc.) for acquisition. The Debtors shall render the required services pursuant to a transition services agreement (the "TSA") with St. Croix. St. Croix and the Debtors are finalizing the terms of the TSA and shall file a copy of the TSA prior to the Sale Hearing.

Certain material terms of the TSA are set forth in Section 1.4(i).

Sale Hearing.

December 7, 2021, at 4:00 p.m. CT.

Closing.

No later than December 17, 2021, at 5:00 p.m. ET

The Debtors and St. Croix are presently finalizing certain documents pertaining to the APA and transaction, including the TSA; accordingly, pursuant to Exhibit C to this notice, the Debtors are extending the deadline to file such documents under the Bidding Procedures through and including December 3, 2021. Additionally, the Debtors are extending the deadlines associated with the assumption and assignment of executory contracts and unexpired leases to comport with the terms of the APA.

---

<sup>7</sup> St. Croix does not seek the assumption or assignment of any executory contracts or unexpired leases on the Closing Date under the APA; rather, under Section 1.4 of the APA, St. Croix reserves the right to designate any executory contracts or unexpired leases for assumption and assignment at any time prior to the Designation Deadline. The assumption and assignment of any contracts under the APA is premised upon satisfaction of the requirements of Section 365 of the Bankruptcy Code. To comport with the APA, the Debtors are extending the dates and deadlines associated with the assumption and assignment of executory contracts and unexpired leases under the Bid Procedures to the Designation Deadline.

## II. Summary of Back-up Bids

Sabin Metal Corporation (“**Sabin**”) and Bay, Ltd. (“**Bay**”) are the Back-up Bidders.

The bids presented by Sabin (the “**Sabin Bid**”) and Bay (the “**Bay Bid**”) and, together with the Sabin Bid, the “**Back-up Bids**”) are piecemeal bids for the acquisition and/or liquidation of the subject assets.<sup>8</sup> The following is a summary of the principal terms of the Back-up Bids, which remain subject to final negotiations:

### A. The Sabin Bid

<u>Purchased Assets.</u>	Catalyst
<u>Excluded Assets.</u>	All assets of the Debtors, excluding the Catalyst.
<u>Assumed Liabilities.</u>	None.
<u>Excluded Liabilities.</u>	All liabilities of the Debtors.
<u>Consideration.</u>	<b>\$15,122,047.00</b> , which is payable in two installments— (i) 50% six (6) weeks after completion of sampling of the catalyst (approximately five (5) months post-closing) and (ii) 50% upon sale of the metals recovered from the catalyst (approximately eight (8) months post-closing).  <b><u>Caveat:</u></b> The consideration is an <u>estimate</u> of total recoveries from the processing of the catalyst <u>net</u> of processing costs and, as such, may vary depending upon, among other things, the total amount and condition of the catalyst, the amounts of precious metals recovered from the catalyst and the market value of the recovered precious metals at the time of the sale. There is no minimum consideration under the Sabin Bid. The above-described consideration is not the same as the value the Debtors ascribe to the bid, which must be adjusted to include factors such as the uncertainty in total recovery, the Debtors’ cash flow needs, and the time-value of money.
<u>Executory Contracts and Unexpired Leases.</u>	None
<u>Closing.</u>	TBD

---

<sup>8</sup> The consideration set forth in the summary of Back-up Bids is subject to certain offsets and adjustments under the proposed transaction, including, without limitation, adjustments to reflect the risks of recovery and present value of the proposed payments over time. As such, the Debtors are not representing that the stated consideration is the net value of the Back-up Bids to the estates or that the estates are guaranteed to receive the estimated consideration.

**B. The Bay Bid**Purchased Assets.

All tangible personal property assets of the Debtors, excluding the Catalyst, subject to adjustment prior to Closing.

Excluded Assets.

All assets of the Debtors, other than Purchased Assets, including the Catalyst, real property, and intangible personal property assets; *provided* that Bay retains the rights to add or remove certain items from the Purchased Assets without further consideration.

Assumed Liabilities.

Limited assumption of liabilities, including Cure Amounts and certain adequate assurance payments related to any assumed and assigned contracts or leases; transfer taxes; and certain liabilities traceable to Purchaser's conduct.

Excluded Liabilities.

All other liabilities of the Debtors.

Consideration.

An amount up to **\$24,760,000.00**, which is comprised of:

\$3,200,000.00 in cash at the Closing, plus

55% of net proceeds in excess of \$3,000,000, not to exceed \$21,560,000, from the liquidation of non-scrap assets, including equipment, inventory and rolling stock, subject to certain exclusions.

In addition to the foregoing, in the event that Bay is permitted to draw upon the USVI Letter of Credit, Bay agrees to pay Debtors 50% of any proceeds after deducting the expenses of removing Hazardous Materials, up to \$3 million. This recovery is, however, contingent on events outside the Debtors' control.

The Debtors anticipate that the consideration will be paid over a period of three (3) years following the closing date.

**Caveat:** The consideration is an estimate of recoveries from the liquidation of Purchased Assets, subject to certain exclusions, and, as such, the ultimate consideration may vary depending upon the liquidation values of the subject Purchased Assets. Further, the net consideration is dependent upon the payment of certain costs and expenses associated with the removal of the Purchased Assets, which are unknown and, as such, not factored into the gross consideration stated herein. Accordingly, the above-described consideration is not the same as the value the Debtors ascribe to the bid, which must be adjusted to include those expenses and other factors such as the uncertainty in

total recovery, the Debtors' cash flow needs, and the time value of money.

Executory Contracts and  
Unexpired Leases.

TBD

Closing.

## ASSET PURCHASE AGREEMENT

THIS ASSET PURCHASE AGREEMENT (“Agreement”) is made as of November [\_\_\_], 2021, by and among Limetree Bay Services, LLC, a Delaware limited liability company (“LBS”), Limetree Bay Refining Holdings, LLC, a United States Virgin Islands limited liability company (“LBRH”), Limetree Bay Refining Holdings II, LLC, a United States Virgin Islands limited liability company (“LBRH II”), Limetree Bay Refining, LLC, a United States Virgin Islands limited liability company (“LBR”), Limetree Bay Refining Operating, LLC, a United States Virgin Islands limited liability company (“LBRO”), Limetree Bay Refining Marketing, LLC, a United States Virgin Islands limited liability company (“LBRM”), along with LBS, LBRH, LBRH II, LBR and LBRO, each a “Seller” and collectively, “Sellers”, and St. Croix Energy, LLLP, a domestic limited liability limited partnership, and its permitted assignees pursuant to Section 10.5 (collectively, “Purchaser” and, the Purchaser together with Sellers, each a “Party” and collectively, the “Parties”). Capitalized terms used but not otherwise defined in the text of this Agreement have the meanings set forth in Appendix 1 attached hereto, which is incorporated herein and made a part of this Agreement.

### RECITALS

A. Sellers own and operate an oil refinery located on the island of St. Croix in the United States Virgin Islands (collectively, the “Business”).

B. On July 12, 2021 (the “Petition Date”), Sellers filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”), which cases are jointly administered under *In re Limetree Bay Services, LLC*, Case No. 21-32351.

C. On November 14, 2021, Purchaser presented an executed Asset Purchase Agreement, pursuant to which Purchaser presented an irrevocable offer to purchase from Sellers certain assets and assume from Sellers certain liabilities related thereto (the “Initial Asset Purchase Agreement”), subject to the terms of the proposed Initial Asset Purchase Agreement, the *Order Granting Debtors’ Emergency Motion for Entry of Order: (I) Establishing Bidding and Sale Procedures; (II) Approving the Sale of Assets; and (III) Granting Related Relief* (the “Bid Procedures Order”) and bidding procedures appended thereto (the “Bid Procedures”).

D. On or about November 14, 2021, Sellers filed a motion in the Bankruptcy Court to designate the Initial Asset Purchase Agreement as the stalking horse bid and approve certain buyer protections (described therein) under the terms of the Bid Procedures Order and Bid Procedures.

E. On or about November 17, 2021, Sellers conducted an auction in accordance with the terms of the Bid Procedures, during which the Initial Asset Purchase Agreement was designated the Winning Bid and Purchaser the Winning Bidder (as such terms are defined in the Bid Procedures).

F. On the terms and subject to the conditions set forth in this Agreement, (i) the Parties wish to enter into this Agreement to update and supersede the Initial Asset Purchase Agreement on the terms set forth herein, (ii) Purchaser desires to purchase from Sellers, and Sellers desire to

sell to Purchaser, the Purchased Assets and (iii) Purchaser desires to assume, and Sellers desire to assign and transfer to Purchaser, the Assumed Liabilities (the “Purchase”).

G. It is intended that the acquisition of the Purchased Assets will be accomplished through the sale, transfer and assignment of the Purchased Assets by Sellers to Purchaser, or its designee or designees, in a sale undertaken pursuant to Section 363 of the Bankruptcy Code and that certain executory contracts and unexpired leases will be assumed by Sellers and assigned to Purchaser pursuant to Section 365 of the Bankruptcy Code in connection therewith.

## A G R E E M E N T S

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

### ARTICLE I

#### Purchase and Sale of Assets

1.1 Agreement to Purchase and Sell. On the terms and subject to the conditions contained in this Agreement, Purchaser agrees to purchase from Sellers, and Sellers agree to sell, transfer and convey to Purchaser, all of the Sellers’ assets, properties, rights and interests identified in Section 1.2, effective as of the Closing Date, wherever situated or located (collectively, the “Purchased Assets”). The Purchased Assets shall be sold, transferred and conveyed to Purchaser free and clear of any and all Liens and Claims, in each case to the fullest extent permitted under the Bankruptcy Code and resulting from the Sale Order, other than Permitted Liens and Assumed Liabilities.

1.2 Description of Purchased Assets. The Purchased Assets shall include the following assets owned by Sellers as of the entry of the Sale Order, except to the extent that any of the following are specifically enumerated in Section 1.3 as being Excluded Assets:

(a) each Contract listed or described on Schedule 1.2(a) (collectively, the “Business Contracts”);

(b) the real property described on Schedule 1.2(b), together with such easements, appurtenances, right and other hereditaments appurtenant to such real property that are expressly described on Schedule 1.2(b) or otherwise imposed by Law (collectively, the “Purchased Real Property”);

(c) all Improvements;

(d) each real property lease and sublease listed or described on Schedule 1.2(d) (“Real Property Leases”);

(e) all Parts Inventory;

(f) the Files and Records, whether in hard copy or electronic format, except that, with respect to Files and Records that any Seller or any of its Affiliates is required by

Law or Order to retain, the Purchased Assets shall include copies of such Files and Records to the extent permitted by any applicable Law or Order; provided, that any Seller shall be permitted to retain a copy of any such Files and Records that such Seller requires in connection with any of the Excluded Assets;

(g) all Permits (and any pending applications for Permits) described on Schedule 1.2(g) (the “Business Permits”);

(h) the rights to the Intellectual Property listed on Schedule 1.2(h) (the “Business Intellectual Property”);

(i) the rights to Information Technology listed on Schedule 1.2(i) (the “Business IT Assets”);

(j) all Furniture and Equipment owned by a Seller that is located at the Seller Facilities or that is otherwise primarily used or held for use in the Business (other than the Excluded Furniture and Equipment);

(k) all accounts receivables, trade receivables, notes receivables, and other miscellaneous receivables, whether current or overdue, in each case, solely to the extent related to any of the Purchased Assets set forth in Section 1.2(a)-(j), and all pre-paid assets of any Seller, solely to the extent related to any of the Purchased Assets set forth in Section 1.2(a)-(j), which, for the avoidance of doubt, excludes any right to or interest in any Excluded Assets;

(l) all rights, claims, defenses, causes of action, rights of offset and counterclaims (at any time or in any manner arising or existing, whether choate or inchoate, known or unknown, contingent or non-contingent) of each Seller, but excluding any Avoidance Actions and proceeds thereof, in each case solely (i) with respect to any of the Purchased Assets set forth in Sections 1.2(a)-(k) and (ii) to the extent first arising with respect to incidents, actions or omissions that occur on or after the Closing Date (the “Purchased Claims”);

(m) all insurance recoveries, other than the Excluded Insurance Recoveries, under each Seller’s or its Affiliates’ insurance policies, in each case solely with respect to any of the Purchased Assets set forth in Sections 1.2(a)-(k), and any rights to assert claims with respect to any such insurance recoveries;

(n) all rights under and to any bids, offers, options, or other contracts to purchase or sell any Purchased Asset, including any of the offers received at the Auction; and

(o) the general books and records and the books of account and books of original entry that comprise a Seller’s permanent Tax records, in each case, solely to the extent related to the Purchased Assets or Assumed Liabilities; provided, that any Seller shall be permitted to retain a copy of any such pre-Closing books and records.

1.3 Excluded Assets. The “Excluded Assets” means all of the assets, properties, rights and interests of the Sellers as of the Closing Date, wherever situated or located, other than the Purchased Assets, including, but not limited to, the following items and assets:

- (a) all cash, certificates of deposit or other cash equivalents;
- (b) any real property other than the Business Real Property;
- (c) all personal property, equipment and inventory not included in the Purchased Assets;
- (d) notwithstanding anything to the contrary in Section 1.2, all Avoidance Actions and proceeds thereof;
- (e) all rights under any Contract to which any Seller is a party that is not a Business Contract or a Real Property Lease;
- (f) general books of account and books of original entry that comprise a Seller’s permanent Tax records, corporate minute books, stock books and related organizational documents and the books and records that any Seller is required to retain pursuant to any Law or Order and the books and records solely to the extent not related to the Purchased Assets or the Assumed Liabilities;
- (g) all personnel records of employees, former employees or consultants of each Seller;
- (h) all rights, claims, causes of action, remedies, defenses, rights of offset and counterclaims (at any time or in any manner arising or existing, whether choate or inchoate, known or unknown, contingent or non-contingent) of each Seller or its estate against any Person, together with recoveries therefrom, including, without limitation, against any current or former equity holders, lenders, employees, professionals, advisors, agents, officers, directors, managers, contractors, suppliers or other contractual counterparties of any Seller or any Affiliate of any Seller relating to, without limitation, negligence, misrepresentation, fraud, malpractice, breach of contract, breach of fiduciary duty, breach of the duty of loyalty, breach of the duty of care, breach of the implied covenant of good faith and fair dealing, mandatory subordination, equitable subordination, equitable disallowance or recharacterization; provided that this Section 1.3(h) shall not include any Purchased Claims; provided, further, that any remaining rights of the Official Committee of Unsecured Creditors (the “Committee”) to assert a “Challenge” under the *Final Order (I) Authorizing the Debtors to (A) Obtain Postpetition Senior Superpriority Financing and (B) Use Cash Collateral, (II) Granting Adequate Protection to Prepetition Secured Parties, (III) Modifying the Automatic Stay, and (IV) Granting Related Relief* (Doc. No. 495 filed in the Bankruptcy Cases) are fully preserved and shall not constitute Purchased Assets;
- (i) all rights, claims, causes of action, remedies, defenses, rights of offset and counterclaims (at any time or in any manner arising or existing, whether choate or inchoate, known or unknown, contingent or non-contingent) of each Seller or its estate against any Person, together with recoveries therefrom, under any insurance policies of any Seller or

any Affiliate of any Seller, to the extent related to or arising from any business interruption (including, without limitation, any business interruption coverage under any property damage policies), errors and omissions or directors' and officers' liability insurance policies, or property damage, and any rights to assert claims with respect to any such insurance recoveries; provided, that any recovery on account of property damage related to any Purchased Assets shall be limited solely to (i) recoupment of amounts actually paid (as evidenced by written invoices or receipts therefor or other written documentation thereof) by Sellers in connection with the repair, rehabilitation or remediation of the subject Purchased Assets, which amounts shall only be payable if (x) the Bankruptcy Court holds that Sellers are entitled to recovery of such amounts notwithstanding any unpaid self-insurance retention, or (y) Purchaser has recouped all amounts paid by Purchaser in connection with the repair, rehabilitation or remediation of the subject Purchased Assets and compensable under the subject insurance policy, and additional coverage remains under the applicable insurance policies, and (ii) any related business interruption claims (such rights, claims, causes of action, remedies, defenses, rights of offset, counterclaims and insurance recoveries pursuant to this Section 1.3(i), the "Excluded Insurance Recoveries");

(j) all claims for refund or credit of (i) income Taxes of each Seller and its Affiliates for any taxable period and (ii) non-income Taxes of each Seller and its Affiliates with respect to a Pre-Closing Period;

(k) the Excluded Intellectual Property;

(l) the Excluded IT Assets;

(m) each Seller's or any of its Affiliates' rights under this Agreement or any Transaction Document or relating to the Excluded Assets or the Excluded Liabilities;

(n) all deposits (including security deposits, rent, electricity, telephone or otherwise and retainers held by attorneys, accountants, financial advisors and other professional advisors retained by any Seller or by any creditors' committee in the Bankruptcy Case) and other prepaid charges of each Seller, in each case other than with respect to the Purchased Assets described in Section 1.2(k), provided, for the avoidance of doubt, that any returned insurance premiums paid prior to the Closing Date shall constitute Excluded Assets;

(o) any assets of each Seller in a directors and officers liability insurance policy, executive or incentive compensation, bonus, deferred compensation, pension, retiree medical, stock option or other stock purchase plan or other employee benefit plan;

(p) the Furniture and Equipment set forth on Schedule 1.3(p) (the "Excluded Furniture and Equipment");

(q) all accounts receivables, trade receivables, notes receivables, and other miscellaneous receivables, whether current or overdue, and all pre-paid assets of each Seller, in each case, except to the extent within the scope of Section 1.2(k), but including,

for the avoidance of doubt, the J. Aron Receivables, the BP Receivables, and NRI Receivables;

(r) all Permits (and any pending applications for Permits) other than the Business Permits;

(s) all attorney client privilege and attorney work product protection of each Seller or associated with the Business (as currently or formerly conducted) as a result of legal counsel representing a Seller or the Business (as currently or formerly conducted), and all Files and Records related thereto subject to such attorney client privilege or work product protection; provided that any privilege or work product that exclusively relates to the Purchased Assets or the Assumed Liabilities or that is necessary to operate the Business (other than such privileges, protections and related Files and Records related to or in connection with the transactions contemplated by this Agreement or any Transaction Document) shall not be deemed to be an Excluded Asset whether or not in connection with the transactions contemplated by this Agreement or any Transaction Document; and

(t) all shares of capital stock or other equity interests in any Seller or any Affiliate thereof or any securities convertible into, exchangeable or exercisable for shares of capital stock or other equity interests in any Seller or any Affiliate thereof.

For clarification purposes and without implication that the contrary would otherwise be true, it is understood and agreed that all rights and remedies with respect to the Excluded Assets or the Excluded Liabilities shall be retained by Sellers and shall not be transferred to Purchaser hereunder unless and until designated as a Purchased Asset or Assumed Liability pursuant to Section 1.4(h).

#### 1.4 Contract and Asset Designation Rights.

(a) No later than three (3) Business Days following the execution of this Agreement, Sellers shall deliver to Purchaser a list of any Contracts Sellers that are material to the Business, any Purchased Assets, and any Assumed Liabilities, including the Cure Amounts associated with each such Contract subject to Section 365 of the Bankruptcy Code. Sellers shall cooperate with, and, as promptly as practicable, provide Purchaser with such access and information reasonably requested by it in order for Purchaser to identify each of the material Contracts related to the Business, any Purchased Assets and any Assumed Liabilities, and subject to assumption or rejection hereunder, including providing copies of all such Contracts, and in order for Purchaser to confirm any associated Cure Amounts. Prior to the Designation Deadline (as defined below), Sellers shall supplement such list to add any Contracts entered into by Sellers during the pendency of the Bankruptcy Cases that are material to the Business, any Purchased Assets, or any Assumed Liabilities, and update any information pertaining to Contracts entered into prior to Closing.

(b) Any motions filed by Sellers with, and any proposed orders submitted by Sellers to, the Bankruptcy Court seeking authorization after the date hereof to assume or reject any Contracts shall be satisfactory in form and substance to Purchaser in its reasonable discretion. No later than three (3) Business Days following Purchaser's designation of any Contract for assumption by the Sellers and assignment to Purchaser (each such Contract, a "Designated Contract"), the Sellers shall cause notice to be provided

to all known or reasonably ascertainable counterparties to such Contract regarding the (i) assumption and assignment to Purchaser of such Contract and (ii) setting forth the Cure Amounts associated with such Contract as of the Sale Hearing (or as of such later date reasonably acceptable to Purchaser and Sellers). If Purchaser is designated the Winning Bidder following the Auction, Sellers shall consult with, and give due consideration to the views and concerns of, Purchaser prior to compromising or commencing any Action with respect to any material payment required to be made under the Bankruptcy Code to effectuate the assumption of any such Contract, including using commercially reasonable efforts to provide no less than three (3) Business Days' notice of any such compromise or Action to Purchaser; provided, that Sellers shall not have any obligation to attempt to resolve any issues with respect to or commence or prosecute any Action concerning any material payment required to be made under the Bankruptcy Code to effectuate the assumption or assignment of any such Contract, it being acknowledged and agreed that Purchaser is solely responsible for resolving any disputes pertaining such payments, including the payment of any Cure Amounts.

(c) For the purpose of determining whether a Contract of Sellers shall be included as a Purchased Asset or an Excluded Asset, from and after the filing of the Approval Motion, all such Contracts shall be treated as follows:

(i) No later than one (1) Business Day prior to the Closing Date, Purchaser shall notify Sellers in writing of those Contracts which Purchaser desires to be designated to be assumed by Sellers and assigned to Purchaser on the Closing Date.

(ii) No Contracts entered into during the pendency of the Bankruptcy Cases shall be designated to be assigned to Purchaser unless Purchaser notifies Sellers in writing that it will purchase such Contract prior to the Closing Date, in which case Sellers shall seek authority to assign such Contract to Purchaser.

(iii) Until the date that is 150 days following the Closing Date (the "Designation Deadline"); provided that the Designation Deadline may be extended by Purchaser in its sole discretion for up to two successive 90 day periods subject to Purchaser's continued reimburse of Sellers for any and all costs and expenses of retaining Contracts, and all Liabilities that arise in the ordinary course of business, during such extension period, as provided in the Transition Services Agreement including all administrative costs of the Bankruptcy Cases (i.e., the U.S. Trustee's fees, and expenses of Sellers' professionals, including legal counsel) as and to the extent such costs are contemplated in the Sellers' Budget for the Bankruptcy Cases attached hereto as Exhibit A (the "Budget"). Purchaser shall have the right to designate additional Designated Contracts for no additional Consideration, except for the obligations set forth under the Transition Services Agreement and the payment of Cure Amounts associated with any Designated Contracts. Any such Designated Contracts will be deemed to be included as a Business Contract or a Real Property Lease, as applicable, and included as a Purchased Asset hereunder.

(iv) All other Contracts not expressly assumed by Purchaser prior to the Designation Deadline (each a “Disclaimed Contract”) shall be deemed to be Excluded Assets. With respect to each Contract that is an Excluded Asset, Sellers hereby agree that, without the prior written consent of Purchaser, they shall not, and shall not permit any of their respective Affiliates to, reject any such Contract prior to the earlier to occur of the expiration of (x) the Designation Deadline and (y) the date that Purchaser provides written notice designating such Contract as a Disclaimed Contract.

Purchaser shall provide, with respect to any Designated Contract, such information or documentation related to “adequate assurance of future performance” as shall be reasonably required in connection with the assumption and assignment of such Contract, and upon Bankruptcy Court approval for the assumption and assignment thereof to Purchaser, any such Designated Contract shall be deemed to be a Business Contract and to constitute a Purchased Asset hereunder. Notwithstanding anything to the contrary set forth in this Agreement, to the extent that, prior to Closing, any Contract is not subject to an order of the Bankruptcy Court with respect to the assumption and assignment of such Contract, any Liabilities of Sellers related to such Contract shall be the responsibility of Sellers until such Contract is either assumed by Sellers and assigned to Purchaser or rejected by Sellers as permitted pursuant to this Section 1.4(c); provided that, notwithstanding the foregoing, Purchaser shall reimburse Sellers for any and all costs and expenses of retaining such Contracts, and all Liabilities that arise in the ordinary course of business, as provided in the Transition Services Agreement until the earlier to occur of (x) five (5) Business Days following the date that Purchaser provides written notice designating any such Contract as a Disclaimed Contract and (y) the date that is five (5) Business Days after the Designation Deadline.

(d) At Closing, to the extent not previously paid, Purchaser shall pay or cause to be paid (and shall reimburse or cause to be reimbursed to Sellers any amounts paid after the date hereof in respect of) any and all Cure Amounts in respect of all Designated Contracts then identified. Additionally, following the Closing, Purchaser shall pay or cause to be paid (and shall reimburse or cause to be reimbursed to Sellers any amounts paid after the date hereof in respect of) any and all Cure Amounts in respect of all Designated Contracts as they become so designated and assigned to Purchaser. Purchaser’s obligations under this Section 1.4(d) shall be in addition to any obligations under the Transition Services Agreement.

(e) Nothing in this Agreement shall be construed as an attempt by Sellers to assign any Contract to the extent that such Contract is not assignable under the Bankruptcy Code or otherwise without the consent of the other party or parties thereto, and the consent of such other party has not been given or received, as applicable. With respect to any Contract for which the consent of a party thereto to the assignment thereof shall not have been obtained at Closing and any claim, right or benefit arising thereunder or resulting therefrom, Sellers and Purchaser shall use their reasonable good faith efforts to obtain as expeditiously as possible the written consent of the other party or parties to such Contract necessary for the assignment thereof to Purchaser; provided Purchaser shall be ultimately responsible for obtaining any such consent(s). Unless and until any such consent, waiver,

confirmation, novation or approval is obtained, Sellers and Purchaser shall cooperate to establish an arrangement reasonably satisfactory to Sellers and Purchaser under which Purchaser would obtain the claims, rights and benefits and assume the corresponding Liabilities and obligations thereunder (including by means of any subcontracting, sublicensing or subleasing arrangement). In such event, (i) Sellers will hold in trust for and promptly pay to Purchaser, when received, all moneys received by them under any such Contract or any claim, right or benefit arising thereunder, (ii) Purchaser will promptly pay, perform or discharge, when due, any and all obligations and Liabilities arising thereunder, other than those being contested in good faith, and (iii) Purchaser shall reimburse Sellers for all reasonable costs and expenses, including fees and costs of professionals, incurred by Sellers in connection with any such Contract. Purchaser acknowledges that no adjustment to the Purchase Price shall be made for any such Contracts that are not assigned and that Purchaser shall have no claim against Sellers in respect of such unassigned Contracts. Nothing in this paragraph shall be deemed a waiver of Purchaser's right to receive an effective assignment of all of the Purchased Assets at Closing, save and except for any Contracts that Sellers are unable to assume or assign to Purchaser under applicable Law or order of any court of competent jurisdiction, nor shall any Contracts covered by this paragraph be deemed to constitute Excluded Assets solely by virtue of this paragraph. Sellers' obligations under this paragraph shall terminate on the date that is 150 days after the Closing Date.

(f) Promptly following the Designation Deadline, Purchaser shall file with the Bankruptcy Court a final list of all Business Contracts and Real Property Leases.

(g) Notwithstanding anything to the contrary in this Section 1.4, Sellers shall have no obligation to renew, replace or extend the term of any Contracts or otherwise preserve or prevent the expiration of any Contracts, or incur any costs, expenses or other liabilities or obligations associated with any Contracts not reimbursable by Purchaser under this Agreement or the Transition Services Agreement.

(h) Until the Designation Deadline, for no additional consideration, except for any obligations under the Transition Services Agreement or Cure Amounts due in connection with the subject assets, Purchaser shall be entitled to amend Schedules 1.2(b), 1.2(g), 1.2(h) and 1.2(i), or any other Schedule(s) affected by such designation, and to designate (by delivery of written notice to Sellers of such designation) additional assets and liabilities to assume and have assigned to Purchaser by Sellers, which assets and liabilities will thereafter be deemed to constitute "Purchased Assets," and "Assumed Liabilities," hereunder, as appropriate, notwithstanding the fact that such assets and liabilities previously may have been considered Excluded Assets or Excluded Liabilities hereunder and any and all Schedule(s) affected by such designation shall be deemed amended automatically upon receipt of such notice without further action by the Parties or order of the Bankruptcy Court; provided, however, that Purchaser shall not be entitled to designate any Excluded Assets under Sections 1.3(a), (d), (j), (m), (n), (o), or (q) as Purchased Assets without the express prior written consent of Sellers and, until all obligations owing to the DIP Agent have been indefeasibly paid and discharged in full, DIP Agent; provided, further, that the Purchaser shall in no event be entitled to designate any Excluded Assets under Sections 1.3(h) or (i) as Purchased Assets, and any amendment

or waiver with respect to Sections 1.3(h) or (i) shall require the express prior written consent of the Prepetition Secured Parties and, until all obligations owing to the DIP Agent have been indefeasibly paid and discharged in full, DIP Agent. In the event of any designation pursuant to Section 1.4, Sellers reserve the right to amend or supplement any Schedule(s) or disclosures under this Agreement or any Transaction Documents solely to account for such designation, which amendment or supplement shall be deemed made as of the date hereof. For the avoidance of doubt, this Section 1.4(h): (i) shall not apply to designation of Contracts as assumed or excluded, which shall occur in accordance with the procedures set forth in Sections 1.4(a)-(g) above, and (ii) shall not result in any adjustments to the Purchase Price.

(i) On the Closing Date, the Parties shall enter into a Transition Services Agreement, on terms mutually acceptable to the Parties, which shall provide, among other terms, (i) Purchaser shall perform any and all obligations of the Sellers under any Contracts from and after the Closing until such Contract is designated as a Disclaimed Contract, (ii) Purchaser shall pay certain expenses associated with the maintenance or operations of the Refinery or other assets of the Debtors from and after Closing until the date that is five (5) Business Days after the Designation Deadline (unless such asset is designated a Purchased Asset, which case Purchaser shall be exclusively responsible for such assets and any related costs and expenses on and after such designation), (iii) Purchaser shall reimburse Sellers for any and all costs and expenses incurred in connection with any Contract on or after the Closing Date until such Contract is designated as a Disclaimed Contract, (iv) Purchaser shall indemnify and hold harmless Sellers, and each of them, and each of their respective officers, directors, employees, agents, professionals and any other individual or entity acting by or through or on behalf of Sellers, or any of them (collectively, the “Indemnified Parties”), from any and all actions, causes of action, claims, demands, damages, judgments, Liabilities, debts, dues and suits of every kind, nature and description whatsoever, arising directly or indirectly out of the Purchaser’s performance of any Contracts or Purchaser’s or Sellers’ actions that are required to be taken pursuant to the Transition Services Agreement on or after the Closing Date, (v) release of the Indemnified Parties from any and all actions, causes of action, claims, demands, damages, judgments, Liabilities, debts, dues and suits of every kind, nature and description whatsoever, arising directly or indirectly out of arising out of the Indemnified Parties’ actions in connection with the Contracts or any actions taken pursuant to the Transition Services Agreement on or after the Closing Date, and (vi) the effectiveness of the Transition Services Agreement shall be subject to approval of the Bankruptcy Court as a Transaction Document. For the avoidance of doubt, to the extent there is any conflict between the terms of this Section 1.4(i) and the terms of the Transition Services Agreement, the terms of the Transition Services Agreement shall govern.

## ARTICLE II

### Assumption of Liabilities

2.1 Agreement to Assume. At the Closing, Purchaser shall assume and agree to pay, perform and discharge when due, solely the liabilities and obligations of Sellers described in Section 2.2 (the “Assumed Liabilities”). Purchaser shall only be liable for Assumed Liabilities.

All other liabilities and obligations of Sellers, including those enumerated in Section 2.3, are collectively referred to herein as “Excluded Liabilities”. Purchaser shall not assume, be deemed to have assumed, or otherwise be responsible for, any Excluded Liabilities unless and until designated as an Assumed Liability in accordance with Section 1.4(h).

2.2 Description of Assumed Liabilities. The following liabilities and obligations of Sellers (and only the following liabilities and obligations) shall constitute the Assumed Liabilities:

(a) all Liabilities (including for the avoidance of doubt, all Environmental Liabilities) relating to or arising out of the Purchased Assets on or after the Closing Date (or, in the case of any Purchased Assets that are designated for assignment or transfer to Purchaser following the Closing, after the date of such assignment or transfer, except as otherwise provided in the Transition Services Agreement);

(b) all Post-Closing Litigation Liabilities with respect to the Purchased Assets;

(c) all Cure Amounts with respect to the Business Contracts and the Real Property Leases;

(d) all costs and expenses necessary in connection with providing “adequate assurance of future performance” with respect to the Business Contracts and Real Property Leases (as contemplated by Section 365 of the Bankruptcy Code) for the period commencing on or after the Closing;

(e) all Liabilities related to the Business Contracts, Real Property Leases and Business Permits, arising out of or relating to any act, omission, circumstance or other Event occurring on or after the Closing Date (in the case of Contracts that are ultimately designated as Disclaimed Contracts, Purchaser shall reimburse Sellers for all Liabilities that arise in the ordinary course of business after the Closing through and including the earlier to occur of (x) five (5) Business Days following the date that Purchaser provides written notice designating any such Contract as a Disclaimed Contract and (y) the date that is five (5) Business Days after the Designation Deadline);

(f) all accounts payable to Sellers’ third party trade creditors that relate to the Purchased Assets and are in respect of goods or services that are provided to or for the benefit of the Purchaser following the Closing (or, in the case of Purchased Assets that are designated as such after the Closing, following the date such Purchased Asset is transferred to Purchaser), including any unresolved vendor rebates or credits associated with such trade creditors that are unpaid, uncollected or unresolved, as the case may be, at the Closing (or, in the case of Purchased Assets that are designated as such after the Closing, following the date such Purchased Asset is transferred to Purchaser);

(g) any Transfer Taxes;

(h) any Liability for any Tax or Taxes arising out of or relating to the ownership of the Purchased Assets with respect to any Post-Closing Period (or, in the case of any Purchased Assets that are designated for assignment to Purchaser following the Closing, after the date of such assignment); provided that any liability under the Refinery Operating

Agreement for any Post-Closing Period shall not be considered a Tax Liability arising out of the ownership of the Purchased Assets unless and until the Refinery Operating Agreement is designated as a Designated Contract; and

(i) all Environmental Liabilities arising out of or relating to any act, omission or circumstance that occurred solely with respect to the Purchased Assets prior to the Closing (or, in the case of any Purchased Assets that are designated for assignment to Purchaser following the Closing, prior to the date of such assignment), including for the avoidance of doubt, the presence of Hazardous Materials arising from Sellers' or its predecessors' former refinery operations and located at the Purchased Assets, solely to the extent such Liabilities are exacerbated, triggered, increased, or have their timing accelerated by any act or omission of, or any delay caused by, Purchaser or any of its Affiliates, their respective successors or assigns or their respective Representatives following the Closing (or, in the case of any Purchased Assets that are designated for assignment to Purchaser following the Closing, after the date of such assignment); provided, that, all Environmental Liabilities arising out of or relating to Events or conditions occurring or existing prior to Closing shall not be Assumed Liabilities solely by virtue of Purchaser discovering, identifying or quantifying such Environmental Liabilities through sampling of environmental media if such sampling is (i) required by Environmental Law or by a Governmental Entity, (ii) required to be conducted in response to a Third Party Claim alleging that Hazardous Materials have migrated offsite from the Business Real Property, or (iii) performed to assess known or reasonably suspected conditions that reasonably could be expected to result in imminent and substantial harm to human health or the environment.

2.3 Excluded Liabilities. The Excluded Liabilities shall consist of all Liabilities other than the Assumed Liabilities. The Excluded Liabilities shall include, but shall not be limited to, the following:

(a) all Liabilities (other than Environmental Liabilities) relating to or arising out of any breach or violation of any Law (other than any Environmental Law), Business Contract, Real Property Lease or any Business Permit occurring prior to Closing (or, in the case of any Business Contract, Real Property Lease or Business Permit that is designated for assignment to Purchaser following the Closing, prior to the date of such assignment, except as otherwise provided in the Transition Services Agreement);

(b) any Liability arising out of or relating to the Excluded Assets, except as otherwise provided in the Transition Services Agreement;

(c) any Liability arising out of or relating to this Agreement or any Transaction Document for which any Seller has responsibility;

(d) all Liabilities in respect of any employee or other service provider of Sellers or any of its Affiliates (whether arising prior to, on or after the Closing Date), including any severance obligations that accrue under any severance plan of any Seller with respect to any of such Seller's employees;

- (e) all Environmental Liabilities that are not Assumed Liabilities;
- (f) all Liabilities for fees and expenses (i) relating to the negotiation and preparation of this Agreement and the Transaction Documents and (ii) relating to the transactions contemplated by this Agreement and the Transaction Documents, in each case, to the extent incurred by Sellers or their respective Affiliates;
- (g) any Liability for any Tax or Taxes of any Seller or its Affiliates for any taxable period;
- (h) any Liability for any Tax or Taxes arising out of or relating to the operation of the Business (as currently or formerly conducted) or the ownership of the Purchased Assets in any Pre-Closing Period (or, in the case of any Purchased Assets that are designated for assignment to Purchaser following the Closing, prior to the date of such assignment, except as otherwise provided in the Transition Services Agreement), including any Property Taxes;
- (i) any Liability for any Quarterly Refinery Payments incurred or accruing prior to the date that the Refinery Operating Agreement is designated for assignment to Purchaser, if ever; and
- (j) any Liability or obligation arising out of or relating to Indebtedness of any Seller or any of its Affiliates.

### ARTICLE III

#### Purchase Price, Manner of Payment; Closing; Deposit

3.1 Purchase Price; Delivery of Funds. At the Closing, Purchaser shall in full consideration for the sale and transfer by Sellers of the Purchased Assets (a) pay to Sellers an amount (such amount, the “Closing Payment”) equal to (i) the Purchase Price, less (ii) the Good Faith Deposit Amount, by wire transfer of immediately available funds to an account or accounts designated by Sellers in writing to Purchaser at least three (3) Business Days prior to the Closing; (b) together with Sellers, execute and deliver a joint written instruction to the Escrow Agent instructing it to release from the Escrow Account to Sellers by wire transfer of immediately available funds to an account or accounts designated by Sellers, an amount equal to the Good Faith Deposit Amount, and (c) assume the Assumed Liabilities.

#### 3.2 Good Faith Escrow Deposit.

(a) Purchaser has paid to the Escrow Agent the Good Faith Deposit Amount and any Additional Deposit Amount, which funds shall be held in a segregated trust account by the Escrow Agent and released by the Escrow Agent only in accordance with the terms of this Agreement.

(b) If the Closing occurs, then the Good Faith Deposit Amount, shall be paid to Sellers and the applicable Parties shall submit joint written instructions to the Escrow Agent (in accordance with Section 3.1) to give effect to the same.

(c) If the Closing does not occur as a result of the termination of this Agreement pursuant to Section 8.1(e), then within five (5) Business Days of such termination, the Good Faith Deposit Amount shall be disbursed to Sellers by the Escrow Agent as liquidated damages and the applicable Parties shall submit joint written instructions to the Escrow Agent to give effect to the same.

(d) If the Closing does not occur as a result of the termination of this Agreement for any reason other than as set forth in Section 3.2(c), then the Good Faith Deposit Amount shall be returned to Purchaser by the Escrow Agent within five (5) Business Days of such termination, and the applicable Parties shall submit joint written instructions to the Escrow Agent to give effect to the same.

(e) The Parties acknowledge that the agreements contained in this Section 3.2 are an integral part of the transactions contemplated by this Agreement and that without these agreements neither Sellers nor Purchaser would enter into this Agreement.

3.3 Time and Place of Closing. Subject to the satisfaction or waiver of all of the conditions set forth in Article VII, the closing of the Purchase (the “Closing”) shall take place at the offices of Baker & Hostetler LLP, 45 Rockefeller Plaza, New York, New York 10111, or such other location agreed upon by Sellers and Purchaser, as soon as practicable, but in any event within five (5) Business Days, after the last of the conditions set forth in Article VII is satisfied or waived (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the fulfillment or waiver of those conditions), or at such other time, date or place as the Parties shall agree in writing; provided, however, that the Closing Date (defined hereinafter) shall occur no later than December 17, 2021, at 5:00 p.m. (New York City time), unless extended by Sellers, with the consent of the DIP Agent and Prepetition Secured Parties. Such date of Closing is herein referred to as the “Closing Date”.

3.4 Closing Deliverables.

(a) At the Closing, Sellers shall deliver or cause to be delivered to Purchaser:

(i) a certificate in a form reasonably satisfactory to Purchaser signed by an authorized officer of each Seller, dated as of the Closing Date, confirming the matters set forth in Sections 7.2(a) and (b) with respect to each Seller;

(ii) counterparts to the assignment, transfer and conveyance instruments listed on Schedule 3.4, in each case, duly executed by each Seller (as applicable);

(iii) a counterpart to the Bill of Sale and Assignment and Assumption Agreement, duly executed by each Seller;

(iv) a counterpart to the Transition Services Agreement, duly executed by each Seller (or their applicable Affiliates); and

(v) written instructions to the Escrow Agent to release the Good Faith Deposit Amount pursuant to Section 3.1.

(b) At the Closing, Purchaser shall deliver or cause to be delivered to Sellers, and Sellers shall have received:

(i) the Closing Payment by wire transfer of immediately available funds to an account or accounts designated by Sellers in writing to Purchaser at least three Business Days prior to the Closing;

(ii) a certificate in a form reasonably satisfactory to Sellers signed by an authorized officer of Purchaser, dated as of the Closing Date, confirming the matters set forth in Sections 7.1(a) and (b);

(iii) counterparts to the assignment, transfer and conveyance instruments listed on Schedule 3.4, in each case, duly executed by Purchaser (as applicable);

(iv) a counterpart to the Bill of Sale and Assignment and Assumption Agreement, duly executed by Purchaser;

(v) a counterpart to the Transition Services Agreement, duly executed by Purchaser; and

(vi) written instructions to the Escrow Agent to release the Good Faith Deposit Amount pursuant to Section 3.1.

3.5 Allocation of Purchase Price. The purchase price (as determined for U.S. federal income Tax purposes) shall be allocated among the Purchased Assets within 120 days after the Closing in the manner required by Section 1060 of the Code, and as proposed by Sellers and consented to by Purchaser prior to the Closing (such consent to not be unreasonably withheld). Notwithstanding the foregoing, nothing in this Agreement shall be construed to mean that a Party hereto or other person must: (a) use, for any one or more purposes, any price or other allocation set forth or provided for in this Agreement if such Party or person reasonably believes or reasonably is advised that such use is not in accordance with applicable Law; or (b) make or file, or cooperate in the making or filing of, any return or report to any Governmental Entity in any manner that such Party or person reasonably believes or is reasonably advised is not in accordance with applicable Law.

#### ARTICLE IV Representations and Warranties of Sellers

Except as set forth in the disclosure letter delivered by Sellers to Purchaser (the “Seller Disclosure Letter”) concurrently with the execution of this Agreement (it being agreed that any matter disclosed pursuant to any section of the Seller Disclosure Letter shall be deemed disclosed for purposes of any other section of the Seller Disclosure Letter to the extent the applicability of the disclosure to such other section is reasonably apparent on the face of such disclosure), as may be amended, Sellers hereby represent and warrant to Purchaser as follows as of the date hereof and as of the Closing Date (or as of such other date as may be specified herein):

4.1 Due Organization, Good Standing and Limited Liability Company Power. Each Seller is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization. Each Seller has all requisite limited liability company power and authority to own, lease and operate its assets and properties and conduct its business as now being conducted. Each Seller is in good standing under the laws of each jurisdiction where the character of its assets or properties or the conduct of its business requires such qualification, except where the failure to be in good standing would not reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole, or prevent or materially delay beyond the Termination Date Sellers' ability to consummate the transactions contemplated by this Agreement or the Transaction Documents.

4.2 Authorization; Noncontravention.

(a) Subject to obtaining Bankruptcy Court approval pursuant to the Sale Order, each Seller has the requisite limited liability company power and authority and has taken all limited liability company action necessary to execute and deliver this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Sellers as contemplated hereby, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. Subject to obtaining Bankruptcy Court approval pursuant to the Sale Order, the execution, delivery and performance by Sellers of this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Sellers as contemplated hereby, the consummation by Sellers of the transactions contemplated hereby and thereby and the performance of its obligations hereunder and thereunder have been, and in the case of documents required to be delivered at the Closing will be, duly authorized and approved by all necessary limited liability company, member or other action. This Agreement has been, and the Transaction Documents and all other instruments and agreements to be executed and delivered by Sellers as contemplated hereby will be, duly executed and delivered by Sellers. Subject to obtaining Bankruptcy Court approval pursuant to the Sale Order, assuming that this Agreement, the Transaction Documents and all such other instruments and agreements constitute valid and binding obligations of Purchaser and each other Person (other than any Seller or any Affiliate thereof) party hereto and thereto, this Agreement, the Transaction Documents and all such other instruments and agreements constitute valid and binding obligations of Sellers, enforceable against each applicable Seller in accordance with the terms thereof, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether considered in a proceeding in equity or at law).

(b) Except as a result of the Bankruptcy Cases and, subject to obtaining Bankruptcy Court approval pursuant to the Sale Order, the execution and delivery by Sellers of this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Sellers as contemplated hereby do not, and the consummation of the transactions contemplated hereby and thereby will not:

(i) conflict with any of the provisions of any Seller's certificate of formation or other formational documents;

(ii) except as provided in Section 4.2(b)(ii) of the Seller Disclosure Letter and subject to receipt of the Consents set forth in Section 4.3 of the Seller Disclosure Letter, conflict with or result in a breach of, or constitute a default under or give rise to any right of termination, cancellation, modification or acceleration (including any right of first refusal or similar right) or the loss of a benefit under, or require the Consent of or giving of notice to any Person under any Business Contract, Real Property Lease or Business Permit (in each case, with or without notice or lapse or time or both); except, in the case of this clause (ii) for such conflicts or breaches or Consents or notices that (if not received) would not reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole, or prevent or materially delay beyond the Termination Date Sellers' ability to consummate the transactions contemplated by this Agreement or the Transaction Documents;

(iii) subject to the receipt of the Consents referred to in Section 4.3 of the Seller Disclosure Letter, contravene any Law or any Order applicable to Sellers or by which any of their properties or assets are bound except such contraventions that would not reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole, or prevent or materially delay beyond the Termination Date Sellers' ability to consummate the transactions contemplated by this Agreement or the Transaction Documents; or

(iv) result in the creation or imposition of any Lien (other than a Permitted Lien) on any of the Purchased Assets.

**4.3 Governmental Consents and Approvals.** Except as a result of the Bankruptcy Cases and, subject to obtaining Bankruptcy Court approval pursuant to the entry of the Sale Order and the expiration, or waiver by the Bankruptcy Court, of the 14-day period set forth in rules 6004(h) and 3020(e) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), as applicable, except as set forth in Section 4.3 of the Seller Disclosure Letter, no Consent of or filing with any Governmental Entity must be obtained or made by Sellers in connection with the execution and delivery of this Agreement or any Transaction Document by Sellers or the consummation by Sellers of the transactions contemplated by this Agreement or any Transaction Document, except for any Consents that, if not obtained or made, would not reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole, or prevent or materially delay beyond the Termination Date Sellers' ability to consummate the transactions contemplated by this Agreement or the Transaction Documents.

**4.4 Property.**

(a) Other than the Real Property, no Seller owns any other real property. One or more Sellers has good and valid title to the Purchased Real Property (other than any Excluded Asset), subject to Permitted Liens. There are no outstanding options, rights of first offer or rights of first refusal to purchase any Purchased Real Property or any portion thereof or interest therein. No Seller has leased or otherwise granted to any Person the

right to use or occupy the Purchased Real Property or any material portion thereof, except as set forth in Section 4.4(a) of the Seller Disclosure Letter.

(b) Section 4.4(b) of the Seller Disclosure Letter contains an accurate and complete list as of the date hereof of all Real Property Leases and all other real property leases and subleases to which a Seller is a party. With respect to each Real Property Lease pursuant to which a Seller is a lessee or sublessee, such Seller has valid leasehold interests in all leased real property described in such Real Property Lease, free and clear of any and all Liens, except for Permitted Liens. Each Real Property Lease is a valid and binding obligation of the Seller party thereto and, to the Knowledge of Sellers, is enforceable against the other parties thereto in accordance with the terms thereof, in each case, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether considered in a proceeding in equity or at law). Except as set forth in Section 4.4(b) of the Seller Disclosure Letter, there exists no material default or event of default (with or without notice or lapse of time or both) with respect to any Real Property Lease by a Seller or, to the Knowledge of Sellers, by any other party thereto, and no Seller has received or delivered any notice with respect to any alleged material default that has not been rescinded, completely cured, or will be cured on or before the Closing Date pursuant to §365 of the Bankruptcy Code or otherwise.

(c) To the Knowledge of Sellers, there is no, and no Seller has received written notice of any, existing or threatened change in the zoning classification of any Business Real Property (or any portion thereof) from that in effect on the date of this Agreement, in each instance, which would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. All water, sewer, gas, electric, telephone and drainage facilities and all other utilities and public or quasi-public improvements related thereto required by Law with respect to, or required for the operation of, the Business at the Business Real Property, are installed and available to serve the Business Real Property. No condemnation proceeding, lawsuit or administrative action or other matter affecting and adversely impairing the current use or occupancy of the Business Real Property is pending or, to the Knowledge of Sellers, threatened in writing with respect to any Business Real Property which has had or would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. There has been no casualty damage at any of the Business Real Property that has had or would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

4.5 Title to Purchased Assets. Except as set forth in Section 4.5 of the Seller Disclosure Letter, and excluding Purchased Real Property (which is governed by Section 4.4(a)), one or more Sellers own and has good and valid title to, or a valid leasehold interest in, all personal property included in the Purchased Assets, free and clear of all Liens, except for Permitted Liens.

4.6 Affiliate Transactions. Except as disclosed in Section 4.6 of the Seller Disclosure Letter and except for employment and consultant relationships and compensation, benefits, travel advances and employee or consultant loans to any officer, director, employee or consultant of Seller, in each case, in the ordinary course of business, there is no Contract or Liability relating primarily to the Business, the Purchased Assets or the Assumed Liabilities between (a) a Seller,

on the one hand, and (b) any Affiliate, equity holder, option holder, officer, member, partner or director of a Seller (in each case that is not also a Seller), on the other hand, that remains in force and provides for obligations of any party from and after the Closing.

4.7 Material Contracts.

(a) Section 4.7(a) of the Seller Disclosure Letter sets forth an accurate, correct and complete list of the following Contracts to which a Seller is a party and which are currently in effect as of the date hereof:

(i) each Contract relating to Indebtedness of the Business or any of the Purchased Assets (in each case, whether incurred, assumed, guaranteed or secured by any asset);

(ii) each Contract whereby a Seller has granted a Lien in respect of any of the Purchased Assets;

(iii) each Contract containing any covenant limiting the freedom of a Seller or any of its Affiliates (A) to compete with any Person, engage in any line of business or exploit the Purchased Assets, in each case, in any geographic territory, (B) which grants to any Person any exclusivity with respect to any geographic territory, any customer or any product or service, or (C) to solicit for employment, hire or employ any Person;

(iv) each Contract that requires capital expenditures or other outstanding payments to be made by a Seller in excess of \$100,000, in each case, following the date hereof;

(v) each Contract involving a joint venture, partnership, limited liability company or other arrangement providing for the sharing of profits, losses, costs or liabilities with any other Person relating to the Business, the Purchased Assets or the Assumed Liabilities;

(vi) each Contract that requires (or may require in certain circumstances) in accordance with its terms the provision of credit support, collateral, a guarantee or similar financial assurance in respect of the Business, the Purchased Assets or the Assumed Liabilities;

(vii) each Contract that (A) provides services for a fixed price or maximum fee, or pursuant to any cap or similar provisions; (B) grants “most favored nation” status (or similar status) to a Person (whether in respect of pricing or otherwise); or (C) provides any performance guarantee, material rebates, discounts, incentive or volume credits;

(viii) each Contract with any Governmental Entity relating to the Business, the Purchased Assets or the Assumed Liabilities;

(ix) Contracts relating to any interest rate, currency or commodity derivatives or hedging transaction;

(x) Contracts containing any “change of control” or similar provisions; and

(xi) Contracts with any employees or other service providers of the Business providing for any severance Liabilities.

(b) The Contracts required to be listed in Section 4.7(a), together with the Business Contracts and the Real Property Leases are referred to as “Material Contracts”. True, correct and complete copies of each Material Contract have been made available to Purchaser prior to the date hereof. Each Business Contract is a valid and binding obligation of a Seller (except for any breach or default that results from the insolvency of a Seller or the commencement of the Bankruptcy Cases and any breach or default to be cured through the payment of the Cure Amounts) and to the Knowledge of Sellers, enforceable against the other parties thereto in accordance with the terms thereof, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors’ rights generally and by general equitable principles (whether considered in a proceeding in equity or at law). Except as set forth in Section 4.7(b) of the Seller Disclosure Letter and any breach or default that results from the insolvency of a Seller or the commencement of the Bankruptcy Cases and any breach or default to be cured through the payment of the Cure Amounts, there exists no material default or event of default (with or without notice or lapse of time or both) with respect to any Business Contract by a Seller or, to the Knowledge of Sellers, by any other party thereto and no Seller has received or delivered any notice with respect to any alleged material default that has not been rescinded or cured.

#### 4.8 Intellectual Property Rights and Claims.

(a) The Intellectual Property set forth in Section 4.8(a) of the Seller Disclosure Letter identifies all registrations and applications for the Intellectual Property owned by each Seller and used or held for use by Sellers in the Business as presently conducted. The Intellectual Property required to be set forth in Section 4.8(a) of the Seller Disclosure Letter is subsisting and has not been adjudicated to be invalid or unenforceable in whole or part, and to the Knowledge of Sellers, is valid and enforceable, and to the Knowledge of Sellers, no Seller is aware of any uses of any item of such Intellectual Property that could be expected to lead to such item becoming invalid or unenforceable.

(b) Except as set forth in Section 4.8(b) of the Seller Disclosure Letter, one or more Sellers owns all right, title, and interest to or is licensed to use the Business Intellectual Property, free and clear of any Liens, other than Permitted Liens.

(c) The operation of the Business as currently conducted and the use of the Intellectual Property in connection therewith, to the Knowledge of Sellers, do not conflict with, infringe, misappropriate, dilute, misuse or otherwise violate the intellectual property rights of any third-party. No claim, action, suit, investigation, litigation or proceeding has

been asserted or is pending or, to the Knowledge of Sellers, threatened against any Seller with respect to the foregoing. To the Knowledge of Sellers, no Third Party is infringing or misappropriating any Business Intellectual Property.

(d) Except for claims that have since been satisfactorily resolved or for which the statute of limitations has lapsed, no Seller has received any written notice from any Third Party challenging the right of such Seller to use any of the Business Intellectual Property that would reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole.

(e) There are no pending actions, suits or arbitrations by, or before any Governmental Entity for an infringement or misappropriation by any Seller of any Intellectual Property owned by any Third Party which would reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole.

4.9 Tax Matters. Except as disclosed in Section 4.9 of the Seller Disclosure Letter:

(a) Sellers have timely filed or caused to be timely filed, taking into account any applicable extensions, with the appropriate taxing authorities all income Tax Returns and all material non-income Tax Returns with respect to the Business or the Purchased Assets. All such Returns are correct and complete in all material respects. No Seller is currently the beneficiary of any extension of time within which to file any material tax Return with respect to the Business or the Purchased Assets. Since January 1, 2017, no written claim has been made by a Governmental Entity in a jurisdiction in which a Seller does not file Returns that such Seller is or may be subject to taxation by that jurisdiction with respect to Taxes that would be the subject of such Returns.

(b) All income Tax Liabilities and all material non-income Tax Liabilities of each Seller due and payable with respect to the Business or the Purchased Assets, in each instance for all Pre-Closing Periods, have been timely paid, taking into account any applicable extensions, to the extent the non-payment of such Taxes could reasonably be expected to result in a Lien (other than a Permitted Lien) on the Purchased Assets. There are no pending or, to the Knowledge of Sellers threatened in writing, audits, investigations, disputes, notices of deficiency, claims or other similar actions relating to Property Taxes or any other Taxes that are imposed on a periodic basis (which are not based on income) of a Seller with respect to the Business or the Purchased Assets. No Seller has waived any statute of limitations in respect of non-income Taxes or agreed to any extension of time with respect to a non-income Tax assessment or deficiency.

4.10 Financial Statements. Sellers have made available to Purchaser copies of the audited consolidated balance sheet of the Business as of December 31, 2020 (the “Most Recent Balance Sheet”), the related audited consolidated income statement and audited statement of cash flows for the twelve-month period ended December 31, 2020, together with the accompanying notes thereto (collectively, the “Financial Statements”). Each of the Financial Statements has been prepared in all material respects in conformity with U.S. generally accepted accounting principles (“GAAP”) applied on a consistent basis during the periods involved (except as may be indicated

therein or in the notes thereto), and presents fairly in all material respects the consolidated financial position, results of operations and cash flows of the Business as at the dates and for the periods indicated therein.

4.11 Compliance with Laws. Except as set forth in Section 4.11 of the Seller Disclosure Letter, (a) no Seller is, and no Seller has been in the past five (5) years, in material violation of any Law or Order applicable to the Business, the Purchased Assets or the Assumed Liabilities, and (b) no Seller has received any written notice alleging or, to the Knowledge of Seller, been subject to any investigation by any Governmental Entity concerning, any such material violation of a Law or Order.

4.12 Environmental Matters. Except as disclosed in Section 4.12 of the Seller Disclosure Letter, with respect to the Business:

- (a) each Seller is in material compliance with all applicable Environmental Laws;
- (b) there are no Proceedings pending, or to the Knowledge of Sellers, threatened in writing, against any Seller that alleges any material violation of Environmental Law and no Seller has received from any Governmental Entity any written notice of material violation or alleged material violation of Environmental Law;
- (c) Sellers possess and are in material compliance with all Permits required under Environmental Laws to operate the Business as currently operated and as the Business is expected to be operated following the Closing as contemplated by the Transaction Documents ("Environmental Permits"), which such Environmental Permits are listed in Section 4.12(c) of the Seller Disclosure Letter, and there are no Proceedings pending, or to the Knowledge of Sellers threatened in writing, to modify, suspend, revoke or rescind any such Environmental Permits; and
- (d) from and after December 1, 2015, there have been no material releases of any Hazardous Materials (i) at, in, under, on, or from any Seller Facilities or (ii) at, in, under, on, or, from any third-party location for which a Seller has any material Liability under Environmental Law.

The representations and warranties in this Section 4.12 are the sole and exclusive representations and warranties of Sellers concerning any Environmental Law, Environmental Permits, Hazardous Material or other environmental matters.

4.13 Permits. Except for matters that are the subject of the representations and warranties in Section 4.12 (Environmental Matters), which matters are covered solely by Section 4.12, Sellers possess all material Permits that are necessary for the lawful operation of the Business as currently conducted by Sellers in the ordinary course. All such Permits are valid and have not lapsed, been cancelled, terminated or withdrawn. Sellers are in compliance in all material respects with all such Permits.

4.14 Litigation. Except as set forth in Section 4.14 of the Seller Disclosure Letter: (a) there is no Proceeding pending, or to the Knowledge of Sellers, threatened, against any Seller or

its Affiliates in respect of the Business, the Purchased Assets or the Assumed Liabilities, and (b) there are no material Orders outstanding applicable to the Business, the Purchased Assets or the Assumed Liabilities that have not been fully satisfied.

4.15 Finders; Brokers. Except for Jefferies LLC and GlassRatner Advisory & Capital LLC, doing business as B. Riley Advisory Services (whose fees are payable by Sellers), no agent, broker, Person or firm acting on behalf of Sellers is, or shall be, entitled to any broker's fees, finder's fees or commissions from Purchaser in connection with this Agreement or any Transaction Document or any of the transactions contemplated hereby or thereby.

4.16 Exclusivity of Representations; Projections, Etc.. The representations and warranties expressly made by Sellers in this Article IV and the Transaction Documents are the exclusive representations and warranties made by Sellers with respect to the Business, the Purchased Assets and the Assumed Liabilities. Except for any representations and warranties expressly set forth in this Article IV (as qualified by the Seller Disclosure Letter) or the Transaction Documents, (a) the Purchased Assets and the Assumed Liabilities are sold "AS IS, WHERE IS," and Sellers expressly disclaim (on each of their own behalf and on behalf of each of their respective Affiliates) any other representations or warranties of any kind or nature, express or implied, as to Liabilities, operations of their businesses (as currently or formerly conducted), the title, condition, value or quality of assets of Sellers, or the prospects (financial and otherwise), risks and other incidents of Sellers and their businesses (as currently or formerly conducted), the Purchased Assets and the Assumed Liabilities, (b) SELLERS SPECIFICALLY DISCLAIM (ON EACH OF THEIR OWN BEHALF AND ON BEHALF OF EACH OF THEIR RESPECTIVE AFFILIATES), AND PURCHASER HEREBY WAIVES, ANY REPRESENTATION OR WARRANTY OF QUALITY, VALUE, DESIGN, OPERATION, MERCHANTABILITY, NON-INFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, ELIGIBILITY FOR A PARTICULAR TRADE, CONFORMITY TO SAMPLES, OR CONDITION OF THE ASSETS OF SELLERS (INCLUDING THE PURCHASED ASSETS) OR ANY PART THEREOF, WHETHER LATENT OR PATENT, (c) no material or information provided by or communications made by any Seller or any of its Affiliates, or by any advisor thereof, whether by use of a "data room," or in any information memorandum, or otherwise, or by any broker or investment banker, will cause or create any warranty, express or implied, as to or in respect of any Seller, any Affiliate of any Seller or the title, condition, value or quality of their businesses (as currently or formerly conducted), the Purchased Assets or the Assumed Liabilities, and no other Person shall be deemed to have made, or shall be deemed to make, any other express or implied representation or warranty, either written or oral, on behalf of any Seller or any Affiliate thereof with respect to the subject matter contained herein, and (d) no Seller makes any representation or warranty whatsoever with respect to any estimates, projections and other forecasts and plans (including the reasonableness of the assumptions underlying such estimates, projections and forecasts).

## ARTICLE V

### Representations and Warranties of Purchaser

Purchaser hereby represents and warrants to Sellers as follows as of the date hereof and as of the Closing Date (or as of such other date as may be specified herein):

5.1 Due Organization, Good Standing and Power. Purchaser organized, validly existing and in good standing under the laws of its jurisdiction of organization. Purchaser has all requisite power and authority to own, lease and operate its assets and properties and conduct its business as now being conducted. Purchaser is in good standing under the laws of each jurisdiction where the character of its assets or properties or the conduct of its business requires such qualification, except where the failure to be in good standing would not reasonably be expected to prevent, materially delay or impair Purchaser's ability to consummate the transactions contemplated by this Agreement or any Transaction Document.

5.2 Authorization; Noncontravention.

(a) Purchaser has the requisite power and authority and has taken all action necessary to execute and deliver this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Purchaser as contemplated hereby, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution, delivery and performance by Purchaser of this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Purchaser as contemplated hereby, the consummation by it of the transactions contemplated hereby and thereby and the performance of its obligations hereunder and thereunder have been, and in the case of documents required to be delivered at the Closing will be, duly authorized and approved by all necessary action of Purchaser. This Agreement has been, and the Transaction Documents and all other instruments and agreements to be executed and delivered by Purchaser as contemplated hereby will be, duly executed and delivered by Purchaser. Assuming that this Agreement, the Transaction Documents and all such other instruments and agreements constitute valid and binding obligations of Sellers and each other Person (other than Purchaser) party hereto and thereto, this Agreement and all such other instruments and agreements constitute valid and binding obligations of Purchaser, enforceable against Purchaser in accordance with the terms thereof, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether considered in a proceeding in equity or at law).

(b) Except as a result of the Bankruptcy Cases, the execution and delivery by Purchaser of this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Purchaser as contemplated hereby do not, and the consummation of the transactions contemplated hereby and thereby will not, (i) conflict with any of the provisions of the certificate of formation or governance documents of Purchaser, in each case, as amended to the date of this Agreement, (ii) conflict with or result in a breach of, or constitute a default under, any Contract or other instrument to which Purchaser is a party or by which Purchaser or any of its properties or assets are bound, or (iii) contravene any Law or any Order applicable to Purchaser or by which any of its properties or assets are bound, except in the case of clauses (ii) and (iii) above, for such conflicts, breaches, defaults, consents, approvals, authorizations, declarations, filings or notices which do not and would not reasonably be expected to, individually or in the aggregate, prevent or materially delay beyond the Termination Date Purchaser's ability to consummate the transactions contemplated by this Agreement.

5.3 Governmental Consents and Approvals. Except as a result of the Bankruptcy Cases, no additional Consent of or filing with any Governmental Entity must be obtained or made by Purchaser in connection with the execution and delivery of this Agreement or any Transaction Document by Purchaser or the consummation by Purchaser of the transactions contemplated by this Agreement or any Transaction Document, except for any Consents which have been obtained or made or, if not made or obtained, do not and would not reasonably be expected to, individually or in the aggregate, prevent, materially delay or impair Purchaser's ability to consummate the transactions contemplated by this Agreement or any Transaction Document.

5.4 Financing. Purchaser has sufficient funds to consummate the transactions contemplated hereby, to perform its obligations hereunder (including all payments to be made by it in connection herewith) and to pay its expenses related to this Agreement and the transactions contemplated hereby. The obligations of Purchaser under this Agreement are not contingent on the availability of any equity or debt financing.

5.5 Solvency of Purchaser. After giving effect to the transactions contemplated by this Agreement, Purchaser will not: (a) be insolvent (either because its financial condition is such that the sum of its debts is greater than the fair market value of its assets or because the fair saleable value of its assets is less than the amount required to pay its probable liabilities on its existing debts as they mature); (b) have unreasonably small capital with which to engage in its business; or (c) have incurred debts beyond its ability to pay as they become due.

5.6 Adequate Assurances. Purchaser is and will be capable of satisfying the conditions contained in Section 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Business Contracts and Real Property Leases.

5.7 Litigation. There is no Proceeding pending against or affecting Purchaser, or any of its properties or rights, except as have not and would not reasonably be expected to, individually or in the aggregate, prevent, materially delay or impair Purchaser's ability to consummate the transactions contemplated by this Agreement or any Transaction Document. Purchaser is not subject to any Order which seeks to or would reasonably be expected to, individually or in the aggregate, prevent, materially delay or impair Purchaser's ability to consummate the transactions contemplated by this Agreement or any Transaction Document.

5.8 Finders; Brokers. Other than Greenhill & Co., LLC, no agent, broker, Person or firm acting on behalf of Purchaser or any of its Affiliates is or shall be entitled to any broker's fees, finder's fees or commissions from Sellers or any of their respective Affiliates in connection with this Agreement or any Transaction Document or any of the transactions contemplated hereby or thereby.

5.9 Investigation by Purchaser. Purchaser has conducted its own independent investigation, verification, review and analysis of the Business (as currently or formerly conducted) and results of operations, financial condition, technology and prospects, the Purchased Assets and the Assumed Liabilities, which investigation, review and analysis was conducted by Purchaser and its Affiliates and, to the extent Purchaser deemed appropriate, by Purchaser's Representatives. Purchaser acknowledges that it and its Representatives have been provided adequate access to Sellers' personnel, properties, premises and records, the Purchased Assets and the Assumed

Liabilities. In entering into this Agreement, Purchaser acknowledges that it has relied solely upon the aforementioned investigation, review and analysis and not on any factual representations or opinions of Sellers or any of their respective Affiliates (except the representations and warranties of Sellers set forth in Article IV), and Purchaser acknowledges and agrees, to the fullest extent permitted by Law, that:

(a) none of Sellers or any of their respective Affiliates, Representatives or any other Person makes or has made any oral or written representation or warranty, either express or implied, as to the accuracy or completeness of any information made available or delivered to Purchaser, or its Affiliates and Representatives, including any information, whether oral or written (including cost estimates, financial information and projections and other projections and forward-looking statements) included in management presentations, “break-out” discussions, responses to questions submitted by or on behalf of Purchaser or its Affiliates and Representatives, or any “data room” or court filings;

(b) none of Sellers or any of their respective equity holders, Affiliates, Representatives or any other Person shall have any Liability or responsibility whatsoever to Purchaser or its equity holders, Affiliates or Representatives on any basis (including in contract, tort or equity, under any securities Laws or otherwise) based upon any information described in Section 5.9(a);

(c) without limiting the generality of the foregoing, none of Sellers or any of their respective equity holders, Affiliates, Representatives or any other Person makes any representation or warranty regarding (and Purchaser disclaims) any Third Party beneficiary rights or other rights which Purchaser might claim under any studies, reports, tests or analyses prepared by any Third Parties for any of Sellers or any of their respective Affiliates, even if the same were made available for review by Purchaser or its equity holders, Affiliates or Representatives; and

(d) without limiting the generality of the foregoing, Purchaser expressly acknowledges and agrees that none of the documents, information or other materials provided to it at any time or in any format by Sellers or any of their respective equity holders, Affiliates or Representatives constitutes legal advice, and Purchaser waives all rights to assert that it received any legal advice from any of Sellers or any of their respective equity holders, Affiliates, or any of their respective Representatives, or that it had any sort of attorney-client relationship with any of such Persons.

## ARTICLE VI

### Covenants

#### 6.1 Access to Information Concerning Properties and Records.

(a) During the period from the date of this Agreement through and including the earlier of (i) the date this Agreement is terminated in accordance with Article IX and (ii) the Designation Deadline, (A) Sellers shall, upon reasonable prior notice and during regular business hours, afford Purchaser and its Representatives reasonable access to the personnel, properties, facilities, books and records and other Files and Records of Sellers,

the Purchased Assets and the Assumed Liabilities (provided that, prior to the Closing, Sellers shall not be required to conduct, or permit Purchaser or any of its Representatives, without the express written permission of Sellers, to conduct any Phase I environmental site assessment or Phase II environmental site assessment (or other similar environmental air, building materials, soil, soil gas, surface water, groundwater or other environmental media investigation, sampling or analysis on or relating to any real property owned by or leased to any Seller)), and (B) Sellers shall furnish to Purchaser access to all financial and operating data and other information of Sellers relating to the Purchased Assets and the Assumed Liabilities that are in the possession or control of Sellers as Purchaser may reasonably request. Information obtained by Purchaser and its Representatives in connection with the transactions contemplated by this Agreement shall be subject to the provisions of the Confidentiality Agreement, which shall survive the termination of this Agreement in accordance with Section 6.14.

(b) Purchaser hereby acknowledges that any access granted pursuant to Section 6.1(a) and utilized by Purchaser or any of its Representatives shall be at the sole risk, cost and expense of Purchaser. Purchaser shall comply, and shall use commercially reasonable efforts to ensure that each of its Representatives complies, with all safety and similar requirements imposed by Sellers on their properties in the ordinary course of business. Purchaser shall indemnify, defend and hold harmless each of the Sellers and their respective Affiliates and their respective shareholders, partners, members, managers, officers and directors (the “Seller Access Indemnitees”) from and against any Losses suffered, incurred or paid by them to the extent such Losses are a result of or arise out of Purchaser’s or any of its Representatives’ access granted pursuant to Section 6.1(a); provided, that Purchaser shall not be required to indemnify and hold harmless any Seller Access Indemnitee to the extent any Losses incurred by such Seller Access Indemnitee arise due to the gross negligence or willful misconduct of such Seller Access Indemnitee. Notwithstanding anything to the contrary contained in this Agreement, the provisions of this Section 6.1(b) shall survive the Closing and any cancellation or termination of this Agreement.

(c) Nothing contained in this Agreement shall be construed to give to Purchaser, directly or indirectly, rights to control or direct any Seller or any business or operations of any Seller prior to the Closing in a manner that would violate any Antitrust Laws. Prior to the Closing, Sellers shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision of its business and operations.

(d) Purchaser hereby acknowledges and agrees that it is not authorized to and shall not (and shall not permit any of its Representatives to), without the prior written consent of Sellers, contact any competitor, contractor, vendor, supplier, distributor or customer of the Sellers, in each case, with respect to Sellers, the Purchased Assets (including, for the avoidance of doubt, the Seller Facilities) or the Assumed Liabilities, prior to the Closing. Purchaser shall keep Sellers informed on a reasonably current basis of any contact with any customers, competitors, vendors or suppliers of Sellers.

(e) Notwithstanding anything to the contrary contained herein, no access or investigation by Purchaser, its Affiliates or their respective Representatives shall affect or

otherwise modify in any respect any of Purchaser's rights or benefits under this Agreement, including the conditions to Purchaser's obligation to consummate the transactions contemplated by the Agreement as set forth in Article VII.

## 6.2 Conduct Prior to the Designation Deadline.

(a) Except (i) as set forth on Schedule 6.2(a), (ii) as may be expressly required by this Agreement, (iii) as required by Law or Order or by a Governmental Entity, (iv) as required by the Bankruptcy Court, or (v) as a consequence of the commencement and continuation of the Bankruptcy Cases, during the period commencing on the date hereof and ending on the earlier of the Designation Deadline and the termination of this Agreement pursuant to Article IX, Sellers shall use commercially reasonable efforts (x) to comply in all material respects with all Laws, Orders, Contracts, Permits and Environmental Permits applicable thereto and (y) to preserve, maintain and protect in all material respects the Purchased Assets, the current goodwill of the Business and Sellers' present relationships with Governmental Entities and other Persons having significant relationships with Sellers in connection with the Business (as currently conducted).

(b) Except (i) as set forth Schedule 6.2(b), (ii) as may be expressly required by this Agreement, (iii) as required by Law or Order or by a Governmental Entity, (iv) as required or approved by the Bankruptcy Court, including pursuant to a confirmed chapter 11 plan, or (v) as a consequence of the commencement and continuation of the Bankruptcy Cases, during the period commencing on the date hereof and ending on the earlier of the Designation Deadline and the termination of this Agreement pursuant to Article IX, Sellers shall not effect any of the following (as each pertains to or is related to the Business, the Purchased Assets or the Assumed Liabilities) without the prior written consent of Purchaser (such consent not to be unreasonably withheld, conditioned or delayed):

(i) sell, transfer, lease, license or otherwise dispose of any of its assets or properties prior to the Designation Deadline that would be, or could be, if designated in accordance with Sections 1.4(c) or 1.4(h) Purchased Assets under this Agreement, except for any sale, transfer, lease, license or other disposition under this Agreement or other Transaction Document;

(ii) except as required by GAAP, make any change in any method of accounting or auditing practice with respect to the Business;

(iii) fail to pay, discharge, settle or satisfy any Assumed Liabilities in accordance with the Budget, as such Assumed Liabilities become due, other than in connection with a good faith dispute; provided that such obligation shall terminate on the Closing Date notwithstanding anything to the contrary in this Section 6.2(b);

(iv) create, permit, subject or allow to exist any Lien on any of the Purchased Assets other than a Permitted Lien and other than any Lien that will be extinguished at or prior to Closing;

(v) extend, materially amend or terminate or grant any material waiver under any Business Contract or Real Property Lease or enter into any Contract that would be categorized as a Material Contract if in effect on the date hereof;

(vi) abandon any rights under, request the rejection under Section 365 of the Bankruptcy Code of, or amend, modify or supplement the terms of, any of the Business Contracts or Real Property Leases;

(vii) fail to take any reasonable action that would prevent the expiration, lapse, termination or abandonment of any Permit or Environmental Permit, in each case that is material to the Business;

(viii) settle or compromise any Proceeding, or enter into any consent decree or settlement agreement with any Third Party, against or affecting the Business that, in each case, would constitute an Assumed Liability;

(ix) waive any material claims or rights of material value that are included in the Purchased Assets;

(x) incur, assume, or guarantee any Indebtedness or make any material capital expenditures that, in each case, would constitute an Assumed Liability; or

(xi) authorize any of the foregoing or commit or agree to do any of the foregoing;

provided, that Purchaser is, and at all times remains, in full and complete compliance with its obligations under the Transition Services Agreement. As more fully set forth therein, if Purchaser defaults under the Transition Services Agreement, Sellers may take any actions necessary, notwithstanding this Section 6.2(b), to preserve and protect the Sellers or the Sellers' bankruptcy estates, including, without limitation, abandon, sell, transfer, lease, license or otherwise dispose of any of its assets or properties or reject any Contracts.

### 6.3 Efforts to Close.

(a) Except as otherwise provided in this Section 6.3, the Parties shall, and shall cause their respective controlled Affiliates and Representatives to, and shall use commercially reasonable efforts to direct their respective equityholders to, cooperate and use their respective commercially reasonable efforts to take, or cause to be taken, all appropriate actions, and to make, or cause to be made, all filings necessary, proper or advisable under applicable Laws and to consummate and make effective the transactions contemplated by this Agreement, including their respective commercially reasonable efforts to obtain, prior to the Closing Date, all Permits, Consents and Orders of Governmental Entities as are necessary for consummation of the transactions contemplated by this Agreement and to fulfill the conditions to consummation of the transactions set forth in Article VII; provided, that (w) no Party or its Affiliates shall be required to make any concessions that would adversely affect its business or be materially more burdensome to such Party (including to amend any Contract to increase the amount payable thereunder, commence any litigation, settle or compromise any matter, offer or grant any

accommodation (financial or otherwise) to any Third Party or Governmental Entity, pay any amount or bear any other incremental economic burden to obtain any such Permit, Consent or Order), (x) no Party or its Affiliates shall incur any expense that would be payable or otherwise borne by the other Party or such other Party's Affiliates without the consent of such other Party, (y) Sellers shall not make any concessions that would be an Assumed Liability, and (z) Purchaser shall not make any concessions that would purport to bind any Seller or any of its Affiliates.

(b) Notwithstanding anything to the contrary contained in this Agreement, no Seller nor any of its Affiliates or Representatives shall be required to repay any Indebtedness, amend or enter into any Contract or other arrangement, commence any litigation, settle or compromise any matter, offer or grant any accommodation (financial or otherwise) to any Third Party, pay any amount or bear any other incremental economic burden to procure any amendments, modification or termination of any Contract.

6.4 Public Announcements. Each Party shall (a) consult with each other Party before issuing any press release or otherwise making any public statement with respect to the transactions contemplated by this Agreement or any Transaction Document, (b) provide to the other Parties for review a copy of any such press release or public statement and (c) not issue any such press release or make any such public statement prior to such consultation and review and the receipt of the prior consent of the other Parties, unless required by Laws or regulations applicable to such Party or its Affiliates, regulations of any stock exchange applicable to such Party or its Affiliates, or the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement, in which case, the Party required to issue the press release or make the public statement or filing shall, prior to issuing such press release or making such public statement or filing, use its commercially reasonable efforts to allow the other Parties reasonable time to comment on such release, statement or filing to the extent practicable and permitted by Law. Notwithstanding anything to the contrary contained in this Agreement, each of the Parties and its legal counsel and other Representatives shall be permitted to make filings on the docket of, or statements on the record before, the Bankruptcy Court relating to this Agreement and the transactions contemplated hereby without prior approval or consultation.

6.5 Notification of Certain Matters. Sellers, on the one hand, and Purchaser, on the other hand, shall use their respective commercially reasonable efforts to promptly notify each other of any material Proceedings in connection with the transactions contemplated by this Agreement or the Transaction Documents commenced or, to the knowledge of Purchaser or the Knowledge of Sellers, threatened, against Sellers or Purchaser, as the case may be, or any of their respective Affiliates.

6.6 Post-Closing Access to Records and Personnel; Litigation Support.

(a) Until the later of (i) three (3) years after the Closing Date and (ii) one (1) year after the closing or dismissal of the Bankruptcy Cases and all proceedings related to or arising out of the Bankruptcy Cases, or any of them), Purchaser shall preserve and retain all corporate, accounting, Tax, legal, auditing, human resources and other books and records, as well as all documents and communications, including, without limitation, any electronically-stored information, servers, electronic communications (e.g., e-mail,

instant messages, voicemails, etc.), and other digital information or data, relating to the Purchased Assets, the Assumed Liabilities, the Business, or any other assets of the Seller, including any Excluded Assets or Excluded Liabilities, with respect to periods prior to the Designation Deadline (including (i) any documents relating to any Proceeding or other dispute and (ii) all Returns, schedules, work papers and other material records or other documents relating to Taxes relating to the Purchased Assets and the Assumed Liabilities). At the end of such period, Purchaser may dispose of any such books and records only after they are first offered to and not accepted by Sellers.

(b) Following the Closing, Purchaser shall allow Sellers, and their Affiliates successors, including, without limitation, any post-confirmation trustee appointed in the Bankruptcy Cases, and their respective Representatives, reasonable access to (i) all books and records related the Purchased Assets, the Assumed Liabilities, and the Business, including, without limitation, any electronically-stored information, servers, electronic communications (e.g., e-mail, instant messages, voicemails, etc.), and other digital information or data, and (ii) such personnel having knowledge of the location or contents of such books and records, in each case of the foregoing clauses (i) and (ii), for legitimate business reasons, including, without limitation, any matters arising out of or relating to the Bankruptcy Cases or any related proceedings; provided, that no such access shall unreasonably interfere with Purchaser's operation of the Business.

(c) Following the Closing, Sellers shall allow Purchaser and its Affiliates and their respective Representatives, reasonable access to (i) all books and records related the Purchased Assets and the Assumed Liabilities and the Business and (ii) such personnel having knowledge of the location or contents of such books and records, in each case of the foregoing clauses (i) and (ii), for legitimate business reasons.

(d) If and for so long as any Party (or any of its Affiliates) is actively prosecuting, contesting or defending any Proceeding brought against or by a Third Party in connection with (i) the Purchase or (ii) any fact, situation, circumstance, status, condition, activity, practice, plan, occurrence, event, incident, action, failure to act, or transaction on or prior to the Closing Date involving any Seller or the Business (as currently or formerly conducted), the Purchased Assets or the Assumed Liabilities, or for so long as the Bankruptcy Cases or any proceeding arising out of or related to the Bankruptcy Cases, or any of them, are pending, the non-contesting, non-defending, or non-debtor Person or Persons shall, at the sole cost and expense of the contesting or defending Person or Persons, (x) reasonably cooperate with the contesting or defending Person or Persons or Sellers, as applicable, and its or their counsel in the defense, contest, or prosecution of the matter, (y) make available its or their personnel during normal business hours and (z) provide such access to its or their books and records (including any electronically stored information, servers, electronic communications (e.g., e-mail, instant messages, voicemails, etc.), and other digital information or data) as shall be necessary or reasonably requested in connection with the prosecution, defense or contests, or administration of the Bankruptcy Cases; provided, that no such cooperation or access shall unreasonably interfere with the operation of the businesses of the non-contesting, non-defending, or non-debtor Person or Persons and no Party shall be required to cooperate or provide access to another Party in connection with a Proceeding between such Party and/or its Affiliates, on the one hand,

and any other Party and/or its Affiliates, on the other hand, except through the compliance with generally applicable laws, rules, statutes, and regulations.

(e) Each of Purchaser, on the one hand, and Sellers, on the other hand, shall be entitled to recover from the other its reasonable out-of-pocket costs incurred in providing the foregoing access and personnel pursuant to Sections 6.6(a) through (d), inclusive, to the other.

(f) The rights and obligations of a Party under this Section 6.6 shall inure to the benefit of and be binding upon the successors and assigns of such Party. If a Party or any of its successors or assigns (i) consolidates with or merges into any other Person or (ii) with respect to Purchaser, transfers all or substantially all of the Purchased Assets or the Assumed Liabilities to any Person, in each case proper provision shall be made so that the successors and assigns of such Party honor the obligations set forth in this Section 6.6.

#### 6.7 Tax Matters.

(a) All stamp, transfer, documentary, sales and use, value added, registration and other such taxes and fees (including any penalties, interest and recording and filing fees) incurred in connection with the Purchase or otherwise in connection with this Agreement and not exempted under a Sale Order, whether or not customarily paid by sellers or purchasers (collectively, the “Transfer Taxes”), shall be borne by Purchaser. Purchaser shall properly file on a timely basis all necessary Returns and other documentation with respect to any Transfer Tax and provide to Sellers evidence of payment of all Transfer Taxes.

(b) Purchaser and Sellers agree to furnish or cause to be furnished to each other, as promptly as reasonably practicable, such information and assistance relating to the Purchased Assets as is reasonably necessary for the preparation and filing of any Return, for the preparation for and proof of facts during any Tax audit, for the preparation for any Tax protest, for the prosecution or defense of any suit or other proceeding relating to Tax matters and for the answer of any governmental or regulatory inquiry relating to Tax matters.

(c) For purposes of this Agreement, all Property Taxes and any other Taxes that are imposed on a periodic basis (which are not based on income) with respect to the Purchased Assets with respect to any taxable period that begins on or before and ends after the Closing Date shall be apportioned between the portion of such period that falls within the Pre-Closing Period and the portion of such period that falls within the Post-Closing Period proportionally in accordance with the number of days in each such portion of the period.

6.8 Bulk Sales Act. Purchaser hereby waives compliance by Sellers with respect to any applicable bulk sale, bulk transfer, successor liability and similar Laws, or with any Laws triggered by a bulk sale or transfer of property, of any jurisdiction in connection with the transactions contemplated by this Agreement or similar Laws of any jurisdiction in connection with the Purchase.

#### 6.9 Bankruptcy Action.

(a) The Parties shall comply in all material respects with the Bid Procedures Order and the Sale Order (after the entry of such Orders by the Bankruptcy Court).

(b) Sellers shall use commercially reasonable efforts to comply (or obtain an Order from the Bankruptcy Court waiving compliance) with all requirements under the Bankruptcy Code and the Bankruptcy Rules in connection with obtaining approval of the transactions contemplated by this Agreement. Sellers shall serve (i) all Persons who are known to possess or assert a Claim against or Interest in any of the Purchased Assets, (ii) the IRS, (iii) all applicable Governmental Entities, (iv) all applicable state and local Governmental Entities with taxing authority, (v) all other Persons required by any Order of the Bankruptcy Court, (vi) all parties to Business Contracts and Real Property Leases, and (vii) all Persons that request or are entitled to notice under Bankruptcy Rule 2002.

(c) The Parties shall use their respective commercially reasonable efforts to have the Bankruptcy Court enter the Sale Order as promptly as possible.

(d) Sellers and Purchaser shall consult with one another regarding pleadings which any of them intends to file with the Bankruptcy Court in connection with, or which might reasonably affect the Bankruptcy Court's approval of the Sale Order and shall provide each other with a reasonable opportunity to review and comment on such pleadings, related motions, applications, petitions schedules and supporting papers. Sellers shall promptly provide Purchaser and its counsel with copies of all notices, filings and orders of the Bankruptcy Court that Sellers have in their possession (or receive) pertaining to the Sale Motion, the Bid Procedures Order, the Sale Order, or any other order related to any of the transactions contemplated by this Agreement, but only to the extent such papers are not publicly available on the docket of the Bankruptcy Court or otherwise made available to Purchaser and its counsel.

(e) If the Bid Procedures Order, the Sale Order, or any other orders of the Bankruptcy Court relating to this Agreement or the transactions contemplated hereby shall be appealed by any Person (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to the Bid Procedures Order, the Sale Order, or other such order), subject to rights otherwise arising from this Agreement, Sellers and Purchaser shall use their commercially reasonable efforts to prosecute such appeal, petition or motion and obtain an expedited resolution of any such appeal, petition or motion.

#### 6.10 Sale Order.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Purchased Assets are subject to Bankruptcy Court approval. Sellers and Purchaser acknowledge that (i) to obtain such approval, Sellers must demonstrate that they have taken steps to obtain the highest or otherwise best offer possible for the Purchased Assets including giving notice of the transactions contemplated by this Agreement to creditors and certain other interested parties as ordered by the Bankruptcy Court and, if necessary,

conducting the Auction and (ii) Purchaser must provide adequate assurance of future performance under the Business Contracts and Real Property Leases included in the Purchased Assets.

(b) The Sale Order shall, among other things:

(i) approve, pursuant to Sections 105, 363 and 365 of the Bankruptcy Code, (A) the execution, delivery and performance by Sellers of this Agreement, (B) the transfer of the Purchased Assets to Purchaser free and clear of all Liens, Claims, and Liabilities of any kind whatsoever (other than Permitted Liens), and (C) the timely performance by Sellers of their obligations under this Agreement;

(ii) authorize and empower Sellers to assume and assign the Business Contracts and Real Property Leases to Purchaser;

(iii) find that Purchaser is a “good faith” buyer within the meaning of Section 363(m) of the Bankruptcy Code and grant Purchaser the full benefits and protections of Section 363(m) of the Bankruptcy Code;

(iv) find that this Agreement was negotiated, proposed and entered into by Sellers and Purchaser without collusion, in good faith and from arm’s length bargaining positions;

(v) find that due and adequate notice and an opportunity to be heard in accordance with all applicable Laws were given to the necessary parties in the Bankruptcy Cases;

(vi) contain findings of fact and conclusions of law that Purchaser (A) is not a successor to, or subject to successor liability for, any Seller, (B) has not, de facto or otherwise, merged with or into any Seller, (C) is not an alter ego or a continuation of any Seller, and (D) does not have any responsibility for any obligations of any Seller based on any theory of successor or similar theories of liability;

(vii) find that the Purchase Price is fair and reasonable;

(viii) find that the Bankruptcy Court retains jurisdiction to resolve any claim or dispute arising out of or related to this Agreement; and

(ix) contain such other terms and conditions as are acceptable to Sellers and Purchaser in their respective sole discretion.

(c) Purchaser agrees that it will promptly take such actions as are reasonably requested by Sellers to assist in obtaining entry by the Bankruptcy Court of the Sale Order, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for purposes, among others, of (i) demonstrating that Purchaser is a “good faith” purchaser and (ii) establishing “adequate assurance of future performance” within the meaning of Section 365 of the Bankruptcy Code.

6.11 [Reserved].

6.12 Transfer of Permits. Except for those Business Permits that are not transferable to Purchaser by Law, the Parties shall use commercially reasonable efforts to cause the issuance or transfer of all of the Business Permits described on Schedule 1.2(g) and shall give and make all notices and reports that such Party is required to make to the appropriate Governmental Entities and other Persons with respect to such Business Permits. All costs and expenses associated with the issuance or transfer of the Business Permits shall be borne by Purchaser.

6.13 Expenses. Except to the extent otherwise specifically provided herein, whether or not the transactions contemplated hereby are consummated, all fees, costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be borne by the Party incurring such fees, costs and expenses.

6.14 Confidentiality. From and after the date of this Agreement, Purchaser and Sellers shall continue to be bound by and comply with the obligations of the Confidentiality Agreement except as otherwise required under or necessary to comply with any provision of the Bankruptcy Code, Bankruptcy Rules, applicable law, any order of the Bankruptcy Court, including, without limitation, the Bid Procedures Order, or the provisions of this Agreement. Except as specifically provided in the proviso to this sentence, unless otherwise agreed to by the Parties, at the later of (i) the Designation Deadline or (ii) the end of the remainder of the term set forth in the Confidentiality Agreement, the Confidentiality Agreement shall be deemed to have been terminated by the parties thereto and shall no longer be binding; provided, that notwithstanding anything in this Section 6.14 to the contrary, to the extent that Purchaser is in possession of any Information (as defined in the Confidentiality Agreement) regarding Sellers and their respective Affiliates, or the Excluded Assets or the Excluded Liabilities, Purchaser shall continue to be bound by the Confidentiality Agreement with respect to such Information until the date that is two years after the Closing, if the Closing occurs; provided, further, that notwithstanding anything in this Section 6.14 to the contrary, to the extent that any Seller is in possession of any Information (as defined in the Confidentiality Agreement) related to the Purchased Assets, the Assumed Liabilities, or the Business, such Seller and its respective Representatives shall continue to be bound by this Section 6.14 until the earlier of (a) the date that is two years after the Closing, if the Closing occurs, and (b) until such time as Sellers and their respective Representatives no longer retain copies of such Information.

## ARTICLE VII

### Conditions to Closing

7.1 Conditions to Sellers' Obligations. The obligation of Sellers to consummate the transaction contemplated hereby is subject to the fulfillment of all of the following conditions on or prior to the Closing Date and as of the Closing Date, upon the non-fulfillment of any of which this Agreement may, at Sellers' option, be terminated to the extent permitted pursuant to and with the effect set forth in Article IX:

(a) The representations and warranties of Purchaser contained in Article V shall be true and correct in all material respects at and as of the Closing Date as if made at and

as of such time (except to the extent such representations and warranties speak as of an earlier date, in which case, such representations and warranties shall be true and correct in all material respects as of such earlier date).

(b) All obligations of Purchaser to be performed hereunder through, and including on, the Closing Date (including, without limitation, all obligations which Purchaser would be required to perform at the Closing if the transaction contemplated hereby was consummated) shall have been performed in all material respects, unless waived by Sellers.

(c) Purchaser shall have delivered or caused to be delivered to Sellers each of the items set forth in Section 3.4(b).

(d) No Governmental Entity of competent jurisdiction shall have entered a valid Order that is in effect and has the effect of making the Closing illegal or otherwise prohibiting the consummation of the Closing.

(e) The Sale Order shall have been entered by the Bankruptcy Court approving the transactions contemplated under this Agreement.

7.2 Conditions to Purchaser's Obligations. The obligation of Purchaser to consummate the transaction contemplated hereby is subject to the fulfillment of all of the following conditions on or prior to the Closing Date and as of the Closing Date (in each case, so long as Purchaser has complied with its obligations under this Agreement with respect to each of the matters set forth below), upon the non-fulfillment of any of which this Agreement may, at Purchaser's option, be terminated to the extent permitted pursuant to and with the effect set forth in Article IX:

(a) The representations and warranties of Sellers in Article IV shall be true and correct in all respects as of the time of the Closing as though such representations and warranties were made at and as of such time (or, if made as of a specific date in the text of such representations and warranties, at and as of such date), interpreted without giving effect to any Material Adverse Effect or materiality qualifications or exceptions contained therein, except where the failure to be so true and correct would not have a Material Adverse Effect.

(b) All obligations of Sellers to be performed hereunder through, and including on, the Closing Date (including, without limitation, all obligations which Sellers would be required to perform at the Closing if the transaction contemplated hereby was consummated) shall have been performed in all material respects.

(c) Sellers shall have delivered or caused to be delivered to Purchaser each of the items set forth in Section 3.4(a).

(d) No Governmental Entity of competent jurisdiction shall have entered a valid Order that is in effect and has the effect of making the Closing illegal or otherwise prohibiting the consummation of the Closing.

(e) The Sale Order shall have each been entered by the Bankruptcy Court approving the transactions contemplated under this Agreement.

7.3 Frustration of Closing Conditions. No Party may rely on the failure of any condition set forth in this Article VII to be satisfied if such failure was caused by such Party's failure to act in good faith or such Party's failure to comply with Section 6.3.

## ARTICLE VIII

### Termination

8.1 Termination Events. This Agreement and the transaction contemplated hereby may only be terminated as follows, at any time prior to the Closing:

(a) by the mutual written consent of Purchaser and Sellers;

(b) by either Purchaser or Sellers upon (i) the issuance of a final and non-appealable Order by a Governmental Entity to restrain, enjoin or otherwise prohibit the purchase and sale transaction contemplated hereby, (ii) the appointment of an examiner with expanded powers or a Chapter 11 trustee in the Bankruptcy Cases, or (iii) the Bankruptcy Cases being converted into a case under Chapter 7 of the Bankruptcy Code or dismissed;

(c) by either Purchaser or Sellers if the Bankruptcy Court has not entered the Sale Order by December 10, 2021, provided that such date may be extended as otherwise agreed to in writing by Purchaser and Sellers; provided, however, that Purchaser's right to terminate this Agreement under this Section 8.1(c) shall not be available to Purchaser if Purchaser's failure to fulfill any of its obligations under this Agreement has been the cause of, or resulted in, the failure of the Sale Order to have been entered on or prior to the aforesaid date;

(d) by Purchaser, (i) if any condition set forth in Sections 7.2(a) through (c), inclusive, becomes incapable of being satisfied prior to the Termination Date (other than through the failure of Purchaser to comply with its obligations under this Agreement) and Purchaser has not waived such condition, (ii) if the Closing shall not have occurred at or before 5:00 p.m. (New York City Time) on December 17, 2021, or such later date as extended in accordance with the Bid Procedures Order with the Purchaser's consent (such date, as may be extended, the "Termination Date"); provided, however, that Purchaser's right to terminate this Agreement under this clause (ii) of this Section 8.1(d) shall not be available to Purchaser if Purchaser's failure to fulfill any of its obligations under this Agreement has been the cause of, or resulted in, the failure of the Closing to occur on or prior to the Termination Date, (iv) at any time following the date that is November 30, 2021 if Purchaser is not declared the Winning Bidder, or (v) at any time if the Bankruptcy Court has not entered an order by 11:59 p.m. (New York City Time) on the date that is one (1) Business Day after the date of this Agreement approving the reimbursement of up to \$1,000,000 of Purchaser's documented costs and expenses (including fees and expenses of legal counsel) incurred in connection with evaluating, negotiating and entering into this

Agreement; provided, however, that Purchaser's right to terminate this Agreement under this clause (v) of this Section 8.1(d) shall not be available to Purchaser if Purchaser's failure to fulfill any of its obligations under this Agreement has been the sole cause of the failure of the Court to enter such an order by the prescribed deadline;

(e) by Sellers, (i) if any condition set forth in Section 7.1(a) through (c), inclusive, becomes incapable of being satisfied prior to the Termination Date (other than through the failure of Sellers to comply with their obligations under this Agreement) and Sellers have not waived such condition, (ii) at any time following the date that is November 30, 2021 if Purchaser is not declared the Winning Bidder, or (iii) if the Closing shall not have occurred at or before 5:00 p.m. (New York City time) on the Termination Date; and

(f) automatically upon Bankruptcy Court approval of an Alternative Transaction.

8.2 Effect of Termination. In the event of the termination of this Agreement pursuant to Section 8.1 by Purchaser, on the one hand, or Sellers, on the other hand, written notice thereof shall forthwith be given to the other specifying the provision hereof pursuant to which such termination is made, and this Agreement shall be terminated and become void and have no effect and there shall be no Liability hereunder on the part of any Party, except that Section 3.2 (Good Faith Escrow Deposit), Section 6.14 (Expense), this Section 8.2 and Article X (Miscellaneous) and the defined terms and rules of construction used therein and set forth on Appendix I shall survive any termination of this Agreement; provided, however, that (a) subject to the terms and conditions of Section 3.2(c), no Party shall be relieved of or released from any Liability arising from any material breach by such Party of any provision of this Agreement, and (b) the Confidentiality Agreement shall remain in full force and effect.

## ARTICLE IX

### Survival

9.1 Survival; Certain Post-Closing Matters. Purchaser and Sellers acknowledge and agree that: (a) the representations and warranties set forth in this Agreement and in the documents and instruments delivered or entered into in connection with this Agreement (other than the Transition Services Agreement) shall not survive the Closing and shall expire immediately upon the Closing; and (b) the covenants and agreements of Sellers set forth in this Agreement and in any documents and instruments delivered or entered into by the Parties in connection with this Agreement (other than the Transition Services Agreement), in each case that do not by their terms extend beyond the Closing, shall not survive the Closing and shall expire immediately upon the Closing. Accordingly, for clarification purposes, it is acknowledged, understood and agreed by the Parties that no Party shall have any liability or other obligation following the Closing with respect to any breach by such Party or claimed breach by such Party of (x) except with respect to the Transition Services Agreement, any representations or warranties contained in this Agreement or any of the documents or instruments delivered or entered into by the Parties in connection with this Agreement or (y) any of the Parties' covenants and agreements contained in this Agreement or any of the documents or instruments delivered or entered into by the Parties in connection with this Agreement (other than the Transition Services Agreement) that do not by their terms extend

beyond the Closing. Notwithstanding anything expressed or implied herein to the contrary, the Parties acknowledge and agree that (1) Purchaser shall be solely responsible for the ownership of the Purchased Assets from and after the Closing Date or the applicable date of designation (except as otherwise provided in the Transition Services Agreement), as applicable, and acts or omissions of Purchaser with respect thereto, and (2) Sellers shall have no responsibility or obligation with respect to, or arising out of, any of the foregoing. Notwithstanding anything in this Agreement to the contrary, nothing herein shall operate in any manner to limit a claim or remedy for any actual and intentional fraud by any Person including any Party.

ARTICLE X  
Miscellaneous

10.1 Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given: (a) on the day of service if served personally on the party to whom notice is to be given; (b) on the day of transmission if delivered by electronic mail during regular business hours on a Business Day and, if not, then on the following Business Day; or (c) on the day of delivery (if a Business Day, and if not a Business Day, on the next Business Day) if sent by Federal Express or similar overnight courier or United States mail:

Matthew.Roose@ropesgray.com

Any Party may change its address for the purpose of this Section 10.2 by giving the other Party written notice of its new address in the manner set forth above.

10.2 Entire Agreement. This Agreement, the agreements, documents and instruments to be delivered by the Parties pursuant to the provisions hereof, the Transaction Documents, and the Confidentiality Agreement, each as may be amended or supplemented, constitute the entire agreement between the Parties and shall be binding upon and inure to the benefit of the Parties hereto and their respective legal representatives, successors and permitted assigns. This Agreement supersedes the Initial Asset Purchase Agreement. Each Appendix, Exhibit, Schedule and the Seller Disclosure Letter, each as may be amended or supplemented, shall be considered incorporated into this Agreement. The inclusion of any item in the Seller Disclosure Letter is not evidence of the materiality of such item for the purposes of this Agreement. Purchaser acknowledges that any estimates, forecasts, or projections furnished or made available to it concerning Sellers or the Business or their properties, business or assets have not been prepared in accordance with GAAP or standards applicable under any securities laws, and such estimates, forecasts and projections, including any reflected in financial statements, reflect numerous assumptions, and are subject to material risks and uncertainties. Purchaser acknowledges that actual results may vary, perhaps materially, and Purchaser is not relying on any such estimates, forecasts or projections.

10.3 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, and, for purposes of such jurisdiction, such provision or

portion thereof shall be struck from the remainder of this Agreement, which shall remain in full force and effect. This Agreement shall be reformed, construed and enforced in such jurisdiction so as to best give effect to the intent of the Parties under this Agreement.

10.4 Binding Effect; Benefit. This Agreement shall inure to the benefit of and be binding upon the Parties hereto, and their successors and permitted assigns. Nothing in this Agreement, express or implied, shall confer on any Person other than the Parties hereto, and their respective successors and permitted assigns any rights, remedies, obligations or liabilities under or by reason of this Agreement, including, without limitation, third party beneficiary rights. Nothing in this Agreement is intended to relieve or discharge the obligations or liability of any third Persons to Sellers or Purchaser. No provision of this Agreement shall give any third Persons any right of subrogation or action over or against Sellers or Purchaser.

10.5 Assignability. This Agreement and the various rights and obligations arising hereunder inure to the benefit of and are binding upon Sellers and their respective successors and permitted assigns, and Purchaser and its successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder may be transferred or assigned (including by operation of law in connection with a merger or sale of stock, or sale of substantially all the assets, of a Person) by any of the Parties hereto without the prior written consent of the other Party or Parties (not to be unreasonably withheld, conditioned or delayed); provided that Purchaser may, without any required consent from any other Party, assign or transfer this Agreement or any of its rights or obligations hereunder (a) to any of its Affiliates, (b) to any acquirer of all or substantially all of the Purchased Assets or Purchaser after the Closing or (c) as a collateral assignment to its or its Affiliates lenders in connection with any debt financing arrangements of Purchaser or its Affiliates. No assignment shall relieve a Party of its liability or obligations hereunder. Notwithstanding anything expressed or implied herein to the contrary, following the Closing, Sellers (or any of them) may assign all or any portion of their rights hereunder in accordance with an Order of the Bankruptcy Court.

10.6 Amendments. Except as otherwise authorized herein with respect to the Schedules and disclosures to this Agreement, this Agreement shall not be modified or amended except pursuant to an instrument in writing executed and delivered on behalf of each of the Parties hereto.

10.7 Non-Waiver. Except as otherwise contemplated herein, the failure in any one or more instances of a Party to insist upon performance of any of the terms, covenants or conditions of this Agreement, to exercise any right or privilege in this Agreement conferred, or the waiver by such Party of any breach of any of the terms, covenants or conditions of this Agreement, shall not be construed as a subsequent waiver of any such terms, covenants, conditions, rights or privileges, but the same shall continue and remain in full force and effect as if no such forbearance or waiver had occurred.

10.8 Applicable Law. This Agreement shall be governed and controlled as to validity, enforcement, interpretation, construction, effect and in all other respects by the internal laws of the State of Texas applicable to contracts made in that state and the applicable provisions of the Bankruptcy Code, without giving effect to any choice of law or conflict of law provision or rule that would cause the application of laws of any other jurisdiction.

10.9 Consent to Jurisdiction. Purchaser and Sellers agree that the Bankruptcy Court shall retain sole jurisdiction over any legal action or proceeding with respect to this Agreement. Each of Purchaser and Sellers irrevocably waives any objection, including any objection to the laying of venue or based on the grounds of *forum non conveniens*, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Agreement or the transactions contemplated hereby. Purchaser and Sellers consent to the jurisdiction and authority of the Bankruptcy Court, including, without limitation, to the entry of final orders, decrees and judgments with respect to any matters arising under or relating to this Agreement or the transaction(s) contemplated hereby.

10.10 **WAIVER OF TRIAL BY JURY.** EACH OF THE PARTIES HERETO WAIVES THE RIGHT TO A JURY TRIAL IN CONNECTION WITH ANY SUIT, ACTION OR PROCEEDING SEEKING ENFORCEMENT OF SUCH PARTY'S RIGHTS UNDER THIS AGREEMENT.

10.11 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument. This Agreement may be executed through the exchange of scanned .pdf signature pages, which shall have the same legal effect as original signatures.

10.12 Headings. The headings contained in this Agreement are for convenience of reference only and shall not affect the meaning or interpretation of this Agreement.

10.13 Time of the Essence. Time is of the essence of this Agreement. When calculating the period of time before which, within which or following which, any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded. If the last day of such period is a non-Business Day, the period in question shall end on the next succeeding Business Day.

10.14 Rules of Construction. The Parties acknowledge and agree that each has negotiated and reviewed the terms of this Agreement, assisted by such legal and tax counsel as they desired, and has contributed to its revisions, and, as such, each of the Parties shall be deemed drafters of this Agreement and equally responsible for any ambiguities contained herein. The Parties further agree that the rule of construction that any ambiguities are resolved against the drafting party will be subordinated to the principle that the terms and provisions of this Agreement will be construed fairly as to all Parties and not in favor of or against any Party. The word "including" means "including, without limitation." The phrase "ordinary course of business" or words of similar import shall mean the ordinary course of business consistent with past custom and practice, subject, in the case of Sellers or the Business, to changes in the business, operations or custom or practice of Sellers to the extent resulting from matters arising as a result of, or in connection with, Sellers' status as filers under Chapter 11 of the Bankruptcy Code.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, the Parties have executed this Asset Purchase Agreement as of the date first above written.

## **APPENDIX 1**

### **DEFINED TERMS**

As used in this Agreement, the following terms shall have the following meanings:

“Additional Deposit Amount” means the amount of any Additional Deposit, as that term is defined and used in the Bid Procedures Order.

“Affiliate” with respect to any Person means any other Person who directly or indirectly Controls, is Controlled by, or is under common Control with such Person including in the case of any Person who is an individual, his or her spouse, any of his or her descendants (lineal or adopted) or ancestors, and any of their spouses.

“Agreement” is defined in the Introduction to this Agreement.

“Alternative Transaction” means one or more sales, assignments, leases, transfers, or other dispositions of all or any material portion of the Purchased Assets to any Person (or group of Persons), whether in one transaction or a series of transactions, whether by merger, asset purchase, equity purchase or other similar transaction, in each case other than to Purchaser or its Affiliates.

“Antitrust Laws” means the Sherman Act, 15 U.S.C. §§ 1-7, as amended, the Clayton Act, 15 U.S.C. §§ 12-27, 29 U.S.C. §§ 52-53, as amended, the Hart-Scott-Rodino Antitrust Improvements Act of 1976, 15 U.S.C. § 18a et seq., as amended, the Federal Trade Commission Act, 15 U.S.C. § 41-58, as amended, and all other Laws and Orders that are designed or intended to prohibit, restrict or regulate actions having the purpose or effect of monopolization, restraint of trade, or lessening of competition through merger or acquisition.

“Assumed Liabilities” is defined in Section 2.1.

“Auction” means a sale in which the Purchased Assets shall be offered for sale to a bidder or bidders making the highest or best offer, which will be scheduled by the Bankruptcy Court in the Bankruptcy Cases.

“Avoidance Actions” means any and all claims and causes of action of a Seller arising under the Bankruptcy Code, including, without limitation, Sections 544, 545, 547, 548, 549 and 550 thereof.

“Bankruptcy Cases” means, individually and collectively, the following chapter 11 bankruptcy cases pending in the Bankruptcy Court: (i) *In re Limetree Bay Services, LLC*, case no. 21-32351; (ii) *In re Limetree Bay Refining Holdings, LLC*, case no. 21-32352; (iii) *In re Limetree Bay Refining Holdings II, LLC*, case no. 21-32353; (iv) *In re Limetree Bay Refining, LLC*, case no. 21-32354; (v) *In re Limetree Bay Refining Operating, LLC*, case no. 21-32355; and (vi) *In re Limetree Bay Refining Marketing, LLC*, case no. 21-32356.

“Bankruptcy Code” means the Bankruptcy Reform Act of 1978, 11 U.S.C. §§ 101, et seq., as in effect on the Petition Date, and as amended effective as of the Petition Date.

“Bankruptcy Court” is defined in Recital B to this Agreement.

“Bankruptcy Rules” is defined in Section 4.3.

“Bid Procedures Order” means the order of the Bankruptcy Court, entered on August 11, 2021 at docket number 392 in the bankruptcy case of *In re Limetree Bay Services, LLC*, case no. 21-32351, as amended by the order of the Bankruptcy Court, entered on September 15, 2021 at docket number 583, authorizing, among other things, the sale of the Purchased Assets and assumption and assignment of the Business Contracts and Real Property Leases and the assumption of the Assumed Liabilities pursuant to the bid procedures and bid protections set forth therein.

“Bill of Sale and Assignment and Assumption Agreement” means that certain bill of sale and assignment and assumption agreement substantially in the form attached hereto as Exhibit B.

“BP Receivables” means any and all funds payable by BP Products North America, Inc., or any affiliate or subsidiary thereof, to Sellers, or any of them, arising out of or related to the IFF Property, the J. Aron Transaction Documents, the Tolling Agreement (as such terms are defined and used in the Stipulation by and among Debtors, Committee, J. Aron & Company LLC, and BP Products North America Inc. (appended to Doc. No. 697 filed in the Bankruptcy Cases) (the “BP Stipulation”)), or any other agreement by and between Sellers, or any of them, and BP Products North America, Inc., or any affiliate or subsidiary thereof, dated on or before the Closing Date, including, without limitation, the Escrow Funds, Trade Contract Amounts, and Sale Reserve (as such terms are defined and used in the BP Stipulation).

FOR THE SOUTHERN DISTRICT OF TEXAS  
HOUSTON DIVISION**

**IN RE:**

**LIMETREE BAY SERVICES, LLC, *et al.*,<sup>1</sup>  
Debtors.**

**CHAPTER 11**

**CASE NO.: 21-32351**

**(Jointly Administered)**

**NOTICE OF EMERGENCY SALE HEARING ON  
DECEMBER 7, 2021 AT 4:00 P.M. CENTRAL TIME**

**PLEASE TAKE NOTICE** that the final emergency hearing to consider the sale referenced in the Debtors' *Emergency Motion for Entry of Order: (I) Establishing Bidding and Sale Procedures; (II) Approving the Sale of Assets; and (III) Granting Related Relief* (Doc. No. 191) (the "**Motion**") is scheduled for **December 7, 2021 at 4:00 p.m. Central Time** before the Honorable David R. Jones, United States Bankruptcy Judge, 515 Rusk Street, Courtroom 400, Houston, Texas 77002 (the "**Sale Hearing**"). You may participate in the hearing either in person or by an audio and video connection.

**PLEASE TAKE FURTHER NOTICE** that **emergency relief has been requested. Relief is requested not later than 4:00 p.m. Central Time on December 7, 2021.**

**PLEASE TAKE FURTHER NOTICE** that the deadlines and milestones related to the Sale Hearing and Motion, including deadlines to object to the proposed sale, are included in the Debtor's *Notice of (I) Designation of Winning Bid and Back-Up Bids and (II) Sixth Notice of Extension of Milestones and Bid Procedures Deadlines* (Doc. No. 829) ("**Notice of Designation**"), which is being filed simultaneously with this Notice. If you object to the relief requested or you

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors' mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

believe that emergency consideration is not warranted, you must appear at the hearing and file a written response as outlined in the Notice of Designation. Otherwise, the Court may treat the matter as unopposed and grant the relief requested.

**PLEASE TAKE FURTHER NOTICE** that audio communication will be by use of the Court's dial-in facility. You may access the facility at 832-917-1510. You will be responsible for your own long-distance charges. Once connected, you will be asked to enter the conference room number. Judge Jones's conference room number is 205691. Once the code is entered, you will be connected live to the courtroom. You will be able to hear persons speaking in the courtroom and other persons on the call addressing the Court. You will be able to address the Court directly. The Court will hear all sound on your line. **PLEASE mute your line if you are not addressing the Court.**

**PLEASE TAKE FURTHER NOTICE** If there are multiple parties on the call, the Court may activate the "hand raise" feature. The system will announce that this feature has been activated. If the hand raise feature has been activated, you will not be able to address the Court until the Court addresses you or you request to speak and the Court grants the request. If you wish to address the Court, you must press 5\*. Within 5 seconds, the Court will receive a signal that you wish to speak. When the Court calls on you, you will hear a recorded message that you have been recognized. When you are done, the Court will again mute your call. Details regarding the use of the conferencing system are available at <https://www.conferencecalling.com/help>

**PLEASE TAKE FURTHER NOTICE** Video participation is available via GoToMeeting. To use GoToMeeting, the Court recommends that you download the free GoToMeeting application prior to the hearing. If a browser connection is used, Chrome is generally recommended. A mobile version of the application is also available. The meeting code is

“judgejones”. You may also connect directly by clicking the link on Judge Jones’ home page on the Southern District of Texas website. Once connected, click the settings icon in the upper right corner and enter your name under the personal information setting.

**PLEASE TAKE FURTHER NOTICE** that hearing appearances must be made electronically in advance of the hearing. To make your electronic appearance, go to the Southern District of Texas website and select “Bankruptcy Court” from the top menu. Select “Judges’ Procedures,” then “View Home Page” for Judge Jones under “Electronic Appearance” select “Click here to submit Electronic Appearance.” Select the case name, complete the required fields and click “Submit” to complete your appearance.

**PLEASE TAKE FURTHER NOTICE** that copies of documents can be obtained through the Bankruptcy Court’s electronic case filing system at <https://ecf.txsb.uscourts.gov> or can be obtained free of charge on the website maintained by the Debtors’ proposed claims and noticing agent at [www.bmcgroup.com/limetree](http://www.bmcgroup.com/limetree)

**ENTERED**

December 01, 2021

Nathan Ochsner, Clerk

**IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE SOUTHERN DISTRICT OF TEXAS  
HOUSTON DIVISION**

**IN RE:**

**LIMETREE BAY SERVICES, LLC, *et al.*,<sup>1</sup>  
Debtors.**

**CHAPTER 11**

**CASE NO.: 21-32351 (DRJ)  
(Jointly Administered)**

**ORDER GRANTING DEBTORS' EMERGENCY MOTION  
FOR AUTHORITY TO PAY FORBEARANCE FEE**

(Docket No. 724)

Upon the motion (“**Motion**”)<sup>2</sup> of the debtors and debtors-in-possession (collectively, the “**Debtors**”) in the above-captioned chapter 11 cases (collectively, the “**Chapter 11 Cases**”) for entry of an order (the “**Order**”) authorizing, but not directing, the Debtors to pay the Forbearance Fee, as more fully set forth in the Motion; finding this Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334; finding that this matter is a core proceeding pursuant to 28 U.S.C. § 157; finding this Court may enter final orders in this matter consistent with Article III of the United States Constitution; finding that this matter is properly venued in this Court pursuant to 28 U.S.C. §§ 1408 and 1409; finding notice of the Motion due and proper under the circumstances and in accordance with all applicable rules and orders, and no further or additional notice of the Motion being warranted; receiving no objections to the relief requested in the Motion; having considered the Motion, and all other documents submitted in support of the Motion; and, after due deliberation, finding that the relief requested by and through the Motion is due and proper, is premised on the Debtors’ sound business judgment, and serves the best interests of the estates and their creditors; and sufficient cause appearing therefor,

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors’ mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

<sup>2</sup> Unless otherwise defined herein, capitalized terms shall have the meanings ascribed to them in the Motion.

**IT IS HEREBY ORDERED:**

1. The Motion is hereby granted in its entirety.
2. The Debtors shall have the authority, and are directed, to pay the Agent, on behalf of the Lenders, the Forbearance Fee, either in cash or in kind (in which case the Forbearance Fee will be added to the principal amount of the outstanding commitments under the DIP Loan Documents).
3. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.
4. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.
5. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

**Signed: November 30, 2021.**

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors' mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

Bay, Ltd. (“Bay”) submits this: (i) preliminary objection to the proposed sale designation (the “Proposed Sale”) of substantially all of the assets of the above-captioned debtors and debtors in possession (the “Debtors”) to St. Croix Energy, LLLP (“St. Croix”) and (ii) emergency motion to delay the Sale Hearing (as defined below) (the “Motion”) to permit limited discovery to be taken; and in support thereof, Bay respectfully states as follows:

### **Preliminary Statement**<sup>2</sup>

1. After multiple delays, last night, the Debtors filed a notice designating St. Croix as the Winning Bidder and the combined bids of Sabin Metal Corporation (“Sabin”) and Bay as the Back-up Bidders (the “Winning Bidder Notice”). *See* Doc. No. 829. Bay contends the designation should be reversed, with St. Croix as the Back-up Bidder. By this Motion, Bay seeks entry of the Proposed Order briefly postponing the Sale Hearing currently scheduled for December 7, 2021 pending the Debtors’ responses to Bay’s (i) informal discovery requests submitted on November 30, 2021 before the designation was filed, for which no reply has yet been given, and (ii) formal discovery requests submitted on December 1, 2021. As reflected by the attached **Exhibits 1 and 2**, Bay’s discovery requests include depositions around the negotiation, preference, and approval by Debtors of St. Croix, before, during and now after the Auction.

2. A serious dispute exists on the much delayed, but recently announced selection of St. Croix as the Winning Bidder, which ignores the higher and better bids from Bay and Sabin. There is a fundamental change in circumstances arising due to Bay’s successful participation in the Auction (which ironically Bay had to prepare to fight to even participate in, which casts further doubt on the Sale Process seeming to preordain a preference for St. Croix as the winner, regardless

---

<sup>2</sup> Capitalized terms used in this Preliminary Statement but not otherwise defined shall have the meanings given to such terms below.

of the Auction results). As a result of the Auction, it is now clear that the Back-up Bidders are actually for amounts far higher than for the St. Croix Bid, which was and appears to remain qualified and conditional before, during, and after the Auction. Based on Bay's participation in the Sale Process and the Debtors' lack of engagement before and after the Auction, Bay's perception is the Sale Process was tilted from the start, and throughout, to benefit St. Croix, for reasons Bay cannot understand. To the extent it represents an "option" to restart the refinery, the lack of engagement on the several agreements that are a prerequisite to this occurring make plain the bid really is simply another liquidation bid, only for less value than what is not provided by Bay and Sabin. As such, Bay respectfully requests that the Court delay the Sale Hearing pending Bay's discovery requests being addressed, wherein Bay seeks evidence to (i) test the perplexing decision made to favor St. Croix before, during and after the Auction, even though it remains throughout conditional and likely just a disguised liquidation bid, and to test the value thereof, (ii) whether the St. Croix Bid is indeed funded and without conditions since the Winning Bidder Notice makes clear it faces substantial hurdles and remains uncommitted, and (iii) whether the Sale Process truly represents a fair market test confirmed by the Debtors' independent judgment.

3. The Debtors originally represented in their Bid Procedures Motion that: "The paramount goal of any proposed sale of property of a debtor is to maximize the value received by the estate." *See* Doc. No. 191, ¶ 52. Moreover, a recent ruling from the Fifth Circuit makes clear that "The purpose of § 363 is to promote the finality of bankruptcy sales, thereby maximizing the purchase price of estate assets.... And ultimately, maximizing bidding on and the purchase price for a debtor's assets benefits a debtor's creditors." *Matter of Walker Cty. Hosp. Corp.*, 3 F.4th 229, 234 (5th Cir. 2021). While the Auction itself was capably handled, the events before and after the Auction appear to create more than a passing concern on whether a true market test was

sought, and in the end as reflected by the recently designated lead bidder, in fact the “best” bid put forth considering all circumstances, and realities.

4. The Debtors’ delayed designation to date calls into question whether their business judgment in selecting St. Croix as the Winning Bidder was truly independent, fully informed, and free from other influences. Through the Winning Bidder Notice, the Debtors seem to acknowledge that the Bay and Sabin bids, which yields together \$39 million of value, seemingly swamps the true notional value of the St. Croix bid, characterized as \$33 million (but which actually is far less, as Bay’s chart below illustrates). Moreover, the Bay and Sabin bids exclude several assets, which are left to the estate, that appear to be swept into the St. Croix Bid, effectively making the Bay and Sabin bids even more valuable.

5. Bay also wants it known that its bid is also in the interests of the Island itself, which while not a restart option for a perennially troubled refinery that sits idle and represents decades of pollution issues, involves a valuable opportunity for the island and its people. In addition to facilitating eventual fixes for longstanding pollution and environmental concerns, the straightforward dismantlement of the plant by Bay will entail that Bay employs many from the Island to facilitate the decommissioning work that will span approximately three years. While perhaps not a “value concern” in the strict sense for this bankruptcy, it should be considered that Bay’s bid opens up new opportunities for the Island and will facilitate the resolution of longstanding federal and state concerns over the site, and the need to address—with the starting point being the removal of the twin refinery complexes.<sup>3</sup> But, on the more direct value comparison issue here, there is one piece of these cases that is not complicated, and that is the Debtors’

---

<sup>3</sup> Further, prior to submitting its bid, had Bay been provided with the appropriate information on the real property assets held by the Debtors, which Bay repeatedly requested, a proper due diligence related to on-going business units could have been performed, which support healthy environmentally friendly opportunities for the Island and its residents, a process that is being conducted now should Bay prevail.

obligation to select the highest and best bid to bring the maximum value to their estates. The Debtors, however, have failed to do so, as shown below. This chart compares the St. Croix Bid and the Bay and Sabin bids. The chart remains subject to update and discovery because (i) until late last night the St. Croix Bid remains shrouded as to its details, (ii) the essential Transition Services Agreement (“TSA”) that has long been highly conditional for weeks is admitted to remain still incomplete and unseen; and (iii) several other agreements are needed for a restart for which no engagement has apparently occurred with counterparties, rendering the notion of a restart illusory:

	<u>St. Croix Bid</u>	<u>Bay and Sabin Combined Bid</u>	<u>Notes</u>
<u>Net Bid Amount</u>	<p>The face amount of the St. Croix Bid is listed for \$20 million. Certain amounts should be deducted, however, including</p> <ul style="list-style-type: none"> <li>• (i) \$15.1 million for St. Croix’s acquisition of the Catalyst, without a separate value allocation<sup>4</sup></li> <li>• (ii) possible acquisition of unspecified A/R,</li> <li>• (iii) acquisition of other unspecified assets reflected in the schedules at docket number 548 (Limetree Bay Refining Operating) and 550 (Limetree Bay Refining Marketing); and</li> <li>• (iv) \$1 million for the expense reimbursement.</li> </ul> <p>In sum, the St. Croix Bid appears as one in which the Debtors are paying more than they are receiving.</p>	<p>The Winning Bidder Notice acknowledges (i) the Sabin bid is approximately \$15.1 million and (ii) the Bay bid is approximately \$24.8 million.</p>	<p>Bay and Sabin leave behind (i) all prepaids, deposits and inventory; and (ii) the underlying land other than access for the duration of dismantlement, which would be addressed only upon the dismantlement of the Plant over a period of three years.</p> <p>Upon information and belief, at least \$12 million of the “\$14 million (est.) assumed and avoided liabilities and expense reimbursement pursuant to the [TSA]” includes expense reimbursements. But there appear to be no contracts assumed, and it cannot be determined since the schedules are not included what this comprises. As such, Bay asserts at least \$12 million in expense reimbursement under the TSA is not creditable to the St. Croix Bid.</p>
<u>Total Value</u>	Approximately \$5.9 million <sup>5</sup>	Approximately \$39.9 million	

<sup>4</sup> As noted further below, nothing prevents St. Croix from selling the catalyst to anyone immediately after closing, thus reducing the value it actually is paying for this option. In the absence of the competing higher bids, this might be permissible—but not now.

<sup>5</sup> St. Croix’s APA filed at docket number 829-2 contemplates the inclusion of various schedules to fully describe the “Purchased Assets,” including for example, business contracts, real property, leases, and permits. These schedules are not included with the filed APA, so it is impossible to determine which additional assets are included or excluded from the St. Croix Bid for comparative purposes. Thus, this total value amount may be even lower based on these missing schedules. But what we do know now is that the \$20 million bid is reduced by \$1 million for St. Croix costs,

	<u><b>St. Croix Bid</b></u>	<u><b>Bay and Sabin Combined Bid</b></u>	<u><b>Notes</b></u>
<u><b>The St. Croix Bid is Contingent on a TSA</b></u>	As described in open Court <sup>6</sup> , and as recalled to be essentially repeated at the Auction, <sup>7</sup> the St. Croix Bid was and remains uncommitted and conditional on several matters, including a needed TSA: At the November 15 hearing at 19:40 [Counsel for lead bidder] “The other question that comes up is there is a transition services agreement that has to be negotiated and I believe the term lenders’ counsel had asked about that. Obviously your honor if we [walk[?]] and we can’t do this deal because we can’t reach a TSA that is acceptable on Thursday before the auction, then we are not expecting that expense reimbursement because there is not a \$20 million deal. We reserve the rights to bid less at the auction as if on terms such that we had not come to your honor today.”	No contingencies.	When during the initial part of the Auction it was again stated by St. Croix that there must be a TSA in place which remained uncertain, Bay objected at the Auction to any efforts by St. Croix to have its bid considered if truly not committed and conditional, and to any effort to retract or reduce its bid, when this was initially presented at the opening of the Auction, and Bay reserved all rights.
<u><b>The St. Croix Bid is Contingent on Regulatory Approvals</b></u>	The restart of the refinery remains subject to required assumption of the EPA Consent Decree and related matters governing a restart, if it truly is a restart and not simply a disguised liquidation bid dressed as a restart to control the liquidation. Bay contends the evidence would show it is extremely unlikely, if not impossible, for any restart before the end of 2022, and more likely thereafter, entailing the proffered “carrot” of three months of funding post closing of \$12 million is actually intended to promote a restart, rather than underwriting post closing costs. Moreover, any restart would require a prior commitment of hundreds of millions in further funding and expenditures by St. Croix, none of which is even in prospect, much less committed.	Bay and Sabin as dismantlement-oriented bids not involving operation of the refinery and have no similar restrictions.	The lack of any agreement on this with counterparties is indicative that the St. Croix bid is not a restart so much as an option which in reality masks it comprising a liquidation bid.
<u><b>The St. Croix Bid is Contingent on Shared Services with Terminal Entities</b></u>	As stated in the Terminal Entities’ statement filed at docket number 822, the St. Croix Bid, as a restart bid, is subject to a shared services agreement with the Terminals, which apparently has not been negotiated, and which upon information and belief would necessarily be a required contract for a restart.	Bay and Sabine as dismantlement-oriented bids not involving operation of the refinery and have no similar restrictions.	The lack of any agreement on this with counterparties is indicative that the St. Croix bid is not a restart so much as an option which in reality masks it comprising a liquidation bid.
<u><b>The St. Croix Restart is Contingent on Assuming the Refinery Operating</b></u>	To implement the restart St. Croix must assume and perform this agreement, including cure payments for the amounts due the government as well as prospective amounts. This presents another barrier to restart, and the failure to secure it in advance is proof the restart is illusory.	This is inapplicable to the dismantlement bid from Bay.	The lack of any agreement on this with counterparties is indicative that the St. Croix bid is not a restart so much as an option which in reality masks it comprising a liquidation bid.

and another \$15.1 million because St. Croix can simply sell the catalyst any time after closing, rendering the true worth of its bid in contrast to Bay far lower.

<sup>6</sup> Quote stated from audio file of the November 15, 2021 hearing.

<sup>7</sup> The Debtors had the open proceedings in the Auction transcribed; Bay currently lacks a copy and requests it be provided.

	<u>St. Croix Bid</u>	<u>Bay and Sabin Combined Bid</u>	<u>Notes</u>
<u>Agreement with the State Government</u>			

6. Compounding this foregoing contrast in values emanating from the Auction, are other facts that question whether the process was unfairly tilted to the lower St. Croix Bid regardless of the Auction outcome. The facts Bay would present to challenge this judgment call beyond the baseline value comparison include several matters that seem unique to this sale process, which has been marked by continual last-minute delays, deferrals and indulgences that always favored St. Croix. Some of these objective facts that take this out of the routine sale process and which should be explored include:

- The Debtors' non-engagement to Bay's November 2 bid proposal, until preliminary comments were sent back after multiple inquiries late in the afternoon on November 14, 2021—mere days before the scheduled auction.
- The Debtors' non-engagement to Bay's further November 17 bid proposal, that was responsive to the preliminary Debtors comments from November 14, 2021, which lack of engagement has continued after the Auction.

The Debtors' attempt starting the afternoon before the Auction to discourage or even prevent Bay from participating in the Auction, or cancelling the Auction altogether in favor of St. Croix, by questioning Bay's status as a Qualified Bidder, even though Bay submitted its bid, tendered its deposit, and notwithstanding the Debtors representatives had previously represented that Bay was already a Qualified Bidder well before November 17, 2021.

- The Debtors' suggesting the Auction could be cancelled entirely unless Bay *in advance of the Auction* submitted a bid exceeding the already conditional St. Croix notional Stalking Horse Bid.
- The Debtors' repeated unilateral extensions of the milestones and bid deadlines with little to no notice before the expiration of the actual deadline, and usually without any explanation. The Debtors' eleventh-hour extensions of these deadlines have forced Bay (and presumably, other bidders) to operate on extremely compressed timelines. Bay has received no comments to the most recent iteration of its Asset Purchase Agreement and no draft of a sale order, despite requests dating back to early November 2021 for a form of order to edit.

- Contrasting to the Debtors' repeated post Auction delays in designating a winning bidder, on November 18, 2021, St. Croix issued its own press release stating it was the winning bidder after the Auction closed, rendering more inexplicable the Debtors' delay until late on November 30 to file the Winning Bidder Notice, and suggesting that perhaps a decision made in its favor before the Auction even after the Auction turned out so much more favorable for the Debtors on the liquidation bids.
- The reality that the St. Croix bid, denominated as a "restart bid," appears to (i) lack funding for a restart; (ii) lack any engagement at all with the Terminal Entities on the shared services need for a restart, (iii) lack any realistic timetable for a restart when benchmarking it within three months of closing, (iv) lack engagement and agreement with the EPA on its requirements for a restart; (v) lack any assumption of the Refinery Operating Agreement, and (vi) that the issues and permits required to allow a restart, is proof a restart cannot be accomplished within the three-month window provided under the St. Croix Bid, much less any six or eight month period to continue to evaluate options. The St. Croix Bid's reliance on a series of as yet not agreed undertakings thus renders it a nullity and in reality, it is nothing more than a disguised dismantlement bid, entailing its \$20 million notional but contingent amount must fall behind the Bay and Sabin bids, and be further discounted by the value of assets it takes which the Bay and Sabin bids leave behind.

7. The Debtors' selection of St. Croix as the Winning Bidder even though (i) the St. Croix Bid is apparently admitted (at least to the Auction itself) subject to stated contingencies and (ii) that the Debtors have now received other bids at the Auction which are higher in value than the St. Croix Bid and which leave substantial assets for the estate to benefit from, make this an easier call—Bay and Sabin are the prevailing bidders and should have been designated as such.

### **Jurisdiction, Venue, and Standing**

8. The United States Bankruptcy Court for the Southern District of Texas, Houston Division (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. § 1334(b). This matter is a core proceeding pursuant to 28 U.S.C. § 157(b).

9. Venue is properly before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

10. Bay has standing to file this Motion as a creditor in these Chapter 11 Cases as a creditor and bidder.

## **Background**

### **A. The Chapter 11 Cases**

11. On July 12, 2021 (the “Petition Date”), Limetree Bay Services, LLC and certain of its affiliates (collectively, the “Debtors”) each filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) commencing the above-captioned chapter 11 cases (the “Chapter 11 Cases”).

12. On July 26, 2021, the United States Trustee appointed the Official Committee of Unsecured Creditors (the “Committee”) in the Chapter 11 Cases.

### **B. The Events Leading up to the Auction Reveal a Sale Process Crafted to Cater to St. Croix**

#### ***i. The Debtors Discouraged Bay from Participating in the Auction***

13. On November 2, 2021, Bay submitted to the Debtors a timely Bid (the “Bay Bid”) for the purchase of certain of the Debtors’ assets. On November 3, 2021, Bay sent further information regarding the Bay Bid, including information about Bay, its substance as a company with experience in this area, and information to support schedules in the Asset Purchase Agreement. After delivering the Bay Bid, Bay was informed on several occasions it was a Qualified Bidder.

14. On November 10, 2021, the deadline to submit Good Faith Deposits under the first extension notice [Doc. No. 696] (which was then reset to November 12, 2021 by the second extension notice [Doc. No. 749]), Bay timely submitted its Good Faith Deposit to the Debtors, only to then be informed (i) the deadline would be delayed a day due to the federal holiday on November 11, 2021 and (ii) that the escrow account referenced in the Bidding Procedures did not exist, but that the deposit could be wired to an account maintained by the financial advisor.

15. On November 14, 2021—four days before the scheduled Auction—the Debtors belatedly provided Bay with comments to its Asset Purchase Agreement. On November 17, 2021, in an effort to be responsive to the Debtors’ comments, Bay submitted to the Debtors an updated Asset Purchase Agreement, with a redline against the Debtors’ original proposed Asset Purchase Agreement. To date, no comments back have been received.

16. Mid-day on November 17, 2021, the Debtors informed Bay—for the first time—that it questioned if Bay was a Qualified Bidder, and thus called into question whether Bay could participate in the next morning’s Auction. Despite repeated requests to confirm this was inaccurate, whereby the Debtors would not confirm Bay why its status as a Qualified Bidder was in question, nor confirm its ability to participate, Bay needlessly spent most of the time until the morning of the Auction drafting pleadings for emergency relief to this sudden and new development if indeed it was cancelled out, or the auction cancelled itself.

17. Ultimately, Bay was permitted to attend and participate in the auction on November 18. As to the actual conduct of the Auction, it proceeded as it should, and the robust bidding for the decommissioning of the assets did occur after the prior pro forma acceptance by Debtors of the St. Croix bid, conditional as it was and apparently remains, as the “restart bid”. But Bay’s insistence that it be permitted to attend the auction and it not be cancelled demonstrated why an Auction was useful. The bidding went for hours and yielded bids that exceeded the St. Croix bid. Yet despite the extraordinary results obtained on that phase of the Auction, and the continuing equivocation of the St. Croix bid indicated in the last night notice, show Bay that the Auction results are now essentially ignored in favor of the inferior St. Croix bid.

*ii. The Repeated Extensions of Bid Deadlines and Milestones*

18. This sale process has been fraught with procedural irregularities. While this might be a difficult case, the process has been a tough one for bidders to participate in. On August 11, 2021, this Court entered its *Order Granting Debtors' Emergency Motion for Entry of Order: (I) Establishing Bidding and Sale Procedures; (II) Approving the Sale of Assets; and (III) Granting Related Relief* [Docket No. 392] (the "Bid Procedures Order").<sup>8</sup> Pursuant to the Bid Procedures Order, the Court approved the Bidding Procedures. *See* Docket No. 392, pp. 13–32. In the usual case, deadlines have importance and are not easily moved. This has not been such a case, and it has created burdens for bidders.

19. On September 10, 2021, the Debtors filed the *Debtors' Emergency Motion to Amend Milestones and Bid Procedures Deadlines* [Docket No. 565] (the "Motion to Extend"). On September 15, 2021, the Court entered its *Order Granting Emergency Motion to Amend Milestones and Bid Procedures Deadlines* [Docket No. 583] (the "Extension Order"), extending the deadlines in the Bid Procedures Order for approximately five weeks. The Extension Order provided that the extensions granted therein were without prejudice and the Debtors and Prepetition Secured Parties (as defined in the Motion to Extend) could mutually agree to extend the milestones and bid procedures deadlines without further order of the Court, "subject only to the Debtors providing notice to the Court, the U.S. Trustee, the DIP Agent, and Committee of any further extensions." *See* Extension Order, ¶ 5.

20. Since entry of the Extension Order, the Debtors have unilaterally extended the milestones and bid procedures deadlines by notice six additional times. *See* Doc. Nos. 696, 749,

---

<sup>8</sup> Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Bid Procedures Order.

761, 799, 819, & 829. Each extension has occurred without any explanation, and if Bay was informed on any of them it would only have been in the midst of the deadline actually running. As a routine, the Debtors have filed various extension late in the day on same day as an existing deadline, causing Bay to scramble unnecessarily.<sup>9</sup> Three of the extensions predated the Auction; three occurred after the Auction, which itself is extraordinary and likely inferential proof of the lack of ability by St. Croix to commit to any schedule or funding. The current extension [Doc. No. 829] pushes various deadlines but all extensions proposed to maintain the Sale Hearing on December 7, 2021. This creates great difficulty for the backup bidders, leaving them hanging with the omnipresent risk of loss of their deposits, which had been tendered in good faith. Until the filing of the sixth extension notice, the deadline for the Winning Bidder to close was scheduled three days later on December 10, 2021, and the deadline for a Back-up Bidder to close was scheduled six days later on December 13, 2021. Now, the Debtors have unilaterally deemed December 17, 2021 as the deadline for the Winning Bidder to close and “TBD” as the deadline for the Back-up Bidder to close.

21. Under the Bidding Procedures, the Winning Bidder and the Back-Up Bidder are deemed to forfeit their deposit if they fail to close timely. *See* Bid Procedures Order, pp. 28–29 of 30. As of the date of this pleading, Bay has not received any comments from the Debtors to its revised form of Asset Purchase Agreement submitted on November 17, 2021.

---

<sup>9</sup> For example, under the first extension notice, the deadline to submit Good Faith Deposits was Wednesday, November 10, 2021 at 10:00 a.m. CT. *See* Doc. No. 696-1. On November 10, 2021, the Debtors filed the second extension notice pushing the deadline to submit Good Faith Deposits to Friday November 12, 2021 at 5:00 p.m. CT. *See* Doc. No. 749-1. Bay was previously negotiating with the Debtors to serve as a stalking horse bidder and thus would not have to submit a deposit. On November 10, 2021 at 4:22 p.m. CT, the Debtors informed Bay the Debtors were not going to designate a stalking horse bidder. Thus, Bay was left to scramble (unnecessarily) to submit a Good Faith Deposit, only to find out that the Debtors were further extending this deadline.

22. Moreover, despite asking weeks ago, Bay has not received a form of a sale order from the Debtors from which it could provide comments and assure the usual protections in the purchase, if able to do so. Yesterday, Bay was advised that now St. Croix is in charge of the form of sale order, so Bay hereby requests it be sent a draft so that regardless of its status as lead or back-up bidder, it be given a reasonable opportunity before any hearing to provide for review and comments. This order is critically important in this case, where a dismantlement that would employ hundreds of locals and involve the decommissioning of two massive refinery complexes, and the offloading onto ocean going vessels the personal property, will take up to three years. The Debtors' continued unilateral and last-minute extensions of the milestones and bid procedures deadlines, combined with the lack of engagement on the final asset purchase agreement form after the Auction, coupled with no draft sale order, places the prevailing bidders in an untenable position—if selected as the Winning Bidder (as it should be), Bay is forced to close on an extremely compressed timeline or forfeit its deposit.

***iii. St. Croix is Designated as the Stalking Horse Bidder then Unilaterally Announces “we won” regardless of the auction outcome, the Debtors lack of timely notification, and the higher Piecemeal Bids***

23. On November 14, 2021, the Debtors filed the Debtors’ Emergency Motion to Amend Bid Procedures Order and Other Related Relief [Doc. No. 760] (the “Motion to Amend”), which was approved by the Court at Docket Number 813 (the “Amended Bid Procedures Order”). Pursuant to the Amended Bid Procedures Order, the Court authorized the designation of St. Croix as the Stalking Horse Bidder with a \$20 million purchase price for substantially all of the Debtors’ assets on a going-concern basis to restart the refinery (the “St. Croix Bid”). The St. Croix Bid includes a \$1 million expense reimbursement (see Doc. No. 813, ¶ 2); thus, the estate theoretically nets approximately \$19 million from the St. Croix Bid. *But see supra* ¶ 5.

24. The St. Croix Bid, however, has various material contingencies. At the hearing on the Motion to Amend, counsel for St. Croix represented that the St. Croix Bid was contingent on “reach[ing] a transition services agreement that is acceptable. . . .” *See* Nov. 15 Hr’g Courtspeak at 19:40. At the Auction, counsel for Bay raised an objection when this same TSA issue presented itself, because it had previously been presented as a gating item, and it remained uncommitted. Remarkably, St. Croix even reserved the right to further reduce its bid, to which Bay reserved all rights. Plainly, the St. Croix Bid remains uncommitted, as the Winning Bidder Notice indicates the TSA is still uncertain, though a soft commitment is made to assure it will be filed before the sale hearing. As of the date of this Objection, Bay notes St. Croix and the Debtors have not finalized any “acceptable” transition services agreement. Moreover, the filing by Terminal Entities at Docket 822 makes plain St. Croix has not engaged at all on the needed shared services agreement required for a restart. Moreover, it is understood that engagement with the EPA on adherence to the Consent Order is also missing.

25. The St. Croix Bid is promoted as a going-concern bid to restart the refinery operations. But in reality, prudent business judgment alone would disqualify that bid because there is no practical reality that this bidder can restart the refinery anytime soon—both because (i) the EPA obligations have to be satisfied, and apparently the EPA has been stonewalled too, and (ii) there has been no coordination with the Terminal Entities. Moreover, a restart would require massive added funding, which is nowhere in prospect. In effect, the St. Croix bid smacks of nothing more than a disguised dismantlement bid, and in a head-to-head with Bay and Sabin, it falls far short.

26. Although the Debtors did not file anything on the docket noticing the winning bid until November 30, 2021, on November 18, 2021, St. Croix curiously released its own statement stating that it “emerge[d] as the top bidder. . .for the Limetree Bay Refining assets.” See **Exhibit 3**. This statement violated the Bid Procedures Order, which requires the Debtors to provide notice of the Winning Bid and Back-up Bid and may be another factor leaving the Debtors feeling cornered to push it through even though it is inferior. But it also renders more inexplicable why the Debtors delayed several times in filing the Winning Bidder Notice, inferring to Bay it was trying to jam the designation closer to the sale hearing, in effect rendering the Debtors’ designation a *fait accompli*, and correspondingly precluding discovery in regard to any objections. That alone warrants some delay to accommodate the discovery Bay seeks.

**C. After the Auction, the Combined Piecemeal Bids are the Highest Bids, but the Debtors Select St. Croix as the Winning Bidder**

27. On November 18, 2021, the Debtors held the auction (the “Auction”). The Auction was conducted in apparent compliance with the Bid Procedures. Despite the Debtors’ prior questioning of Bay’s Qualified Bidder status, Bay participated in the Auction as a Qualified Bidder.

28. During the Auction, St. Croix resubmitted its qualified \$20 million Stalking Horse Bid. But in doing so, the Auction transcript should reveal the same equivocations cited to this Court a few days earlier and quoted above—the bid was not committed, had outs, remained dependent on a TSA, and was hardly firm. It then even reserved the right to *lower* its bid. After quickly bypassing Bay’s objection raised to this initial bid proceeding as somehow separate from the remaining bid process the Debtors and the potential of St. Croix lowering its bid, the parties then did the auction on the Catalyst, which Sabin won at a stated \$15.1 million without further contest. Once done, then the bidding on dismantlement proceeded whereby Bay emerged the highest and best after thirteen rounds that lasted until the evening. As noted by the chart above (*supra* ¶ 5), the combined value of these bids exceeds the value of the St. Croix Bid.

**D. Bay Serves Discovery Requests on the Debtors**

29. Given the lack of engagement, the delays, the numerous barriers to any St. Croix closing, and the foregoing concerns raised including the squeezed timeline before the upcoming sale hearing, Bay transmitted its concerns to the Debtors about the process on November 30, 2021. *See Exhibit 1.* Because of its concerns, Bay included initial informal discovery requests on the Debtors. Bay seeks to understand the internal business decisions made regarding the preferences for St. Croix as the preferred Winning Bidder, notwithstanding the auction results, and to depose representatives with knowledge. Bay has received no response from the Debtors. Given the exigencies, Bay has also issued a more formal requests in the absence of voluntary responses. **Exhibit 2.**

**Relief Requested**

30. By this Motion, Bay seeks entry of an order, substantially in the form attached hereto (the “Proposed Order”), postponing the Sale Hearing currently scheduled for 4:00 p.m. CT

on December 7, 2021 pending responses to Bay's discovery requests, which will permit evidence to be adduced in a form needed as part of the Court's review of these matters. Documents focused on the issues herein should be produced, and a deposition permitted. This is reasonable, and the need for time due to the Debtors' own unilateral delays in adhering to deadlines. With a closing date now moved back another week, a sale hearing on December 13 or 14 will permit the needed discovery to occur next week.

### **Basis for Emergency Relief**

31. Bay seeks emergency relief because the Sale Hearing is scheduled for December 7, 2021, which is less than twenty-one (21) days after the date of filing this Motion. As a result, and to the extent the discovery is needed in connection with an irregular process and flawed decision, Bay seeks emergency consideration so that its discovery can be addressed before any consideration of approval of the sale.

### **Notice**

32. Notice of this Motion will be provided to (i) counsel to the Debtors; (ii) counsel to the Committee; (iii) the Office of the United States Trustee; (iv) the Office of the United States Attorney; and (v) any other party entitled to notice pursuant to Local Rule 9013-1(d).

### **Reservation of Rights**

33. Bay files this Motion to protect its rights in connection with the Bid Procedures Order and the Sale Process. Bay expressly reserves, and does not waive, any further objections, claims, defenses, or other rights of any kind, relating to the Bid Procedures Order and the Sale Process.

**Conclusion**

**WHEREFORE**, the Bay respectfully requests that the Court enter the Proposed Order (i) postponing the Sale Hearing currently scheduled for December 7, 2021 pending Bay's discovery requests; and (ii) granting any related relief to which Bay is justly entitled.

Respectfully submitted this 1st day of December 2021.

---

Dear Limetree Team

As you know we represent Bay, Ltd, a prevailing bidder at the auction conducted November 18. Despite its prevailing bid especially when combined with the Sabin bid exceeding the highly contingent bid proffered [and seemingly favored throughout] by SCE, Bay has not heard anything further regarding its bid, its status, any comments to its offer going into the auction, or even a draft copy of a proposed sale order promised three weeks ago. That is concerning on several levels.

First, while the actual conduct of the auction itself was capably done and resulted in Bay and Sabin emerging as the highest bidders for the assets, the process before and after was from a buyer's perspective chaotic and seems without precedent in disregarding or extending deadlines at will and often literally on the eve of the deadline, without explanation, and geared entirely to favor delivery of the assets to SCE, regardless of its highly conditioned proposals. That is troublesome, because the process before and now after the auction seems preordained to deliver the assets to SCE, even under the new circumstances of what came from the auction.

Second, the various deadlines for announcing the prevailing bidder have been unilaterally delayed several times, without explanation, before and after the auction. Yet the timeline for a sale hearing keeps being posted as "maybe" December 7, without any confirmed time, and the closing timelines at December 10 and 13, which are rapidly approaching. That unfairly jams prevailing bidders into reacting to an as yet undelivered form of sale order, critical to any buyer, as well as to even review as yet undelivered comments to the last form of APA. That is troublesome too.

Third, when viewing the foregoing against the chaotic 18 hours before the auction when Bay was overtly discouraged from even participating at the auction, and having the auction seemingly cancelled as a preferred path, necessitating preparation by Bay of emergency papers to file if the lack of admission to the auction occurred, the several delays and lack of communication since the auction appear from Bay's perspective to be tactical to somehow jam prevailing bidders into a fait accompli outcome they can never react to if indeed the sale hearing does proceed on December 7, and the closings forced as scheduled at risk of forfeit of deposit. That too is troubling.

Bay is concerned this process is flawed and outcome determinative, intended before and now after the auction to favor delivery of the assets to SCE, or to at every turn give SCE the benefit of the doubt on its highly conditional proposal which at this juncture offers less value, and seems more akin to a disguised liquidation bid perhaps. Before and during the auction, SCE statements made plain its bid was not firm, and remained conditional on other events, not least of which was a TSA that as of the auction other key participants had not yet reviewed. Yet SCE remained as the ostensible lead bid, in circumstances where its willingness to close was in substantial doubt, and its ability to ever restart the refinery highly improbably for a host of reasons.

We have heard nothing since to change that, even though I just did wrap a call with Joe

Esmont on another matter where he did indicate that tonight's deadline to designate a lead bidder would not be further extended apparently. But the fact as we understand it remains as before—the SCE bid is no more firm than before, it remains below the Bay and Sabin bids; and it seems that regardless of practical and legal impediments to any restart, it still is preferred. That makes no sense to Bay at this juncture.

If there continues to be delays or a refusal to acknowledge Bay and Sabin as the prevailing bidder, then Bay may need to seek relief, and otherwise request an immediate production of limited documents concerning the foregoing matters and internal business decisions made, and a deposition of representatives with knowledge. Unless Bay can better understand what is going on, Bay also opposes, until that is provided, the current amorphous December 7 schedule. We will be forwarding a 30(b)(6) request later today, but we expect you can discern from the above the nature and types of materials relevant for gathering and identify the corporate representatives who can attest to the foregoing.

**IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE SOUTHERN DISTRICT OF TEXAS  
HOUSTON DIVISION**

<b>IN RE:</b>	<b>CHAPTER 11</b>
<b>LIMETREE BAY SERVICES, LLC, <i>et al.</i>,<sup>1</sup></b>	<b>CASE NO.: 21-32351 (DRJ)</b>
<b>Debtors.</b>	<b>(Jointly Administered)</b>

**BAY, LTD.'S NOTICE OF DEPOSITION OF LIMETREE BAY\_  
SERVICES, ET AL. AND SUBPOENA DUCES TECUM**

PLEASE TAKE NOTICE that, pursuant to Fed. R. Civ. P. 30(b)(6), Bay, Ltd. will take the deposition upon oral examination of the Corporate Representative(s) of Limetree Bay Services, LLC, Limetree Bay Refining Holdings, LLC, Limetree Bay Refining Holdings II, LLC, Limetree Bay Refining, LLC, Limetree Bay Refining Operating, LLC, and Limetree Bay Refining Marketing, LLC (collectively referred to as “Debtors” or “Limetree”) who are knowledgeable in topics described in **Exhibit A**.

The deposition will commence at 10:30 AM EST (9:30 AM CST) on December 6, 2021, or at a time, date, and place as the parties mutually agree in writing. Pursuant to Fed. R. Civ. P. 30(b)(6), Limetree is directed to designate one or more officers, directors, managing agents, or other persons to testify on its behalf and on behalf of its affiliated companies concerning the subject matters described on **Exhibit A**, attached hereto.

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors’ mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

By stipulation of the parties and pursuant to Fed. R. Civ. P. 30(b)(4), the deposition may be conducted via the Zoom webcast platform, or similar method. Bay, Ltd. will provide a link and password to access the web conference in advance of the deposition. The deposition will be taken before a notary public or other officer authorized to administer oaths, who will appear remotely via the web conference. The deposition will be taken upon oral examination and shall continue from day to day until completed. The deposition may be videotaped pursuant to Federal Rules of Civil Procedure.

Deponents are requested to produce all of the documents described in the Subpoena Duces Tecum attached hereto as **Exhibit B**. The documents should be produced in electronic form no later than 72 hours before the deposition commences.

Respectfully Submitted,

Dated: December 1, 2021

**COUNSEL FOR BAY, LTD.**

## DEFINITIONS FOR EXHIBITS A AND B

A. **“Debtors”** or **“Limetree”** means Limetree Bay Services, LLC, a Delaware limited liability company (**“LBS”**), Limetree Bay Refining Holdings, LLC, a United States Virgin Islands limited liability company (**“LBRH”**), Limetree Bay Refining Holdings II, LLC, a United States Virgin Islands limited liability company (**“LBRH II”**), Limetree Bay Refining, LLC, a United States Virgin Islands limited liability company (**“LBR”**), Limetree Bay Refining Operating, LLC, a United States Virgin Islands limited liability company (**“LBRO”**), and Limetree Bay Refining Marketing, LLC, a United States Virgin Islands limited liability company (**“LBRM”**). This definition includes the Debtors’ representatives, agents, and persons acting on its behalf.

B. **“Communication”** means any transmission or receipt of facts, information, opinions, or thought, whether conveyed in writing, orally, electronically, or by any other means, including written memorializations or oral communications.

C. **“Document”** shall mean the complete original and any non-identical copy (whether different from the original because of notations on the copy or otherwise), regardless of origin or location, of any written, typed, printed, transcribed, filmed, punched, or graphic matter of every type and description, however and by whomever prepared, produced, disseminated or made, including but not limited to any advertisement, book, pamphlet, periodical, contract, correspondence, file, invoice, memorandum, note, telegram, report, record, handwritten note, working paper, routing slip, chart, graph, paper, index, map, tabulation, manual, guide, outline, script, abstract, history, calendar, diary, agenda, minute, code book or label. **“Document”** shall also include all documents, materials, and information, including Electronically Stored Information, within the meaning of the Federal Rules of Civil Procedure.

D. **“Electronically Stored Information”** or **“ESI”** shall mean the complete original and any non-identical copy (whether different from the original because of notations, different metadata, or otherwise), regardless of origin or location, of any writings, drawings, graphs, charts, photographs, sound recordings, images, and other data or data compilations stored in any electronic medium from which information can be obtained either directly or, if necessary, after translation by you into a reasonably usable form. This includes, but is not limited to, electronic mail, instant messaging, videoconferencing, and other electronic correspondence (whether active, archived, or in a deleted items folder), word processing files, spreadsheets, databases, and video and sound recordings, whether stored on: cards; magnetic or electronic tapes; disks; computer harddrives, network shares or servers, or other drives; cloud-based platforms; cell phones, PDAs, computer tablets, or other mobile devices; or other storage media.

E. **“Relate to,” “related to,” “relating to,”** and **“regarding”** mean in whole or in part, concerning, reflecting, alluding to, mentioning, regarding, discussing, bearing upon, commenting on, constituting, pertaining to, demonstrating, describing, depicting, directly or indirectly relating to, summarizing, containing, embodying, showing, comprising, evidencing, refuting, contradicting, analyzing, identifying, stating, dealing with, and/or supporting.

F. **“Include” and “Including”** shall mean including without limitation.

G. **“Communications”** means any transmission of information from one person to another, regardless of the medium of communication, and includes without limitation, both oral and written communications. A document or thing transferred, whether temporarily or permanently, from one person to another is deemed a communication between such persons whether or not such a document or thing was prepared or created by the transferor or addressed to the transferee.

H. **“St. Croix”** means **“St. Croix Energy LLLP”** and its representatives, agents, and persons acting on its behalf.

### INSTRUCTIONS FOR EXHIBITS A AND B

1. The connectives “and” and “or” shall be construed either disjunctively or conjunctively as necessary to bring within the scope of this request all responses that might otherwise be construed to be outside of its scope.
2. “All” means any and all and shall be construed to include the term “each,” and “each” shall be construed to include “all.”
3. The use of a verb in any tense shall be construed as the use of the verb in all other tenses.
4. The use of the singular form of any word shall include the plural and vice versa.
5. The disjunctive includes the conjunctive and vice versa as necessary to bring within the scope of these Topics all responses that might otherwise be construed to be outside of its scope.
6. The use of any gender shall include all others as appropriate in context.
7. To the extent not otherwise defined or specifically limited herein, all words used shall be given their most expansive and inclusive definition consistent with the context of the sentence in which they are used, and each request is to be construed independently and not by reference to any other request for purposes of limiting the scope of the request.
8. For purpose of this deposition, unless otherwise specified, the applicable time period is September 1, 2021 to present.<sup>2</sup>

---

<sup>2</sup> This date is shortly before St. Croix filed its notice of appearance in the bankruptcy cases.

## INSTRUCTIONS FOR REQUEST FOR ELECTRONIC AND MAGNETIC DATA

Electronically stored documents will be produced as electronically Bates-numbered in single page TIFF images with appropriate document breaks, corresponding load file for the images, and generic delimited data file for TIFF and corresponding metadata. The following metadata or fielded information, to the extent applicable to be produced electronic document, will be included in the generic delimited data file:

1. Beginning Production Number
2. Ending Production Number
3. Parent ID (if applicable)
4. Attachment ID (if applicable)
5. File Type (e.g., Word, Excel, email, etc.)
6. Last Modified Date (if collected from source system or custodian, rather than image)
7. Last Modified Time (if collected from source system or custodian, rather than image)
8. Sent Date
9. Sent Time
10. Document Author or From
11. To
12. cc
13. BCC
14. Subject Line (emails only)
15. Custodian or Source
16. Attachment Count
17. Native File Link
18. File Name
19. File path/folder
20. Received Date
21. Full text
22. De-duplicated instances (by full path)
23. Redacted flag
24. Embedded content flag

Documents that should not be rendered to TIFF images (i.e., Excel files, multimedia files, voice mail, sound files, databases, etc.) will be placed as native files in a separate folder. The files will be named by pre-pending a Bates number to the original file name. A confidentiality designation can also be inserted into the file name. A slip sheet will be providing containing the Bates number, the native file name, along with the note "Document Provided in Native Format." A link to the relative path of the natively produced document will be included in the metadata load file (Field no 17 in list above). All embedded content shall be provided, including tracked changes, hidden comments, speaker notes, etc.

Emails and their attachments will be referenced to each other in the generic delimited data file, and will be numbered sequentially wherein the attached Bates number follows the parent email Bates number. Emails and their attachments will be designated in the generic delimited data file by the

beginning and ending Bates numbers of the email or individual attachments (Fields nos. 1 and 2 in 9 list above), and those of the entire family (Fields nos. 3 and 4 in list above).

Multipage OCR or extracted text (i.e., TXT files) will be named to the corresponding TIFF images and placed in a separate folder named TEXT.

The searchable content of electronically stored documents will be extracted from the source documents, e.g., emails and their attachments, and will not be generated through optical character recognition (OCR) of the corresponding TIFF images, with the exception of redacted documents, which may be OCR-ed. Redacted documents will contain the searchable endorsement “Redacted”.

## **EXHIBIT A – TOPICS FOR EXAMINATION**

Pursuant to Federal Rule of Civil Procedure 30(b)(6), Limetree Bay Services, LLC, Limetree Bay Refining Holdings, LLC, Limetree Bay Refining Holdings II, LLC, Limetree Bay Refining, LLC, Limetree Bay Refining Operating, LLC, and Limetree Bay Refining Marketing, LLC (collectively referred to as “Debtors” or “Limetree”) must designate one or more of its officers, directors, managing agents, or other persons to testify on its behalf at deposition about all information known or reasonably available to the Company on the matters set forth below.

1. The auction conducted in the bankruptcy case jointly administered at number 21-32351, including the bid process and all related documents.
2. The negotiations and communications with St. Croix, including all related documents (including but not limited to the Asset Purchase Agreement, schedules and exhibits to the Asset Purchase Agreement, the Transfer Services Agreement, and the Refinery Operating Agreement).
3. The communications and interactions with the U.S. Environmental Protection Agency (EPA) and any of its representatives regarding the St. Croix bid and the St. Croix plans for restarting or dismantling the Debtors’ refinery.
4. The communications and interactions with Limetree Bay Terminals and its affiliates and any representatives or agents regarding the St. Croix bid and the St. Croix plans for restarting or dismantling the Debtors’ refinery.
5. The communications and interactions with any other creditor of the Debtors and any of its representatives regarding the St. Croix bid and the St. Croix plans for restarting or dismantling the Debtors’ refinery.
6. The communications and interactions with the Government of the U.S. Virgin Islands and any of its representatives regarding the St. Croix bid and the St. Croix plans for restarting or dismantling the Debtors’ refinery.
7. The due diligence conducted by the Debtors into St. Croix’s background, financial capabilities, and ability to procure regulatory and other government approvals, to procure additional financing as needed, and to otherwise restart and operate the refinery.
8. The due diligence conducted by the Debtors into the financial resources and wherewithal of St. Croix to close (i) the transactions set forth in its bid; (ii) to procure approvals as necessary to restart the refinery; and (iii) to otherwise procure financing as necessary after closing this transaction to restart and operate the refinery.
9. The due diligence conducted by the Debtors of St. Croix’s management and owners.
10. All analyses of the bids received by the Debtors which are the subject of the sale hearing.

11. The process, materials, analyses and considerations provided to the decision maker(s) of the Debtors in selecting the St. Croix bid as the preferred and winning bid.

**EXHIBIT B - DOCUMENTS TO BE PRODUCED –**

1. Any and all communications with St. Croix.
2. Any and all communications with the U.S. Environmental Protection Agency (EPA) regarding St. Croix's plan to restart the refinery.
3. Any and all communications with Limetree Bay Terminals, LLC and its affiliates and any representatives or agents thereof regarding the St. Croix bid including, but not limited to the shared services agreement.
4. Any and all communications with the Government of the U.S. Virgin Islands and any representatives or agents thereof regarding the St. Croix bid including, but not limited to the refinery operating agreement.
5. Any and all communications with any advisor (financial, legal, or otherwise) for St. Croix.
6. Any and all documents including but not limited to drafts and redlines of the proposed asset purchase agreement, any transition services agreement, any refinery operating agreement, any schedules or exhibits to the foregoing documents, or any other agreement regarding the St. Croix bid.
7. The transcript of the auction.
8. The resolutions, minutes, board presentations, and other documents generated regarding any review or approval of bids for the Debtors' assets as set for approval at the sale hearing.
9. Documents including analyses or proposals relating to any St. Croix future liquidation or dismantlement of the refinery at any time.
10. The schedules and exhibits to the St. Croix asset purchase agreement.
11. The current version of the transition services agreement.

**CERTIFICATE OF SERVICE**

I HEREBY CERTIFY that on December 1, 2021, a true and correct copy of the foregoing was filed with the Court using the CM/ECF System, which will provide notice of such filing to all parties requesting such notice.

Dated: December 1, 2021.

[ascotland@stcroixenergy.com](mailto:ascotland@stcroixenergy.com)

**ST. CROIX ENERGY, LLLP WINS AUCTION OF LIMETREE BAY  
REFINING ASSETS**

ST. CROIX, USVI – St. Croix Energy (SCE) emerges as the top bidder at the modified Chapter 11 Bankruptcy proceedings for the Limetree Bay Refining Assets. According to Communications and Public Relations Director Ashley Scotland, “Emerging as the top bidder for the LBR asset is a good thing, however SCE continues to remain focused and steadfast on accomplishing the other milestones necessary for our company and the US Virgin Islands community to see a safe and environmentally conscious restart of the LBR facility.”

SCE remains committed to working with the local and statutory environmental regulatory bodies, including the Department of Planning and Natural Resources (DPNR) and the Environmental Protection Agency (EPA) in creating a restart plan that will address safety and environmental concerns, while allowing our company the opportunity to operate and provide economic growth opportunities for all Virgin Islanders.

The St. Croix Energy group looks forward to more and new engagement with the local community in the coming weeks, as we begin to roll out our senior leadership team and expound on our new business plan for the facility. This team of experienced industry, business and environmental professionals will shepherd the Refinery through the transitional and restart phases, back to a fully safe, operational facility.

SCE seeks to operate as a sustainability driven and environmentally conscientious energy solutions provider, committed to responsible, values and science-based stewardship of the resources under our care. SCE partners continue to be interested in what is best for the territory and being good fiduciaries of the natural resources of the Virgin Islands, which is ultimately an environmentally safe restart and enhanced, wise-use of the property.

# EXHIBIT A

IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE SOUTHERN DISTRICT OF TEXAS  
HOUSTON DIVISION

IN RE:	CHAPTER 11
LIMETREE BAY SERVICES, LLC, <i>et al.</i> , <sup>1</sup>	CASE NO.: 21-32351 (DRJ)
Debtors.	(Jointly Administered)

**BAY, LTD.'S NOTICE OF DEPOSITION OF LIMETREE BAY\_  
SERVICES, ET AL. AND SUBPOENA DUCES TECUM**

PLEASE TAKE NOTICE that, pursuant to Fed. R. Civ. P. 30(b)(6), Bay, Ltd. will take the deposition upon oral examination of the Corporate Representative(s) of Limetree Bay Services, LLC, Limetree Bay Refining Holdings, LLC, Limetree Bay Refining Holdings II, LLC, Limetree Bay Refining, LLC, Limetree Bay Refining Operating, LLC, and Limetree Bay Refining Marketing, LLC (collectively referred to as "Debtors" or "Limetree") who are knowledgeable in topics described in **Exhibit A**.

The deposition will commence at 10:30 AM EST (9:30 AM CST) on December 6, 2021, or at a time, date, and place as the parties mutually agree in writing. Pursuant to Fed. R. Civ. P. 30(b)(6), Limetree is directed to designate one or more officers, directors, managing agents, or other persons to testify on its behalf and on behalf of its affiliated companies concerning the subject matters described on **Exhibit A**, attached hereto.

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors' mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

By stipulation of the parties and pursuant to Fed. R. Civ. P. 30(b)(4), the deposition may be conducted via the Zoom webcast platform, or similar method. Bay, Ltd. will provide a link and password to access the web conference in advance of the deposition. The deposition will be taken before a notary public or other officer authorized to administer oaths, who will appear remotely via the web conference. The deposition will be taken upon oral examination and shall continue from day to day until completed. The deposition may be videotaped pursuant to Federal Rules of Civil Procedure.

Deponents are requested to produce all of the documents described in the Subpoena Duces Tecum attached hereto as **Exhibit B**. The documents should be produced in electronic form no later than 72 hours before the deposition commences.

Respectfully Submitted,

**COUNSEL FOR BAY, LTD.**

## DEFINITIONS FOR EXHIBITS A AND B

A. **“Debtors”** or **“Limetree”** means Limetree Bay Services, LLC, a Delaware limited liability company (**“LBS”**), Limetree Bay Refining Holdings, LLC, a United States Virgin Islands limited liability company (**“LBRH”**), Limetree Bay Refining Holdings II, LLC, a United States Virgin Islands limited liability company (**“LBRH II”**), Limetree Bay Refining, LLC, a United States Virgin Islands limited liability company (**“LBR”**), Limetree Bay Refining Operating, LLC, a United States Virgin Islands limited liability company (**“LBRO”**), and Limetree Bay Refining Marketing, LLC, a United States Virgin Islands limited liability company (**“LBRM”**). This definition includes the Debtors’ representatives, agents, and persons acting on its behalf.

B. **“Communication”** means any transmission or receipt of facts, information, opinions, or thought, whether conveyed in writing, orally, electronically, or by any other means, including written memorializations or oral communications.

C. **“Document”** shall mean the complete original and any non-identical copy (whether different from the original because of notations on the copy or otherwise), regardless of origin or location, of any written, typed, printed, transcribed, filmed, punched, or graphic matter of every type and description, however and by whomever prepared, produced, disseminated or made, including but not limited to any advertisement, book, pamphlet, periodical, contract, correspondence, file, invoice, memorandum, note, telegram, report, record, handwritten note, working paper, routing slip, chart, graph, paper, index, map, tabulation, manual, guide, outline, script, abstract, history, calendar, diary, agenda, minute, code book or label. **“Document”** shall also include all documents, materials, and information, including Electronically Stored Information, within the meaning of the Federal Rules of Civil Procedure.

D. **“Electronically Stored Information”** or **“ESI”** shall mean the complete original and any non-identical copy (whether different from the original because of notations, different metadata, or otherwise), regardless of origin or location, of any writings, drawings, graphs, charts, photographs, sound recordings, images, and other data or data compilations stored in any electronic medium from which information can be obtained either directly or, if necessary, after translation by you into a reasonably usable form. This includes, but is not limited to, electronic mail, instant messaging, videoconferencing, and other electronic correspondence (whether active, archived, or in a deleted items folder), word processing files, spreadsheets, databases, and video and sound recordings, whether stored on: cards; magnetic or electronic tapes; disks; computer harddrives, network shares or servers, or other drives; cloud-based platforms; cell phones, PDAs, computer tablets, or other mobile devices; or other storage media.

E. **“Relate to,” “related to,” “relating to,” and “regarding”** mean in whole or in part, concerning, reflecting, alluding to, mentioning, regarding, discussing, bearing upon, commenting on, constituting, pertaining to, demonstrating, describing, depicting, directly or indirectly relating to, summarizing, containing, embodying, showing, comprising, evidencing, refuting, contradicting, analyzing, identifying, stating, dealing with, and/or supporting.

F. **“Include” and “Including”** shall mean including without limitation.

G. **“Communications”** means any transmission of information from one person to another, regardless of the medium of communication, and includes without limitation, both oral and written communications. A document or thing transferred, whether temporarily or permanently, from one person to another is deemed a communication between such persons whether or not such a document or thing was prepared or created by the transferor or addressed to the transferee.

H. **“St. Croix”** means **“St. Croix Energy LLLP”** and its representatives, agents, and persons acting on its behalf.

### INSTRUCTIONS FOR EXHIBITS A AND B

1. The connectives “and” and “or” shall be construed either disjunctively or conjunctively as necessary to bring within the scope of this request all responses that might otherwise be construed to be outside of its scope.
2. “All” means any and all and shall be construed to include the term “each,” and “each” shall be construed to include “all.”
3. The use of a verb in any tense shall be construed as the use of the verb in all other tenses.
4. The use of the singular form of any word shall include the plural and vice versa.
5. The disjunctive includes the conjunctive and vice versa as necessary to bring within the scope of these Topics all responses that might otherwise be construed to be outside of its scope.
6. The use of any gender shall include all others as appropriate in context.
7. To the extent not otherwise defined or specifically limited herein, all words used shall be given their most expansive and inclusive definition consistent with the context of the sentence in which they are used, and each request is to be construed independently and not by reference to any other request for purposes of limiting the scope of the request.
8. For purpose of this deposition, unless otherwise specified, the applicable time period is September 1, 2021 to present.<sup>2</sup>

---

<sup>2</sup> This date is shortly before St. Croix filed its notice of appearance in the bankruptcy cases.

## INSTRUCTIONS FOR REQUEST FOR ELECTRONIC AND MAGNETIC DATA

Electronically stored documents will be produced as electronically Bates-numbered in single page TIFF images with appropriate document breaks, corresponding load file for the images, and generic delimited data file for TIFF and corresponding metadata. The following metadata or fielded information, to the extent applicable to be produced electronic document, will be included in the generic delimited data file:

1. Beginning Production Number
2. Ending Production Number
3. Parent ID (if applicable)
4. Attachment ID (if applicable)
5. File Type (e.g., Word, Excel, email, etc.)
6. Last Modified Date (if collected from source system or custodian, rather than image)
7. Last Modified Time (if collected from source system or custodian, rather than image)
8. Sent Date
9. Sent Time
10. Document Author or From
11. To
12. cc
13. BCC
14. Subject Line (emails only)
15. Custodian or Source
16. Attachment Count
17. Native File Link
18. File Name
19. File path/folder
20. Received Date
21. Full text
22. De-duplicated instances (by full path)
23. Redacted flag
24. Embedded content flag

Documents that should not be rendered to TIFF images (i.e., Excel files, multimedia files, voice mail, sound files, databases, etc.) will be placed as native files in a separate folder. The files will be named by pre-pending a Bates number to the original file name. A confidentiality designation can also be inserted into the file name. A slip sheet will be providing containing the Bates number, the native file name, along with the note "Document Provided in Native Format." A link to the relative path of the natively produced document will be included in the metadata load file (Field no 17 in list above). All embedded content shall be provided, including tracked changes, hidden comments, speaker notes, etc.

Emails and their attachments will be referenced to each other in the generic delimited data file, and will be numbered sequentially wherein the attached Bates number follows the parent email Bates number. Emails and their attachments will be designated in the generic delimited data file by the

beginning and ending Bates numbers of the email or individual attachments (Fields nos. 1 and 2 in 9 list above), and those of the entire family (Fields nos. 3 and 4 in list above).

Multipage OCR or extracted text (i.e., TXT files) will be named to the corresponding TIFF images and placed in a separate folder named TEXT.

The searchable content of electronically stored documents will be extracted from the source documents, e.g., emails and their attachments, and will not be generated through optical character recognition (OCR) of the corresponding TIFF images, with the exception of redacted documents, which may be OCR-ed. Redacted documents will contain the searchable endorsement “Redacted”.

## **EXHIBIT A – TOPICS FOR EXAMINATION**

Pursuant to Federal Rule of Civil Procedure 30(b)(6), Limetree Bay Services, LLC, Limetree Bay Refining Holdings, LLC, Limetree Bay Refining Holdings II, LLC, Limetree Bay Refining, LLC, Limetree Bay Refining Operating, LLC, and Limetree Bay Refining Marketing, LLC (collectively referred to as “Debtors” or “Limetree”) must designate one or more of its officers, directors, managing agents, or other persons to testify on its behalf at deposition about all information known or reasonably available to the Company on the matters set forth below.

1. The auction conducted in the bankruptcy case jointly administered at number 21-32351, including the bid process and all related documents.
2. The negotiations and communications with St. Croix, including all related documents (including but not limited to the Asset Purchase Agreement, schedules and exhibits to the Asset Purchase Agreement, the Transfer Services Agreement, and the Refinery Operating Agreement).
3. The communications and interactions with the U.S. Environmental Protection Agency (EPA) and any of its representatives regarding the St. Croix bid and the St. Croix plans for restarting or dismantling the Debtors’ refinery.
4. The communications and interactions with Limetree Bay Terminals and its affiliates and any representatives or agents regarding the St. Croix bid and the St. Croix plans for restarting or dismantling the Debtors’ refinery.
5. The communications and interactions with any other creditor of the Debtors and any of its representatives regarding the St. Croix bid and the St. Croix plans for restarting or dismantling the Debtors’ refinery.
6. The communications and interactions with the Government of the U.S. Virgin Islands and any of its representatives regarding the St. Croix bid and the St. Croix plans for restarting or dismantling the Debtors’ refinery.
7. The due diligence conducted by the Debtors into St. Croix’s background, financial capabilities, and ability to procure regulatory and other government approvals, to procure additional financing as needed, and to otherwise restart and operate the refinery.
8. The due diligence conducted by the Debtors into the financial resources and wherewithal of St. Croix to close (i) the transactions set forth in its bid; (ii) to procure approvals as necessary to restart the refinery; and (iii) to otherwise procure financing as necessary after closing this transaction to restart and operate the refinery.
9. The due diligence conducted by the Debtors of St. Croix’s management and owners.
10. All analyses of the bids received by the Debtors which are the subject of the sale hearing.

11. The process, materials, analyses and considerations provided to the decision maker(s) of the Debtors in selecting the St. Croix bid as the preferred and winning bid.

**EXHIBIT B - DOCUMENTS TO BE PRODUCED –**

1. Any and all communications with St. Croix.
2. Any and all communications with the U.S. Environmental Protection Agency (EPA) regarding St. Croix's plan to restart the refinery.
3. Any and all communications with Limetree Bay Terminals, LLC and its affiliates and any representatives or agents thereof regarding the St. Croix bid including, but not limited to the shared services agreement.
4. Any and all communications with the Government of the U.S. Virgin Islands and any representatives or agents thereof regarding the St. Croix bid including, but not limited to the refinery operating agreement.
5. Any and all communications with any advisor (financial, legal, or otherwise) for St. Croix.
6. Any and all documents including but not limited to drafts and redlines of the proposed asset purchase agreement, any transition services agreement, any refinery operating agreement, any schedules or exhibits to the foregoing documents, or any other agreement regarding the St. Croix bid.
7. The transcript of the auction.
8. The resolutions, minutes, board presentations, and other documents generated regarding any review or approval of bids for the Debtors' assets as set for approval at the sale hearing.
9. Documents including analyses or proposals relating to any St. Croix future liquidation or dismantlement of the refinery at any time.
10. The schedules and exhibits to the St. Croix asset purchase agreement.
11. The current version of the transition services agreement.

**CERTIFICATE OF SERVICE**

I HEREBY CERTIFY that on December 1, 2021, a true and correct copy of the foregoing was filed with the Court using the CM/ECF System, which will provide notice of such filing to all parties requesting such notice.

11.	Email dated 11-10-21 from F. Cottrell to P. Hughes et al RE: additional categories, we are courting specialized groups interested in these and not designating a stalker on this					
12.	Email dated 11-14-21 from J. Esmont to F. Cottrell, P. Hughes, J. Rose, E. Green, Mark Shapiro and M. Delaney RE: Attaching draft APA comments from Debtors					
13.	Audio recording of hearing held on 11-15-21 [Filed at Docket No. 772]					
14.	Email dated 11-17-21 from B. Salehi to M. Shapiro and F. Cottrell RE: Updated Bay Limited Bid Transmittal Letter, Revised APA, etc. referencing attachments to respond to 11/14/21 comments					
15.	Transcript of Auction held on 11-18-21 [Debtors have not yet provided despite request on 11/30/21]					
16.	Press Release from St. Croix Energy dated 11-18-21 – “St. Croix Energy, LLLP Wins Auction of Limetree Bay Refining Assets”					
17.	<i>The Terminal Entities' Statement and Reservation of Rights Concerning Proposed Sale</i> (Filed By the Terminal Entities, as defined therein) at Docket 822					
18.	Intentionally Omitted See Exhibit 32					

Ex. No.	Description	Mkd.	Off.	Obj.	Adm.	Date
19.	Presentation [including drafts and emails regarding contents and recommendations] to the Debtors' Board regarding the bids [Debtors have not yet provided despite request on 12/1/21]					
20.	Debtors Board minutes and resolution regarding the sale and approvals to SCE [Debtors have not yet provided despite request on 12/1/21]					
21.	Email dated mid day 11-30-21 from P. Hughes to J. Rose and E. Green RE: Concerns over delays and lack of information on post auction deadlines, the status of bids and lack of detailed information					
22.	<i>Notice of (I) Designation of Winning Bid and Back-Up Bids and (II) Sixth Notice of Extension of Milestones and Bid Procedures Deadlines</i> filed in the evening on 11-30-21 with St. Croix APA but lacking (i) schedules to APA and (ii) required Transition Services Agreement for bid to be effective [Docket No. 829]					
23.	St. Croix APA schedules to APA [Debtors have not yet provided despite request on 12/1/21]					
24.	St. Croix's required Transition Services Agreement [Debtors have not yet provided despite request on 12/1/21]					
25.	The due diligence documents conducted by or provided to the Debtors into the financial resources and wherewithal of St. Croix to close (i) the transactions set forth in its bid; (ii) to procure approvals as necessary to restart the refinery; and (iii) to otherwise procure financing as necessary after closing this transaction to restart and operate the refinery. [Debtors have not yet provided despite request on 12/1/21]					
26.	The due diligence conducted by or provided to the Debtors into St. Croix's background, financial capabilities, and ability to procure regulatory and other government approvals, to procure additional financing as needed, and to otherwise restart and operate the refinery. [Debtors have not yet provided despite request on 12/1/21]					

Ex. No.	Description	Mkd.	Off.	Obj.	Adm.	Date
27.	Any and all communications with the U.S. Environmental Protection Agency (EPA) regarding St. Croix's plan to restart the refinery [Debtors have not yet provided despite request on 12/1/21]					
28.	Documents including analyses or proposals relating to any St. Croix future liquidation or dismantlement of the refinery at any time. [Debtors have not yet provided despite request on 12/1/21]					
29.	<i>Notice of Emergency Sale Hearing on December 7, 2021 at 4:00 p.m. Central Time</i> filed on 11-30-21 [Docket No. 830]					
30.	Email dated 11-3-21 from B. Salehi to M. Shapiro and F. Cottrell RE: Supplemental Info per RFP and Schedule 1.2(i)					
31.	Limetree Bay Refinery Actual and Projected Results of Operations and Cash Flows [BDR document indicates confidential]					
32.	Shared Services Systems Agreement by and between Limetree Bay Terminals, LLC and Limetree Bay Refining, LLC, and acknowledged by, Limetree Bay Refining Marketing, LLC dated as of November 30, 2018 [BDR document indicates confidential]					
33.	Any exhibit designated by any other party					
34.	Any pleading or other document filed with the Court on the docket of the above-captioned chapter 11 cases					
35.	Any exhibit necessary to rebut the evidence or testimony of any witness offered or designated by any other party					

Bay reserves the right to ask the Court to take judicial notice of pleadings and transcripts and/or documents filed in or in connection with the Debtors' bankruptcy cases, to offer rebuttal exhibits, and to supplement or amend this Witness and Exhibit List at any time prior to the Sale Hearing. Designation of any exhibit above does not waive any objections Bay may have to any exhibit listed on any other party's exhibit list.

Dated: December 3, 2021

Respectfully submitted,

## **TABLE OF APPENDICES**

- Appendix A** List of Heaters and Boilers Greater Than 40 mmBTU Per Hour, Generating Turbines and Compressor Engines
- Appendix B** Predictive Emissions Monitoring System Requirements
- Appendix C** NSPS Subparts J or Ja Compliance Schedule for Listed Fuel Gas Combustion Devices (Other than Flaring Devices)
- Appendix D** List of Flaring Devices Subject to NSPS Subparts J/Ja
- Appendix E** HOVENSA'S LDAR and BWON Training Program Summary
- Appendix F** Method 21 Monitoring Locations for API Separators 1, 2 and 3
- Appendix G** Valve Preventative Leak Maintenance Procedure Workflow Diagram
- Appendix H** Additional Coker Project Injunctive Relief
- Appendix I** Map of HOVENSA L.L.C.

WHEREAS, Plaintiff, the United States of America ("Plaintiff" or "United States"), by the authority of the Attorney General of the United States and through its undersigned counsel, acting at the request and on behalf of the United States Environmental Protection Agency ("EPA"), has simultaneously filed a Complaint against and lodged this Consent Decree against Defendant, HOVENSA L.L.C. ("HOVENSA"), for alleged environmental violations at the HOVENSA petroleum refinery in St. Croix, U.S. Virgin Islands ("Refinery");

WHEREAS, the United States alleges that HOVENSA has violated and/or continues to violate the following statutory and regulatory provisions of the Clean Air Act:

1) Prevention of Significant Deterioration ("PSD") requirements found at Part C of Subchapter I of the Clean Air Act ("CAA" or the "Act"), 42 U.S.C. § 7475, and the regulations promulgated thereunder at 40 C.F.R. § 52.21 (the "PSD Rules");

2) New Source Performance Standards ("NSPS") found at 40 C.F.R. Part 60, Subparts A and J promulgated pursuant to Section 111 of the Act, 42 U.S.C. § 7411 ("Refinery NSPS Regulations"), for sulfur recovery plants, fuel gas combustion devices, and fluid catalytic cracking unit catalyst regenerators;

3) Leak Detection and Repair ("LDAR") requirements promulgated pursuant to Sections 111 and 112 of the Act, 42 U.S.C. §§ 7411 and 7412, and found at 40 C.F.R. Part 60 Subparts VV and GGG, 40 C.F.R. Part 61, Subparts J and V; and 40 C.F.R. Part 63, Subparts F, H, and CC ("LDAR Regulations");

4) National Emission Standards for Hazardous Air Pollutants ("NESHAP") for Benzene Waste Operations promulgated pursuant to Section 112(e) of the Act, 42 U.S.C. § 7412(e), and found at 40 C.F.R. Part 61, Subpart FF ("Benzene Waste NESHAP Regulations");

WHEREAS, the United States also specifically alleges that, upon information and belief, HOVENSA has been and/or continues to be in violation of other territorial rules, regulations, and permits adopted or issued by the United States Virgin Islands to the extent that such rules, regulations, and permits implement, adopt, or incorporate the above-described federal requirements;

WHEREAS, the United States Virgin Islands ("Virgin Islands"), has sought to intervene in this matter alleging violations of its applicable State Implementation Plan ("SIP") provisions and/or other territorial rules, regulations, and permits incorporating and implementing the foregoing federal requirements;

WHEREAS, HOVENSA denies that it has violated and/or continues to violate the foregoing statutory and regulatory requirements, SIP provisions, and other territorial rules, regulations, and permits incorporating and implementing the foregoing federal requirements, and maintains that it has been and remains in compliance with all applicable statutes, regulations, and permits and is not liable for civil penalties and injunctive relief as alleged in the Complaint;

WHEREAS, the United States is engaged in a nationwide federal strategy for achieving cooperative agreements with U.S. petroleum refineries to achieve across-the-board reductions in emissions ("Global Settlement Strategy");

WHEREAS, HOVENSA consents to the simultaneous filing of the Complaint and lodging of this Consent Decree, despite its denial of the allegations in the Complaint, to accomplish its objective of cooperatively reconciling the goals of the United States, the Virgin Islands and HOVENSA under the Clean Air Act and the corollary territorial statute, and therefore agrees to undertake the installation of air pollution control equipment and

enhancements to its air pollution management practices to reduce air emissions by participating in the Global Settlement Strategy;

WHEREAS, by entering into this Consent Decree, HOVENSA is committed to proactively resolving environmental concerns relating to its operations;

WHEREAS, the United States and the Virgin Islands anticipate that the affirmative relief and environmental projects identified in Part V (Affirmative Relief/Environmental Projects) will reduce annual emissions from HOVENSA's Refinery by the following amounts: 1) nitrogen oxides by approximately 5,031 tons per year; and 2) sulfur dioxide by approximately 3,460 tons per year.

WHEREAS, with respect to the provisions of Section V.K (Control of Acid Gas Flaring Incidents and Tail Gas Incidents), EPA maintains that "[i]t is the intent of the proposed standard [40 C.F.R. § 60.104] that hydrogen-sulfide-rich gases exiting the amine regenerator [or sour water stripper gases] be directed to an appropriate recovery facility, such as a Claus sulfur plant," see Background Information for Proposed New Source Performance Standards: Asphalt Concrete Plants, Petroleum Refineries, Storage Vessels, Secondary Lead Smelters and Refineries, Brass or Bronze Ingot Production Plants, Iron and Steel Plants, Sewage Treatment Plants, Vol. 1, Main Text at 28;

WHEREAS, EPA further maintains that the failure to direct hydrogen sulfide-rich gases to an appropriate recovery facility – and instead to flare such gases under circumstances that are not sudden or infrequent or that are reasonably preventable – circumvents the purposes and intentions of the standards at 40 C.F.R. Part 60, Subpart J;

WHEREAS, EPA recognizes that "Malfunctions," as defined in Paragraph 10 and 40 C.F.R. § 60.2, of the "Sulfur Recovery Plants" or of "Upstream Process Units" may result in

flaring of "Acid Gas" or "Sour Water Stripper Gas" on occasion, as those terms are defined herein, and that such flaring does not violate 40 C.F.R. § 60.11(d) or NSPS Subpart J or Ja if the owner or operator, to the extent practicable, maintains and operates such units in a manner consistent with good air pollution control practice for minimizing emissions during these periods;

WHEREAS, EPA recognizes that the HOVENSA Refinery is located on an island in the Caribbean Sea which precludes the Refinery's access to natural gas and consequently its ability to limit burning fuel oil in Refinery heaters and boilers;

WHEREAS, as of the Date of Lodging, the Virgin Islands Territory is in attainment for all primary and secondary ambient air quality standards (40 C.F.R. § 81.356);

WHEREAS, Section 325 of the Clean Air Act provides that under certain circumstances an exemption for some requirements of the Act may be provided due to "unique geographical, meteorological, or economic factors of such [Virgin Islands] territory";

WHEREAS, discussions between the Parties have resulted in the settlement embodied in this Consent Decree;

WHEREAS, HOVENSA has waived any applicable federal, territorial or local requirements of statutory notice of the alleged violations;

WHEREAS, by signing this Consent Decree, HOVENSA has waived the right of service of process, and the United States agrees that HOVENSA need not answer the Complaint;

WHEREAS, EPA sought and HOVENSA provided a substantial amount of information concerning Refinery operations and configuration;

WHEREAS, the Parties engaged in numerous meetings over the past six (6) years to resolve this matter;

WHEREAS, the Parties acknowledge the following: (1) shortly before executing the Consent Decree, EPA adopted more stringent National Ambient Air Quality Standards (NAAQS) for NO<sub>2</sub> (75 Fed. Reg. 6474 (Feb. 9, 2010)), SO<sub>2</sub> (75 Fed. Reg. 35520 (June 22, 2010)), and issued a memorandum regarding demonstrating compliance with PM-2.5 NAAQS (March 23, 2010, "Modeling Procedures for Demonstrating Compliance with PM-2.5 NAAQS"); (2) the more stringent NO<sub>2</sub> and SO<sub>2</sub> NAAQS and PM-2.5 memorandum may affect HOVENSA's ability to timely obtain permits necessary to meet the compliance schedules set in Paragraphs 23 – 28, 34, 35, 135 (as to Boiler 5), and 136; and (3) the Parties do not intend to require the construction of any project required as a result of the NO<sub>2</sub> or SO<sub>2</sub> NAAQS or PM-2.5 memorandum to occur concurrently with the construction of projects required by Paragraphs 23 – 28, 34, 35, 135 (as to Boiler 5), and 136.

WHEREAS, notwithstanding the foregoing reservations, the Parties agree that:

(i) settlement of the matters set forth in the Complaint is in the best interests of the Parties and the public; and (ii) entry of this Consent Decree without litigation is the most appropriate means of resolving this matter; and

WHEREAS, the Parties recognize, and the Court by entering this Consent Decree finds, that this Consent Decree has been negotiated at arms' length and in good faith and that this Consent Decree is fair, reasonable, and in the public interest;

WHEREAS, the Virgin Islands Department of Planning and Natural Resources ("VIDPNR") recognizes that, after the Date of Lodging of this Consent Decree, HOVENSA may seek to apply for a revised Permit to Operate (or Title V permit amendment) for the Coker to change, modify or delete certain provisions, in accordance with and as provided by applicable permitting regulations providing for such revisions;

WHEREAS, the Parties agree that nothing in this Consent Decree requires the aggregation of projects undertaken to implement the requirements of this Consent Decree for purposes of NSR/PSD permitting, and that such determinations shall be made in accordance with applicable EPA policy;

NOW THEREFORE, with respect to the matters set forth in the Complaint and in Part XVII (Effect of Settlement), and before the taking of any testimony, without adjudication of any issue of fact or law, and upon the consent and agreement of the Parties to this Consent Decree, it is hereby ORDERED, ADJUDGED, and DECREED as follows:

**I. JURISDICTION AND VENUE**

1. This Court has jurisdiction over the subject matter of this action and over the Parties pursuant to 28 U.S.C. §§ 1331, 1345, and 1355. In addition, this Court has jurisdiction over the subject matter of this action pursuant to Sections 113(b) and 167 of the CAA, 42 U.S.C. §§ 7413(b) and 7477. The United States' Complaint states a claim upon which relief may be granted for injunctive relief and civil penalties against HOVENSA under the Clean Air Act. Authority to bring this suit is vested in the United States Department of Justice by 28 U.S.C. §§ 516 and 519 and Section 305 of the CAA, 42 U.S.C. § 7605.

2. Venue is proper in the District of the Virgin Islands pursuant to Section 113(b) of the CAA, 42 U.S.C. § 7413(b), and 28 U.S.C. §§ 1391(b) and (c) and 1395(a). HOVENSA consents to the personal jurisdiction of this Court, waives any objections to venue in this District, and does not object to the Virgin Islands' participation in this action.

3. Notice of the commencement of this action has been given to the Virgin Islands in accordance with Section 113(a)(1) of the Clean Air Act, 42 U.S.C. § 7413(a)(1), and as required by Section 113(b) of the CAA, 42 U.S.C. § 7413(b).

## **II. APPLICABILITY AND BINDING EFFECT**

4. The provisions of this Consent Decree shall apply to the Refinery, and shall be binding upon the United States, the United States Virgin Islands, HOVENSA and its agents, successors, and assigns.

5. HOVENSA agrees not to contest the validity of this Consent Decree in any subsequent proceeding to implement or enforce its terms. HOVENSA further agrees that, in any action to enforce this Consent Decree, it shall not raise as a defense the failure by any of its officers, directors, employees, agents, or contractors to take any actions necessary to comply with the provisions of this Consent Decree.

6. Effective from the Date of Entry of this Consent Decree until termination pursuant to Part XIX (Termination), HOVENSA agrees that the Refinery is covered by this Consent Decree. Effective from the Date of Entry, HOVENSA shall give written notice of this Consent Decree to any successors in interest to the Refinery prior to the transfer of ownership or operation of any portion of the Refinery and shall provide a copy of this Consent Decree to any successor in interest. HOVENSA shall notify the United States and the Virgin Islands, in accordance with the notice provisions set forth in Paragraph 225 ("Notice"), of any successor in interest at least thirty (30) Days prior to any such transfer.

7. HOVENSA shall condition any transfer, in whole or in part, of ownership of, operation of, or other interest (exclusive of any non-controlling, non-operational shareholder or membership interest) in the Refinery upon the execution by the transferee of a modification to this Consent Decree, which makes the terms and conditions of this Consent Decree applicable to the transferee. By no earlier than thirty (30) Days after such notice, HOVENSA may file a motion to modify this Consent Decree with the Court to make the terms and conditions of this

Consent Decree applicable to the transferee. HOVENSA shall be released from the obligations and liabilities of this Consent Decree unless the United States or the Virgin Islands opposes the motion and the Court finds that the transferee does not have the financial and technical ability to assume the obligations and liabilities under this Consent Decree.

8. Except as provided in Paragraph 7, HOVENSA shall be solely responsible for ensuring that performance of the work contemplated under this Consent Decree is undertaken in accordance with the deadlines and requirements contained in this Consent Decree and any appendices hereto. HOVENSA shall provide a copy of the applicable provisions of this Consent Decree to each consulting or contracting firm that is retained to perform work required under this Consent Decree upon execution of any contract relating to such work. Copies of the relevant portions of this Consent Decree do not need to be supplied to firms who are retained solely to supply materials or equipment to satisfy the requirements of this Consent Decree.

### **III. OBJECTIVES**

9. It is the purpose of the Parties to this Consent Decree to further the objectives of the Clean Air Act.

### **IV. DEFINITIONS**

10. Unless otherwise defined herein, terms used in this Consent Decree shall have the meaning given to those terms in the Clean Air Act and the implementing regulations promulgated thereunder. The following terms used in this Consent Decree shall be defined, solely for purposes of this Consent Decree and the reports and documents submitted pursuant thereto, as follows:

A. "365-day rolling average" shall mean the average daily emission rate during the preceding 365 Operating Days.

B. "7-day rolling average" shall mean the average daily emission rate during the preceding seven (7) Operating Days.

C. "Acid Gas" shall mean any gas that contains hydrogen sulfide and is generated at a refinery by the regeneration of an amine scrubber solution but does not include Tail Gas.

D. "Acid Gas Flaring" or "AG Flaring" shall mean the combustion of an Acid Gas and/or Sour Water Stripper Gas in an AG Flaring Device.

E. "Acid Gas Flaring Device" or "AG Flaring Device" shall mean any device that is used for the purpose of combusting Acid Gas and/or Sour Water Stripper Gas, except facilities in which gases are combusted to produce sulfur or sulfuric acid. The AG Flaring Devices currently in service are identified in Appendix D ("List of Flaring Devices Subject to NSPS Subparts J/Ja"). To the extent that, during the duration of the Consent Decree, the Refinery utilizes AG Flaring Devices other than those specified in Appendix D ("List of Flaring Devices Subject to NSPS Subparts J/Ja") for the purpose of combusting Acid Gas and/or Sour Water Stripper Gas, those AG Flaring Devices shall be covered under this Consent Decree.

F. "Acid Gas Flaring Incident" or "AG Flaring Incident" shall mean an incident that results in the continuous or intermittent combustion of Acid Gas and/or Sour Water Stripper Gas in one or more AG Flaring Devices that results in the emission of sulfur dioxide equal to, or in excess of, 500 pounds in any 24-hour period; provided, however, that if 500 pounds or more of sulfur dioxide has been emitted in a 24-hour period and flaring continues into subsequent, contiguous, non-overlapping 24-hour period(s), each period of which results in emissions equal to, or in excess of, 500 pounds of sulfur dioxide, then only one AG Flaring Incident shall have occurred. Subsequent, contiguous, non-overlapping periods are measured from the initial commencement of flaring within the AG Flaring Incident. When AG Flaring occurs within a

24-hour period at more than one AG Flaring Device the quantity of sulfur dioxide attributable to AG Flaring emitted from each AG Flaring Device shall be added together for purposes of determining whether there is one AG Flaring Incident unless the root causes of the flaring at the various AG Flaring Devices are not related to each other.

G. "Calendar Quarter" shall mean the three month period ending on March 31st, June 30th, September 30th, and December 31st.

H. "CEMS" shall mean continuous emissions monitoring system.

I. "CO" shall mean carbon monoxide.

J. "Coker" shall mean the delayed coker unit commissioned on or about August 2002.

K. "Coker Steam Vents" shall mean the valves and associated pipe located on the coke drums that are used to vent exhaust gases from the coke drum to the atmosphere following water quench. This shall not include emergency pressure relief safety valves.

L. "Compressor Engines" shall mean the fuel-fired reciprocating engines that are coupled to the Nos. 2 and 4 desulfurizer unit compressors.

M. "COMS" shall mean continuous opacity monitoring system.

N. "Consent Decree" or "Decree" shall mean this Consent Decree, including any and all appendices attached to this Consent Decree.

O. "Current Generation Ultra-Low NO<sub>x</sub> Burners" or "Current Generation ULNBs" shall mean those burners that are designed to achieve a NO<sub>x</sub> emission rate of less than or equal to 0.040 lb NO<sub>x</sub>/mmBTU (HHV) when firing natural gas at 3% stack oxygen at full design load without air preheat, even if upon installation actual emissions exceed 0.040 lb NO<sub>x</sub>/mmBTU (HHV).

P. "Date of Entry" shall mean the date on which this Consent Decree is approved and signed by a District Court Judge for the District of the Virgin Islands.

Q. "Date of Lodging" shall mean the date this Consent Decree is lodged with the District Court of the Virgin Islands.

R. "Day" or "Days" shall mean a calendar day or days unless expressly stated to be a Working Day or Working Days. In computing any period of time under this Consent Decree (except for the calculation of rolling averages), where the last day would fall on a Saturday, Sunday, or federal or Virgin Islands territorial holiday, the period shall run until the close of business of the next Working Day.

S. "EPA" shall mean the United States Environmental Protection Agency and any successor departments or agencies of the United States.

T. "FCCU" shall include the riser, reactor, regenerator, air blower, spent catalyst stripper, catalyst recovery equipment, regenerator equipment for controlling air pollutant emissions, flue gas cooler, and the fractionator, its overhead condenser and associated wet gas compressor.

U. "FCCU and Coker Drain Systems" means the individual drain systems (as defined in 40 CFR §60.691) and ancillary equipment which manage oily wastewater generated in the process units in the FCCU complex and the Coker.

V. "FCCU Catalyst Regenerator" shall mean a fluid catalytic cracking unit catalyst regenerator, as defined in 40 C.F.R. § 60.101.

W. "FCCU Turboexpander Vents" shall mean the vents used during maintenance after the turboexpander has been completely bypassed to safely depressurize the ductwork and turboexpander.

- X. "Flaring Device" shall mean an AG and/or a HC Flaring Device.
- Y. "Fuel Oil" shall mean any liquid fossil fuel with sulfur content of greater than 0.05% by weight.
- Z. "Generating Turbine" shall mean any gas or liquid fuel-fired combustion turbine of any size that is used to generate electricity or steam through the use of a heat recovery steam generator.
- AA. "HOVENSA" shall mean HOVENSA L.L.C. and its respective successors and assigns.
- BB. "Hydrocarbon Flaring" or "HC Flaring" shall mean the combustion of refinery-generated gases, except for Acid Gas, Sour Water Stripper Gas, and/or Tail Gas, in a Hydrocarbon Flaring Device.
- CC. "Hydrocarbon Flaring Device" or "HC Flaring Device" shall mean a flare used to safely control (through combustion) any excess volume of a refinery-generated gas other than Acid Gas and/or Sour Water Stripper Gas and/or Tail Gas. The HC Flaring Devices currently in service are identified in Appendix D ("List of Flaring Devices Subject to NSPS Subparts J/Ja"). To the extent that, during the duration of the Consent Decree, the Refinery utilizes HC Flaring Devices other than those specified in Appendix D ("List of Flaring Devices Subject to NSPS Subparts J/Ja") for the purposes of combusting any excess volume of a refinery-generated gas other than Acid Gas and/or Sour Water Stripper Gas and/or Tail Gas, those HC Flaring Devices shall be covered under this Consent Decree.
- DD. "Hydrocarbon Flaring Incident" or "HC Flaring Incident" shall mean an incident that results in the continuous or intermittent Hydrocarbon Flaring, except for Acid Gas, Sour Water Stripper Gas, or Tail Gas, at a Hydrocarbon Flaring Device that results in the emission of

sulfur dioxide equal to or greater than five-hundred (500) pounds in any 24-hour period; provided, however, that if 500 pounds or more of sulfur dioxide has been emitted in any 24-hour period and flaring continues into subsequent, contiguous, non-overlapping 24-hour period(s), each period of which results in emissions equal to, or in excess of, 500 pounds of sulfur dioxide, then only one HC Flaring Incident shall have occurred. Subsequent, contiguous, non-overlapping periods are measured from the initial commencement of flaring within the HC Flaring Incident. When HC Flaring occurs within a 24-hour period at more than one HC Flaring Device the quantity of sulfur dioxide attributable to HC Flaring emitted from each HC Flaring Device shall be added together for purposes of determining whether there is one HC Flaring Incident unless the root causes of the flaring at the various HC Flaring Devices are not related to each other.

EE. "Malfunction" shall mean, as specified in 40 C.F.R. § 60.2, "any sudden, infrequent, and not reasonably preventable failure of air pollution control equipment, process equipment, or a process to operate in a normal or usual manner. Failures that are caused in part by poor maintenance or careless operation are not malfunctions."

FF. "Next Generation Ultra-Low NO<sub>x</sub> Burners" or "Next Generation ULNBs" shall mean those burners that are designed to achieve a NO<sub>x</sub> emission rate of less than or equal to 0.020 lb NO<sub>x</sub>/mmBTU (HHV) when firing natural gas at 3% stack oxygen at full design load without air preheat, even if upon installation actual emissions exceed 0.020 lb NO<sub>x</sub>/mmBTU (HHV).

GG. "NO<sub>x</sub>" shall mean nitrogen oxides.

HH. "Operating Day" shall mean a Day on which a minimum of 18 hours of valid emissions data are obtained.

II. "Paragraph" shall mean a portion of this Consent Decree identified by an Arabic numeral.

JJ. "Part" shall mean a portion of this Consent Decree identified by a Roman numeral.

KK. "PEMS" shall mean predictive emissions monitoring systems developed in accordance with Appendix B ("Predictive Emissions Monitoring System Requirements") to this Consent Decree.

LL. "PM" shall mean particulate matter as measured by 40 C.F.R. Part 60, Appendix A, Method 5B or 5F (front half only).

MM. "Parties" shall mean the United States, the United States Virgin Islands, and HOVENSA L.L.C.

NN. "Refinery" shall mean the petroleum refining facility that is owned and operated by HOVENSA L.L.C. in St. Croix, U.S. Virgin Islands. The boundaries of the Refinery are shown in Appendix I ("Map of HOVENSA L.L.C."). The Refinery does not include Oxbow St. Croix L.L.C, VVNA Process Solutions/Texas L.L.C., Charlie's/Diamond Ready Mix, Inc., Spencer Ocean Services, or Linde Gas Puerto Rico, Inc., which are located within the Refinery's boundaries but are not part of the Refinery's operations as of the Date of Lodging.

OO. "Root Cause" shall mean the primary cause(s) of an AG Flaring Incident(s), Hydrocarbon Flaring Incident(s), or a Tail Gas Incident(s) as determined through a process of investigation.

PP. "Section" shall mean a portion of this Consent Decree identified by a capital letter.

QQ. "Shutdown" as specified in 40 C.F.R. § 60.2, shall mean the cessation of operation of equipment for any purpose.

RR. "Sour Water Stripper Gas" or "SWS Gas" shall mean the gas produced by the process of stripping refinery sour water.

SS. "SO<sub>2</sub>" shall mean sulfur dioxide.

TT. "Startup" as specified in 40 C.F.R. § 60.2 shall mean the setting in operation of equipment for any purpose.

UU. "Sulfur Recovery Plant" or "SRP" shall mean a process unit that recovers sulfur from hydrogen sulfide by a vapor phase catalytic reaction of sulfur dioxide and hydrogen sulfide.

VV. "Tail Gas" ("TG") shall mean exhaust from the Claus trains and/or the Tail Gas Unit.

WW. "Tail Gas Unit" or "TGU" shall mean a control system using a technology for reducing emissions of sulfur compounds from a Sulfur Recovery Plant.

XX. "Tail Gas Incident" shall mean combustion of Tail Gas that either:

a. Is combusted in a thermal incinerator and results in excess emissions of 500 pounds or more of SO<sub>2</sub> in any 24-hour period. Only those time periods with emissions that are in excess of an SO<sub>2</sub> concentration of 250 ppm (rolling twelve-hour average) shall be used to determine the amount of excess SO<sub>2</sub> emissions from the incinerator; or

b. Is emitted from the Tail Gas Unit and results in excess emissions of total reduced sulfur ("TRS") that are equivalent to 500 pounds or more of SO<sub>2</sub> emissions in any 24-hour period. Only those time periods with emissions that are in excess of a TRS concentration of 300 ppm (rolling twelve-hour average) shall be used to determine the equivalent amount of excess SO<sub>2</sub> emissions.

HOVENSA shall use good engineering judgment and/or other monitoring data during periods in which the SO<sub>2</sub> continuous emission analyzer has exceeded the range of the instrument or is out of service.

YY. "Upstream Process Units" shall mean all amine contactors, amine scrubbers, and sour water strippers, as well as all process units that produce gaseous or aqueous waste streams that are processed at amine contactors, amine scrubbers, or sour water strippers.

ZZ. "VIDPNR" shall mean the Department of Planning and Natural Resources of the United States Virgin Islands.

AAA. "Wet Injection" shall mean the injection of water or steam into the combustion section of a Generating Turbine for the purposes of NO<sub>x</sub> control.

BBB. "Working Day" or "Working Days" shall mean any calendar day or days except Saturday, Sunday, federal holidays, or Virgin Islands territorial holidays.

**V. AFFIRMATIVE RELIEF/ENVIRONMENTAL PROJECTS**

**A. Control of NO<sub>x</sub> Emissions from the FCCU.**

Summary: HOVENSA shall implement a program as set forth herein with a goal to reduce NO<sub>x</sub> emissions from the FCCU. HOVENSA shall incorporate lower NO<sub>x</sub> emission limits into permit applications and will demonstrate future compliance with the lower emission limits through the use of CEMS.

11. FCCU NO<sub>x</sub> Emission Limits. By no later than the Date of Entry, HOVENSA shall limit NO<sub>x</sub> emissions from the FCCU to 20 ppmvd or less on a 365-day rolling average and 40 ppmvd or less on a 7-day rolling average, each at 0% O<sub>2</sub>. NO<sub>x</sub> emissions during periods of Startup, Shutdown or Malfunction of the FCCU shall not be used in determining compliance

with the 7-day rolling average NO<sub>x</sub> emission limit, provided that during such periods HOVENSA implements good air pollution control practices to minimize NO<sub>x</sub> emissions.

12. Demonstrating Compliance with FCCU NO<sub>x</sub> Emission Limits. By no later than the Date of Lodging, HOVENSA shall continue to use NO<sub>x</sub> and O<sub>2</sub> CEMS to monitor performance of the FCCU and to report compliance with the terms and conditions of this Consent Decree. CEMS will be used to demonstrate compliance with the NO<sub>x</sub> emission limits established pursuant to Paragraph 11. HOVENSA shall make CEMS data available to EPA and VIDPNR upon request as soon as practicable. HOVENSA shall install, certify, calibrate, maintain, and operate all CEMS required by this Paragraph in accordance with the provisions of 40 C.F.R. § 60.13 that are applicable to CEMS (excluding those provisions applicable only to Continuous Opacity Monitoring Systems) and Part 60 Appendices A and F, and the applicable performance specification test of 40 C.F.R. Part 60 Appendix B. With respect to 40 C.F.R. Part 60, Appendix F, in lieu of the requirements of 40 C.F.R. Part 60, Appendix F §§ 5.1.1, 5.1.3 and 5.1.4, HOVENSA must conduct either a Relative Accuracy Audit (“RAA”) or a Relative Accuracy Test Audit (“RATA”) on each CEMS at least once every three (3) years. HOVENSA must also conduct Cylinder Gas Audits (“CGA”) each calendar quarter during which a RAA or a RATA is not performed.

**B. Control of SO<sub>2</sub> Emissions from the FCCU.**

Summary: HOVENSA shall limit SO<sub>2</sub> emissions from the FCCU, as required herein. HOVENSA has incorporated the SO<sub>2</sub> emission limits into permits and will continue to demonstrate compliance with the emission limits through the use of CEMS.

13. FCCU SO<sub>2</sub> Emission Limits. By no later than the Date of Entry, HOVENSA shall limit SO<sub>2</sub> emissions from the FCCU to 16 ppmvd or less on a 365-day rolling average and 25 ppmvd or less on a 7-day rolling average, each at 0% O<sub>2</sub>.

14. Demonstrating Compliance with FCCU SO<sub>2</sub> Emission Limits. By no later than the Date of Entry, HOVENSA shall use an SO<sub>2</sub> (and O<sub>2</sub>) CEMS to monitor the performance of the FCCU and to report compliance with the terms and conditions of this Consent Decree. HOVENSA shall make CEMS data available to EPA and VIDPNR upon request, as soon as practicable. SO<sub>2</sub> emissions during periods of Malfunction of the Wet Gas Scrubber ("WGS") shall not be used in determining compliance with the 7-day rolling average SO<sub>2</sub> emission limit established pursuant to Paragraph 13, provided that during such periods HOVENSA implements good air pollution control practices to minimize SO<sub>2</sub> emissions. HOVENSA shall install, certify, calibrate, maintain, and operate all CEMS required by this Paragraph in accordance with the provisions of 40 C.F.R. § 60.13 that are applicable to CEMS (excluding those provisions applicable only to Continuous Opacity Monitoring Systems) and Part 60 Appendices A and F, and the applicable performance specification test of 40 C.F.R. Part 60 Appendix B. With respect to 40 C.F.R. Part 60, Appendix F, in lieu of the requirements of 40 C.F.R. Part 60, Appendix F §§ 5.1.1, 5.1.3 and 5.1.4, HOVENSA must conduct either a Relative Accuracy Audit ("RAA") or a Relative Accuracy Test Audit ("RATA") on each CEMS at least once every three (3) years. HOVENSA must also conduct Cylinder Gas Audits ("CGA") each calendar quarter during which a RAA or a RATA is not performed.

C. Control of PM Emissions from the FCCU.

Summary: HOVENSA shall continue to control and limit particulate matter ("PM") emissions from the Refinery FCCU.

15. FCCU PM Emission Limits. By no later than the Date of Entry, HOVENSA shall limit PM emissions from the FCCU to 0.5 pounds PM or less per 1,000 pounds of coke burned based on the average of three (3) 1-hour stack tests.

16. PM Testing for FCCU. HOVENSA shall follow the stack test methodology specified in 40 C.F.R. § 60.106(b)(2) to measure PM emissions from the FCCU. HOVENSA shall propose and submit a stack test protocol to EPA and VIDPNR, for approval by EPA, not later than three (3) months after the Date of Entry. HOVENSA shall conduct the first stack test no later than twelve (12) months after the Date of Entry. HOVENSA shall conduct annual stack tests at the FCCU. Upon demonstrating through at least three (3) annual tests that the PM limits are not being exceeded, HOVENSA may request EPA approval to conduct tests less frequently than annually.

17. PM emissions during periods of Malfunction of the FCCU's WGS shall not be used in determining compliance with the emission limit of 0.5 pounds of PM per 1,000 pounds of coke burned, provided that during such periods HOVENSA implements good air pollution control practices to minimize PM emissions.

**D. Control of CO Emissions from the FCCU.**

Summary: HOVENSA shall continue to operate the FCCU in a manner that minimizes CO emissions while complying with the NO<sub>x</sub> limits as required herein.

18. FCCU CO Emissions Limit. By no later than the Date of Entry, HOVENSA shall limit CO emissions from the FCCU to 500 ppmvd or less on a 1-hour block average basis corrected to 0% O<sub>2</sub>.

19. At any time during the term of this Consent Decree, HOVENSA may accept a CO emissions limit of 100 ppmvd or less on a 365-day rolling average basis corrected to 0% O<sub>2</sub>.

20. CO emissions during periods of Startup, Shutdown, or Malfunction of the FCCU shall not be used in determining compliance with the 1-hour 500 ppmvd emissions limit, provided that during such periods HOVENSA implements good air pollution control practices to minimize CO emissions.

21. Demonstrating Compliance with FCCU CO Emission Limits. By no later than the Date of Entry, HOVENSA shall continue to use a CO CEMS to monitor the performance of the FCCU and to report compliance with the terms and conditions of this Consent Decree. HOVENSA shall make CEMS and process data available to EPA and VIDPNR upon request, as soon as practicable. HOVENSA shall install, certify, calibrate, maintain, and operate all CEMS required by this Paragraph in accordance with the provisions of 40 C.F.R. § 60.13 that are applicable to CEMs (excluding those provisions applicable only to Continuous Opacity Monitoring Systems) and Part 60 Appendices A and F, and the applicable performance specification test of 40 C.F.R. Part 60 Appendix B. With respect to 40 C.F.R. Part 60, Appendix F, in lieu of the requirements of 40 C.F.R. Part 60, Appendix F §§ 5.1.1, 5.1.3 and 5.1.4, HOVENSA must conduct either a RAA or a RATA on each CEMS at least once every three (3) years. HOVENSA must also conduct Cylinder Gas Audits ("CGA") each calendar quarter during which a RAA or a RATA is not performed.

**E. NSPS Subparts A and J Applicability to the FCCU Catalyst Regenerator.**

22. The HOVENSA FCCU Catalyst Regenerator shall continue to be an "affected facility," as that term is used in 40 C.F.R. Part 60, Subparts A and J, and therefore shall be subject to and continue to comply with, the requirements of 40 C.F.R. Part 60, Subparts A and J, for SO<sub>2</sub>, PM (and opacity), and CO. HOVENSA shall comply with the monitoring requirements of NSPS Subparts A and J for opacity by submitting, by no later than sixty (60) Days following

the first stack test required by Paragraph 16, an Alternate Monitoring Plan (AMP) for EPA approval. Compliance at the FCCU Catalyst Regenerator with the provisions of NSPS Subpart Ja shall constitute compliance with the requirements of NSPS Subpart J as provided in 40 C.F.R. §60.100 (e) for the purposes of this Section and Paragraph 219.

a. If prior to the termination of this Consent Decree, the FCCU becomes subject to NSPS Subpart Ja for a particular pollutant due to a modification, the affected facility shall be subject to and comply with NSPS Subpart Ja in lieu of NSPS, Subpart J for that regulated pollutant to which a standard applies as a result of the modification.

b. If prior to the termination of this Consent Decree, the FCCU becomes subject to NSPS Subpart Ja due to a reconstruction, the affected facility shall be subject to and comply with NSPS Subpart Ja for all pollutants in lieu of Subpart J.

**F. NO<sub>x</sub> Emission Reductions from Heaters, Boilers, Generating Turbines, and Compressor Engines.**

Summary: As required herein, HOVENSA shall implement a program to reduce NO<sub>x</sub> emissions from Refinery heaters and boilers with a heat input of greater than 40 mmBTU/hr, Generating Turbines and Compressor Engines. NO<sub>x</sub> emission reductions will be accomplished through the designated installation of NO<sub>x</sub> controls and the acceptance of permit emission limits on the units controlled to meet the requirements of Paragraph 24 or the shutdown of certain units and the relinquishment of their permits. HOVENSA will monitor compliance with the emission limits through source testing, use of CEMS, and/or the use of a PEMS. CEMS required under this Section shall be operated and data recorded pursuant to applicable law.

23. Installation of NO<sub>x</sub> Control Technology. HOVENSA shall select one or any combination of the following "Qualifying Controls" to satisfy the requirements of Paragraphs 24, 26, 27, and 28:

- a. Current or Next Generation Ultra-Low NO<sub>x</sub> Burners;
- b. Selective Catalytic Reduction (SCR) or Selective non-Catalytic Reduction (SNCR);
- c. Wet injection applied to Generating Turbines to achieve 96 ppmvd @ 15% O<sub>2</sub> when firing vacuum gas oil (VGO) and 42 ppmvd @ 15% O<sub>2</sub> when firing any other fuels;
- d. Other technologies which HOVENSA demonstrates to EPA's satisfaction should reduce NO<sub>x</sub> emissions to 0.040 lb per million BTU or less when firing refinery fuel gas in heaters and boilers, to 0.150 lb per million BTU when firing Fuel Oil in heaters and boilers; and
- e. Permanent unit shutdown and relinquishment of permit.

24. HOVENSA shall use Qualifying Controls to reduce NO<sub>x</sub> emissions from the heaters and boilers greater than 40 mmBTU per hour, Generating Turbines, and Compressor Engines listed in Appendix A ("List of Heaters and Boilers Greater Than 40 mmBTU Per Hour, Generating Turbines and Compressor Engines"), by the amounts and deadlines required in Paragraphs 26, 27 and 28 expressed as tons per year, and as determined by the total of the summations below:

$$\sum_{i=1}^n [(E_{actual})_i - (E_{allowable})_i]$$

Where:

for gas only fired combustion units

(E<sub>allowable</sub>)<sub>i</sub> = [(The permitted allowable pounds of NO<sub>x</sub> per million BTU for combustion unit i, or the requested portion of the permitted reduction pursuant to Paragraph 131.e)/(2000 pounds per ton)] x [(the lower of permitted or maximum heat input rate capacity in million BTU per hour for combustion unit i) x (the lower of 8760 or permitted hours per year)];

*Handwritten signature*

for oil capable combustion units

$$(E_{allowable})_i = [(PAF1)x(AAHIF1) + (PAF2)x(PMAAHI - AAHIF1)]x(8760/2000)$$

- PAF1 = permitted allowable lb NO<sub>x</sub>/mmBTU for higher emitting fuel #1 (e. g. VGO)
- AAHIF1 = permitted annual average allowable heat input mmBTU/hr fuel #1 (e.g., VGO)
- PAF2 = permitted allowable lb/mmBTU for lower emitting fuel #2 (e. g., refinery fuel gas and No. 2 oil)
- PMAAHI = permitted maximum annual average allowable heat input mmBTU/hr for all fuels or reduced value if annual utilization is limited by permit
- (E<sub>actual</sub>)<sub>i</sub> = The average tons of NO<sub>x</sub> per year prior actual emissions during calendar years 2004 and 2005 (unless prior actuals exceed allowable emissions, then use allowable) as shown in Appendix A ("List of Heaters and Boilers Greater Than 40 mmBTU Per Hour, Generating Turbines and Compressor Engines") for controlled heater or boiler i; and
- n* = The number of combustion units with Qualifying Controls at the Refinery from those listed in Appendix A ("List of Heaters and Boilers Greater Than 40 mmBTU Per Hour, Generating Turbines and Compressor Engines") that are selected by HOVENSA to satisfy the requirements of the equation set forth in this Paragraph.

Permit limits established to implement this Paragraph may use a 365-day rolling average for heaters, boilers, and Generating Turbines that use a CEMS or PEMS to monitor compliance. Otherwise, permit limits established to implement this Paragraph shall be based on the averaging periods set forth in the applicable reference test method.

25. Appendix A ("List of Heaters and Boilers Greater Than 40 mmBTU Per Hour, Generating Turbines and Compressor Engines") provides the following information for each of the heaters and boilers with a maximum heat input capacity greater than 40 mmBTU per hour, all Generating Turbines and Compressor Engines:

- a. The maximum heat input capacity and, if less, the permitted allowable heat input capacity, in mmBTU/hr (HHV);

*Handwritten signature*

- b. The actual NO<sub>x</sub> emission rate for both calendar years 2004 and 2005 in lb/mmBTU (HHV) and tons per year; and
- c. The type of data used to derive the emission estimate (i.e., emission factor, stack test, or CEMS data) and the averaging period for the emissions data.

26. By four (4) years from Date of Entry, HOVENSA shall install sufficient Qualifying Controls and have applied for emission limits from the appropriate permitting authority sufficient to achieve 1,079 tpy NO<sub>x</sub> emissions reductions as determined by the summation in Paragraph 24. By four (4) years and three (3) months from Date of Entry, HOVENSA shall provide EPA with a report showing how it satisfied the requirement of this Paragraph and Paragraph 23. For purposes of this Consent Decree, "applied for" shall mean that HOVENSA has submitted a complete and timely application for the appropriate permit, permit modification, and/or other enforceable permit vehicle.

27. By five (5) years from Date of Entry, HOVENSA shall install sufficient Qualifying Controls and have applied for emission limits from the appropriate permitting authority sufficient to achieve 3,663 tpy NO<sub>x</sub> emission reductions as determined by the summation in Paragraph 24. By five (5) years and three (3) months from Date of Entry, HOVENSA shall provide EPA with a report showing how it satisfied the requirement of this Paragraph and Paragraph 23.

28. By eight (8) years from Date of Entry, HOVENSA shall install sufficient Qualifying Controls and have applied for emission limits from the appropriate permitting authority sufficient to achieve 4,744 tpy NO<sub>x</sub> emission reductions as determined by the summation in Paragraph 24. By eight (8) years and three (3) months from Date of Entry,

HOVENSA shall provide EPA with a report showing how it satisfied the requirement of this Paragraph and Paragraph 23.

29. HOVENSA shall submit a detailed NO<sub>x</sub> Control Plan ("Control Plan") to EPA for review and comment, and to VIDPNR, by no later than four (4) months after Date of Entry, with annual updates every twelve (12) months thereafter until HOVENSA has complied with the requirements of Paragraph 28. The Control Plan and its updates shall describe the achieved and anticipated progress of the NO<sub>x</sub> emission reductions program for heaters, boilers, Generating Turbines, and Compressor Engines and shall contain the following for each heater and boiler greater than 40 mmBTU/hr, all Generating Turbines, and Compressor Engines that HOVENSA plans to use to satisfy the requirements of Paragraphs 26, 27 or 28:

- a. All of the information in Appendix A ("List of Heaters and Boilers Greater Than 40 mmBTU Per Hour, Generating Turbines and Compressor Engines");
- b. Identification of the type of Qualifying Controls installed or planned with the date installed or planned;
- c. To the extent limits exist or are planned, the allowable NO<sub>x</sub> emission rates (in lbs/mmBTU (HHV), with averaging period) and allowable heat input rate (in mmBTU/hr (HHV)) obtained or planned with dates obtained or planned;
- d. The results of emissions tests conducted pursuant to Paragraph 30 and annual average CEMS or PEMS data (in ppmvd at 3% O<sub>2</sub>, lbs/mmBTU), and tons per year; and
- e. The amount in tons per year applied or to be applied toward satisfying Paragraphs 24, 26, 27, and 28.

Appendix A ("List of Heaters and Boilers Greater Than 40 mmBTU Per Hour, Generating Turbines and Compressor Engines") and the Control Plan and updates required by

this Paragraph shall be for informational purposes only and may contain estimates. They shall not be used to develop permit requirements or other operating restrictions. HOVENSA may change any projections, plans, or information included in the Control Plan or updates.

30. Beginning no later than 180 Days after installing Qualifying Controls on and commencing operation of a heater, boiler, or Generating Turbine that will be used to satisfy the requirements of Paragraphs 24, 26, 27, and 28, HOVENSA shall monitor the heaters, boilers or Generating Turbines as follows:

- a. For heaters, boilers, and Generating Turbines with a maximum heat input capacity of 150 mmBTU/hr (HHV) or greater, install or continue to operate a NO<sub>x</sub> CEMS;
- b. For heaters and boilers with a maximum heat input capacity of less than 150 mmBTU/hr (HHV), but greater than or equal to 100 mmBTU/hr (HHV), or Generating Turbines, install or continue to operate a NO<sub>x</sub> CEMS, or monitor NO<sub>x</sub> emissions with a PEMS developed and operated pursuant to the requirements of Appendix B ("Predictive Emissions Monitoring System Requirements");
- c. For heaters and boilers with a maximum heat input capacity of less than 100 mmBTU/hr (HHV), but greater than or equal to 40 mmBTU/hr (HHV), conduct an initial performance test and any periodic tests that may be required by EPA or VIDPNR under other applicable regulatory authority. The results of the initial performance testing shall be reported to EPA and VIDPNR.

HOVENSA shall use Method 7E, an EPA-approved, or a VIDPNR-approved alternate test method to conduct initial performance testing for NO<sub>x</sub> emissions required by this Subparagraph. Monitoring with a PEMS that is required by this Paragraph shall be conducted in accordance with the requirements of Appendix B ("Predictive Emissions Monitoring System

Requirements”). Units with Qualifying Controls installed before Date of Entry that are subject to this Paragraph shall comply with this Paragraph by three (3) years from Date of Entry.

31. Beginning no later than 180 Days after installing Qualifying Controls and commencing operation of a heater, boiler or Generating Turbine that will be monitored by use of a NO<sub>x</sub> CEMS that is required by Paragraph 30, HOVENSA shall install, certify, calibrate, maintain, and operate all CEMS in accordance with the provisions of 40 C.F.R. § 60.13 that are applicable to CEMS (excluding those provisions applicable only to COMS) and Part 60 Appendices A and F, and the applicable performance specification test of 40 C.F.R. Part 60 Appendix B. With respect to 40 C.F.R. Part 60, Appendix F, in lieu of the requirements of 40 C.F.R. Part 60, Appendix F §§ 5.1.1, 5.1.3 and 5.1.4, HOVENSA must conduct either a RAA or a RATA on each CEMS at least once every three (3) years. HOVENSA must also conduct Cylinder Gas Audits (“CGA”) each calendar quarter during which a RAA or a RATA is not performed. Nothing in this Paragraph shall affect any more stringent territorial or local monitoring requirements.

32. The requirements of this Section do not exempt HOVENSA from complying with any and all Federal or territorial requirements that may require technology, equipment, monitoring, or other upgrades based on actions or activities occurring after the Date of Lodging, or based on new or modified regulatory, statutory, or permit requirements.

33. HOVENSA shall retain all records required to support the reporting requirements under this Section until termination of the Consent Decree. HOVENSA shall submit such records to EPA or VIDPNR upon request.

**G. SO<sub>2</sub> Emissions Reductions from, and NSPS Applicability to, Heaters, Boilers and Generating Turbines.**

Summary: HOVENSA shall undertake measures to reduce SO<sub>2</sub> emissions from Refinery heaters, boilers and Generating Turbines by restricting H<sub>2</sub>S in refinery fuel gas that is combusted as specifically limited under the provisions set forth herein.

34. NSPS Applicability to Heaters, Boilers, and Other Fuel Gas Combustion Devices (Other than Flaring Devices). All heaters, boilers, and all other fuel gas combustion devices (other than Flaring Devices) shall be affected facilities, as that term is used in 40 C.F.R. Part 60, Subparts A and J (or Ja if Subparagraph a or b of this paragraph applies for a particular affected facility), and shall be subject to and comply with the applicable requirements of NSPS Subparts A and J (or Ja if Subparagraph a or b of this paragraph applies for a particular affected facility), for fuel gas combustion devices by the Date of Lodging, except for those heaters, boilers, and other fuel gas combustion devices listed in Appendix C ("NSPS Subpart J or Ja Compliance Schedule for Listed Fuel Gas Combustion Devices (Other than Flaring Devices)"), which shall comply with the dates specified in Appendix C. Compliance of a fuel gas combustion device with the provisions of NSPS Subpart Ja for SO<sub>2</sub> emissions shall constitute compliance with the requirements of NSPS Subpart J as provided in 40 C.F.R. §60.100(e) for the purposes of this Section.

a. If prior to the termination of this Consent Decree, any heater, boiler or other fuel gas combustion device (other than a Flaring Device) becomes subject to NSPS Subpart Ja for a particular pollutant due to a modification, the affected facility shall be subject to and comply with NSPS Subpart Ja in lieu of NSPS, Subpart J for that regulated pollutant to which a standard applies as a result of the modification.

b. If prior to the termination of this Consent Decree, any heater, boiler or other fuel gas combustion device (other than a Flaring Device) becomes subject to NSPS Subpart Ja due to a reconstruction, the affected facility shall be subject to and comply with NSPS Subpart Ja for all pollutants in lieu of Subpart J.

35. By no later than the date compliance is required pursuant to Paragraph 34, HOVENSA shall comply with the H<sub>2</sub>S/SO<sub>2</sub> monitoring requirements of NSPS Subparts A and J or Ja, as applicable. HOVENSA shall make monitoring data available to EPA and VIDPNR upon request as soon as practicable. HOVENSA shall install, certify, calibrate, maintain and operate all CEMS required by this Paragraph in accordance with the provisions of 40 C.F.R. § 60.13 that are applicable to CEMS (excluding those provisions applicable only to continuous opacity monitoring systems) and Part 60, Appendices A and F, and the applicable performance specification test of 40 C.F.R. Part 60, Appendix B.

36. Compliance with Consent Decree Constitutes Compliance with Certain NSPS Subpart A Requirements. For each fuel gas combustion device that becomes an “affected facility,” as that term is used in 40 C.F.R. Part 60, Subparts A and J or Ja, as applicable, pursuant to this Section, entry of this Consent Decree and compliance with the relevant monitoring requirements of this Consent Decree for such fuel gas combustion device will satisfy the notice requirements of 40 C.F.R. § 60.7(a) and the initial performance test requirement of 40 C.F.R. § 60.8(a).

H. Sulfur in Fuel Restrictions for Oil Burning.

Summary: HOVENSA shall reduce SO<sub>2</sub> emissions by reducing the sulfur content of Fuel Oil combusted pursuant to the provisions set forth herein.

37. Effective thirty (30) Days after the Date of Lodging, HOVENSA shall not burn Fuel Oil greater than 0.55 wt % sulfur at any time or 0.50 wt% on a 365-day rolling average basis in any heater, boiler, or Generating Turbine.

38. HOVENSA shall switch the fuel supply for any units combusting Fuel Oil to a Fuel Oil with not greater than 0.3 wt % sulfur within one hour of when one of the following conditions occurs:

a. The hourly average winds blow from a 180° sector, defined as 90° to 270°, inclusive, where zero degrees is due North, for at least six (6) consecutive hours during a 24-hour block period, or any 12 non-consecutive hours during a 24-hour block period. Wind direction will be monitored by a meteorological tower located on HOVENSA property, and will be collected and reported as 1-hour averages, starting on the hour. If the average wind direction for a given hour is from within the 180° sector, the wind will be deemed to have flowed from within the designated sector for that hour. A 24-hour block period is defined as beginning at midnight and ending on the following midnight.

b. HOVENSA's meteorological station is inoperable for six consecutive hours.

39. HOVENSA may switch back to the higher sulfur content Fuel Oil (a Fuel Oil with a sulfur content of less than or equal to 0.55 wt%) in accordance with the following conditions:

a. The winds blow outside of the 180° sector, defined as 90° to 270°, for at least three (3) consecutive hours, following the period which the winds were blowing inside the 180° sector; or

b. When the meteorological station becomes operable, and three (3) consecutive hours of wind conditions outside the 90° to 270° sector have occurred.

40. On a daily basis, HOVENSA shall monitor the sulfur content of all Fuel Oil burned pursuant to Paragraph 39 in accordance with ASTM D2622, D4294, or D5453, as follows:

a. Fuel Oil Supplied from Single Storage Tank:

i. If the Fuel Oil burned is supplied from a single storage tank for an entire day or part thereof, then HOVENSA shall test the contents of the storage tank once per day by a sample taken at three (3) levels in the storage tank (i.e., the bottom, middle, and top) which is then composited (Composite Sample).

ii. If the same storage tank is used for more than one day and no Fuel Oil is added to the storage tank, then HOVENSA may use the storage tank sample result from the previous day to demonstrate the sulfur content of the storage tank.

b. Fuel Oil Supplied from Multiple Storage Tanks: If the Fuel Oil burned for one or more consecutive days is supplied from more than one storage tank, then HOVENSA shall sample each storage tank separately once per day by a Composite Sample taken at three (3) levels in the storage tank (i.e., the bottom, middle, and top).

c. In the event that Fuel Oil is added to any storage tank, HOVENSA shall sample the storage tank by a Composite Sample taken at three (3) levels in the storage tank (i.e., the bottom, middle, and top) before the storage tank is placed into service.

HOVENSA shall record the quantity and sulfur content of all Fuel Oil burned pursuant to Paragraph 39, and shall include this data with the periodic (semi-annual) progress reporting in accordance with Part X (Reporting and Recordkeeping).

**I. Sulfur Recovery Plants:** The SRPs are or will be affected facilities under NSPS Subparts J or Ja, and are complying or will comply with all applicable requirements of 40 C.F.R. Part 60, Subparts A and J or Ja.

41. Description of Sulfur Recovery Plants. As of Date of Entry, HOVENSA owns and operates the following SRPs:

a. East Side Sulfur Recovery Plant: The East Side SRP consists of two Claus Trains, #3 SRU and #4 SRU. A single Beavon Stretford Tail Gas Unit ("Beavon #2") serves as the control device for both Claus Trains. During maintenance, Startup, Shutdown, and Malfunction of Beavon #2, TG is combusted in an incinerator (H-4745).

b. West Side Sulfur Recovery Plant: The West Side SRP consists of two Claus Trains, #1 SRU and #2 SRU. A single Beavon Stretford Tail Gas Unit ("Beavon #1") serves as the control device for both Claus Trains. During Startup, Shutdown, and Malfunction of Beavon #1, TG from SRUs #1 and #2 is combusted in separate dedicated incinerators (H-1032 and H-1042).

42. NSPS Applicability for SRPs. Effective on April 1, 2015, the East Side SRP shall be an "affected facility" as that term is used in 40 C.F.R. Part 60, Subparts A and Ja and shall become subject to the requirements of Subpart Ja. The West Side SRP is currently an "affected facility" as that term is used in 40 C.F.R. Part 60, Subparts A and J and is already subject to the requirements of Subpart J and shall be subject to Subpart Ja by no later than December 31, 2011.

43. Sulfur Pit Emissions: HOVENSA shall route or re-route all sulfur pit emissions so that they are eliminated or controlled, and included and monitored as part of the SRPs' emissions subject to the NSPS Subpart Ja limit for SO<sub>2</sub> or reduced sulfur compounds, 40 C.F.R.

§ 60.102a(f), by no later than December 31, 2014 at the East Side SRP and December 31, 2011 at the West Side SRP.

44. Compliance with NSPS at the West Side SRP.

a. As of the Date of Entry, the West Side SRP shall continue to comply with the applicable provisions of NSPS Subparts A and J except for SO<sub>2</sub> CEMS on the West Side incinerators, which shall be installed by December 31, 2010. As of December 31, 2011, the West Side SRP shall comply with NSPS Subpart Ja. The West Side SRP shall continue to comply with 40 C.F.R. § 60.104(a)(2) or 40 C.F.R. § 60.102a(f), as applicable, at all times except during periods of Startup, Shutdown, or Malfunction of the West Side SRP or during a Malfunction of the TGU. For purposes of determining compliance with the emission limits of 40 C.F.R. § 60.104(a)(2) or 40 C.F.R. § 60.102a(f), as applicable, the “start-up/shutdown” provisions set forth in NSPS Subpart A shall apply.

b. At all times, including periods of Startup, Shutdown, and Malfunction, HOVENSA shall, to the extent practicable, operate and maintain the West Side SRP and TGU and any supplemental control devices, in accordance with good air pollution control practices as required in 40 C.F.R. § 60.11(d).

c. HOVENSA shall monitor all non-fugitive emission points (stacks) to the atmosphere from the West Side SRP for Tail Gas emissions and shall monitor and report excess emissions, as required by 40 C.F.R. §§ 60.7(c), 60.13, and 60.105(a)(5, 6 or 7) or 60.106a, as applicable. HOVENSA shall conduct emission monitoring with CEMS at all such emission points. The requirement for continuous monitoring is not applicable to:

i. The Acid Gas Flaring Device(s) used to flare Acid Gas and/or Sour Water Stripper Gas diverted from the SRPs,

ii. The sulfur pit emissions prior to December 31, 2011.

45. Compliance with NSPS Emissions Limits at the East Side SRP.

a. By no later than December 31, 2014, HOVENSA shall install at the East Side SRP a second TGU to control the emissions of sulfur compounds from the East Side SRP. By no later than December 31, 2011, HOVENSA shall submit to EPA and VIDPNR a compliance plan and schedule for the completion of installation of the second East Side TGU. By April 1, 2015, HOVENSA shall demonstrate compliance with NSPS Subparts A and Ja SRP requirements at the East Side SRP.

b. HOVENSA shall also implement the following interim performance standards at the East Side SRP:

i. HOVENSA shall continue to maintain and operate a TRS/H<sub>2</sub>S CEMS for monitoring the emissions from Beavon #2 in accordance with 40 C.F.R. Part 63, Subpart UUU, Table 40 and shall comply during the interim period with the specific monitoring and reporting provisions established in Subparagraph 45.b.iii.

ii. By no later than 180 Days after Date of Entry, HOVENSA shall complete an optimization study the objective of which is to minimize emissions of sulfur compounds and to maximize sulfur recovery efficiencies at the East Side SRP and shall submit a copy of that study to EPA. This study shall meet all of the requirements set forth in Paragraph 46. HOVENSA shall implement the recommendations of the study that could reasonably optimize the performance of the East Side SRP in accordance with the schedule proposed by HOVENSA.

iii. By no later than twelve (12) months from Date of Entry, HOVENSA shall submit a report to EPA that proposes either a pounds of SO<sub>2</sub> per hour emission limit or a percent sulfur recovery standard as an interim performance standard when the TGU is being bypassed, appropriate monitoring and reporting requirements for the proposed interim performance standards and, if necessary, a schedule for implementing additional optimization study recommendations that would ensure that the East Side SRP complies with HOVENSA's proposed interim performance standard. Beginning with the date of such submission, HOVENSA shall comply with its proposed interim performance standard and, if necessary, implement its proposed schedule for additional optimization study recommendations.

iv. If EPA determines, based on the results of the study and other available and relevant information, that more stringent interim performance standards and/or a different implementation schedule is appropriate and can be achieved with a reasonable certainty of compliance, EPA shall so notify HOVENSA. Unless HOVENSA disputes EPA's determination(s) within ninety (90) Days of its receipt of that notice, it shall comply with such new standards within ninety (90) Days or, if necessary, such other period as may be established by EPA consistent with any implementation schedule for additional optimization study recommendations proposed by HOVENSA. HOVENSA shall continue to comply with the interim performance standard until such time as HOVENSA completes installation of the new TGU in accordance with the schedule under

Paragraph 45.a and operates the East Side SRP in compliance with NSPS

Subpart Ja.

v. During the period of time the interim performance standard in Subparagraph 45.b.iii or 45.b.iv are in effect, when Beavon #2 is not operating and Tail Gas is being vented to an incinerator, HOVENSA shall limit SO<sub>2</sub> emissions from the East Side SRP to a total of 30 tons per day. When Beavon #2 is not operating, Tail Gas shall not be vented to the East Side SRP incinerator for more than thirty (30) days (720 hours) per calendar year, with a maximum of 14 continuous days.

c. The interim performance standards established under this Paragraph terminate upon the date of Subpart Ja applicability for the East Side SRP.

46. Optimization:

a. The optimization study required for the East Side SRP Claus trains shall meet the following requirements:

i. Detailed evaluation of plant design and capacity, operating parameters and efficiencies – including catalytic activity and material balances;

ii. An analysis of the composition of the Acid Gas and Sour Water Stripper Gas resulting from the processing of crude slate actually used, or the composition for a crude slate expected to be used;

iii. A thorough review of each critical piece of process equipment and instrumentation within the Claus train that is designed to correct deficiencies or problems that prevent the Claus train from achieving its optimal sulfur recovery efficiency and expanded periods of operation;

- iv. Establishment of baseline data through testing and measurement of key parameters throughout the Claus train;
- v. Establishment of a thermodynamic process model of the Claus train;
- vi. For any key parameters that have been determined to be at less than optimal levels, initiation of logical, sequential, or stepwise changes designed to move such parameters toward their optimal values;
- vii. Verification through testing, analysis of continuous emission monitoring data or other means of incremental and cumulative improvements in sulfur recovery efficiency, if any;
- viii. Establishment of new operating procedures for long term efficient operation; and
- ix. The study shall be conducted to optimize the performance of the Claus trains in light of the actual characteristics of the feeds to the East Side SRP.

b. HOVENSA shall incorporate the results of its optimization study into the PMO Plan required under Paragraph 48.

47. For the East Side SRP, which becomes an affected facility under NSPS Subpart Ja pursuant to Section V.I, entry of this Consent Decree and compliance with the relevant monitoring requirements of this Consent Decree shall satisfy the notice requirements of 40 C.F.R. § 60.7(a) and the initial performance test requirement of 40 C.F.R. § 60.8(a).

48. Good Operation and Maintenance.

a. By no later than six (6) months after the Date of Entry, HOVENSA shall submit to EPA and VIDPNR, a summary of the Refinery's plan for enhanced maintenance and

*JK*  
*03/21/11*

operation of the East Side SRP and the West Side SRP, the sulfuric acid plant, any supplemental control devices, and the appropriate Upstream Process Units, that has been or will be implemented. This plan shall be termed a Preventative Maintenance Operation Plan ("PMO Plan"). The PMO Plan shall be a compilation of HOVENSA's approaches for exercising good air pollution control practices and for minimizing TRS and SO<sub>2</sub> emissions. The PMO Plan will identify actions to promote the continuous operation of its SRPs between scheduled maintenance turnarounds with minimization of emissions, including the continued use of supplemental control devices, if any. The PMO Plan shall include, but not be limited to, sulfur shedding procedures, Startup and Shutdown procedures, hot standby procedures, emergency procedures, and schedules to coordinate maintenance turnarounds of the SRP Claus trains and any supplemental control device, if any, to coincide to the extent practicable with scheduled turnarounds of major Upstream Process Units. The PMO Plan shall have as a goal the elimination of Acid Gas Flaring. HOVENSA shall comply with the PMO Plan at all times, including periods of Startup, Shutdown and Malfunction of its SRPs. HOVENSA's changes to a PMO Plan related to minimizing Acid Gas Flaring and/or SO<sub>2</sub> emissions shall be summarized and reported to EPA and VIDPNR on an annual basis. This report may be included in the appropriate semi-annual report required under Paragraph 71.

b. EPA and VIDPNR do not, by their review of a PMO Plan and/or by their failure to comment on a PMO Plan, warrant or aver in any manner that any of the actions that HOVENSA may take pursuant to such PMO Plan will result in compliance with the provisions of the Clean Air Act or any another applicable federal, territorial, or local law or regulation. Notwithstanding EPA's or VIDPNR's review of a PMO Plan, HOVENSA shall remain solely responsible for compliance with the Clean Air Act and such other laws and regulations.

**J. Flaring Devices – NSPS Applicability.**

Summary: All Flaring Devices are identified in Appendix D (“List of Flaring Devices Subject to NSPS Subparts J/Ja”). These Flaring Devices are or will be affected facilities (as that term is used in 40 C.F.R. Part 60, Subparts J/Ja) by the dates listed in Appendix D (“List of Flaring Devices Subject to NSPS Subparts J/Ja”). As required herein, such Flaring Devices shall be subject to and required to comply with the fuel gas combustion device requirements of 40 C.F.R. Part 60, Subparts A and J/Ja; they may also be used as emergency control devices for the quick and safe release of gases generated as a result of Startup, Shutdown, and/or Malfunction.

49. All Flaring Devices listed in Appendix D (“List of Flaring Devices Subject to NSPS Subparts J/Ja”) are affected facilities under NSPS Subparts J/Ja. By the dates listed in Appendix D, all Flaring Devices listed in Appendix D shall comply with the requirements of NSPS Subpart Ja that apply to flares that are constructed, modified, or reconstructed after the effective dates of May 14, 2007 and June 24, 2008.

50. For Flaring Devices 2, 3, 5, 6, 7 and the FCCU Low Pressure Flaring Device, HOVENSA will design, install, operate and maintain flare gas recovery system(s) to control all continuous and intermittent, routinely-generated refinery fuel gases (not including pilot, sweep, or molecular seal gases necessary to ensure safe operation of the Flaring Devices) that are combusted in the Flaring Device(s).

51. Monitoring. By no later than three (3) years from Date of Entry, HOVENSA shall comply with the applicable monitoring requirements of NSPS Subpart Ja for all Flaring Devices listed in Appendix D (“List of Flaring Devices Subject to NSPS Subparts J/Ja”).

52. Compliance Certification for Flaring Devices. For each Flaring Device, HOVENSA will submit to EPA a compliance certification by thirty (30) Days following the dates listed in Appendix D ("List of Flaring Devices Subject to NSPS Subparts J/Ja") that the Flaring Devices comply with the emission standards and monitoring requirements of Subparts J/Ja, and specify the compliance method for each Flaring Device.

53. Good Air Pollution Control Practices. On and after the Date of Entry, HOVENSA shall at all times and to the extent practicable, including during periods of Startup, Shutdown, and/or Malfunction, implement good air pollution control practices for minimizing emissions from the Flaring Devices identified in Appendix D ("List of Flaring Devices Subject to NSPS Subparts J/Ja ") consistent with 40 C.F.R. § 60.11(d).

54. Refinery Fuel Gases

a. Continuous or Intermittent, Routinely-Generated Refinery Fuel Gases.

For continuous or intermittent, routinely-generated refinery fuel gases that are combusted in any Flaring Device identified in Appendix D ("List of Flaring Devices Subject to NSPS Subparts J/Ja"), HOVENSA shall comply with 40 C.F.R. § 60.102a(g)(1) by the dates listed in Appendix D.

b. Non-Routinely Generated Gases. The combustion of gases generated as a result of Startup, Shutdown, and/or Malfunction of a refinery process unit or released to a Flaring Device as a result of process upset or relief valve leakage or other emergency malfunction are exempt from the requirement to comply with 40 C.F.R. § 60.102a(g)(1).

55. Compliance with Consent Decree Constitutes Compliance with Certain NSPS Subpart A Requirements. For Flaring Devices subject to NSPS Subparts J/Ja (identified in Appendix D ("List of Flaring Devices Subject to NSPS Subparts J/Ja")) entry of this Consent

Decree and compliance with the relevant monitoring requirements of this Consent Decree for Flaring Devices will satisfy the notice requirements of 40 C.F.R. §60.7(a) and the initial performance test requirement of 40 C.F.R. § 60.8(a).

56. Periodic Maintenance of Flare Gas Recovery Systems. The Parties recognize that periodic maintenance may be required for properly designed and operated flare gas recovery systems. To the extent that HOVENSA may operate flare gas recovery systems, HOVENSA will take all reasonable measures to minimize emissions while such periodic maintenance is being performed.

57. Safe Operation of Refining Processes. The Parties recognize that under certain conditions, a flare gas recovery system may need to be bypassed in the event of an emergency or in order to ensure safe operation of refinery processes. Nothing in this Consent Decree precludes HOVENSA from temporarily bypassing a flare gas recovery system under such circumstances, provided that the measures to ensure safe operation are fully documented in the semi-annual report required pursuant to Part X (Reporting and Recordkeeping).

**K. Control of Acid Gas Flaring Incidents and Tail Gas Incidents.**

Summary: HOVENSA agrees to implement a program as set forth herein to investigate the cause of future Acid Gas Flaring Incidents, to take reasonable steps to correct the conditions that have caused or contributed to such Acid Gas Flaring Incidents, and to minimize the flaring of Acid Gas and Sour Water Stripper Gases. HOVENSA shall follow the procedures in this Section to evaluate Acid Gas/Sour Water Stripper Gas Flaring Incidents and Tail Gas Incidents occurring after the Date of Entry and whether they are due to Malfunctions or whether they are subject to stipulated penalties. The investigative and evaluative procedures in this Section will be used to assess Tail Gas Incidents, as described in Paragraph 70, and whether they are due to

Malfunctions or whether they are subject to stipulated penalties. The procedures set forth in this Section require root cause analysis and corrective action for Acid Gas/Sour Water Stripper Gas Flaring Incidents and/or Tail Gas Incidents.

58. Flaring History and Corrective Measures. HOVENSA has conducted a look-back analysis of Acid Gas Flaring Incidents and Tail Gas Incidents that occurred from 2000 through 2005, and has submitted a report on such incidents to EPA. By Date of Entry, HOVENSA shall submit a corrective action report identifying such interim and/or long-term corrective actions, and schedule for implementation, to minimize the likelihood of a recurrence of the Root Cause of a flaring event identified in the look-back analysis.

59. Acid Gas Flaring and Tail Gas Incidents. After the Date of Entry, HOVENSA shall investigate the cause of Acid Gas Flaring Incidents and Tail Gas Incidents under Paragraph 60 and take corrective action as set forth in Paragraph 61. HOVENSA shall continue to follow the investigation and corrective action procedure after termination of the Consent Decree or such other investigation and corrective action procedure that complies with Subpart Ja or 40 C.F.R. §60.11(d), but the reporting and stipulated penalty provisions of this Section shall not apply after termination.

60. Investigation and Recordkeeping. No later than forty-five (45) Days following the end of an Acid Gas Flaring Incident occurring after the Date of Entry, HOVENSA shall conduct an investigation into the Root Cause(s) of the incident and record the findings of the investigations, in a report. The report for each incident shall include, at a minimum, the following:

- a. The date and time that the Acid Gas Flaring Incident started and ended.

To the extent that the Acid Gas Flaring Incident involved multiple releases either within a

twenty-four (24) hour period or within subsequent, contiguous, non-overlapping twenty-four (24) hour periods, HOVENSA shall set forth the starting and ending dates and times of each release;

b. An estimate of the quantity of SO<sub>2</sub> that was emitted and the calculations that were used to determine that quantity;

c. The steps, if any, that HOVENSA took to limit the duration and/or quantity of SO<sub>2</sub> emissions associated with the Acid Gas Flaring Incident;

d. A detailed analysis that sets forth the Root Cause and all significant contributing causes of that Acid Gas Flaring Incident, to the extent determinable;

e. An analysis of the measures, if any, that are available to reduce the likelihood of a recurrence of an Acid Gas Flaring Incident resulting from the same Root Cause or significant contributing causes in the future. The analysis shall discuss all reasonable alternatives, if any, that are available, the probable effectiveness and cost of the alternatives, and whether an outside consultant should be retained to assist in the analysis. Possible design, operation and maintenance changes shall be evaluated. If HOVENSA concludes that corrective action(s) is (are) required under Paragraph 61, then the report of the Acid Gas Flaring Incident in the semi-annual report required by Paragraph 71 shall include a description of the action(s) and, if not already completed, a schedule for its (their) implementation, including proposed commencement and completion dates. If HOVENSA concludes that corrective action is not required under Paragraph 61, the report shall explain the basis for that conclusion in that semi-annual report;

f. A statement that:

i. Specifically identifies each of the grounds for stipulated penalties in Paragraphs 63, 64, and 65 and describes whether the Acid Gas Flaring Incident

falls under any of those grounds, provided, however, that HOVENSA may choose to submit with the Root Cause analysis a payment of stipulated penalties in the nature of settlement without the need to specifically identify the grounds for the penalty. Such payment of stipulated penalties shall not constitute an admission of liability, nor shall it raise any presumption whatsoever about the nature, existence or strength of HOVENSA's potential defenses;

ii. If an Acid Gas Flaring Incident falls under Paragraph 65, describes which Subparagraph 65.a or 65.b applies and why; and

iii. If an Acid Gas Flaring Incident falls under either Paragraph 64 or 65.b, states whether or not HOVENSA asserts a defense to the Acid Gas Flaring Incident, and if so, a description of the defense;

g. To the extent that investigations of the causes and/or possible corrective actions still are underway on the due date of the report required by this Paragraph, a statement of the anticipated date by which a follow-up report fully conforming to the requirements of Subparagraphs 60.d and 60.e shall be completed; provided, however, if HOVENSA has not completed its report or a series of reports containing the information required under this Paragraph within the forty-five (45) Day time period (or such additional time as EPA may allow) after the due date for the initial report for the Acid Gas Flaring Incident, the stipulated penalty provisions of Section V.M shall apply, but HOVENSA shall retain the right to dispute, under the dispute resolution provisions of Part XVI (Retention of Jurisdiction/Dispute Resolution), any demand for stipulated penalties that was issued as a result of HOVENSA's failure to complete the report required under this Paragraph within the time frame set forth. Nothing in this Paragraph shall be deemed to excuse HOVENSA from its investigation, reporting, and corrective

action obligations under this Section for any Acid Gas Flaring Incident which occurs after an Acid Gas Flaring Incident for which HOVENSA has requested an extension of time under this Subparagraph; and

h. To the extent that completion of the implementation of corrective action(s), if any, is not finalized at the time of the completion of the report for the Acid Gas Flaring Incident required under this Paragraph, then, by no later than thirty (30) Days after completion of the implementation of corrective action(s), HOVENSA shall supplement the report to identify the corrective action(s) taken and the dates of commencement and completion of implementation.

61. Corrective Action.

a. In response to any Acid Gas Flaring Incident occurring after the Date of Entry, HOVENSA shall take, as expeditiously as practicable, such interim and/or long-term corrective actions, if any, as are consistent with good engineering practice to minimize the likelihood of a recurrence of the Root Cause and all significant contributing causes of that Acid Gas Flaring Incident.

b. EPA does not, by its agreement to the entry of this Consent Decree or by its failure to object to any corrective action that HOVENSA may take in the future, warrant or aver in any manner that any of HOVENSA's corrective actions in the future will result in compliance with the provisions of the Clean Air Act or its implementing regulations. Notwithstanding EPA's review of any plans, reports, corrective actions or procedures under this Section, HOVENSA shall remain solely responsible for non-compliance with the Clean Air Act and its implementing regulations. Nothing in this Paragraph shall be construed as a waiver of

EPA's rights under the Clean Air Act and its regulations for future violations of the Act or its regulations.

c. After a review of any report required by Paragraph 60 and submitted as required by Paragraph 71, EPA shall notify HOVENSA in writing of (1) any deficiencies in the corrective actions listed in the findings and/or (2) any objections to the schedules of implementation of the corrective actions and explain the basis for EPA's objections. HOVENSA will implement an alternative or revised corrective action or implementation schedule based on EPA's comments. If a corrective action that EPA has identified as deficient has already commenced or is already completed, then HOVENSA is not obligated to implement corrective action identified by EPA for that Acid Gas Flaring Incident provided that HOVENSA completes the corrective action that it has identified and commenced. For purposes of this Subparagraph, "commenced" means HOVENSA has (i) commenced actual physical construction on the corrective action, or (ii) completed the engineering design for the corrective action and has purchased or entered into a binding contractual obligation (with adverse consequences from its breach) to purchase equipment necessary to implement the corrective action. However, HOVENSA will be put on notice that such corrective action is deficient and not acceptable for remedying any subsequent, similar Root Cause(s) of any Acid Gas Flaring Incident. If EPA and HOVENSA cannot agree on the appropriate corrective action(s) or implementation schedule(s), if any, to be taken in response to a Root Cause, either party may invoke the Dispute Resolution provisions of Part XVI (Retention of Jurisdiction/Dispute Resolution).

d. Nothing in this Section shall be construed to limit the right of HOVENSA to take such corrective actions as it deems necessary and appropriate immediately following an

Acid Gas Flaring Incident or in the period during preparation and review of any reports required under this Paragraph.

62. Stipulated Penalties for Acid Gas Flaring Incidents. The provisions of Paragraphs 63 through 66 are to be used by EPA in assessing stipulated penalties for each Acid Gas Flaring Incident occurring after the Date of Entry and by the United States in demanding stipulated penalties under this Section. The provisions of Paragraphs 63 through 66 do not apply to Hydrocarbon Flaring Incidents.

63. The stipulated penalty provisions of this Paragraph through Paragraph 66 shall apply to each Acid Gas Flaring Incident for which the Root Cause was one or more of the following acts, omissions, or events:

a. Error resulting from careless operation by the personnel charged with the responsibility for a Sulfur Recovery Plant, TGU, or Upstream Process Unit;

b. Failure to follow written procedures; or

c. A failure of equipment that is due to a failure by HOVENSA to operate and maintain that equipment in a manner consistent with good engineering practice.

d. For Root Causes previously identified pursuant to Paragraph 58 that EPA agrees caused Malfunctions, unless the Acid Gas Flaring Incident had as its Root Cause the recurrence of a Root Cause for which HOVENSA had previously developed, or was in the process of developing, a corrective action plan and for which HOVENSA had not yet completed implementation.

64. If the Acid Gas Flaring Incident is not a result of one of the Root Causes identified in Paragraph 63, then the stipulated penalty provisions of Paragraph 73 shall apply if the Acid Gas Flaring Incident:

JWC  
03.11.1

- a. Results in emissions of SO<sub>2</sub> at a rate greater than twenty (20.0) pounds per hour continuously for three (3) consecutive hours or more and HOVENSA failed to act in accordance with its PMO Plan and/or to take any action during the Acid Gas Flaring Incident to limit the duration and/or quantity of SO<sub>2</sub> emissions associated with such incident; or
- b. Causes the total number of Acid Gas Flaring Incidents in a rolling twelve (12) month period to exceed five (5).

65. With respect to any Acid Gas Flaring Incident not falling under the provisions of either Paragraph 63 or 64, the following provisions shall apply:

- a. First Time: If the Root Cause of the Acid Gas Flaring Incident was not a recurrence of the same Root Cause that resulted in a previous Acid Gas Flaring Incident that occurred since the Date of Entry, then:
  - i. If the Root Cause of the Acid Gas Flaring Incident was sudden, infrequent, and not reasonably preventable through the exercise of good engineering practice, then that cause shall be designated as an agreed-upon Malfunction for purposes of reviewing subsequent Acid Gas Flaring Incidents and the stipulated penalty provisions of Paragraph 73 shall not apply.
  - ii. If the Root Cause of the Acid Gas Flaring Incident was sudden and infrequent, and was reasonably preventable through the exercise of good engineering practice, then HOVENSA shall implement corrective action(s) pursuant to Paragraph 61, and the stipulated penalty provisions of Paragraph 73 shall not apply.

b. Recurrence: If the Root Cause is a recurrence of the same Root Cause that resulted in a previous Acid Gas Flaring Incident that occurred since the Date of Entry, then HOVENSA shall be liable for stipulated penalties under Paragraph 73 unless:

- i. The AG Flaring Incident resulted from a Malfunction; or
- ii. The Root Cause previously was designated as an agreed-upon Malfunction under Subparagraph 65.a.i; or
- iii. The Acid Gas Flaring Incident had as its Root Cause the recurrence of a Root Cause for which HOVENSA had previously developed, or was in the process of developing, a corrective action plan and for which HOVENSA had not yet completed implementation.

66. Defenses. HOVENSA may raise the following affirmative defenses in response to a demand by the United States for stipulated penalties:

- a. *Force Majeure*
- b. Malfunction

67. In the event a dispute under Paragraphs 62 through 66 is brought to the Court pursuant to the dispute resolution provisions of Part XVI (Retention of Jurisdiction/Dispute Resolution), HOVENSA may also assert a Startup, Shutdown, and/or Malfunction defense (including for an individual SRP), but the United States shall be entitled to assert that such defenses are not available. If HOVENSA prevails in persuading the Court that the defenses of Startup, Shutdown, and/or Malfunction are available for Acid Gas Flaring Incidents under 40 C.F.R. § 60.104(a)(1), then HOVENSA shall not be liable for stipulated penalties for emissions resulting from such Startup, Shutdown, and/or Malfunction. If the United States

prevails in persuading the Court that the defenses of Startup, Shutdown, and/or Malfunction are not available or applicable, then HOVENSA shall be liable for such stipulated penalties.

68. Other than for a Malfunction or Force Majeure, if no Acid Gas Flaring Incident occurs for a rolling 36-month period, then the stipulated penalty provisions of Paragraph 73 shall no longer apply. EPA may elect to reinstate the stipulated penalty provision if the Refinery has an Acid Gas Flaring Incident which would otherwise be subject to stipulated penalties. EPA's decision shall not be subject to dispute resolution. Once reinstated, the stipulated penalty provision shall thereafter apply to future Acid Gas Flaring Incidents and continue for the remaining life of this Consent Decree.

69. Emission Calculations.

a. Calculation of the Quantity of SO<sub>2</sub> Emissions Resulting from Acid Gas Flaring. For purposes of this Consent Decree, the quantity of SO<sub>2</sub> emissions resulting from an AG Flaring Incident shall be calculated by the following formula:

$$\text{Tons of SO}_2 = [\text{FR}][\text{TD}][\text{ConcH}_2\text{S}][8.44 \times 10^5].$$

The quantity of SO<sub>2</sub> emitted shall be rounded to one decimal point. (Thus, for example, for a calculation that results in a number equal to 10.050 tons, the quantity of SO<sub>2</sub> emitted shall be rounded to 10.1 tons.) For purposes of determining the occurrence of, or the total quantity of SO<sub>2</sub> emissions resulting from, an Acid Gas Flaring Incident that is comprised of intermittent Acid Gas Flaring, the quantity of SO<sub>2</sub> emitted shall be equal to the sum of the quantities of SO<sub>2</sub> emitted during each 24-hour period starting when the Acid Gas was first flared.

b. Calculation of the Rate of SO<sub>2</sub> Emissions During Acid Gas Flaring. For purposes of this Consent Decree, the rate of SO<sub>2</sub> emissions resulting from an Acid Gas Flaring

Incident shall be expressed in terms of pounds per hour and shall be calculated by the following formula:

$$ER = [FR][ConcH_2S][0.169].$$

The emission rate shall be rounded to one decimal point. (Thus, for example, for a calculation that results in an emission rate of 19.95 pounds of SO<sub>2</sub> per hour, the emission rate shall be rounded to 20.0 pounds of SO<sub>2</sub> per hour; for a calculation that results in an emission rate of 20.05 pounds of SO<sub>2</sub> per hour, the emission rate shall be rounded to 20.1.)

c. Meaning of Variables and Derivation of Multipliers Used in the Equations in this Paragraph:

ER	=	Emission Rate in pounds of SO <sub>2</sub> per hour
FR	=	Average Flow Rate to AG Flaring Device(s) during AG Flaring Incident in standard cubic feet per hour
TD	=	Total Duration of AG Flaring Incident in hours
ConcH <sub>2</sub> S	=	Average Concentration of Hydrogen Sulfide in gas during AG Flaring Incident (or immediately prior to AG Flaring Incident if all gas is being flared) expressed as a volume fraction (scf H <sub>2</sub> S/scf gas)
$8.44 \times 10^{-5}$	=	$[\text{lb mole H}_2\text{S}/379 \text{ scf H}_2\text{S}][64 \text{ lbs SO}_2/\text{lb mole H}_2\text{S}][\text{Ton}/2000 \text{ lbs}]$
0.169	=	$[\text{lb mole H}_2\text{S}/379 \text{ scf H}_2\text{S}][1.0 \text{ lb mole SO}_2/1 \text{ lb mole H}_2\text{S}][64 \text{ lb SO}_2/1.0 \text{ lb mole SO}_2]$

The flow of gas to the Acid Gas Flaring Device(s) ("FR") shall be as measured by the relevant flow meter or reliable flow estimation parameters. Hydrogen sulfide concentration ("ConcH<sub>2</sub>S") shall be determined from the Sulfur Recovery Plant feed gas analyzer, from knowledge of the sulfur content of the process gas being flared, by direct measurement by Draeger type tube analysis, or by any other method approved by EPA or the VIDPNR. In the event that any of

these data points is unavailable or inaccurate, the missing data point(s) shall be estimated according to best engineering judgment. The report required to be prepared under this Paragraph shall include the data used in the calculation and an explanation of the basis for any estimates of missing data points.

70. Tail Gas Incidents.

a. Investigation, Reporting, Corrective Action, and Stipulated Penalties. For Tail Gas Incidents, HOVENSA shall follow the same investigative, reporting, corrective action, and assessment of stipulated penalty procedures as those set forth in Paragraphs 60 through 68 for Acid Gas Flaring Incidents. Those procedures shall be applied to TGU shutdowns, bypasses of a TGU, or other events which result in a Tail Gas Incident, including scheduled and unscheduled Shutdowns of a Claus Sulfur Recovery Plant. Until the date for installation of a second TGU for the East SRP, this Paragraph shall not apply to Tail Gas Incidents involving combustion of Tail Gas during periods of planned routine maintenance on Beavon #2, including Startup and Shutdown of Beavon #2 for such routine maintenance, provided that HOVENSA is complying with the Beavon # 2 interim performance standards established pursuant to Subparagraph 45.b.iii, 45.b.iv, or 45.b.v. HOVENSA shall continue to follow the Tail Gas Incident investigation and corrective action procedure after termination of the Consent Decree, but the reporting and stipulated penalty provisions of this Section shall not apply after termination.

b. Calculation of the Quantity of SO<sub>2</sub> Emissions Resulting from a Tail Gas Incident. For the purposes of this Consent Decree, the quantity of SO<sub>2</sub> emissions resulting from a Tail Gas Incident shall be calculated by one of the following methods, based on the type of event:

i. If Tail Gas is combusted in an SRP incinerator, the SO<sub>2</sub> emissions are calculated using the methods outlined in Paragraph 69;

or

ii. If Tail Gas exceeding the 250 ppmvd SO<sub>2</sub> is emitted from a monitored SRP incinerator, then the following formula applies:

$$ER_{TGI} = \frac{TD_{TGI}}{\sum_{i=1} [FR_{Inc.}]_i [Conc. SO_2 - 250]_i [0.169 \times 10^{-6}]_i [(20.9 - \% O_2)/20.9]_i}$$

Where:

$ER_{TGI}$	=	Emissions from Tail Gas at the SRP incinerator, SO <sub>2</sub> lb 24 hour period
$TD_{TGI}$	=	Total Duration (number of hours) when the incinerator CEMS exceeded 250 ppmvd SO <sub>2</sub> corrected to 0% O <sub>2</sub> on a rolling twelve hour average, in each 24 hour period of the Incident
$i$	=	Each hourly average
$FR_{Inc.}$	=	Incinerator Exhaust Gas Flow Rate (standard cubic feet per hour, dry basis) (actual stack monitor data or engineering estimate based on the acid gas feed rate to the SRP) for each hour of the Incident
Conc. SO <sub>2</sub>	=	Each actual 12 hour rolling average SO <sub>2</sub> concentration (CEMS data) that is greater than 250 ppm in the incinerator exhaust gas, ppmvd corrected to 0% O <sub>2</sub> , for each hour of the Incident.
% O <sub>2</sub>	=	O <sub>2</sub> concentration (CEMS data) in the incinerator exhaust gas in volume % on dry basis for each hour of the Incident
$0.169 \times 10^{-6}$	=	$\frac{[lb \text{ mole of } SO_2 / 379 SO_2] [64 lbs SO_2 / lb \text{ mole } SO_2]}{[1 \times 10^{-6}]}$

Standard conditions = 68 degree F; 14.7 lb<sub>force</sub>/sq.in. absolute

*Handwritten signature*  
03/2/11

In the event the concentration SO<sub>2</sub> data point is inaccurate or not available or a flow meter for FRInc does not exist or is inoperable, then estimates will be used based on best engineering judgment.

71. Semi-Annual Reporting. Within thirty (30) Days after the end of the first semi-annual period after the Date of Entry, and semi-annually on each subsequent January 31 and July 31 thereafter, HOVENSA shall submit a semi-annual report that includes copies of each and every report of all Acid Gas Flaring Incidents and Tail Gas Incidents, as required in Paragraph 60, that HOVENSA was required to prepare during the previous six-month period (e.g., July to December). Each semi-annual report shall also include a summary of the incidents including the following:

- a. Date;
- b. Summary of Root Cause(s);
- c. Duration;
- d. Amount of SO<sub>2</sub> released;
- e. Any associated penalties for each incident;
- f. Corrective Action completed; and
- g. A list of all Acid Gas Flaring Incidents and Tail Gas Incidents for which

corrective actions are still outstanding.

Such semi-annual report shall also include a summary analysis of any trends identified by HOVENSA in the number, Root Cause, types of corrective action, or other relevant information regarding Acid Gas and Tail Gas Incidents during the previous six-month period. HOVENSA shall submit the semi-annual Flaring Incident(s) reports as part of the semi-annual progress reports required pursuant to Part X (Reporting and Recordkeeping).

**L. Control of Hydrocarbon Flaring Incidents.**

72. For Hydrocarbon Flaring Incidents occurring after the Date of Entry, HOVENSA shall follow the same investigative, reporting, and corrective action procedures as those set forth in Paragraphs 60 and 61 for Acid Gas Flaring Incidents; provided however, that in lieu of analyzing possible corrective actions under Paragraph 61 and taking interim and/or long-term corrective action under Paragraph 61 for a Hydrocarbon Flaring Incident attributable to the Startup or Shutdown of a unit that HOVENSA has previously analyzed under this Paragraph, HOVENSA may identify such prior analysis when submitting the report required under this Paragraph. HOVENSA shall submit the Hydrocarbon Flaring Incident(s) reports as part of the semi-annual progress reports required pursuant to Part X (Reporting and Recordkeeping).

**M. Stipulated Penalties Under This Section.**

73. Nothing in this Section shall be understood to subject HOVENSA to stipulated penalties for Hydrocarbon Flaring Incidents under Paragraph 72. HOVENSA shall be liable for the following stipulated penalties for violations of the requirements of Section V.K. For each violation, the amounts identified below apply on the first day of violation, and are calculated for each incremental period of violation (or portion thereof):

a. Acid Gas Flaring Incidents for which HOVENSA is liable under this Section.

Tons of SO <sub>2</sub> Emitted in Acid Gas Flaring Incident	Length of Time from Commencement of Flaring within the Acid Gas Flaring Incident to Termination of Flaring within the Acid Gas Flaring Incident is 3 hours or less	Length of Time from Commencement of Flaring within the Acid Gas Flaring Incident to Termination of Flaring within the Acid Gas Flaring Incident is greater than 3 hours but less than or equal to 24 hours	Length of Time from Commencement of Flaring within the Acid Gas Flaring Incident to Termination of Flaring within the Acid Gas Flaring Incident is greater than 24 hours
5 Tons or Less	\$500 per ton	\$750 per ton	\$1000 per ton
Greater than 5 tons, but less than or equal to 15 tons	\$1,200 per ton	\$1,800 per ton	\$2,300 per ton, up to, but not exceeding, \$32,500 in any one calendar day
Greater than 15 tons	\$1,800 per ton, up to, but not exceeding, \$32,500 in any one calendar day	\$2,300 per ton, up to, but not exceeding, \$32,500 in any one calendar day	\$32,500 in any one calendar day

i. For purposes of calculating stipulated penalties pursuant to this Subparagraph, only one cell within the matrix shall apply. Thus, for example, for an Acid Gas Flaring Incident in which the Acid Gas Flaring starts at 1:00 p.m. and ends at 3:00 p.m., and for which 14.5 tons of SO<sub>2</sub> are emitted, the penalty would be \$17,400 (14.5 x \$1,200); the penalty would not be \$13,900 [(5 x \$500) + (9.5 x \$1200)].

ii. For purposes of determining which column in the table set forth in this Subparagraph applies under circumstances in which Acid Gas Flaring occurs intermittently during an Acid Gas Flaring Incident, the Acid Gas Flaring shall be deemed to commence at the time that the Acid Gas Flaring that triggers the initiation of an Acid Gas Flaring Incident commences, and shall be deemed to terminate at the time of the termination of the last episode of Acid Gas Flaring.

*Just  
03/20/11*

within the Acid Gas Flaring Incident. Thus, for example, for Acid Gas Flaring within an Acid Gas Flaring Incident that (i) starts at 1:00 p.m. on Day 1 and ends at 1:30 p.m. on Day 1; (ii) recommences at 4:00 p.m. on Day 1 and ends at 4:30 p.m. on Day 1; (iii) recommences at 1:00 a.m. on Day 2 and ends at 1:30 a.m. on Day 2; and (iv) no further Acid Gas Flaring occurs within the Acid Gas Flaring Incident, the AG Flaring within the AG Flaring Incident shall be deemed to last 12.5 hours – not 1.5 hours – and the column for Acid Gas Flaring of “greater than 3 hours but less than or equal to 24 hours” shall apply.

b. For failure to timely complete or submit any report required by Section V.K , or for completing or submitting any report that does not conform substantially to its requirements:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
Days 1-30	\$750
Days 31-60	\$1,500
Over 60 days	\$3,000

c. For those corrective action(s) which HOVENSA (i) agrees to undertake following receipt of an objection by EPA pursuant to Paragraph 61; or (ii) is required to undertake following dispute resolution, then, from the date of EPA’s receipt of HOVENSA’s semi-annual report under Paragraph 71 until the date that either: (i) a final agreement is reached between EPA and HOVENSA regarding the corrective action; or (ii) a court order regarding the corrective action is entered, HOVENSA shall be liable for stipulated penalties as follows:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
Days 1-120	\$50
Days 121-180	\$100
Days 181 - 365	\$300
Over 365 days	\$3,000

or

*JK*  
03 Jan 11

1.2 times the economic benefit resulting from HOVENSA's failure to implement the corrective action(s).

d. For failure to complete any corrective action under Paragraph 61 in accordance with the schedule for such corrective action agreed to by HOVENSA or imposed on HOVENSA pursuant to the dispute resolution provisions of this Consent Decree (with any such extensions thereto as to which EPA and HOVENSA may agree in writing):

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
Days 1-30	\$1,000
Days 31-60	\$2,000
Over 60 days	\$5,000

**N. Certification.**

74. All notices, reports, or any other submissions required of HOVENSA by Sections V.K and V.L shall contain the following certification:

"I certify under penalty of law that this information was prepared under my direction or supervision by personnel qualified to properly gather and evaluate the information submitted. Based on my directions and after reasonable inquiry of the person(s) directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete."

75. Except as otherwise provided herein, the reporting requirements set forth in Sections V.K and V.L do not relieve HOVENSA of its obligation to territorial authority or EPA to submit any other reports or information required by the CAA, or by any other territorial, federal or local requirements.

**O. CERCLA/EPCRA.**

76. To the extent that, during the course of HOVENSA's development of the Root Cause failure analysis required by Sections V.K and V.L, HOVENSA discovers information demonstrating a failure to comply with the reporting requirements for continuous releases of SO<sub>2</sub>

*Jul 03/11*

pursuant to Section 103(c) of CERCLA and/or Section 304 of EPCRA, including the regulations promulgated thereunder, a voluntary disclosure by HOVENSA of any such violations will not be deemed “untimely” under EPA’s Audit Policy, solely on the ground that it is submitted more than twenty-one (21) Days after it is discovered, provided all such disclosures are made by no later than the date specified in Appendix D (“List of Flaring Devices Subject to NSPS Subparts J/Ja”) for compliance of the relevant Flaring Device with NSPS Subpart Ja.

**P. Benzene Waste NESHAP Program.**

Summary: In addition to continuing to comply with all applicable requirements of 40 C.F.R. Part 61, Subpart FF (“Benzene Waste NESHAP” or “Subpart FF”), HOVENSA agrees to undertake the measures set forth in Section V.P to ensure continuing compliance with Subpart FF and to minimize or eliminate fugitive benzene waste emissions at the HOVENSA Refinery.

77. Current Subpart FF Status. HOVENSA has determined that the Refinery has a TAB of greater than 10 Mg/yr. The Refinery shall continue to comply with the compliance option set forth in 40 C.F.R. § 61.342(c) (hereinafter referred to as the “2 Mg Compliance Option”).

78. Refinery Compliance Status Changes. On and after the Date of Lodging, HOVENSA shall only be allowed to change its compliance option to the 6 BQ Compliance Option set forth at 40 C.F.R. § 61.342(e).

79. One-Time Review and Verification of the Refinery’s TAB and Compliance with the Benzene Waste NESHAP.

a. Phase One of the Review and Verification Process. Within one (1) year of the Date of Lodging, HOVENSA shall complete a review and verification of the Refinery TAB

and its compliance with the Benzene Waste NESHAP (Phase One Review and Verification).

HOVENSA's review and verification process shall include, but not be limited to:

- i. An identification of each waste stream that is required to be included in the Refinery's TAB where these waste streams meet the definition of a waste under 40 C.F.R. § 61.341 (e.g., slop oil, tank water draws, spent caustic, spent caustic hydrocarbon layer, desalter rag layer dumps, desalter vessel process sampling points, other sample wastes, maintenance wastes, and turnaround wastes);
- ii. A review and identification of the calculations and/or measurements used to determine the flows of each waste stream for the purpose of ensuring the accuracy of the annual waste quantity for each waste stream;
- iii. An identification of the benzene concentration in each waste stream, including sampling for benzene concentration at no less than 10 waste streams consistent with the requirements of 40 C.F.R. § 61.355(c)(1) and (3); provided however, that previous analytical data or documented knowledge of waste streams may be used, 40 C.F.R. § 61.355(c)(2), for streams not sampled;
- iv. An identification of any existing noncompliance with the requirements of Subpart FF.

By no later than sixty (60) Days following the completion of Phase One Review and Verification, HOVENSA shall submit a Benzene Waste NESHAP Compliance Review and Verification report ("BWON Compliance Review and Verification Report") that sets forth and certifies the results of Phase One, including but not limited to the items identified in Subparagraphs (i) through (iv) of this Paragraph.

b. Phase Two of the Review and Verification Process. Based on EPA's review of the BWON Compliance Review and Verification Report(s), EPA may select up to 20 additional waste streams at HOVENSA for sampling for benzene concentration. HOVENSA shall conduct the required sampling under representative conditions and submit the results to EPA within sixty (60) Days of receipt of EPA's request. HOVENSA shall use the results of this additional sampling to recalculate the TAB and the uncontrolled benzene quantity and to amend the BWON Compliance Review and Verification Report, as needed. To the extent that EPA requires HOVENSA to re-sample any waste stream sampled by HOVENSA on or after January 1, 2007, HOVENSA may average the results of such sampling events. HOVENSA shall submit an amended BWON Compliance Review and Verification Report within ninety (90) Days following the date of the submittal of the required Phase Two sampling report, if Phase Two sampling is required by EPA.

80. Implementation of Actions Necessary to Correct Non-Compliance or to Come Into Compliance.

a. Amended TAB Reports. If the results of the BWON Compliance Review and Verification Report(s) indicate(s) that the reports submitted by HOVENSA pursuant to 40 C.F.R. § 61.357(c) have not been filed or are inaccurate and/or do not satisfy the requirements of Subpart FF, HOVENSA shall submit, by no later than sixty (60) Days after completion of the BWON Compliance Review and Verification Report(s), an amended TAB report for the last year to EPA and the VIDPNR.

b. Submittal of Compliance Plan. If the results of the BWON Compliance Review and Verification Report identify any compliance issues, HOVENSA shall submit to EPA and the VIDPNR by no later than 180 Days after completion of the BWON Compliance Review

and Verification Report, a plan that identifies with specificity a schedule that HOVENSA will implement to ensure that the Refinery complies with the 2 Mg Compliance Option, as soon as practicable.

c. Review and Approval of Plans Submitted Pursuant to Subparagraph 80.b.

Any plan submitted pursuant to Subparagraph 80.b, shall be subject to approval, disapproval or modification by EPA. Within sixty (60) Days after receiving any notification of disapproval or request for modification from EPA, HOVENSA shall submit to EPA and the VIDPNR a revised plan that responds to all identified deficiencies. Upon receipt of approval or approval with conditions, or if no approval, disapproval, or approval with conditions is provided by EPA, HOVENSA shall implement the plan according to the schedule provided in the plan. Disputes arising under this Subparagraph shall be resolved in accordance with the dispute resolution provisions of Part XVI (Retention of Jurisdiction/Dispute Resolution).

d. Certification of Compliance with the 2 Mg Compliance Option. By no later than thirty (30) Days after completion of the implementation of all actions, if any, required pursuant to Subparagraphs 80.b or 80.c to come into compliance with the 2 Mg Compliance Option, HOVENSA shall submit a report to EPA and the VIDPNR certifying that the Refinery complies with the Benzene Waste NESHAP.

81. Carbon Canisters and Individual Drain System Vents. As of the Date of Lodging, HOVENSA shall continue to operate the three-tier system for control of vents associated with the Subpart FF wastewater collection system. Vent controls are identified as either Type I (a single flow indicator "breather valve"), Type II ("breather valve" connected to a single carbon canister), or Type III (dual carbon canisters). All closed vent piping associated with these vent

control systems will be monitored in accordance with the provisions associated with 40 C.F.R.

§ 61.349. HOVENSA shall comply with the following:

a. All Type I vents with flow indicators (40 C.F.R. § 61.346(b)) shall be visually inspected for flow on a daily schedule. Flow shall be indicated if the flow indicator on the breather valve has lifted. Any "breather valve" determined to relieve six or more times in any consecutive two-month period will be converted to a Type II control system. Installation of the carbon canister required by conversion to the Type II control shall be completed within two weeks. Daily visual inspection of the Type I control system will continue until conversion to a Type II control is completed.

b. All Type II vent control systems ("breather valve" connected to a single carbon canister) shall be visually inspected on a daily schedule.

i. If the "breather valve" is determined not to have relieved, no additional monitoring is required. Secondly, if the "breather valve" is visually inspected and determined to have relieved, then the discharge opening of the carbon canister will be immediately monitored for benzene. If benzene concentration of carbon canister discharge is determined to be less than 5 ppm, no additional actions are required. If the benzene concentration of the carbon canister discharge is determined to be equal to or greater than 5 ppm, the carbon canister will be replaced by the end of the next Day.

ii. For any Type II vent control system, if carbon canister replacement is required two or more times in any four consecutive week period the control system will be converted to a Type III system. Installation of the dual carbon canister system required by conversion to the Type III control shall be completed

within two weeks. Daily inspection and monitoring (if required) of the Type II control system will continue until conversion to a Type III control is completed.

c. All Type III vent control systems will be operated in the manner described in Subparagraphs c.i. through c.vii.

i. Except as expressly permitted under Subparagraph c.v, HOVENSA shall not use single carbon canisters for any new process units or installations that require controls pursuant to the Benzene Waste NESHAP.

ii. For dual carbon canister systems, "breakthrough" between the primary and secondary canister is defined as any reading equal to or greater than 5 ppm benzene.

iii. HOVENSA shall monitor for breakthrough between the primary and secondary carbon canisters in accordance with the frequency specified in 40 C.F.R. § 61.354(d), or monthly, whichever is more frequent. This requirement shall commence within seven (7) Days after installation of a new, dual carbon canister system.

iv. HOVENSA shall replace the original primary carbon canisters immediately when breakthrough is detected between the primary and secondary canister. The original secondary carbon canister will become the new primary carbon canister and a fresh carbon canister will become the secondary canister, or both canisters may be replaced. For purposes of this Subparagraph, "immediately" shall mean by the end of the next calendar Day.

v. Temporary Applications. HOVENSA may utilize properly sized single canisters for short-term operations such as with temporary storage tanks or

as temporary control devices. For canisters operated as part of a single canister system, breakthrough is defined for purposes of this Consent Decree as any reading of benzene above 5 ppm. HOVENSA shall monitor for breakthrough from single carbon canisters each calendar day. HOVENSA shall replace the single carbon canister with a fresh carbon canister, discontinue flow, or route the stream to an alternate, appropriate device immediately when breakthrough is detected. For this Subparagraph, "immediately" shall mean by the end of the next Day. If HOVENSA discontinues flow to the single carbon canister or routes the stream to an alternate, appropriate control device, such canister must be replaced before it is returned to service.

vi. HOVENSA shall maintain a readily available supply of fresh carbon canisters at all times or otherwise ensure that such canisters are readily available to implement the requirements of this Paragraph.

vii. HOVENSA shall maintain records associated with the requirements of this Paragraph in accordance with or as under 40 C.F.R. § 61.356(j)(10), including the monitoring readings observed and the constituents being monitored.

82. Laboratory Audits. All laboratories that perform analyses of HOVENSA's Benzene Waste NESHAP samples shall be audited to ensure that proper analytical and quality assurance/quality control procedures are followed for such samples. For purposes of this Paragraph, audits can include audits conducted by parties other than HOVENSA.

a. Prior to conducting its Phase One Review and Verification process set forth in Paragraph 79.a, audits shall be completed of all laboratories used to perform analyses of

benzene waste NESHAP samples to ensure that proper analytical and quality assurance/quality control procedures are followed. In addition, an audit shall be conducted of any laboratory used for analyses of benzene samples prior to such use.

b. Subsequent laboratory audits shall be conducted for each laboratory continuing to perform analyses of HOVENSA's Benzene Waste NESHAP samples, such that each laboratory is audited every two (2) years for the life of the Consent Decree.

83. Annual Program. After the Date of Lodging, HOVENSA shall continue to use its written management of change procedures to review process information and construction projects, to ensure that all new benzene waste streams are included in HOVENSA's waste stream inventory.

84. Training. HOVENSA shall implement the following training program at the Refinery:

a. Within ninety (90) Days from the Date of Lodging or from the installation of any new benzene control equipment, HOVENSA shall complete the development of standard operating procedures for all control equipment used to comply with the Benzene Waste NESHAP.

b. Within nine (9) months from the Date of Entry, HOVENSA shall develop the BWON training program pursuant to the criteria in Appendix E ("HOVENSA'S LDAR and BWON Training Program Summary") and submit it to EPA;

c. Within twelve (12) months from the Date of Entry, HOVENSA shall provide an annual (i.e., once each calendar year) training program for employees (which shall include contract employees for purposes of this Paragraph) asked to draw benzene waste samples

as specified in 40 C.F.R. § 61.355. Such employees shall be trained prior to collecting samples and receive training annually.

d. All employees assigned to operate control equipment shall complete an initial training program on procedures specified in Subparagraph 84.a. This training shall be provided within twenty-four (24) months from Date of Entry and “refresher” training shall be performed every three (3) years thereafter, until termination of this Decree.

e. Training comparable to that specified in Subparagraph 84.d. shall also be provided to any persons who subsequently become operators, prior to their assumption of this duty or the installation of the equipment.

f. As part of HOVENSA’s training programs, HOVENSA must require any contractor hired to operate benzene control equipment or perform benzene sampling to receive the training required by this Paragraph and HOVENSA shall maintain records of such training.

85. Waste/Slop/Off-Spec Oil Management.

a. Control Status of and Plan to Quantify Uncontrolled Waste/Slop/Off-Spec Oil Streams.

Within one (1) year from the Date of Lodging, HOVENSA shall submit to EPA and the VIDPNR a plan for quantifying waste/slop/off-spec oil movements for all benzene waste streams which are not controlled at the Refinery, along with schematics that: (i) depict the waste management units (including sewers) that handle, store, and transfer waste/slop/off-spec oil streams; (ii) identify the control status of each waste management unit; and (iii) show how such oil is transferred. Representatives from HOVENSA and EPA thereafter may confer about the appropriate characterization of the waste/slop/off-spec oil streams as benzene waste streams and the necessary controls, if any, for the waste management units handling such oil streams for

purposes of the Refinery's TAB calculation and/or compliance with the 2 Mg Compliance Option. If requested by EPA, HOVENSA shall promptly submit revised schematics that reflect the Parties' agreements regarding the characterization of these oil streams and the appropriate control standards. HOVENSA shall use these plans and schematics in preparing the end-of-line sampling plans required under Paragraph 87.

b. Non-Aqueous Benzene Waste Streams. On and after the Date of Lodging, all waste management units handling non-exempt, non-aqueous benzene wastes, as defined in Subpart FF, shall meet the applicable control standards of Subpart FF.

c. Aqueous Benzene Waste Streams. For purposes of calculating the TAB pursuant to the requirements of 40 C.F.R. § 61.342(a), HOVENSA shall include all waste/slop/off-spec oil streams that become "aqueous" until such streams are recycled to a process or put into a process feed tank (unless the tank is used primarily for the storage of wastes). Appropriate adjustments shall be made to such calculations to avoid the double counting of benzene. For purposes of complying with the 2 Mg Compliance Option, all waste management units handling aqueous benzene waste streams shall either meet the applicable control standards of Subpart FF or shall have their uncontrolled benzene quantity count toward the applicable 2 Mg limit.

86. Benzene Waste Operations Sampling Plans: General. Within one (1) year of the Date of Lodging, HOVENSA will submit to EPA and the VIDPNR for EPA approval, benzene waste operations sampling plans designed to describe the sampling of benzene waste streams that HOVENSA will utilize to estimate quarterly and annual TABs.

87. Benzene Waste Operations Sampling Plans: Content Requirements.

The sampling plan shall include, but need not be limited to:

*JSB  
03/21/11*

- a. Quarterly sampling of all uncontrolled waste streams that count toward the 2 Mg/yr calculation and could contain greater than 0.05 Mg/yr or more.
- b. Quarterly sampling of all uncontrolled waste streams that qualify for the 10 ppmw exemption (40 C.F.R. § 61.342(C)(2)) and contain greater than 0.1 Mg/yr of benzene.
- c. The proposed End-of-Line (EOL) sampling locations and methods for flow calculations to be used in calculating projected quarterly and annual TAB calculations under the terms of Paragraph 90. Based on the current configuration of the Refinery's wastewater system, overflows from API separators 1, 2, and 3 are the only "routine" wastewater benzene streams not controlled in accordance with Subpart FF. Therefore, sampling of the three API overflow streams will constitute the individual EOL locations. The uncontrolled benzene contributions from these individual sources will be included in the calculations required by Paragraph 90.
- d. The sampling plan will require HOVENSA to take, and have analyzed, in each Calendar Quarter, at least three representative samples from each sampling location identified in the plan required by this Paragraph.

88. Benzene Waste Operations Sampling Plans: Timing for Implementation.  
HOVENSA will implement the sampling required under the sampling plan during the first full Calendar Quarter after HOVENSA submits the plan. HOVENSA will continue to implement the sampling plan unless and until (a) EPA disapproves the plan; or (b) HOVENSA modifies the plan, with EPA's approval, under Paragraph 89.

89. Benzene Waste Operations Sampling Plans: Modifications.  
a. Changes in Processes, Operations, or Other Factors. If changes in processes, operations, or other factors lead HOVENSA to conclude that the sampling plan may

no longer provide an accurate basis for estimating the Refinery's quarterly or annual uncontrolled benzene quantity under Paragraph 90, then by no later than ninety (90) Days after HOVENSA determines that the plan no longer provides an accurate measure, HOVENSA will submit to EPA and the VIDPNR a revised plan for EPA approval. In the first full Calendar Quarter after submitting the revised plan, HOVENSA will implement the revised plan. HOVENSA will continue to implement the revised plan unless and until EPA disapproves the revised plan.

b. Requests for Modifications to the Sampling Frequency. After two (2) years of implementing a sampling plan, HOVENSA may submit a request to EPA for approval, with a copy to the VIDPNR, to reduce the facility's sampling frequency. EPA will not unreasonably withhold its consent. HOVENSA will not implement any proposed revisions under this Subparagraph until EPA provides its approval.

90. Quarterly and Annual Estimations of Uncontrolled Benzene Quantities. At the end of each Calendar Quarter and based on sampling results and approved flow calculations, HOVENSA will calculate a quarterly and projected annual uncontrolled benzene quantity.

91. In making the calculations required by Paragraph 90, HOVENSA will use the average of the three samples collected at each sampling location. If these calculations do not identify any potential violations of the benzene waste operations NESHAP, HOVENSA will submit these calculations in the reports due under this Section.

92. Corrective Measures: Basis. If the quarterly or annual uncontrolled benzene calculations required pursuant to Paragraph 90 project or demonstrate that the uncontrolled benzene quantity exceeds 2 Mg/yr, then by no later than sixty (60) Days after the end of the Calendar Quarter, HOVENSA will submit a compliance assurance plan to EPA for approval,

with a copy to the VIDPNR. In that compliance assurance plan, HOVENSA will identify the quantity and cause(s) of the potentially-elevated benzene quantities, all corrective actions that HOVENSA has taken or plans to take to ensure that the cause(s) will not recur, and the schedule of actions that HOVENSA will take to ensure that the Refinery complies with the Benzene Waste Operations NESHAP for the calendar compliance year. HOVENSA will implement the plan unless and until EPA disapproves.

93. Miscellaneous Measures.

- a. As of the Date of Lodging, HOVENSA shall:
  - i. Conduct monthly visual inspections of and, if appropriate, refill all water traps used to comply with Subpart FF within the Refinery's individual drain systems;
  - ii. Ensure that all segregated stormwater drains are marked at the drain (color coding may be used);
  - iii. Conduct monitoring of existing API Separators 1, 2, and 3 or any new Subpart FF-regulated oil/water separators as outlined below:
    - (1) Conduct semi-annual seal gap measurements on all floating roof portions in accordance with 40 C.F.R. § 60.693-2.
    - (2) The fixed roof portions of all Subpart FF regulated oil/water separators shall be monitored on a quarterly basis if Method 21 monitoring conducted pursuant 40 C.F.R. § 61.355(h) determine a leak rate of greater than one (1) percent. Monitoring of the fixed roof portion of all Subpart FF required oil/water separators will be conducted annually if Method 21 monitoring conducted pursuant to 40 C.F.R. § 61.355(h)

*Handwritten signature and date: 03/24/11*

determine a leak rate of one (1) percent or less.

(3) A current listing, as of Date of Lodging, of all Method 21 monitoring locations for API Separators 1, 2, and 3 is attached in Appendix F ("Method 21 Monitoring Locations for API Separators 1, 2 and 3"). When modifications to the API separators occur, HOVENSA shall update and maintain a current listing of all monitoring locations for API Separators 1, 2, and 3.

94. Record Keeping and Reporting Requirements for this Section Outside of the Reports Required under 40 C.F.R. § 61.357 or under the Progress Report Procedures of Part X (Reporting and Recordkeeping). At the times specified in the applicable provisions of this Section, HOVENSA will submit, as and to the extent required, the following reports to EPA and the VIDPNR:

- a. BWON Compliance Review and Verification Report (Subparagraph 79.a), as amended, if necessary (Subparagraph 79.b);
- b. Amended TAB Report, if necessary (Subparagraph 80.a.);
- c. Plan for the Refinery to come into compliance with the 2 Mg Compliance Option upon discovering that the uncontrolled benzene quantity calculated for Paragraph 90, or through other means, exceeds 2 Mg/yr (Paragraph 92);
- d. Compliance certification, if necessary (Subparagraph 80.d);
- e. Schematics of waste/slop/off-spec oil movements (Subparagraph 85.a.), as revised, if necessary; and
- f. Sampling Plans (Paragraph 86), and revised Sampling Plans, if necessary (Subparagraph 89.a).

95. Record Keeping and Reporting Requirements for this Section: As Part of Either the Reports Required under 40 C.F.R. § 61.357 or the Progress Report Procedures of Part X (Reporting and Recordkeeping).

HOVENSA will submit the following information as part of the information submitted in either the quarterly report required pursuant to 40 C.F.R. § 61.357(d)(6) and (7) or in the reports due pursuant to Part X (Reporting and Recordkeeping):

- a. Sampling Results under Paragraph 86. The report will include a list of all waste streams sampled, the results of the benzene analysis for each sample, the computation of the quarterly and projected calendar year TAB, and the quarterly and projected calendar year uncontrolled benzene quantity;
- b. Training. Initial and/or subsequent training conducted in accordance with Paragraph 84; and
- c. Laboratory Audits. Initial and subsequent audits conducted pursuant to Paragraph 82 in the reporting period for which the report is due, including in each such report, at a minimum, the identification of each laboratory audited, a description of the methods used in the audit, and the results of the audit.

96. At any time after two (2) years of reporting pursuant to the requirements of Paragraph 95, HOVENSA may submit a request to EPA to modify the reporting frequency for any or all of the reporting categories of Paragraph 95. This request may include a request to report the projected calendar year TAB and uncontrolled benzene quantity in the annual report due on March 1st of each year required by 40 C.F.R. §61.357(d). HOVENSA will not change the due dates for its reports under Paragraph 95 unless and until EPA approves HOVENSA's request.

97. Certifications Required in this Section.

Certifications required under this Section will be made in accordance with the provisions of Part X (Recording and Recordkeeping).

98. Agencies to Receive Reports, Plans and Certifications Required in this Section;

Number of Copies. Unless otherwise specified in this Section, HOVENSA shall submit all reports, plans and certifications required to be submitted under this Section to EPA, EPA Region 2 and the VIDPNR. For each submission, HOVENSA shall submit two copies to EPA, two copies to EPA Region 2, and two copies to the VIDPNR. By agreement between HOVENSA and each of the offices that are to receive the materials in this Section, HOVENSA may submit the materials electronically with a single electronic submission.

**Q. NSPS QQQ.**

99. Within twelve (12) months of the Date of Lodging, HOVENSA shall prepare and submit to EPA a compliance plan specifying the projects necessary to bring the FCCU and Coker Drain Systems into compliance with 40 C.F.R. Subpart QQQ. Such compliance plan shall include an implementation schedule, and HOVENSA shall complete the projects within the time provided by the compliance plan, but by no later than June 30, 2011.

**R. Leak Detection and Repair ("LDAR") Program.**

100. Introduction. In order to minimize or eliminate fugitive emissions of volatile organic compounds (VOCs), benzene, volatile hazardous air pollutants (VHAPs), and organic hazardous air pollutants (HAPs) from equipment in light liquid and/or in gas/vapor service, HOVENSA shall comply with the leak detection and repair (LDAR) requirements of this Section. The terms "in light liquid service" and "in gas/vapor service" shall have the definitions

set forth in the applicable provisions of 40 C.F.R. Part 60, Subpart VV and GGG; Part 61, Subparts J and V; Part 63, Subparts F, H, and CC.

101. No later than three (3) years after the Date of Lodging, the group of all equipment within each process unit (as "equipment" and "process unit" are defined by 40 C.F.R. § 60.591) and each compressor shall become affected facilities under 40 C.F.R. Part 60, Subpart GGG, and shall become subject to and comply with the requirements of 40 C.F.R. Part 60, Subpart GGG, and the requirements of this Section. Valves which HOVENSA currently monitors in these process units on a voluntary basis shall continue to be monitored, at least annually, until such process units have become affected facilities under NSPS Subpart GGG pursuant to this Paragraph. On and after the date the lower leak definitions in Paragraph 109 become effective, HOVENSA shall perform leak percentage calculations in NSPS Subpart GGG process units based on the total number of light liquid and gas/vapor service valves monitored in the process unit during the period.

102. No later than ninety (90) Days after the Date of Lodging, HOVENSA shall submit a plan and schedule, for review and approval by EPA, for bringing the Refinery into compliance with the requirements of 40 C.F.R. Part 60, Subpart GGG, and the requirements of this Section which will include interim milestone dates, designed to achieve full compliance within three (3) years after the Date of Lodging. EPA shall notify HOVENSA after the plan is approved. If the plan is not approved, HOVENSA shall modify and resubmit the plan as required by EPA.

103. Written Refinery-Wide LDAR Program. No later than nine (9) months after the Date of Lodging, HOVENSA shall develop and maintain a written refinery-wide program for compliance with applicable LDAR Regulations and the requirements of this Consent Decree, which shall include:

- a. Procedures to identify all equipment in light liquid and/or in gas/vapor service that is subject to the LDAR regulations and has the potential to leak VOCs, HAPs, VHAPs, and benzene within process units;
- b. Procedures for identifying leaking equipment within process units;
- c. Procedures for repairing and keeping track of leaking equipment;
- d. Procedures for identifying and including in the LDAR program new equipment; and
- e. A process for evaluating new and replacement equipment to promote consideration and installation of equipment that will minimize leaks and/or eliminate chronic leakers.

HOVENSA shall submit to EPA a copy of the written refinery-wide LDAR program developed pursuant to this Paragraph in the next semi-annual report following the development of the program.

104. Alternate Leak Detection Method. With EPA's written approval and regulations allowing for the substitution of an optical imaging technology-based LDAR program for a Method 21-based LDAR program have been adopted by EPA and are in effect, HOVENSA may begin using an alternate leak detection method. If necessary to implement this Paragraph, the Parties shall make appropriate modifications to this Consent Decree in accordance with Paragraph 228. EPA may request that HOVENSA submit a protocol demonstrating that an optical imaging-based LDAR program is equivalent to or better than a Method 21-based LDAR program.

105. Training. HOVENSA shall implement the following training program at the Refinery:

- a. Within nine (9) months from the Date of Entry, develop the LDAR training program pursuant to the criteria in Appendix E ("HOVENSA'S LDAR and BWON Training Program Summary") and submit it to EPA;
- b. Within twelve (12) months from the Date of Entry, provide LDAR training to existing personnel assigned to LDAR responsibilities (including but not limited to monitoring, recordkeeping, reporting, or data management). For newly hired personnel with LDAR program responsibilities hired after twelve (12) months from Date of Entry, provide LDAR training prior to the personnel beginning work. All employees assigned to LDAR responsibilities shall receive training annually.
- c. For other Refinery operations and maintenance personnel whose duties include limited LDAR responsibilities, provide training developed pursuant to the criteria in Appendix E ("HOVENSA'S LDAR and BWON Training Program Summary") that includes instruction on those aspects of LDAR relevant to the person's duties. This training shall be provided within twenty-four (24) months from Date of Entry, and every three (3) years thereafter, until termination of this Consent Decree. For newly hired operations and maintenance personnel hired after twenty-four (24) months from Date of Entry, such training shall be provided within six (6) months of hiring; and
- d. If contractors are used to fulfill the requirements of this Section, HOVENSA shall require that such contractors shall be trained as required by this Paragraph, and HOVENSA shall maintain records of such training.

106. LDAR Audits. By no later than one (1) year from the Date of Lodging, HOVENSA shall implement the refinery-wide audits set forth in this Paragraph, to ensure the Refinery's compliance with all applicable LDAR Regulations and the requirements of this

Consent Decree. The LDAR audits shall include but shall not be limited to, comparative monitoring, records review to ensure monitoring and repairs were completed in the required periods, field reviews to ensure all regulated equipment is included in the LDAR program, a review to ensure records and reports have been maintained and submitted as required, and observation of the LDAR technicians' calibration and monitoring techniques. During the LDAR audits, leak rates shall be calculated for each process unit where comparative monitoring was performed.

a. Initial Compliance Audit. Within one (1) year from the Date of Lodging, HOVENSA shall complete a refinery-wide third-party audit of its compliance with the LDAR Regulations and the requirements of applicable Sections of this Consent Decree, which includes, at a minimum, each of the audit requirements set forth in this Paragraph. For purposes of this requirement, "third party" may include a qualified contractor, consultant, industry group, or trade association. Within thirty (30) Days of receipt of the completed audit, HOVENSA shall report to EPA and the VIDPNR any areas of non-compliance identified as a result of its audit and submit in writing a proposed compliance schedule for correcting the non-compliance. If the proposed compliance schedule extends greater than sixty (60) Days beyond the audit completion date, HOVENSA must seek approval of the compliance schedule from EPA. HOVENSA shall implement the compliance schedule as proposed until the schedule is approved or disapproved by EPA. Within one (1) year of Date of Entry, HOVENSA shall certify to EPA that the Refinery:

- i. Is in compliance;
- ii. Has completed related corrective action and/or is on a compliance schedule (if necessary); and

iii. Shall specifically certify that all existing equipment has been identified and included in the facility LDAR program, to the extent required by applicable regulations and this Consent Decree, as of the date such certification is made.

b. Subsequent Audits.

i. Third-Party Audits. HOVENSA shall retain an independent contractor(s) to perform a third-party audit of its LDAR program compliance with applicable LDAR Regulations and the requirements under this Section, at least once every four (4) years, in the same Calendar Quarter.

ii. Internal Audits. HOVENSA shall conduct internal audits by retaining third parties or having personnel from a refiner under common ownership with an entity that owns at least a 25% ownership stake in HOVENSA, provided that such refiner is a signatory to a global refinery Consent Decree, audit HOVENSA's LDAR program compliance with applicable LDAR Regulations and the requirements under this Section. HOVENSA shall complete the first internal LDAR audit within the same Calendar Quarter and by no later than two (2) years after its initial third-party audit was conducted according to Subparagraph 106.a. Internal audits shall be conducted, in the same Calendar Quarter, at least once every four (4) years thereafter.

107. Implementation of Actions Necessary to Correct Non-Compliance. If the results of any of the audits conducted pursuant to this Section identify any area(s) of non-compliance, HOVENSA shall implement, as soon as practicable, all appropriate steps necessary to correct the area(s) of non-compliance and to prevent a recurrence of the cause of the non-compliance, to the

extent practicable. For purposes of this Paragraph, if a ratio of the process-unit valve leak percentage established through a comparative monitoring audit conducted pursuant to Paragraph 106, and the average valve leak percentage reported for the process unit for the last four (4) monitoring periods preceding the audit, is equal to or greater than 3.0, and provided the auditor identified at least three (3) leaking valves in the process unit, it shall be deemed an area of non-compliance and cause for corrective action. If the calculated ratio yields an infinite result, HOVENSA shall assume one (1) leaking valve was found in the process unit through its routine monitoring during the four (4) monitoring periods. In the Semi-Annual LDAR Report submitted pursuant to the provisions of Paragraph 123 covering the period when an audit was conducted, HOVENSA shall submit the results of the audit, and shall certify to EPA that the audit has been completed and that the Refinery is in compliance or on a compliance schedule.

108. Retention of Audit Reports. Until termination of the Consent Decree, HOVENSA shall retain the audit reports generated pursuant to this Section and shall maintain a written record of the corrective actions taken in response to any deficiencies identified in any audits.

109. Internal Leak Definition for Valves and Pumps. HOVENSA shall utilize the following internal leak definitions for valves and pumps in light liquid and/or gas/vapor service, unless a lower leak definition is established under applicable permit(s) or applicable LDAR Regulations, within three (3) years of the Date of Lodging:

a. Leak Definition for Valves. An internal leak definition of 500 ppm VOCs for refinery valves in light liquid and/or in gas/vapor service.

b. Leak Definition for Pumps. An internal leak definition of 2000 ppm VOCs for refinery pumps in light liquid and/or in gas/vapor service.

*Sub  
03/21/11*

110. Reporting Leaks of Valves and Pumps. For regulatory reporting purposes, HOVENSA may continue to report leak rates in valves and pumps against the applicable regulatory leak definition, or may use the lower, internal leak definitions specified in Paragraph 109.

111. Recording, Tracking, Repairing and Remonitoring Leaks Based on the Internal Leak Definitions. HOVENSA shall record, track, repair and remonitor all leaks in excess of the internal leak definitions of Paragraph 109 (at such time as those definitions become applicable) in accordance with applicable provisions of the LDAR Regulations, except that HOVENSA shall have five (5) Days to make an initial attempt at repair, and fifteen (15) Days either to make final repairs and remonitor the leak or to manage the leak according to Paragraph 121.

112. HOVENSA Valve Preventative Leak Maintenance Program. Within eighteen (18) months of the Date of Lodging, HOVENSA shall implement a Valve Preventative Leak Maintenance Program according to Appendix G ("Valve Preventative Leak Maintenance Procedure Workflow Diagram") and this Paragraph. In the event of any inconsistency between the language of this Paragraph and Appendix G ("Valve Preventative Leak Maintenance Procedure Workflow Diagram"), the provisions of this Paragraph shall control.

a. Under the Valve Preventative Leak Maintenance Program, HOVENSA shall perform the following surveys, at the times and/or intervals established in Appendix G ("Valve Preventative Leak Maintenance Procedure Workflow Diagram"):

i. External Valve Survey. HOVENSA shall assess the external and process conditions of valves, including but not limited to the following: condition of the valve stem (e.g., pitted, corroded, or scarred), condition of the packing gland, follower, and gland bolts (e.g., corroded, stripped threads, or bottomed-

out), the overall condition of the valve (e.g., corroded), and the design process temperature, pressure, and hydrocarbon service of the valve. HOVENSA shall also determine as part of the external valve survey whether or not the valve can be isolated for repair while in service, whether or not the valve can be repaired through back-seating, live-loading, or other on-line repair/repack techniques, and/or whether the valve requires a process unit shutdown for repair.

ii. Stuffing Box Survey. As provided in Appendix G (“Valve Preventative Leak Maintenance Procedure Workflow Diagram”), HOVENSA shall assess the valve stuffing box condition, including but not limited to the following: inside diameter, outside diameter, depth of stuffing box, packing type, and amount of packing.

b. HOVENSA shall repack or replace valves, prior to or during process unit turnarounds or tank outages, as outlined in Appendix G (“Valve Preventative Leak Maintenance Procedure Workflow Diagram”).

c. HOVENSA shall ensure all newly installed valves are fitted, prior to installation, with packing or valve technology which is designed by the manufacturer to prevent leaks above 100 ppm for a period of at least five (5) years after installation.

d. HOVENSA shall establish a comprehensive tracking database to record the following Valve Preventative Leak Maintenance Program information:

i. For newly-installed valves, the date each valve was installed and the type of packing present in the valve upon installation;

ii. The results of all external valve surveys and stuffing box surveys with valve isolation determination;

iii. For each valve required to undergo an external valve survey, the date and type of final repair action undertaken and the name of person performing the repair action. If no repair action was taken, record the justification for why no action was taken; and

iv. The feasibility of performing live-loading or back-seating repair techniques on equipment still in VOC-service.

e. HOVENSA shall analyze the information collected under Subparagraph 112.d at least once every two (2) years after the requirements of this Paragraph become effective, and shall specifically analyze the information for trends in equipment failures, successful repair techniques, and other data to help increase the effectiveness of the Valve Preventative Leak Maintenance Program. HOVENSA shall report the results of this evaluation to EPA in the next periodic report due after the analysis required by this Subparagraph.

113. LDAR Monitoring Frequency.

a. Pumps. When the lower leak definition for pumps becomes applicable pursuant to Paragraph 109, HOVENSA shall monitor pumps at the lower leak definition on a monthly basis.

b. Valves. Unless more frequent monitoring is required by applicable federal requirements, HOVENSA shall monitor valves, at the internal leak definition under Paragraph 109, according to the monitoring frequencies required by 40 C.F.R. §§ 60.482-7 and 60.483-2, except that under Section 60.482-7(c)(2), if a leak is detected, the valve shall be monitored monthly until a leak is not detected for 12 consecutive months.

114. Electronic Storage of LDAR Data. On and after the Date of Lodging, HOVENSA shall record all LDAR monitoring and repair data in an electronic database.

*Job  
03/11/11*

115. Electronic Monitoring and Reporting of LDAR Data. On and after the Date of Lodging, HOVENSA shall use dataloggers and/or electronic data collection devices during LDAR monitoring. HOVENSA or contractor(s) retained by HOVENSA shall use their best efforts to transfer each monitoring reading to the database within five (5) Days of collecting the reading. For all monitoring events in which an electronic data collection device is used, the collected monitoring data shall include a time and date stamp, screening value, operator identification, and instrument identification. HOVENSA may use paper logs where necessary or more feasible (e.g., small rounds, remonitoring, or when dataloggers are not available or broken), and shall record the identification of the technician undertaking the monitoring, the date, time, screening value, and the identification of the monitoring equipment. HOVENSA shall transfer any manually recorded monitoring data to the electronic database within seven (7) Days of monitoring.

116. QA/QC of LDAR Data. By no later than ninety (90) Days after the Date of Lodging, HOVENSA shall develop and implement a procedure to ensure a quality assurance/quality control ("QA/QC") review of all data generated by each LDAR monitoring technician. This QA/QC procedure shall require:

- a. Monitoring technician(s) to review and certify the accuracy of the monitoring data they collected each week; and
- b. Non-monitoring personnel to review monitoring data quarterly, including but not limited to, number of components monitored per technician, time between monitoring events, and abnormal data patterns.

117. LDAR Personnel. By no later than the Date of Lodging, HOVENSA shall maintain its current program which holds HOVENSA LDAR personnel accountable for LDAR

performance. HOVENSA shall maintain a position with responsibility for LDAR management and with the authority to implement improvements.

118. Adding New Valves and Pumps. On and after the Date of Lodging, HOVENSA shall continue to implement its tracking program for maintenance records (e.g., a Management of Change program) to ensure that valves and pumps subject to the LDAR Regulations and this Consent Decree, which are installed and placed into VOC service, are integrated into the LDAR program.

119. Calibration. HOVENSA shall conduct all calibrations of LDAR monitoring equipment using methane as the calibration gas, in accordance with 40 C.F.R. Part 60, EPA Reference Test Method 21.

120. Calibration Drift Assessment. Within six calendar months of the Date of Lodging, HOVENSA shall conduct calibration drift assessments of LDAR monitoring equipment at the end of each monitoring shift, at a minimum. HOVENSA shall conduct the calibration drift assessment using a calibration gas corresponding to the then-applicable leak definition for valves. If any calibration drift assessment after the initial calibration shows a negative drift of more than 10% from the previous calibration, HOVENSA shall remonitor the following equipment: (a) all valves subject to the LDAR Regulations and this Consent Decree that were monitored since the last calibration and that had a reading greater than 500 ppm if the applicable leak definition for valves is 10,000 ppm, or 100 ppm if the applicable leak definition for valves is 500 ppm; and (b) all pumps subject to the LDAR Regulations and this Consent Decree that were monitored since the last calibration and that had a reading greater than 2,000 ppm if the applicable definition for pumps is 10,000 ppm, or 500 ppm if the applicable leak definition for pumps is 2,000 ppm.

121. Extended Maintenance and Delay of Repair. Beginning no later than one (1) year from Date of Lodging, HOVENSA shall eliminate normal use of delay of repair exemptions for equipment in VOC service (as defined in 40 C.F.R. § 60.481) under applicable regulations and this Consent Decree, and shall perform monitoring and maintenance as follows: perform monitoring and “drill and tap” repairs according to Subparagraphs 121.a and b, and perform extended maintenance to attempt to stop the leak source as outlined under Subparagraph 121.c. If HOVENSA, after having implemented one or more of the extended maintenance leak repair techniques identified in Subparagraph 121.c, cannot repair the leak, HOVENSA may delay repair of the leak until the next process unit shutdown. Extended maintenance shall not be required where any of the following is the case: (i) for the period beginning no later than one (1) year from the Date of Lodging through five (5) years of the Date of Entry, the number of valves on the delay of repair list does not exceed 0.1 percent refinery-wide upon determination of delay of repair; and for the period beginning no later than five (5) years of the Date of Entry, the number of valves on the delay of repair list does not exceed 0.05 percent refinery-wide upon determination of delay of repair; or (ii) the feasible extended maintenance techniques listed in Subparagraph 121.c would result in a shutdown of a process unit or create an unsafe operating condition. HOVENSA shall report the circumstances (why it was required, what was actually performed, whether it was successful) of all leaks attempted to be repaired under Subparagraph 121.c in semi-annual reports required under Paragraph 71.

- a. For all equipment:
  - i. Require sign-off by the Area Manager or designee by the 15th day after identification of the leak that the equipment cannot be removed from VOC

service and is technically infeasible to repair without implementation of extended maintenance as set forth in Subparagraph 121.c; and

ii. Monitor monthly equipment on the "delay of repair" list which remains in VOC service.

b. For valves: For valves, other than control valves and pressure relief valves, require use of "drill and tap" or similarly effective repairs, unless the valve can be repaired by other means or HOVENSA can demonstrate that there is a safety, mechanical, or adverse environmental concern posed by attempting to repair the leak in this manner.

HOVENSA shall perform multiple "drill and tap" attempts (or similarly effective repairs) within fifteen (15) Days of identification of the leak, if necessary, to repair the valve. If a new method develops for repairing such valves, HOVENSA will advise EPA prior to implementing the use of such new method in place of drill and tap for repairs required under this Consent Decree.

c. If the repair methods undertaken pursuant to Subparagraph 121.b have not stopped the source of the leak, HOVENSA shall, within sixty (60) Days of identifying the leak, perform at least one extended maintenance attempt to stop the leak source, including building an enclosure for the equipment which meets 'no detectable emissions' standards under NSPS Subpart VV, line-stopping (i.e., inserting a plugging device inside the line so the contents can temporarily be held back while maintenance is performed on-line), hot-tapping (i.e., connecting a new piping service to an existing line with no interruption of flow), or pipe-freezing (i.e., holding back system pressure in a section of piping using freeze chambers which are installed over a short section of piping and injected with liquid nitrogen or CO<sub>2</sub>). HOVENSA shall report the circumstances (why it was required, what was actually performed, was it successful) of all leaks attempted to be repaired or exempt from repair under this Subparagraph in semi-annual reports

required under Part X (Reporting and Recordkeeping). If HOVENSA applies a different extended repair technique than those listed in this Subparagraph, HOVENSA shall report such technique under Paragraph 123 and explain how it is similarly effective at stopping the leak, and shall specifically explain why this technique could not be applied within fifteen (15) Days of identification of the leak.

122. Recordkeeping Requirements for this Section. For at least two (2) years after termination of this Consent Decree, HOVENSA shall retain records to demonstrate its compliance with the requirements of this Section.

123. As part of the reports required under 40 C.F.R. §§ 60.487 and 63.654 (Semi-Annual LDAR Report), HOVENSA shall include the following information, at the following times:

a. The next Semi-Annual LDAR Report after the applicable compliance date for each requirement shall include notification of the following:

- i. Implementation of the "Valve Preventative Leak Maintenance Program" of Paragraph 112;
- ii. Implementation of QA/QC procedures for review of data generated by LDAR technicians as required by Paragraph 116;
- iii. Development of a tracking program for new valves and pumps added during maintenance and construction (Management of Change Program) as required by Paragraph 118;
- iv. Implementation of the calibration and calibration drift assessment procedures of Paragraphs 119 and 120;

- v. Implementation of the "delay of repair" procedures of Paragraph 121;
- vi. Utilization of electronic data collection devices during LDAR monitoring, pursuant to the requirements of Paragraph 115;
- vii. Implementation of the lower leak definitions pursuant to the requirements of Paragraph 109; and
- viii. Implementation of the monitoring requirements of Subparagraphs 113.a and 113.b.

b. Until termination of this Section, each Semi-Annual LDAR Report that HOVENSA submits shall include:

- i. An identification of each audit, if any, that was conducted pursuant to the requirements of Paragraph 106 in the previous semi-annual period. For each audit identified, the report shall include an identification of the auditors, a summary of the audit results, and a summary of the actions that HOVENSA took or intends to take to correct all deficiencies identified in the audits.
- ii. Training. Information identifying the measures taken to comply with the provisions of Paragraph 105;
- iii. Valve Preventative Leak Maintenance Program. The results of each evaluation performed according to Subparagraph 112.e during the previous semi-annual period; and
- iv. Monitoring. The following information on LDAR monitoring:
  - (1) A list of the process units monitored during the reporting period;

(2) The number of valves and pumps present in each monitored process unit;

(3) The number of valves and pumps monitored in each process unit and if less than the number in (2), include an explanation as to why;

(4) The number of valves and pumps found leaking in each process unit during the period, and the valve leak percentage for each process unit;

(5) The number of "difficult to monitor" pieces of equipment monitored;

(6) The projected month of the next monitoring event for that unit;

(7) A list of all equipment currently on the "delay of repair" list, the date each component was placed on the list, the date each such component was determined to be leaking above applicable leak definitions, the circumstances of any extended maintenance repairs under Subparagraph 121.c, the associated monitoring results for each piece of equipment, and whether such activities were completed in a timely manner;

(8) The number of external valve surveys and the number of stuffing box surveys not completed and recorded as required under Paragraph 112;

*Handwritten:* JWC  
03/2/11

(9) The number of valves not repacked or replaced and recorded as required under Paragraph 112;

(10) The number of valves which were newly installed without appropriate packing or valve technology, as required under Paragraph 112; and

(11) The number of missed or untimely repairs under Paragraph 111.

## VI. PERMITTING

124. Obtaining Permit Limits for Consent Decree Emission Limits That Are Effective Upon Date of Entry. Except as set forth below, by no later than 180 Days after the Date of Entry, HOVENSA shall submit applications to the relevant permitting authority to incorporate the emission limits and standards required by this Consent Decree that are effective as of the Date of Entry into federally enforceable minor or major new source review permits or other permits (other than Title V permits) that are federally enforceable. However, if another application for a permit, permit renewal, or permit modification is due for the same emissions unit within 365 Days of the Date of Entry, HOVENSA shall submit both such applications or a combined application by the application/renewal date. Upon issuance of such permits or in conjunction with such permitting, HOVENSA shall file any applications necessary to incorporate the requirements of those permits into the Title V permit for the Refinery when issued.

125. Obtaining Permit Limits For Consent Decree Emission Limits That Become Effective After Date of Entry. Except as set forth below, as soon as practicable, but in no event later than 180 Days after the effective date or establishment of any emission limits and standards required by this Consent Decree other than those effective as of the Date of Entry, HOVENSA

shall submit applications to the relevant permitting authority to incorporate those emission limits and standards into federally enforceable minor or major new source review permits, or other permits (other than Title V permits) that are federally enforceable. Upon issuance of such permit or in conjunction with such permitting, HOVENSA shall file any applications necessary to incorporate the requirements of those permits into the Title V permit for the Refinery when issued.

126. Mechanism for Title V Incorporation. The Parties agree that the incorporation of any emission limits or other standards into the Title V permit for the Refinery as required by Paragraphs 124 and 125 shall be in accordance with the applicable territorial Title V rules.

127. Construction Permits. HOVENSA agrees to obtain all required, federally enforceable permits for the construction of the pollution control technology and/or the installation of equipment necessary to implement the requirements of this Consent Decree.

## **VII. EMISSION CREDIT GENERATION**

Summary. This Part addresses the use of emissions reductions that will result from the installation and operation of the controls required by this Consent Decree ("CD Emissions Reductions") for the purpose of emissions netting or emissions offsets.

128. General Prohibition. HOVENSA shall not generate or use any NO<sub>x</sub>, SO<sub>2</sub>, PM, PM-10, PM-2.5, VOC, or CO emissions reductions, or apply for and obtain any emission reduction credits, that result from any projects conducted or controls utilized pursuant to this Consent Decree as netting reductions or emissions offsets in any PSD, major non-attainment, and/or synthetic minor New Source Review permit or permit proceeding.

129. Exception to General Prohibition. Notwithstanding the general prohibition set forth in Paragraph 128, HOVENSA may use 41 tons per year of NO<sub>x</sub>, 61 tons per year of CO,

and 14 tons per year of PM from CD Emissions Reductions as credits or offsets in any PSD, major non-attainment and/or minor NSR permit or permit proceeding occurring after the Date of Lodging with respect to the Refinery, provided that the new or modified emissions units at which credits are being used: (1) is being constructed or modified for purposes of compliance with clean fuels requirements (72 Fed. Reg. 8428, amending 40 C.F.R. Part 80); and (2) has a federally enforceable, non-Title V permit that reflects the following requirements that are applicable to the pollutants for which credits are being used:

- a. For heaters and boilers, a limit of 0.027 lbs. NO<sub>x</sub> per million BTU on a 3-hour rolling average basis;
- b. For heaters and boilers, a limit of 0.10 grains of hydrogen sulfide per dry standard cubic foot of fuel gas or 20 ppmvd SO<sub>2</sub> corrected to 0% O<sub>2</sub> both on a 3-hour rolling average;
- c. For heaters and boilers, no liquid or solid fuel firing authorization;
- d. For FCCUs, a limit of 20 ppmvd NO<sub>x</sub> or less on a 365-day rolling average basis corrected to 0% O<sub>2</sub>;
- e. For FCCUs, a limit of 25 ppmvd SO<sub>2</sub> or less on a 365-day rolling average basis corrected to 0% O<sub>2</sub>;
- f. For FCCUs, a limit of 0.5 pounds of PM per 1,000 pounds of coke burned on a 3-hour average basis; and
- g. For SRPs, NSPS Subpart J limits.

130. Conditions Precedent to Utilizing Exception to General Prohibition. Utilization of the exception set forth in Paragraph 129 to the general prohibition against the generation or

*Handwritten signature*  
036-11

utilization of CD Emissions Reductions set forth in Paragraph 128 is subject to the following conditions:

- a. Under no circumstances shall HOVENSA use CD Emissions Reductions for netting and/or offsets prior to the time that actual CD Emissions Reductions have occurred;
- b. CD Emissions Reductions may be used only at the HOVENSA Refinery;
- c. The CD Emissions Reductions provisions of this Consent Decree are for purposes of this Consent Decree only and neither HOVENSA, nor any other entity may use CD Emissions Reductions for any purpose, including in any subsequent permitting or enforcement proceeding, except as provided herein; and
- d. HOVENSA shall remain subject to all federal, territorial, and local regulations applicable to the PSD, major non-attainment and/or minor NSR permitting process.

131. Outside the Scope of the General Prohibition. Nothing in this Consent Decree is intended to prohibit HOVENSA from seeking to:

- a. Use or generate netting reductions or emission offset credits from refinery units that are covered by this Consent Decree to represent the difference between the emissions limitations set forth in or established pursuant to this Consent Decree for such refinery units and the more stringent emissions limitations that HOVENSA may elect to accept for those refinery units in a permitting process;
- b. Use or generate netting reductions or emission offset credits for refinery units that are not subject to an emission limitation pursuant to this Consent Decree;
- c. Use emissions reductions from the installation of controls required by this Consent Decree in determining whether a project that (a) includes both the installation of

controls under this Consent Decree and other construction and (b) is permitted as a single project triggers major New Source Review requirements;

d. Use CD Emission Reductions for HOVENSA's compliance with any rules or regulations designed to address regional haze or the non-attainment status of any area (excluding PSD and Non-Attainment New Source Review rules) that apply to HOVENSA; provided, however, that HOVENSA shall not be allowed to trade or sell any CD Emissions Reductions; or

e. Use or generate netting reductions or emission offset credits for heaters, boilers, Generating Turbines and Compressor Engines on which Qualifying Controls, as defined in Paragraph 23, have been installed, provided that such reductions are not included in HOVENSA's demonstration of compliance with the requirements of Paragraphs 24, 26, 27 and 28.

### **VIII. ADDITIONAL INJUNCTIVE RELIEF**

#### **A. Delayed Coker Unit**

##### **132. Delayed Coker Unit Steam Vents Control Technology.**

a. **Interim Coker Steam Vents Limit.** By no later than the Date of Entry, HOVENSA shall comply with a depressurization level of 10 psig for the Coker Steam Vents.

b. **Final Coker Steam Vents Limit.** By no later than December 31, 2012, HOVENSA shall comply with a depressurization level of 2 psig for the Coker Steam Vents.

133. HOVENSA shall comply with the additional limits and requirements described in Appendix H ("Additional Coker Project Injunctive Relief") in accordance with the compliance schedule set forth in Appendix H.

134. HOVENSA has tested and determined the VOC emissions from the coke cutting tank. HOVENSA provided EPA with a copy of the test protocol on September 29, 2009 and conducted the testing from December 8, 2009 through December 12, 2009. HOVENSA reported the results to EPA and the VIDPNR on March 1, 2010.

**B. NSPS Applicability: Boilers and Generating Turbines.**

135. As of the Date of Entry, Boilers 5, 8, and 9 are “affected facilities” as that term is used in 40 C.F.R. Part 60, NSPS Subparts A and D and by no later than July 31, 2012, shall be subject to and required to comply with the requirements of NSPS Subparts A and D. If HOVENSA elects to replace Boiler 5, the deadline for compliance with Subparts A and D for Boiler 5 shall be no later than December 31, 2015. HOVENSA shall notify EPA and VIDPNR by no later than July 31, 2012 if HOVENSA elects to replace Boiler 5.

136. Generating Turbines 1 through 9 are “affected facilities” as that term is used in 40 C.F.R. Part 60, Subparts A and GG. By no later than five (5) years from Date of Entry, Generating Turbines 1 through 8 shall be subject to and comply with the requirements of NSPS Subparts A and GG. As of Date of Entry, Generating Turbine 9 shall be subject to and comply with the requirements of NSPS Subparts A and GG.

**IX. TERRITORIAL SUPPLEMENTAL ENVIRONMENTAL PROJECT**

**A. Territorial Supplemental Environmental Project**

**137. Virgin Islands Territorial SEP.**

a. HOVENSA shall undertake a SEP designed to benefit the U.S. Virgin Islands (the “Virgin Islands Territorial SEP”), as provided in this Part.

b. Virgin Islands Territorial SEP Fund. HOVENSA shall provide funding to support one or more supplemental environmental projects to be implemented for the benefit of

the Virgin Islands. Within 120 Days of the Date of Entry, HOVENSA shall deposit no less than \$4,875,000 into an escrow account established by HOVENSA for the purpose of implementing this SEP. Projects to be funded by the Virgin Islands Territorial SEP Fund are to be determined jointly by HOVENSA and the Virgin Islands, in consultation with EPA and in consideration of the environmental, public health, pollution prevention or reduction, or other benefits consistent with the objectives of the environmental protection laws of the United States.

c. Not later than ninety (90) Days prior to any request by the Virgin Islands for disbursement of funds pursuant to this Paragraph, the Virgin Islands (after consultation with EPA and HOVENSA) shall submit for review and comment by EPA and HOVENSA a written description of the project(s) to be funded, the purpose and anticipated environmental benefits of the project(s), the recipient(s) of the funding, and any other necessary and relevant information describing the project(s) to be funded. Following consultation, review and comment, the written description of the project(s) will be revised as needed by the Virgin Islands to reflect EPA's and HOVENSA's comments.

d. Upon written project approval by HOVENSA and the Virgin Islands, and within thirty (30) Days of the written request of the Virgin Islands, HOVENSA shall disburse such funds, as directed by the Virgin Islands for the purpose of implementing the project(s). Such funds disbursed pursuant to this Paragraph shall only be used for project(s) approved as provided in this Paragraph. Seven (7) Days prior to any such disbursement, HOVENSA shall notify the Parties pursuant to Paragraph 225 (Notice) of such intended disbursement.

138. In the event HOVENSA does not disburse the full amount of the escrow account including interest as required by Subparagraph 137.b on the project(s), HOVENSA shall pay as a penalty an amount equal to the difference between the amount disbursed for the project(s)

demonstrated in the certified cost report required by Paragraph 140, and the amount required by Subparagraph 137.b. This stipulated penalty shall be paid to the Virgin Islands as provided in Subparagraph 146.b.

139. By signing this Consent Decree, HOVENSA certifies that it is not required, and has no liability under any federal or territorial law or regulation or pursuant to any agreements or orders of any court, to undertake or develop the SEP. HOVENSA further certifies that it has not applied for or received, and will not in the future apply for or receive: (i) credit as a Supplemental Environmental Project or other penalty offset in any other enforcement action for the SEP; (ii) credit for any emissions reductions resulting from the SEP in any federal or territorial emissions trading or early reduction program; or (iii) a deduction from any federal or territorial tax based on its participation in, performance of, or incurrence of costs related to the SEP.

140. HOVENSA will include in each semi-annual report required by Paragraph 143 a progress report for the period during which the SEP is being implemented. In addition, for the semi-annual period in which the SEP is completed, the semi-annual report required by Part X (Reporting and Recordkeeping), will be a report detailing disbursements from the VI Territorial SEP Fund, certified as accurate by a responsible HOVENSA official.

**B. Additional Work**

140A. VIWAPA Emissions Monitoring Assistance. HOVENSA shall assist the Virgin Islands Water and Power Authority (VIWAPA) with respect to certain air emissions monitoring, as provided in this Paragraph.

a. By no later than 180 Days of the Date of Entry, HOVENSA shall submit for EPA approval a Statement of Work (SOW) detailing technical and other assistance and

support to be provided by HOVENSA to VIWAPA for the operation and maintenance of opacity, NOx and CO continuous emissions monitoring systems (CEMS) at the VIWAPA facilities located at Estate Richmond, St. Croix, and Krum Bay, St. Thomas, U.S. Virgin Islands.

b. The assistance and support to be provided are intended to support VIWAPA's capacity to properly operate and maintain CEMS at its facility. Such support may include periodic technical and other training of VIWAPA employees, provision of manuals or similar materials, or consultation on request, concerning CEMS operation and maintenance, and such other support and assistance as HOVENSA and VIWAPA agree may be necessary and appropriate for the completion of the VIWAPA Emissions Monitoring Assistance. HOVENSA may use contractors and/or contractor support for the VIWAPA Emissions Monitoring Assistance. HOVENSA shall not itself perform, participate (physically or otherwise) in performing, or assume responsibility for, any work, tasks, or functions that VIWAPA is legally obligated to perform or performs in the ordinary course of its business.

c. HOVENSA shall consult with VIWAPA (and may consult with EPA) in its development of the SOW.

d. The SOW shall include, but need not be limited to, a detailed description of the technical and other assistance and support to be provided to VIWAPA, a schedule for implementation and an estimate of the costs.

e. The support to be provided by HOVENSA shall be provided for not less than one (1) year but not more than five (5) years, such period to commence upon a date agreed to by HOVENSA and VIWAPA, provided that the SOW has been approved by EPA, and after VIWAPA has installed the CEMS. In no event shall such support be required to be provided by HOVENSA after the termination of this Consent Decree. In the event VIWAPA has not

installed the CEMS and requested that the support commence within five (5) years of the Date of Entry, HOVENSA shall not be required to provide support services to VIWAPA pursuant to this Paragraph.

f. HOVENSA shall not be required to spend more than \$500,000 in the execution of the VIWAPA Emissions Monitoring Assistance required by this Paragraph.

g. HOVENSA shall promptly report to EPA any impediments or difficulties that may delay the development or execution of the VIWAPA Emissions Monitoring Assistance. In such circumstances EPA may thereafter agree with HOVENSA, for good cause shown, to modify or otherwise revise the terms of the VIWAPA Emissions Monitoring Assistance's SOW.

h. HOVENSA will include in each semi-annual report required by Paragraph 143 a progress report for the period during which the VIWAPA Emissions Monitoring Assistance is being developed and implemented. In addition, for the semi-annual period in which the VIWAPA Emissions Monitoring Assistance is completed, the semi-annual report required by Part X (Reporting and Recordkeeping), will contain (i) a detailed description of the VIWAPA Emissions Monitoring Assistance as implemented, including expenditures, certified as accurate by a responsible company official; (ii) a brief description of any significant problems encountered, and solutions for such problems; and (iii) a certification that HOVENSA has completed its obligations for the VIWAPA Emissions Monitoring Assistance as required by this Consent Decree.

i. HOVENSA shall provide a copy of the applicable provisions of the VIWAPA Emissions Monitoring Assistance SOW to each consulting or contracting firm that is retained to perform work required by this Paragraph. This requirement shall apply in lieu of the

requirement in Paragraph 8 to provide a copy of relevant portions of this Consent Decree to any contractor retained by HOVENSA to perform work required by this Consent Decree.

**C. Public Statements.**

141. HOVENSA agrees that in any public statements regarding the Territorial Supplemental Environmental Project(s) and the VIWAPA Emissions Monitoring Assistance required under this Part, HOVENSA must clearly indicate that these are being undertaken as part of the settlement of an enforcement action for alleged violations of the Clean Air Act and corollary Virgin Island laws and/or regulations. However, it is expressly understood by the parties that the costs to implement the VIWAPA Emissions Monitoring Assistance is not a fine or a penalty and does not reduce any fine or penalty imposed by this Consent Decree.

**X. REPORTING AND RECORDKEEPING**

142. HOVENSA shall retain all records required to be maintained in accordance with this Consent Decree for a period of five (5) years or until Termination, whichever is longer, unless applicable regulations require the records to be maintained longer.

143. Beginning thirty (30) Days after the end of the first semi-annual period after the Date of Entry and semi-annually thereafter on January 31 and July 31 until termination of this Consent Decree, HOVENSA will submit to EPA and VIDPNR a progress report. The reports will contain the following information:

- a. General. Each report will contain:
  - i. A progress report on the implementation of the requirements of Part V (Affirmative Relief/Environmental Projects);

*John  
05/21/11*

ii. A summary of the emissions data that is specifically required by the reporting requirements of Part V (Affirmative Relief/Environmental Projects) for the period covered by the report;

iii. A description of any problems anticipated with respect to meeting the requirements of Part V (Affirmative Relief/Environmental Projects);

iv. A description of the status of the SEP being conducted under Part IX (Territorial Supplemental Environmental Project); and

v. Any such additional matters as HOVENSA believes should be brought to the attention of EPA and VIDPNR.

b. Emissions Data. In the semi-annual report required to be submitted on July 31 of each year, HOVENSA shall provide a summary of annual emissions data for the prior calendar year. The summary shall include:

i. NO<sub>x</sub>, SO<sub>2</sub>, CO and PM emissions in tons per year as a sum for all heaters and boilers greater than 40 mmBTU/hr maximum fired duty listed in Appendix A ("List of Heaters and Boilers Greater Than 40 mmBTU Per Hour, Generating Turbines and Compressor Engines");

ii. NO<sub>x</sub>, SO<sub>2</sub>, CO and PM emissions in tons per year for the Generating Turbines listed in Appendix A ("List of Heaters and Boilers Greater Than 40 mmBTU Per Hour, Generating Turbines and Compressor Engines");

iii. SO<sub>2</sub> and TRS emissions in tons per year for each sulfur recovery plant;

iv. SO<sub>2</sub> emissions in tons per year from all Acid Gas Flaring and Tail Gas Incidents, by flare;

v. NO<sub>x</sub>, SO<sub>2</sub>, CO and PM emissions in tons per year as a sum for all other emissions units for which emissions information is required to be included in HOVENSA's annual emissions summary required under 12 VIRR

Section 206-93 and are not identified in (i) through (vi) of this Paragraph; and

vi. The basis for each estimate required in this Subparagraph (i.e., stack tests, CEMS, PEMS, etc.) and an explanation of the methodology used to calculate the tons per year emitted.

To the extent that the required emissions summary data is available in other reports generated by HOVENSA, such other reports can be attached or the appropriate information can be extracted from such other reports and attached to the semi-annual report to satisfy the requirement.

c. Exceedances of Emission Limits. In each semi-annual report, HOVENSA shall identify each exceedance of an emission limit required or established by this Consent Decree that occurred during the previous semi-annual period. The semi-annual report shall include the following information:

i. For emissions units that are monitored with CEMS or PEMS, for each CEMS or PEMS:

(1) Total period where the emissions limit was exceeded, if applicable, expressed as a percentage of operating time for each calendar quarter;

(2) Where the operating unit has exceeded the emissions limit more than 1% of the total time of the calendar quarter, identification of each averaging period that exceeded the limit by time and date, the actual emissions of that averaging period (in the units of the limit), and any

identified cause for the exceedance (including startup, shutdown, maintenance or malfunction), and, if it was a malfunction, an explanation and any corrective actions taken;

(3) Total downtime of the CEMS or PEMS, if applicable, expressed as a percentage of operating time for the calendar quarter;

(4) Where the CEMS or PEMS downtime is greater than 5% of the total time in a calendar quarter for a unit, identify the periods of downtime by time and date, and any identified cause of the downtime (including maintenance or malfunction), and if it was a malfunction, an explanation and any corrective action taken;

(5) If a report filed pursuant to another applicable legal requirement contains all of the information required by this Subparagraph 143.c.i in a similar or same format, the requirements of this Subparagraph 143.c.i may be satisfied by attaching a copy of such report.

ii. For any exceedance of an emissions limit required or established by this Consent Decree that is monitored through stack testing:

(1) A summary of the results of the stack test in which the exceedance occurred;

(2) A copy of the full stack test report in which the exceedance occurred;

(3) To the extent that HOVENSA has already submitted the stack test results, HOVENSA need not resubmit them, but may instead

reference the submission in the report (e.g., date, addressee, reason for submission).

144. Each report will be certified for HOVENSA by an officer of HOVENSA responsible for overseeing implementation of this Consent Decree, as follows:

"I certify under penalty of law that this information was prepared under my direction or supervision by personnel qualified to properly gather and evaluate the information submitted. Based on my directions and after reasonable inquiry of the person(s) directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete."

#### **XI. CIVIL PENALTY**

145. In satisfaction of the civil claims asserted by the United States and the Virgin Islands in the Complaint filed in this matter, by no later than thirty (30) Days after the Date of Entry, HOVENSA shall pay a civil penalty of \$5,125,000 to the United States and a civil penalty of \$250,000 to the Virgin Islands.

146. Payment.

a. Payment to the United States. Payment to the United States shall be made by Electronic Funds Transfer ("EFT") to the United States Department of Justice, in accordance with current EFT procedures, referencing the USAO File Number 2010V00064, DOJ Case Number 90-5-2-08229/1, and the civil action case name and case number of this action in the District of the Virgin Islands. The costs of such EFT shall be the responsibility of HOVENSA. Payment shall be made in accordance with instructions provided to HOVENSA by the Financial Litigation Unit of the United States Attorney's Office for the District of the Virgin Islands. Any funds received after 11:00 a.m. (EDT) shall be credited on the next business day. HOVENSA shall provide notice of payment, referencing the USAO File Number 2010V00064, DOJ Case

Number 90-5-2-08229/1, and the civil action case name and case number, to the United States as provided in Paragraph 225 (Notice).

b. Payment to the Virgin Islands. Payment to the Virgin Islands shall be made by certified check or checks or cashier's checks made payable to "Government of the Virgin Islands Department of Planning & Natural Resources," referencing the name and address of the party making payment, and the civil action number. HOVENSA shall send the check(s) to:

Government of the Virgin Islands  
Department of Planning & Natural Resources  
8100 Lindberg Bay, Ste. #1  
Cyril E. King Airport, Terminal Bldg. Second Floor  
St. Thomas, V.I. 00802

147. The civil penalty set forth herein, as well as any stipulated penalty incurred pursuant to Part XII (Stipulated Penalties), is a penalty within the meaning of Section 162(f) of the Internal Revenue Code, 26 U.S.C. § 162(f), and, therefore, HOVENSA will not treat such penalty payment as tax deductible for purposes of federal or territorial law.

148. Upon the Date of Entry, this Consent Decree will constitute an enforceable judgment for purposes of post-judgment collection in accordance with Rule 69 of the Federal Rules of Civil Procedure, the Federal Debt Collection Procedures Act, 28 U.S.C. § 3001, et seq., and other applicable federal authority. The United States will be deemed as judgment creditors for purposes of collecting any unpaid amounts of the penalty and interest pursuant to this Part, or any stipulated penalty owed pursuant to Part XII (Stipulated Penalties).

## **XII. STIPULATED PENALTIES**

149. Except as otherwise provided in Paragraph 138 (Territorial Supplemental Environmental Project), HOVENSA shall pay stipulated penalties as provided in this Part to the

United States for each failure by HOVENSA to comply with the terms of this Consent Decree. Stipulated penalties shall be calculated in the amounts specified in this Part. For those provisions where a stipulated penalty of either a fixed amount or 1.2 times the economic benefit of delayed compliance is available, the decision of which alternative to seek shall rest exclusively within the discretion of the United States. Where a single event triggers more than one stipulated penalty provision, only the higher of the individual stipulated penalties shall apply.

**A. Requirements for NO<sub>x</sub> Emissions Reductions from the FCCU**

150. [Reserved]

151. For each failure to meet the FCCU NO<sub>x</sub> limit set forth in Paragraph 11: \$750 for each day that the specified 7-day rolling average exceeds the applicable limit; and \$2,500 for each day that the specified 365-day rolling average exceeds the applicable limit.

**B. Requirements for SO<sub>2</sub> Emissions Control from the FCCU**

152. For failure to meet any FCCU SO<sub>2</sub> limit set forth in Paragraph 13: \$750 for each day that the specified 7-day rolling average exceeds the applicable limit; and \$2,500 for each day that the specified 365-day rolling average exceeds the applicable limit.

**C. Requirements for PM Emissions Control from the FCCU**

153. For failure to meet the FCCU PM limit set forth in Paragraph 15: \$500 for the first day of non-compliance with the limit, and \$1,500 for each day thereafter until HOVENSA demonstrates compliance.

**D. Requirements for CO Emissions Control from the FCCU**

154. For each failure to meet any FCCU CO limit that HOVENSA accepts pursuant to Paragraph 18 or 19 (if applicable): \$750 for each day that the specified 1-hour block average

exceeds the applicable limit; and \$2,500 for each day that the specified 365-day rolling average exceeds the applicable limit.

**E. Requirements Related to NSPS Applicability to FCCU Catalyst Regenerator.**

155. For failure to comply with NSPS Subparts A and J (or Ja, if applicable, for CO, SO<sub>2</sub>, or PM) limits applicable to the FCCU's catalyst regenerator, as specified in Paragraph 22, per pollutant, per day:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day	\$1,000
31 <sup>st</sup> through 60 <sup>th</sup> day	\$2,000
Over 60 days	\$3,000, or an amount equal to 1.2 times the economic benefit of non-compliance, whichever is greater.

**F. Requirements for NO<sub>x</sub> Emission Reductions from Heaters, Boilers, Generating Turbines and Compressor Engines.**

156.

a. For failure to install Qualifying Controls, submit permit applications or incorporate emission limits into permits for heaters, boilers, Generating Turbines, or Compressor Engines as required by Paragraphs 24, 26, 27 or 28:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day after deadline	\$2,500
31 <sup>st</sup> through 60 <sup>th</sup> day after deadline	\$6,000
Beyond 60 <sup>th</sup> day after deadline	\$10,000, or an amount equal to 1.2 times the economic benefit of non-compliance, whichever is greater.

b. For failure to reduce NO<sub>x</sub> emissions from heaters, boilers, Generating Turbines, or Compressor Engines, as required by Paragraphs 24, 26, 27 or 28:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day after deadline	\$2,500
31 <sup>st</sup> through 60 <sup>th</sup> day after deadline	\$6,000

*John*  
03 Jan 11

Beyond 60<sup>th</sup> day after deadline \$10,000, or an amount equal to 1.2 times the economic benefit of non-compliance, whichever is greater.

c. For failure to comply with any permit requirement (contained in permits required by Paragraphs 24, 26, 27 or 28) to control NO<sub>x</sub> emissions: \$500 per unit, per day.

**G. Requirements for SO<sub>2</sub> Emissions Reductions from Heaters, Boilers and Generating Turbines**

157. For burning any fuel gas that contains H<sub>2</sub>S in excess of the applicable requirements of NSPS Subparts A and J (or Ja, as applicable) in one or more heaters or boilers or other identified equipment listed in Appendix C ("NSPS Subpart J or Ja Compliance Schedule for Listed Fuel Gas Combustion Devices (Other than Flaring Devices)"), per event, per day:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day	\$2,500
Beyond 31 <sup>st</sup> day	\$5,000 or an amount equal to 1.2 times the economic benefit of delayed compliance, whichever is greater.

158. For burning Fuel Oil in any combustion unit in violation of Paragraphs 37, 38 or 39, per unit, per day:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day	\$1,750
Beyond 31 <sup>st</sup> day	\$5,000 or an amount equal to 1.2 times the economic benefit of delayed compliance, whichever is greater

**H. Requirements for Sulfur Recovery Plants**

159. For failure to comply with the NSPS Subparts A and J (or Ja, as applicable) emission limits at the Sulfur Recovery Plants, as specified in Paragraphs 44 and 45, per unit, per day:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30th day	\$1,000
31 <sup>st</sup> through 60th day	\$2,000

*Handwritten signature and date:*  
 03 Jul 11

Over 60 days \$3,000 or an amount equal to 1.2 times the economic benefit of non-compliance, whichever is greater

160. For failure to route or re-route all sulfur pit emissions in accordance with the requirements of Paragraph 43, per unit, per day:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day	\$1,000
31 <sup>st</sup> through 60 <sup>th</sup> day	\$1,750
Beyond 60 <sup>th</sup> day	\$4,000 or an amount equal to 1.2 times the economic benefit of delayed compliance, whichever is greater

161. For failure to develop and implement a Preventative Maintenance Operation Plan, pursuant to Paragraph 48, per day:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day after deadline	\$500
31 <sup>st</sup> through 60 <sup>th</sup> day after deadline	\$1,500
Beyond 60 <sup>th</sup> day after deadline	\$2,000

**I. Requirements for Flaring Devices**

162. For failure to comply with applicable NSPS Subparts A and Ja requirements, at the flares listed on Appendix D ("List of Flaring Devices Subject to NSPS Subparts J/Ja") after the date on which HOVENSA has accepted NSPS applicability, as set forth in Paragraphs 49 and 50, per Flaring Device:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day after deadline	\$500
31 <sup>st</sup> through 60 <sup>th</sup> day after deadline	\$1,500
Beyond 60 <sup>th</sup> day after deadline	\$2,000

163. For failure to submit the NSPS Subparts J/Ja compliance certification as required by Paragraph 52, per Flaring Device:

<u>Period of Delay</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day	\$500
31 <sup>st</sup> through 60 <sup>th</sup> day	\$1,500

*JHB*  
 03/21/11

Beyond 60<sup>th</sup> day \$2,000

**J. Requirements for Benzene Waste NESHAP Program**

164. For violations of the Paragraphs identified below, the amounts defined shall apply.

a. Failure to conduct audit or compliance review and verification required by Paragraphs 79 and 82: \$5,000 per month per review/audit.

b. Failure to sample as required by Paragraph 88: \$2,500 per week, per stream or \$15,000 per quarter, per stream (whichever amount is greater, but not to exceed \$75,000 per quarter).

c. Failure to install carbon canister as required by Paragraph 81: \$1,000 per day per canister.

d. Failure to replace carbon canister as required by Paragraph 81: \$1,000 per day per canister.

e. Failure to perform monitoring as required by Paragraph 81: \$500 per monitoring event.

f. Failure to provide the training as required by Paragraph 84: \$10,000 per quarter.

g. If it is discovered by an EPA or territorial investigator or inspector, or their agent, that HOVENSA failed to include all benzene waste streams in its TAB, in accordance with Paragraph 79, for each waste stream that is:

Less than 0.03 Mg/yr	\$250 per stream
Between 0.03 and 0.1 Mg/yr	\$1,000 per stream
Between 0.1 Mg/yr and 0.5 Mg/yr	\$5,000 per stream
Greater than 0.5 Mg/yr	\$10,000 per stream

h. Failure to monitor API separators as specified in Paragraph 93: \$100 per missed monitoring location.

i. Failure to monitor API separators quarterly if the leak rate exceeds one (1) percent, as specified in Subparagraph 93.a.iii.(2): \$10,000 per separator.

**K. Requirements for Leak Detection and Repair Program**

165. Requirements for Leak Detection and Repair Program (Section V.R):

a. Failure to have the written LDAR program as required by Paragraph 103: \$3,500 per week.

b. Failure to provide the training required by Paragraph 105: \$10,000 per quarter.

c. Failure to implement the requirements of Paragraph 106 (Audits): \$5,000 per month per audit.

d. Failure to implement the requirements of Paragraph 109 (Leak Definitions): \$100 per component, up to \$10,000 per month per process unit.

e. Failure to implement the requirements of Paragraph 112 (Valve Preventative Maintenance Program):

i. For failure to perform and record external valve or stuffing box surveys according to Paragraph 112: \$300 per survey.

*jug*  
*03/21/11*

- ii. For failure to install new or replacement valves with packing and/or valve technology and record information as required under Subparagraph 112.c: \$300 per valve.
- iii. For failure to repack/replace to the extent required by Subparagraph 112.b, and record relevant information on valves which leaked above applicable leak definitions, and which were determined to be in poor condition according to the external valve survey (if performed) under Subparagraph 112.a: \$1200.
- iv. For failure to repack/replace as required by Subparagraph 112.b, and record required information on valves which leaked above applicable leak definitions, and which were determined to be in good condition according to the external valve survey performed under Subparagraph 112.a: \$1000.
- v. For failure to repack/replace as required by Subparagraph 112.b, and record required information on valves which have not leaked above applicable leak definitions, and which were determined to be in poor condition according to the external valve survey (if performed) under Subparagraph 112.a: \$800.
- vi. For failure to repack/replace as required by Paragraph 112.b, and record required information on valves which have not leaked above applicable leak definitions, and which were determined to be in good condition according to the external valve survey performed under Subparagraph 112.a: \$600. This provision shall only apply to a valve which has leaked above 100 ppm during the last monitoring period prior to the turnaround.

f. Failure to implement the requirements under Subparagraphs 113.a and 113.b (LDAR Monitoring Frequency): \$100 per component, up to \$10,000 per month per process unit.

g. Failure to implement the requirements under Paragraphs 114 and 115 (Electronic Storage of LDAR Data/Electronic Monitoring and Reporting of the LDAR Data): \$5,000 per month per process unit.

h. Failure to implement the requirements under Paragraph 117 (LDAR Personnel): \$3,750 per week.

i. Failure to implement the requirements under Paragraph 116 (QA/QC of LDAR Data): \$1,000 per event.

j. Failure to implement the requirements under Paragraphs 119 and 120 (Calibration/Calibration Drift Assessment): \$100 per missed event per day.

k. Failure to implement the requirements under Paragraph 121 (Extended Maintenance and Delay of Repair): Subparagraph 121.a: \$1000 per component; Subparagraph 121.b: \$2500 per component; Subparagraph 121.c: \$5,000 per component.

l. If, after the initial audit required under Subparagraph 106.a., an EPA or territorial investigator or inspector, or their agent, discovers that HOVENSA failed to include a component in the LDAR program for monitoring within 120 Days of documented date of installation: \$1500 per component.

m. If, after the initial audit required under Subparagraph 106.a, HOVENSA discovers that it failed to include a component in the LDAR program for monitoring within 120 Days of documented date of installation: \$175 per component.

n. Failure to correctly perform EPA Test Method 21 (or the alternate leak detection method pursuant to Paragraph 104), as indicated by the leak percentage ratio determined through comparative monitoring and calculated as described in Paragraph 107, provided the auditor identified at least three (3) leaking valves in the process unit:

Ratio process unit valve leak percentage to average valve leak percentage reported for process unit (Paragraph 107)	Stipulated Penalty for 4-monitoring periods, per process unit
3.0	\$15,000
4.0	\$30,000
5.0	\$45,000
6.0 or greater	\$60,000

o. For failure to comply with Paragraph 102:

Period of Delay	Penalty per Day
1 <sup>st</sup> day through 30 <sup>th</sup> day after deadline	\$50
31 <sup>st</sup> day through 60 <sup>th</sup> day after deadline	\$500
Beyond 60 <sup>th</sup> day after deadline	\$1,000

p. Failure to comply with the requirements of 40 C.F.R. Part 60, Subpart GGG, as required in Paragraph 101 within three (3) years after the Date of Lodging:

Period of Non-Compliance	Penalty per day
1 <sup>st</sup> through 30 <sup>th</sup> day	\$625
31 <sup>st</sup> through 60 <sup>th</sup> day	\$1,500
Beyond 60 <sup>th</sup> day	\$2,500 or an amount equal to 1.2 times the economic benefit of delayed compliance whichever is greater.

*Jul  
03/21/11*

**L. Requirements to Incorporate Consent Decree Requirements into Federally-Enforceable Permits**

166. For each failure to submit an application as required by Paragraphs 124, 125 and 127:

<u>Period of Delay</u>	<u>Penalty per day</u>
1 <sup>st</sup> day through 30 <sup>th</sup> day after deadline	\$1,000
31 <sup>st</sup> day through 60 <sup>th</sup> day after deadline	\$2,500
Beyond 60 <sup>th</sup> day after deadline	\$5,000

**M. Requirements Related to Territorial Supplemental Environmental Project**

167. For failure to comply with any requirement for the Supplemental Environmental Project under Part IX (Territorial Supplemental Environmental Project), per requirement, per day:

<u>Period of Delay</u>	<u>Penalty per day</u>
1 <sup>st</sup> day through 30 <sup>th</sup> day after deadline	\$1,000
31 <sup>st</sup> day through 60 <sup>th</sup> day after deadline	\$2,500
Beyond 60 <sup>th</sup> day after deadline	\$5,000

Such stipulated penalties shall be paid to the Virgin Islands.

**N. Requirements for Monitoring, Reporting and Recordkeeping**

168. For failure to install, certify, calibrate, maintain and/or operate a CEMS or PEMS, as required by Paragraphs 12, 14, 21, per day:

<u>Period of Delay</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day after deadline	\$500
31 <sup>st</sup> through 60 <sup>th</sup> day after deadline	\$1,000
Beyond 60 <sup>th</sup> day after deadline	\$2,000 or an amount equal to 1.2 times the economic benefit of delayed compliance, whichever is greater

169. For failure to conduct PM testing or comply with performance testing required by Paragraph 16:

*JSK*  
03-11

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> day through 30 <sup>th</sup> day after deadline	\$200
31 <sup>st</sup> through 60 <sup>th</sup> day after deadline	\$500
Beyond 60 <sup>th</sup> day after deadline	\$1,000

170. For failure to comply with NSPS Subparts A and J monitoring requirements at the Sulfur Recovery Plants, as specified in Paragraphs 44 and 45, per day:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> day through 30 <sup>th</sup> day after deadline	\$500
31 <sup>st</sup> through 60 <sup>th</sup> day after deadline	\$1,500
Beyond 60 <sup>th</sup> day after deadline	\$2,000

171. For failure to submit reports as required by Part X (Reporting and Recordkeeping), per report, per day:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> day through 30 <sup>th</sup> day after deadline	\$500
31 <sup>st</sup> through 60 <sup>th</sup> day after deadline	\$1,000
Beyond 60 <sup>th</sup> day after deadline	\$2,000

172. For failure to submit any written deliverable required by this Consent Decree, per deliverable, per day:

<u>Period of Delay</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day after deadline	\$200
31 <sup>st</sup> through 60 <sup>th</sup> day after deadline	\$500
Beyond 60 <sup>th</sup> day after deadline	\$1,000

**O. Requirements to Pay Civil Penalty**

173. For failure to make any civil penalty payment required by Part XI (Civil Penalty) HOVENSA shall be liable for: \$15,000 per day, and interest on the amount overdue at the rate specified in 28 U.S.C. § 1961(a).

*JWB*  
*03/21/11*

**P. Requirement to Pay Stipulated Penalties**

174. For failure to pay or escrow stipulated penalties as required by Paragraphs 176 and 177: \$2,500 per day, per penalty, plus interest on the amount overdue at the rate specified in 28 U.S.C. § 1961(a).

**Q. Requirements for Coker**

175. For failure to comply with the interim depressurization level for the Coker, as specified in Subparagraph 132.a, or when applicable the final depressurization level, as specified in Subparagraph 132.b, per day:

<u>Period of Non-Compliance</u>	<u>Penalty per day</u>
1 <sup>st</sup> through 30 <sup>th</sup> day	\$1,000
31 <sup>st</sup> through 60 <sup>th</sup> day	\$2,000
Over 60 days	\$3,000 or an amount equal to 1.2 times the economic benefit of non-compliance, whichever is greater

**R. General Provisions Related to Stipulated Penalties**

176. Payment of Stipulated Penalties. Stipulated penalties under this Part will begin to accrue on the day after performance is due or on the day a violation occurs, whichever is applicable, and will continue to accrue until performance is satisfactorily completed or until the violation ceases. HOVENSA shall pay stipulated penalties upon written demand by the United States (or by the Virgin Islands pursuant to Paragraph 167) no later than sixty (60) Days after HOVENSA receives such demand. Stipulated Penalties shall be paid to the United States or the Virgin Islands (as applicable) in the manner set forth in Part XI (Civil Penalty). A demand for the payment of stipulated penalties will identify the particular violation(s) to which the stipulated penalty relates, the stipulated penalty amount for each violation (as can be best estimated), the calculation method underlying the demand, and the grounds upon which the demand is based.

*JSB*  
03/21/11

The United States may, in its unreviewable discretion, waive payment of all or any portion of stipulated penalties that may accrue under this Consent Decree.

177. Stipulated Penalty Dispute. Should HOVENSA dispute the United States' or the Virgin Islands' demand for all or part of a stipulated penalty, it may avoid the imposition of a stipulated penalty for failure to pay a stipulated penalty under Paragraph 176 by placing the disputed amount demanded in a commercial escrow account pending resolution of the matter and by invoking the dispute resolution provisions of Part XVI (Retention of Jurisdiction/Dispute Resolution) within the time provided in Paragraph 176 for payment of stipulated penalties. If the dispute is thereafter resolved in HOVENSA's favor, the escrowed amount plus accrued interest shall be returned to HOVENSA; otherwise, EPA shall be entitled to the amount that was determined to be due by the Court, plus the interest that has accrued in the escrow account on such amount. The United States and the Virgin Islands reserve the right to pursue any other non-monetary remedies to which they are legally entitled, including, but not limited to, injunctive relief for HOVENSA's violations of this Consent Decree.

178. Where a violation of this Consent Decree is also a violation of the Clean Air Act, its regulations, or a federally-enforceable Territorial law, regulation, or permit, the United States will not seek civil penalties where it already has demanded and secured stipulated penalties from HOVENSA for the same violations nor will the United States demand stipulated penalties from HOVENSA for a Consent Decree violation if the United States has commenced litigation under the Clean Air Act for the same violations. Where a violation of this Consent Decree is also a violation of Territorial law, regulation, or a permit, VIDPNR will not seek civil penalties where it already has demanded and secured stipulated penalties from HOVENSA for the same

violations, nor will VIDPNR demand stipulated penalties from HOVENSA for a Consent Decree violation if VIDPNR has commenced litigation under the Clean Air Act for the same violations.

### **XIII. INTEREST**

179. HOVENSA shall be liable for interest on the unpaid balance of the civil penalty specified in Part XI (Civil Penalty), and/or interest on any unpaid balance of stipulated penalties to be paid in accordance with Part XII (Stipulated Penalties). All such interest shall accrue at the rate established pursuant to 28 U.S.C. § 1961(a) – i.e., a rate equal to the coupon issue yield equivalent (as determined by the Secretary of Treasury) of the average accepted auction price for the last auction of 52-week U.S. Treasury bills settled prior to the Date of Lodging. Interest shall be computed daily and compounded annually. Interest shall be calculated from the date payment is due through the date of actual payment. For purposes of this Paragraph, interest will cease to accrue on the amount of any stipulated penalty payment placed into an interest bearing escrow account as provided by Paragraph 177 (Stipulated Penalties Dispute).

### **XIV. RIGHT OF ENTRY**

180. Any authorized representative of EPA or VIDPNR, upon presentation of credentials, shall have a right of entry upon the premises of the facilities of the Refinery at any reasonable time for the purpose of monitoring compliance with the provisions of this Consent Decree, including inspecting plant equipment and systems, and inspecting and copying all records maintained by HOVENSA pursuant to this Consent Decree or deemed necessary by EPA or VIDPNR to verify compliance with the Decree. Except where other time periods are specifically noted in this Consent Decree, HOVENSA shall retain such records for the period of this Consent Decree. Nothing in this Consent Decree shall limit the authority of EPA or

VIDPNR to conduct tests, inspections, or other activities under any statutory or regulatory authority.

#### **XV. FORCE MAJEURE**

181. For purposes of this Consent Decree, a “Force Majeure Event” shall mean an event that has been or will be caused by circumstances beyond the control of HOVENSA, or any contractor or other entity controlled by HOVENSA, that delays compliance with any provision of this Consent Decree or causes a violation of any provision of this Consent Decree despite HOVENSA’s best efforts to fulfill the obligation. “Best efforts to fulfill the obligation” include using best efforts to anticipate any potential Force Majeure Event and all reasonable efforts to address the effects of any such event (a) as it is occurring and (b) after it has occurred, such that the delay or violation is minimized to the greatest extent possible. “Force Majeure” does not include HOVENSA’s financial inability to perform any obligation under this Consent Decree.

182. Notice of Force Majeure Events. If any event occurs or fails to occur that may delay compliance with or otherwise cause a violation of any obligation under this Consent Decree, as to which HOVENSA intends to assert a claim of Force Majeure, HOVENSA shall notify the United States and VIDPNR in writing as soon as practicable, but in no event later than twenty (20) business days following the date HOVENSA first knew, or by the exercise of due diligence should have known, that the event caused or may cause such delay or violation. If HOVENSA learns subsequent to its execution of the Consent Decree that impacts associated with the more stringent NO<sub>2</sub> or SO<sub>2</sub> NAAQS or PM-2.5 memorandum will or may cause delay or violation of any obligation under the Consent Decree, to which HOVENSA intends to assert a claim of Force Majeure, HOVENSA shall notify the United States and VIDPNR in writing, by the later of the two following dates: (1) within ten (10) business days of the Date of Entry; or (2)

within ten (10) business days of the date when HOVENSA first knew or should have known by the exercise of due diligence that the relevant impact associated with the more stringent NO<sub>2</sub> or SO<sub>2</sub> NAAQS or PM-2.5 memorandum will or may cause delay or impediment to performance in compliance with any provision of the Consent Decree. In any notice provided pursuant to either of the preceding two sentences, HOVENSA shall reference this Paragraph and describe the anticipated length of time that the delay or violation may persist, the cause or causes of the delay or violation, all measures taken or to be taken by HOVENSA to prevent or minimize the delay or violation, the schedule by which HOVENSA proposes to implement those measures, and HOVENSA's rationale for attributing a delay or violation to a Force Majeure Event. HOVENSA shall adopt all reasonable measures to avoid or minimize such delays or violations. HOVENSA shall be deemed to know of any circumstance of which HOVENSA, or any contractor or other entity controlled by HOVENSA, knew or should have known.

183. Failure to Give Notice. If HOVENSA materially fails to comply with the notice requirements of this Part, the United States may void HOVENSA's claim for Force Majeure as to the specific event for which HOVENSA has failed to comply with such notice requirement.

184. Plaintiffs' Response. The United States, after an opportunity to consult with the Virgin Islands, shall notify HOVENSA in writing regarding its claim of Force Majeure as soon as reasonably practicable. If the United States agrees that the delay in performance has been or will be caused by a Force Majeure Event, the United States and HOVENSA shall stipulate to an extension of deadline(s) for performance of the affected Consent Decree requirement(s) by a period equal to the delay actually caused by the event (taking into account additional work HOVENSA may be required to perform due to the more stringent NO<sub>2</sub> or SO<sub>2</sub> NAAQS or PM-2.5 memorandum), or to the extent to which HOVENSA may be relieved of stipulated penalties

*HL*  
03/21/12

or other remedies provided under the terms of this Consent Decree. Such agreement shall be reduced to writing, and signed by the Parties. If the agreement results in a material change to the terms of this Consent Decree, an appropriate modification shall be made pursuant to Paragraph 228 (Modification). If such change is not material, no modification of this Consent Decree shall be required.

185. Disagreement. If the United States does not accept HOVENSA's claim of Force Majeure, or if the Parties cannot agree on the length of the delay actually caused by the Force Majeure Event, or the extent of relief required to address the delay actually caused by the Force Majeure Event, the matter shall be resolved in accordance with Part XVI (Retention of Jurisdiction/Dispute Resolution).

186. Burden of Proof. In any dispute regarding Force Majeure, HOVENSA shall bear the burden of proving that any delay in performance or any other violation of any requirement of this Consent Decree was caused by or will be caused by a Force Majeure Event. HOVENSA shall also bear the burden of proving that it gave the notice required by this Section and the burden of proving the anticipated duration and extent of any delay(s) attributable to a Force Majeure Event. An extension of one compliance date based on a particular event may, but does not necessarily, result in an extension of a subsequent compliance date.

187. Events Excluded. Unanticipated or increased costs or expenses associated with the performance of HOVENSA's obligations under this Consent Decree shall not constitute a Force Majeure Event.

188. Potential Force Majeure Events. Provided HOVENSA satisfied all requirements in Paragraphs 181 to 186 and other than as provided in Paragraph 187, the Parties agree that the kinds of events listed below are among those that could qualify as Force Majeure within the

meaning of this Part: construction, labor, or equipment delays; Malfunction of an emissions unit or emission control device; unanticipated fuel supply or pollution control reagent/catalyst delivery interruptions; acts of God; and acts of war or terrorism. Depending upon the circumstances and HOVENSA's response to such circumstances, failure of a permitting authority to issue a necessary permit in a timely fashion may constitute a Force Majeure Event where the failure of the permitting authority to act is beyond the control of HOVENSA and HOVENSA has taken all steps available to it to obtain the necessary permit, including, but not limited to: submitting a complete permit application; responding to requests for additional information by the permitting authority in a timely fashion; and accepting lawful permit terms and conditions after exhausting any legal rights to appeal terms and conditions imposed by the permitting authority.

189. As part of the resolution of any matter submitted to this Court under Part XVI (Retention of Jurisdiction/Dispute Resolution) regarding a claim of Force Majeure, the Parties (by agreement), or the Court (by order), may in appropriate circumstances only extend the schedule for completion of work under this Consent Decree to account for the delay in the work that occurred as a result of any delay agreed to by the Parties or approved by the Court. HOVENSA shall be liable for stipulated penalties for its failure thereafter to complete the work in accordance with the extended or modified schedule (provided that HOVENSA shall not be precluded from making a further claim of Force Majeure with regard to meeting any such extended or modified schedule).

**XVI. RETENTION OF JURISDICTION/DISPUTE RESOLUTION**

190. This Court shall retain jurisdiction of this matter for the purposes of implementing and enforcing the terms and conditions of this Consent Decree and adjudicating all disputes

between the United States, the Virgin Islands and HOVENSA that may arise under the provisions of this Consent Decree until the Decree terminates in accordance with Part XIX (Termination).

191. The dispute resolution procedure set forth in this Part shall be available to resolve any and all disputes arising under this Consent Decree, provided that the Party making such application has made a good faith attempt to resolve the matter with the other Party.

192. The dispute resolution procedure required herein shall be invoked by one Party giving to the other written notice of a dispute pursuant to this Part. The notice shall describe the nature of the dispute, and shall state the noticing Party's position with regard to such dispute. The Party receiving such a notice shall acknowledge receipt of the notice and the Parties shall expeditiously schedule a meeting to discuss the dispute informally no later than thirty (30) Days from the receipt of such notice.

193. Disputes submitted to dispute resolution shall, in the first instance, be the subject of informal negotiations between the Parties. Such period of informal negotiations shall not extend beyond ninety (90) Days from the date of the first meeting between representatives of the Parties, unless the Parties agree in writing that this period should be extended.

194. In the event that the Parties are unable to reach agreement during the informal negotiation period pursuant to Paragraph 193, the United States or the Virgin Islands, as applicable, shall provide HOVENSA with a written summary of its position regarding the dispute. The position advanced by the United States or the Virgin Islands, as applicable, shall be considered binding unless, within forty-five (45) Days of HOVENSA's receipt of the written summary of the United States' or the Virgin Islands' position, HOVENSA files with the Court a petition that describes the nature of the dispute. The United States or the Virgin Islands shall

respond to the petition within sixty (60) Days of the petition's filing. The Court shall decide all disputes pursuant to applicable principles of law for resolving such disputes. In their initial filings with the Court under this Paragraph, the disputing Parties shall state their respective positions as to the applicable standard of law for resolving the particular issue or issues in dispute.

195. In the event that the United States and the Virgin Islands make differing determinations or take differing action that affect HOVENSA's rights or obligations under this Consent Decree, the final decision of the United States shall take precedence.

196. Where the nature of the dispute is such that a more timely resolution of the issue is required, the time periods set forth in this Part may be shortened upon motion of one of the Parties.

197. The Parties do not intend that the invocation of this Part by a Party cause the Court to draw any inferences or establish any presumptions adverse to either Party.

198. As part of the resolution of any dispute under this Part, the Parties, by agreement, or the Court, by order, may, in appropriate circumstances, extend or modify the schedule for completion of work under this Consent Decree to account for the delay in the work that occurred as a result of the dispute resolution process. HOVENSA shall be liable for stipulated penalties for its failure thereafter to complete the work in accordance with the extended or modified schedule.

#### **XVII. EFFECT OF SETTLEMENT**

199. Definitions. For purposes of this Part, the following definitions apply:

- a. "Applicable NSR/PSD Requirements" shall mean:

i. PSD requirements at Part C of Subchapter I of the Act, 42 U.S.C. § 7475, and the regulations promulgated thereunder at 40 C.F.R. §§ 52.21 and 51.166; the portions of the applicable SIP and related rules adopted as required by 40 C.F.R. §§ 51.165 and 51.166;

ii. Any Title V regulations that implement, adopt, or incorporate the specific regulatory requirements identified above; any applicable federally-enforceable territorial regulations that implement, adopt, or incorporate the specific federal regulatory requirements identified above; any Title V permit provisions that implement, adopt, or incorporate the specific regulatory requirements identified above; and

iii. Any applicable territorial laws or regulations that implement, adopt, or incorporate the specific federal regulatory requirements identified above regardless of whether such laws or regulations have been formally approved by EPA as part of the applicable State Implementation Plan.

b. “Applicable NSPS Subparts A and J Requirements” shall mean the standards, monitoring, testing, reporting, and recordkeeping requirements found at 40 C.F.R. §§ 60.100 through 60.109 (Subpart J) relating to a particular pollutant and a particular affected facility, and the corollary general requirements found at 40 C.F.R. §§ 60.1 through 60.19 (Subpart A) that are applicable to any affected facility covered by Subpart J. This term shall also include the requirements of 12 VIRR Section 204-45, “Standards of Performance for Sulfur Recovery Units at Petroleum Refineries.”

c. “Applicable NSPS Subparts A and Ja Requirements” shall mean the standards, monitoring, testing, reporting, and recordkeeping requirements found at 40 C.F.R.

§ 60.100a through 60.109a (Subpart Ja) relating to a particular pollutant and a particular affected facility, and the corollary general requirements found at 40 C.F.R. §§ 60.1 through 60.19 (Subpart A) that are applicable to any affected facility covered by Subpart Ja.

d. “Applicable NSPS Subparts A and D Requirements” shall mean the standards, monitoring, testing, reporting, and recordkeeping requirements found at 40 C.F.R. §§ 60.40 through 60.46 (Subpart D) relating to a particular pollutant and a particular affected facility, and the corollary general requirements found at 40 C.F.R. §§ 60.1 through 60.19 (Subpart A) that are applicable to any affected facility covered by Subpart D.

e. “Applicable NSPS Subparts A and GG Requirements” shall mean the standards, monitoring, testing, reporting, and recordkeeping requirements found at 40 C.F.R. §§ 60.330 through 60.335 (Subpart GG) relating to a particular pollutant and a particular affected facility, and the corollary general requirements found at 40 C.F.R. §§ 60.1 through 60.19 (Subpart A) that are applicable to any affected facility covered by Subpart GG.

f. “Applicable NSPS Subparts A and QQQ Requirements” shall mean the standards, monitoring, testing, reporting, and recordkeeping requirements found at 40 C.F.R. §§ 60.590 through 60.593 (Subpart QQQ) relating to a particular pollutant and a particular affected facility, and the corollary general requirements found at 40 C.F.R. §§ 60.1 through 60.19 (Subpart A) that are applicable to any affected facility covered by Subpart QQQ.

g. “Benzene Waste NESHAP Requirements” shall mean the requirements imposed by the National Emission Standard for Benzene Waste Operations, 40 C.F.R. Part 61, Subpart FF, and any applicable territorial regulations that implement, adopt or incorporate the Benzene Waste NESHAP.

h. “Delayed Coker Unit Project” or “Coker Project” shall be the equipment that was newly constructed or modified between August 19, 1999 and May 8, 2002 as follows: Coker Unit process equipment and associated gas plant, process heaters, H-8501 and H-8502, Boiler No. 10, No. 7 Amine, No. 6 Sour Water Stripper, sour water tank, pitch storage tank, desalter effluent water tank, coke cutting water tank, coke pit, Nos. 1 and 2 Sulfur Recovery Plants and associated No. 1 Beavon, the process equipment located in the No. 5 Crude, No. 3 Vacuum, No. 3 Crude, No. 1 Vacuum, No. 1 Visbreaker, and Numbers. 2, 4, 6, and 7 Distillate Desulfurizing Units, and outside battery limit modifications to the terminal, tank farm and blending equipment.

i. “FCCU” shall include the riser, reactor, regenerator, air blower, spent catalyst stripper, catalyst recovery equipment, regenerator equipment for controlling air pollutant emissions, flue gas cooler, and the fractionator, its overhead condenser and associated wet gas compressor.

j. “HOVENSA” shall include HOVENSA L.L.C. and its predecessors in interest, except with respect to Paragraph 206.

k. “LDAR Requirements” shall mean the requirements relating to equipment in light liquid service and gas/vapor service set forth at 40 C.F.R. Part 60, Subpart GGG; 40 C.F.R. Part 61, Subparts J and V; and 40 C.F.R. Part 63, Subparts F, H and CC; and any applicable territorial regulations or State Implementation Plan requirements that implement, adopt or incorporate those federal regulations or set similar standards.

l. “Post-Lodging Compliance Dates” shall mean any dates in this Part after the Date of Lodging. Post-Lodging Compliance Dates include dates certain (e.g., “December 31, 2007”), dates after Lodging represented in terms of “months after Lodging”

(e.g., “12 months after the Date of Lodging”), and dates after Lodging represented by actions taken (e.g., “Date of Certification”). The Post-Lodging Compliance Dates represent the dates by which work is required to be completed or an emission limit is required to be met under the applicable provisions of this Consent Decree.

200. Liability Resolution Regarding the Applicable NSR/PSD Requirements. With respect to emissions of the following pollutants from the following units, entry of this Consent Decree shall resolve all civil liability of HOVENSA to the United States and the Virgin Islands: (1) for violations of the Applicable NSR/PSD Requirements resulting from the construction or modification of the following units that occurred prior to the Date of Lodging, and that commenced and ceased prior to the Date of Lodging; and (2) for any violations of the Applicable NSR/PSD Requirements resulting from pre-Lodging construction or modification of the following units, that commenced prior to the Date of Lodging and continued up to the following dates:

Unit	Pollutant	Date
FCCU	NO <sub>x</sub>	Date of Entry
	SO <sub>2</sub>	Date of Entry
	PM	Date of Entry
Heaters, boilers, Generating Turbines, and Compressor Engines	NO <sub>x</sub>	Eight (8) years from Date of Entry
	SO <sub>2</sub>	Date of Entry
Coker Project	H <sub>2</sub> S	December 31, 2012

The limits for VOC, CO, H<sub>2</sub>S, NO<sub>x</sub>, SO<sub>2</sub>, PM, PM-10, PM<sub>2.5</sub> and TRS contained in VIDPNR Permit STX-557A-E-02 for the Coker Project were intended to limit the emissions of these pollutants for purposes of avoiding permitting pursuant to 40 C.F.R. §52.21. Section VIII.A establishes injunctive relief to resolve EPA’s September 18, 2007 NOV, CAA-02-2007-1313, issued to HOVENSA. HOVENSA may seek relaxation of the emissions limits in Permit

*JWB*  
*03/20/11*

STX-557A-E 02 pertaining to VOC, CO, H<sub>2</sub>S, NO<sub>x</sub>, SO<sub>2</sub>, PM-10, PM, PM-2.5, or TRS upon compliance with the interim limit for the Coker Steam Vents as specified in Subparagraph 132.a and with the interim limit for Beavon Unit #1 as specified in Appendix H ("Additional Coker Project Injunctive Relief"), and all other injunctive relief specified in Appendix H. Such relaxations will not be deemed to constitute a major modification to the Refinery within the meaning of 40 C.F.R. §52.21(r)(4) and the requirements of Subparagraphs (j) through (s) of 40 C.F.R. §52.21 shall not apply by virtue of such relaxations.

201. Conditional Resolution of Liability for CO Emissions Under the Applicable NSR/PSD Requirements. With respect to emissions of CO from the Refinery FCCU, if and when HOVENSA accepts an emissions limit pursuant to Paragraph 19 and demonstrates compliance using CEMS at the Refinery FCCU, then all civil liability of HOVENSA to the United States and the Virgin Islands shall be resolved for violations of the Applicable NSR/PSD Requirements relating to CO emissions at the Refinery FCCU resulting from pre-Lodging construction or modification of the Refinery FCCU that either ceased prior to the Date of Lodging or continued up to the date on which HOVENSA demonstrates compliance with such CO emissions limit.

202. Reservation of Rights Regarding Applicable NSR/PSD Requirements: Release for Violations Continuing After the Date of Lodging Can Be Rendered Void. Notwithstanding the resolution of liability in Paragraphs 199, 200 and 201, the releases of liability by the United States and the Virgin Islands to HOVENSA for violations of the Applicable NSR/PSD Requirements during the period between the Date of Lodging and the Post Lodging Compliance Dates shall be rendered void if HOVENSA materially fails to comply with the corresponding obligations and requirements of Part V (Affirmative Relief/Environmental Projects), Sections

V.A through V.E (relating to the FCCU), Sections V.F through V.H (relating to heaters, boilers, Generating Turbines and Compressor Engines), and Part VIII (Additional Injunctive Relief), Sections VIII.A and VIII.B (relating to the Delayed Coker Unit), provided, however, that the releases in Paragraphs 199, 200, and 201 shall not be rendered void if HOVENSA remedies such material failure and pays any stipulated penalties due as a result of such material failure.

203. Exclusions from Release Coverage Regarding Applicable NSR/PSD Requirements: Construction and/or Modification Not Covered. Notwithstanding the resolution of liability in Paragraphs 199, 200, and 201, nothing in this Consent Decree precludes the United States or the Virgin Islands from seeking injunctive relief, penalties, or other appropriate relief from HOVENSA for violations by HOVENSA of the Applicable NSR/PSD Requirements resulting from: (i) construction or modification that commenced prior to the Date of Lodging, if the resulting violations relate to pollutants or units not covered by the Consent Decree; or (ii) any construction or modification that commences after the Date of Lodging.

204. Evaluation of Applicable NSR/PSD Requirements. Increases in emissions from units covered by this Consent Decree, where the increases result from the Post-Lodging construction or modification of any units within the Refinery, are beyond the scope of the release in Paragraphs 199, 200 and 201, and HOVENSA is not relieved from any obligation to evaluate any such increases in accordance with the Applicable NSR/PSD Requirements.

205. Resolution of Liability Regarding Applicable NSPS Requirements. With respect to emissions of the following pollutants from the following units, entry of this Consent Decree shall resolve all civil liability of HOVENSA to the United States and the Virgin Islands for violations of the applicable NSPS Subparts listed below from the date that the Pre-Lodging

claims of the United States and the Virgin Islands accrued up to the specified Post-Lodging

Compliance Date:

Unit	Applicable Subpart	Pollutant	Date
FCCU	A and J	SO <sub>2</sub> , CO, and PM	Date of Lodging
		PM (opacity monitoring requirements)	Date of AMP approval receipt (see Paragraph 22)
FCCU Turboexpander Vents	A and J	SO <sub>2</sub> , CO, PM (opacity)	Date of Lodging
All fuel gas combustion devices listed in Appendix C ("NSPS Subpart J or Ja Compliance Schedule for Listed Fuel Gas Combustion Devices (Other than Flaring Devices)")	A, J and Ja, as applicable	SO <sub>2</sub>	Dates listed in Appendix C ("NSPS Subpart J or Ja Compliance Schedule for Listed Fuel Gas Combustion Devices (Other than Flaring Devices)")
Flaring Devices	A, J, and Ja	SO <sub>2</sub>	Dates listed in Appendix D ("List of Flaring Devices Subject to NSPS Subparts J/Ja")
East Side SRP	A, J and Ja	SO <sub>2</sub> and TRS	April 1, 2015
West Side SRP	A, J and Ja	SO <sub>2</sub> and TRS	December 31, 2011
Generating Turbines 1-8	A and GG	NO <sub>x</sub> and SO <sub>2</sub>	Five (5) years from Date of Entry
Generating Turbine 9	A and GG	NO <sub>x</sub> and SO <sub>2</sub>	Date of Entry
Boilers 5, 8, and 9	A and D	NO <sub>x</sub> , SO <sub>2</sub> , and PM	July 31, 2012 (or 12/31/2015 for Boiler 5 if replaced)
The FCCU and Coker Drain Systems	A and QQQ	VOC	June 30, 2011

*JWB*  
03/22/11

206. Reservation of Rights Regarding Applicable NSPS Requirements: Release for Violations Continuing After the Date of Lodging Can Be Rendered Void. Notwithstanding the resolution of liability in Paragraph 205, the releases of liability by the United States and the Virgin Islands to HOVENSA for violations of the applicable NSPS Subparts listed in Paragraph 205 shall be rendered void if HOVENSA fails to comply with the obligations and requirements of Parts V (Affirmative Relief/Environmental Projects), VI (Permitting) and VIII (Additional Injunctive Relief) (relating to NSPS requirements); provided, however, that the releases in Paragraph 205 shall not be rendered void if HOVENSA remedies such failure and pays any stipulated penalties due as a result of such failure.

207. Resolution of Liability for Coker Project. Entry of this Consent Decree shall resolve all civil and administrative liability, commencing with the beginning of construction of the Coker Project through completion of the injunctive relief required pursuant to Paragraphs 132 through 134, of HOVENSA to the United States and Virgin Islands for the following:

a. EPA's November 22, 2006 NOV, CAA-02-2007-1303, issued to HOVENSA for alleged violations arising under HOVENSA's Coker Operating Permit STX-557A-E-02, and HOVENSA's written notification dated January 9, 2008, to the Virgin Islands of calculated exceedances on January 2, 2008, of Coker Process Heater (B) of PM and VOC limits in the Coker Operating Permit;

b. The findings of violation in Paragraphs 49 through 55 of EPA's September 18, 2007 NOV, CAA-02-2007-1313, issued to HOVENSA, and any other violations of the permitting regulations cited in Paragraphs 49 through 55 of the NOV with respect to the Coker Project; and

c. EPA's March 20, 2007 Compliance Order, CAA-02-2007-1004, as amended on April 5, 2007 by Compliance Order, CAA-02-2007-1004a, arising from HOVENSA's alleged failure to provide complete responses to EPA's December 21, 2006 Information Request Letter, issued pursuant to § 114 of the Clean Air Act.

208. Resolution of Liability Regarding Benzene Waste NESHAP Requirements. Entry of this Consent Decree shall resolve all civil liability of HOVENSA to the United States and the Virgin Islands for violations of the statutory and regulatory requirements set forth below in Subparagraphs a. – c. that (i) commenced and ceased prior to the Date of Lodging, or (ii) commenced prior to the Date of Lodging and continued past the Date of Lodging, provided that the events giving rise to such post-Lodging violations are identified by HOVENSA in its Initial Compliance Audit Report submitted pursuant to Paragraph 79 and corrected by HOVENSA as required under Paragraph 80.

a. Benzene Waste NESHAP. The National Emission Standard for Benzene Waste Operations, 40 C.F.R. Part 61, Subpart FF, promulgated pursuant to Section 112(e) of the Act, 42 U.S.C. § 7412(e), including any federal regulation that adopts or incorporates the requirements of Subpart FF by express reference, but only to the extent of such adoption or incorporation;

b. Any applicable, federally-enforceable permits or territorial regulations that implement, adopt, or incorporate the specific federal regulatory requirements identified in Subparagraph .a.

c. Any applicable territorial regulations enforceable by the Virgin Islands that implement, adopt, or incorporate the specific federal regulatory requirements identified in Subparagraph a.

209. Resolution of Liability Regarding LDAR Requirements. Entry of this Consent Decree shall resolve all civil liability of HOVENSA to the United States and the Virgin Islands for violations of the statutory and regulatory requirements set forth below in Subparagraphs a - c. that (i) commenced and ceased prior to the Date of Lodging, or (ii) commenced prior to the Date of Lodging and continued past the Date of Lodging, provided that the events giving rise to such post-Lodging violations are identified by HOVENSA in its Initial Compliance Audit Report submitted pursuant to Subparagraph 106.a and corrected by HOVENSA as required under Paragraph 107:

a. LDAR Requirements. For all equipment in light liquid and gas and/or vapor service, the LDAR requirements promulgated by EPA pursuant to Sections 111 and 112 of the Clean Air Act and codified at 40 C.F.R. Part 60, Subparts VV and GGG, 40 C.F.R. Part 61, Subparts J and V, and 40 C.F.R. Part 63, Subparts F, H, and CC;

b. Any applicable, federally-enforceable permits or territorial regulations that implement, adopt, or incorporate the specific regulatory requirements identified in Subparagraph a; and

c. Any applicable territorial regulations or permits enforceable by the Virgin Islands that implement, adopt, or incorporate the specific regulatory requirements identified in Subparagraph a.

210. Reservation of Rights Regarding Benzene NESHAP and LDAR Requirements. Notwithstanding the resolution of liability in Paragraphs 208 and 209, nothing in this Consent Decree precludes the United States and/or the Virgin Islands from seeking from HOVENSA injunctive and/or other equitable relief or civil penalties for violations by HOVENSA of Benzene Waste NESHAP and/or LDAR requirements that (i) commenced prior to the Date of Lodging

and continued after the Date of Lodging if HOVENSA fails to identify and address such violations as required by Paragraphs 80 and 107, or (ii) commenced after the Date of Lodging.

211. Audit Policy. Nothing in this Consent Decree is intended to limit or disqualify HOVENSA, on the grounds that information was not discovered and supplied voluntarily, from seeking to apply EPA's Audit Policy to any violations or noncompliance that HOVENSA discovers during the course of any investigation, audit, or enhanced monitoring that HOVENSA is required to undertake pursuant to this Consent Decree.

212. Claim/Issue Preclusion. In any subsequent administrative or judicial proceeding initiated by the United States or the Virgin Islands for injunctive relief, penalties, or other appropriate relief relating to HOVENSA for violations of the PSD/NSR, NSPS, NESHAP, and/or LDAR requirements not identified in this Part:

a. HOVENSA shall not assert, and may not maintain, in any subsequent administrative, civil, or criminal action commenced by the United States or the Virgin Islands any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, or claim-splitting. Nor may HOVENSA assert or maintain any other defenses based upon any contention that the claims raised by the United States or the Virgin Islands in the subsequent proceeding should have been brought in the instant case. Nothing in the preceding sentences is intended to affect the ability of HOVENSA to assert that the claims are deemed resolved by virtue of this Part.

b. Except as set forth in Subparagraph a, the United States and the Virgin Islands may not assert or maintain that this Consent Decree constitutes a waiver or determination of, or otherwise obviates, any claim or defense whatsoever, or that this Consent Decree

constitutes acceptance by HOVENSA of any interpretation or guidance issued by EPA related to the matters addressed in this Consent Decree.

213. Imminent and Substantial Endangerment. Nothing in this Consent Decree shall be construed to limit the authority of the United States and the Virgin Islands to undertake any action against any person, including HOVENSA, to abate or correct conditions which may present an imminent and substantial endangerment to the public health, welfare, or the environment.

#### **XVIII. GENERAL PROVISIONS**

214. Other Laws. Except as specifically provided by this Consent Decree, nothing in this Consent Decree shall relieve HOVENSA of its obligations to comply with all otherwise applicable federal and territorial laws and regulations, including, but not limited to, more stringent standards. In addition, nothing in this Consent Decree shall be construed to prohibit or prevent the United States or the Virgin Islands from developing, implementing, and enforcing more stringent standards subsequent to the Date of Lodging through rulemaking, the permit process, or as otherwise authorized or required under federal or territorial laws and regulations. Subject to Part XVII (Effect of Settlement) and Paragraphs 149 and 216, nothing contained in this Consent Decree shall be construed to prevent or limit any power of the United States to seek or obtain other remedies or sanctions available under federal or territorial statutes or regulations by virtue of HOVENSA's violation of this Consent Decree or of the statutes and regulations upon which this Consent Decree is based, or for HOVENSA's violations of any applicable provision of law. This shall include the right of the United States or the Virgin Islands to invoke the authority of the Court to order HOVENSA's compliance with this Consent Decree in a subsequent contempt action. The requirements of this Consent Decree do not exempt

HOVENSA from complying with any and all new or modified federal and/or territorial statutory or regulatory requirements that may require technology, equipment, monitoring, or other upgrades after the Date of Lodging.

215. Startup, Shutdown, Malfunction. Notwithstanding the provisions in this Consent Decree regarding Startup, Shutdown, and Malfunction, the Decree does not exempt HOVENSA from the requirements of territorial laws and regulations or from the requirements of any permits or plan approvals issued to HOVENSA as such laws, regulations, permits, and/or plan approvals may apply to Startups, Shutdowns, and Malfunctions at the Refinery.

216. Post-Permit Violations. Nothing in this Consent Decree shall be construed to prevent or limit the right of the United States or the Virgin Islands to seek injunctive or monetary relief for violations of limits that have been incorporated into permits pursuant to this Consent Decree; provided, however, that with respect to monetary relief, the United States and the Virgin Islands must elect between filing a new action for such monetary relief or seeking stipulated penalties under this Consent Decree, if stipulated penalties also are available for the alleged violation(s).

217. Failure of Compliance. The United States and the Virgin Islands do not, by their consent to the entry of this Consent Decree, warrant or aver in any manner that HOVENSA's complete compliance with the terms of the Decree will result in compliance with the provisions of the CAA or comparable territorial statutes and regulations. Notwithstanding the review or approval by EPA or VIDPNR of any plans, reports, policies, or procedures formulated pursuant to this Consent Decree, HOVENSA shall remain solely responsible for compliance with the terms of this Consent Decree, all applicable permits, and all applicable federal and territorial laws and regulations, except as provided in Part XV (Force Majeure).

218. Changes to Law. In the event that during the life of this Consent Decree there is change in the statutes or regulations that provide the underlying basis for the Consent Decree such that HOVENSA would not otherwise be required to perform any of the obligations herein or would have the option to undertake or demonstrate compliance in an alternative or different manner, HOVENSA may petition the Court for relief from any such requirements, in accordance with Rule 60 of the Federal Rules of Civil Procedures ("F.R.Civ.P."). However, if HOVENSA applies to the Court for relief under this Paragraph, the United States reserves the right to seek to void all or part of the Resolution of Liability reflected in Part XVII (Effect of Settlement). Nothing in this Paragraph is intended to enlarge the Parties' rights under F.R.Civ.P. Rule 60, nor is this Paragraph intended to confer on any Party any independent basis, outside of F.R.Civ.P. Rule 60, for seeking such relief.

219. Alternative Monitoring Plans. Pursuant to Paragraphs 22 or 35 of this Consent Decree, HOVENSA may submit an AMP to EPA for approval. HOVENSA shall comply with the proposed AMP pending EPA's approval or disapproval of the submitted AMP. If an AMP is not approved, then within ninety (90) Days of HOVENSA's receipt of disapproval, HOVENSA will submit to EPA for approval a plan and schedule that provide for compliance with the applicable monitoring requirements as soon as practicable. Such plan may include a revised AMP application, physical or operational changes to the equipment, or additional or different monitoring.

220. Service of Process. HOVENSA hereby agrees to accept service of process by mail with respect to all matters arising under or relating to this Consent Decree and to waive the formal service requirements set forth in Rule 4 of the F.R.Civ.P. and any applicable local rules of this Court, including, but not limited to, service of a summons. The persons identified by

HOVENSA in Paragraph 225 (Notice) are authorized to accept service of process with respect to all matters arising under or relating to this Consent Decree.

221. Post-Lodging, Pre-Entry Obligations. Obligations of HOVENSA under this Consent Decree to perform duties after the Date of Lodging but prior to the Date of Entry shall be legally enforceable only on or after the Date of Entry. Liability for stipulated penalties, if applicable, shall accrue for violations of such obligations, and the United States or the Virgin Islands may demand payment as provided in the Decree, provided that stipulated penalties accruing between the Date of Lodging and the Date of Entry may not be collected unless and until this Decree is entered by the Court.

222. Costs. Each Party to this action shall bear its own costs and attorneys' fees.

223. Public Documents. All information and documents submitted by HOVENSA pursuant to this Consent Decree shall be subject to public inspection in accordance with applicable federal law, unless subject to legal privileges or protection, or identified and supported as trade secrets or confidential business information in accordance with the applicable federal statutes or regulations.

224. Public Notice and Comment. The Parties agree to this Consent Decree and agree that this Consent Decree may be entered upon compliance with the public notice procedures set forth at 28 C.F.R. § 50.7, and upon notice to the Court from the United States Department of Justice requesting entry of this Consent Decree. The United States reserves the right to withdraw or withhold its consent to this Consent Decree at any time prior to the Date of Entry if public comments disclose facts or considerations indicating that this Consent Decree is inappropriate, improper, or inadequate.

225. Notice. Unless otherwise provided herein, notifications to or communications between the Parties shall be deemed submitted on the date they are postmarked and sent by U.S. Mail or overnight mail, postage prepaid, except for notices under Part XV (Force Majeure) and Part XVI (Retention of Jurisdiction/Dispute Resolution), which shall be sent by overnight mail or by certified or registered mail, return receipt requested. Notifications to or communications mailed to HOVENSA shall be deemed to be received on the earlier of (i) actual receipt by HOVENSA or (ii) receipt of an electronic version sent to the addressees set forth in this Paragraph. Each report, study, notification, or other communication of HOVENSA shall be submitted as specified in this Consent Decree. If the date for submission of a report, study, notification, or other communication falls on a Saturday, Sunday, or federal or territorial holiday, the report, study, notification, or other communication will be deemed timely if it is submitted the next Working Day. Except as otherwise provided herein, all reports, notifications, certifications, or other communications required or allowed under this Consent Decree shall be addressed as follows:

Any Party may change either the notice recipient or the address for providing notices to it by serving the other Party with a notice setting forth such new notice recipient or address. In addition, the nature and frequency of reports required by this Consent Decree may be modified by mutual consent of the Parties. The consent of the United States to such modification must be in the form of a written notification from EPA, but need not be filed with the Court to be effective.

226. Approvals. All EPA approvals or comments required under this Consent Decree shall be in writing.

227. Paperwork Reduction Act. The information required to be maintained or submitted pursuant to this Consent Decree is not subject to the Paperwork Reduction Act of 1980, 44 U.S.C. § 3501 et seq.

228. Modification. This Consent Decree contains the entire agreement of the Parties and will not be modified by any prior oral or written agreement, representation, or understanding. Prior drafts of this Consent Decree will not be used in any action involving the interpretation or enforcement of the Consent Decree. Non-material modifications to this Consent Decree will be effective when signed by the United States and HOVENSA. The United States will file non-material modifications with the Court on a periodic basis. For purposes of this Paragraph, non-material modifications include, but are not limited to, modifications to the frequency of reporting obligations and modifications to schedules that do not extend the date for compliance with emissions limitations following the installation of control equipment, provided that such changes are agreed upon in writing between the United States and HOVENSA. Material modifications to this Consent Decree will be in writing, signed by the Parties, and will be effective upon approval by the Court. Specific provisions in this Consent Decree that govern

specific types of modifications shall be effective as set forth in the specific provision governing the modification.

229. Effect of Shutdown. The permanent Shutdown of an emissions unit or equipment and the surrender of all permits for that emissions unit or equipment shall be deemed to satisfy all requirements of this Consent Decree applicable to that emissions unit or equipment on and after the later of: (i) the date of the Shutdown of the emissions unit or equipment; or (ii) the date of the surrender of all permits applicable to the unit or piece of equipment. The permanent Shutdown of the Refinery and the surrender of all air permits for the Refinery shall be deemed to satisfy all requirements of this Consent Decree applicable to the Refinery on and after the later of: (i) the date of the Shutdown of the Refinery; or (ii) the date of the surrender of all air permits.

#### **XIX. TERMINATION**

230. Certification of Completion: Applicable Sections. Prior to moving for termination under Paragraph 234, HOVENSA may seek to certify completion of one or more of the following Sections/Parts of the Consent Decree.

- a. Sections V.A through V.E - Fluid Catalytic Cracking Unit (including operation of the unit for one (1) year after completion in compliance with the emission limits established pursuant to this Consent Decree);
- b. Section V.F – NO<sub>x</sub> Emissions Reductions from Heaters, Boilers, Generating Turbines and Compressor Engines (including operation of the relevant units for one (1) year after installation of Qualifying Controls in compliance with the Consent Decree);
- c. Section V.G – SO<sub>2</sub> Emissions Reductions from, and NSPS Applicability to Heaters, Boilers and Generating Turbines (including operation of the relevant units for one (1) year after completion in compliance with the emission limit set pursuant to the Consent Decree);

*JHB*  
03/21/11

- d. Section V.H – Sulfur in Fuel Restrictions for Oil Burning (including operation of the relevant units for one (1) year after completion in compliance with the emission limit set pursuant to the Consent Decree);
- e. Section V.I – Sulfur Recovery Plants (including operation of the relevant units for one (1) year after completion in compliance with the emission limit set pursuant to the Consent Decree);
- f. Sections V.J through V.O - Flares; (including operation of the relevant units for one (1) year after completion in compliance with the emission limit set pursuant to the Consent Decree);
- g. Sections V.P through V.R – Benzene, NSPS QQQ, and LDAR;
- h. Part VIII – Additional Injunctive Relief (including operation of the relevant units for one (1) year after completion in compliance with the emission limit set pursuant to the Consent Decree); and
- i. Part IX – Territorial Supplemental Environmental Project.

231. Certification of Completion: HOVENSA Actions. If HOVENSA concludes that any of the Section(s) or Part(s) identified in Paragraph 230 have been completed, HOVENSA may submit a written report to EPA and VIDPNR describing the activities undertaken and certifying that the applicable Section(s) or Part(s) have been completed in full satisfaction of the requirements of this Consent Decree, and that HOVENSA is in substantial and material compliance with all of the other requirements of the Consent Decree. The report will contain the following statement, signed by a responsible corporate official of HOVENSA.

"I certify under penalty of law that this information was prepared under my direction or supervision by personnel qualified to properly gather and evaluate the information submitted. Based on my directions and after reasonable inquiry of the person(s) directly responsible for gathering the information, the information

submitted is, to the best of my knowledge and belief, true, accurate and complete.”

232. Certification of Completion: EPA Actions. Upon receipt of HOVENSA’s certification, EPA will notify HOVENSA whether the requirements set forth in the applicable Section have been completed in accordance with this Consent Decree:

a. If EPA concludes that the requirements have not been fully complied with, EPA will notify HOVENSA as to the activities that must be undertaken to complete the applicable Section. HOVENSA will perform all activities described in the notice, subject to its right to invoke the dispute resolution procedures set forth in Part XVI (Dispute Resolution); and/or

b. If EPA concludes that the requirements of the applicable Section or Part have been completed in accordance with this Consent Decree, EPA will so certify in writing to HOVENSA. This certification will constitute the certification of completion of the applicable Section or Part for purposes of this Consent Decree.

The parties recognize that ongoing obligations under such Sections remain and necessarily continue (e.g., reporting, recordkeeping, training, auditing requirements), and that HOVENSA’s certification is that it is in current compliance with all such obligations.

233. Certification of Completion: No Impediment to Stipulated Penalty Demand. Nothing in Paragraphs 230 and 231 will preclude the United States from seeking stipulated penalties for a violation of any of the requirements of the Consent Decree regardless of whether a Certification of Completion has been issued under Subparagraph 232.b. In addition, nothing in this Paragraph will permit HOVENSA to fail to implement any ongoing obligations under the Consent Decree regardless of whether a Certification of Completion has been issued.

234. Termination: Conditions Precedent. This Consent Decree will be subject to termination upon motion by the Parties or upon motion by HOVENSA acting alone under the conditions identified in this Paragraph. Prior to seeking termination, HOVENSA must have completed and satisfied all of the following requirements of this Consent Decree:

- a. Installation of control technology systems as specified in this Consent Decree;
- b. Compliance with all provisions contained in this Consent Decree; such compliance may be established for specific parts of the Consent Decree in accordance with Paragraphs 230 and 231;
- c. Payment of all penalties and other monetary obligations due under the terms of the Consent Decree; unless all penalties and/or other monetary obligations owed to the United States or the Virgin Islands are fully paid as of the time of the motion;
- d. Satisfaction of Part IX (Territorial Supplemental Environmental Project);
- e. Application for and receipt of permits incorporating the emission limits and standards established under this Consent Decree; and
- f. Operation for at least one (1) year of each unit in compliance with the emission limits established herein and certification of such compliance for each unit within the first progress report following the conclusion of the compliance period.

235. Termination: Procedure. At such time as HOVENSA believes that it has satisfied the requirements for termination set forth in Paragraph 234, HOVENSA will certify such compliance and completion to the United States and the Virgin Islands in accordance with the certification language of Paragraph 231. Unless either the United States or the Virgin Islands objects in writing with specific reasons within 120 days of receipt of HOVENSA's certification

under this Paragraph, the Court may upon motion by HOVENSA order that this Consent Decree be terminated. If either the United States or the Virgin Islands objects to the certification by HOVENSA, then the matter will be submitted to the Court for resolution under Part XVI (Retention of Jurisdiction/Dispute Resolution). In such case, HOVENSA will bear the burden of proving that this Consent Decree should be terminated

**XX. SIGNATORIES**

236. Each of the undersigned representatives certifies that he or she is fully authorized to enter into this Consent Decree on behalf of the applicable Party, and to execute and to bind such Party to this Consent Decree.

Dated and entered this 6<sup>th</sup> day of June, 2011.

  
VIRGIN ISLANDS DISTRICT JUDGE

## **APPENDIX B**

### **Predictive Emissions Monitoring Systems Requirements**

A Predictive Emissions Monitoring Systems ("PEMS") is a mathematical model that predicts the gas concentration of NO<sub>x</sub> in the stack based on a set of operating data. Consistent with the CEMS data frequency requirements of 40 C.F.R. Part 60, the PEMS shall calculate a pound per million BTU value at least once every 15 minutes, and all of the data produced in a calendar hour shall be averaged to produce a calendar hourly average value in pounds per BTU.

The types of information needed for a PEMS are described below. The list of instruments and data sources shown below represent an ideal case. However, at a minimum, each PEMS shall include continuous monitoring for at least items 3-5 below. HOVENSA will identify and use existing instruments and refinery data sources to provide sufficient data for the development and implementation of the PEMS.

#### **Instrumentation:**

1. Absolute Humidity reading (one instrument per refinery, if available)
2. Fuel Density, Composition and/or specific gravity – On line readings (it may be possible if the fuel gas does not vary widely, that a grab sample and analysis may be substituted)
3. Fuel Flow rate
4. Firebox temperature
5. Percent excess oxygen
6. Airflow to the firebox (if known or possibly estimated)
7. Process variable data – steam flow rate, temperature and pressure – process stream flow rate, temperature and pressure, etc

#### **Computers & Software:**

Relevant data will be collected and stored electronically, using computers and software. The hardware and software specifications will be specified in the source-specific PEMS.

#### **Calibration and Setup:**

1. Data will be collected for a period of 7 to 10 days of all the data that is to be used to construct the mathematical model. The data will be collected over an operating range that represents 80% to 100% of the normal operating range of the heater/boiler;
2. A "Validation" analysis shall be conducted to make sure the system is collecting data properly;
3. Stack Testing to develop the actual emissions data for comparison to the collected parameter data; and
4. Development of the mathematical models and installation of the model into the computer.

## APPENDIX B

### Predictive Emissions Monitoring Systems Requirements

**The elements of a monitoring protocol for a PEMS will include:**

1. Applicability
  - a. Identify source name, location, and emission unit number(s);
  - b. Provide expected dates of monitor compliance demonstration testing.
2. Source Description
  - a. Provide a simplified block flow diagram with parameter monitoring points and emission sampling points identified (e.g., sampling ports in the stack);
  - b. Provide a discussion of process or equipment operations that are known to significantly affect emissions or monitoring procedures (e.g., batch operations, plant schedules, product changes).
3. Control Equipment Description
  - a. Provide a simplified block flow diagram with parameter monitoring points and emission sampling points identified (e.g., sampling ports in the stack);
  - b. List monitored operating parameters and normal operating ranges;
  - c. Provide a discussion of operating procedures that are known to significantly affect emissions (e.g., catalytic bed replacement schedules).
4. Monitoring System Design
  - a. Install, calibrate, operate, and maintain a continuous PEMS;
  - b. Provide a general description of the software and hardware components of the PEMS, including manufacturer, type of computer, name(s) of software product(s), monitoring technique (e.g., method of emission correlation). Manufacturer literature and other similar information shall also be submitted, as appropriate;
  - c. List all elements used in the PEMS to be measured (e.g., pollutant(s), other exhaust constituent(s) such as O<sub>2</sub> for correction purposes, process parameter(s), and/or emission control device parameter(s));
  - d. List all measurement or sampling locations (e.g., vent or stack location, process parameter measurement location, fuel sampling location, work stations);
  - e. Provide a simplified block flow diagram of the monitoring system overlaying process or control device diagram (could be included in Source Description and Control Equipment Description);
  - f. Provide a description of sensors and analytical devices (e.g., thermocouple for temperature, pressure diaphragm for flow rate);
  - g. Provide a description of the data acquisition and handling system operation including sample calculations (e.g., parameters to be recorded, frequency of measurement, data averaging time, reporting units, recording process);
  - h. Provide checklists, data sheets, and report format as necessary for compliance determination (e.g., forms for record keeping).

## **APPENDIX B**

### **Predictive Emissions Monitoring Systems Requirements**

5. Support Testing and Data for Protocol Design
  - a. Provide a description of field and/or laboratory testing conducted in developing the correlation (e.g., measurement interference check, parameter/emission correlation test plan, instrument range calibrations);
  - b. Provide graphs showing the correlation, and supporting data (e.g., correlation test results, predicted versus measured plots, sensitivity plots, computer modeling development data).
6. Initial Verification Test Procedures
  - a. Perform an initial relative accuracy test (RA test) to verify the performance of the PEMS for the equipments operating range. The PEMS must meet the relative accuracy requirement of the applicable Performance Specification in 40 C.F.R. Part 60, Appendix B. The test shall utilize the test methods of 40 C.F.R. Part 60, Appendix A;
  - b. Identify the most significant independently modifiable parameter affecting the emissions. Within the limits of safe unit operation, and typical of the anticipated range of operation, test the selected parameter for three RA test data sets at the low range, three at the normal operating range and three at the high operating range of that parameter, for a total of nine RA test data sets. Each RA test data set should be between 21 and 60 minutes in duration;
  - c. Maintain a log or sampling report for each required stack test listing the emission rate;
  - d. Demonstrate the ability of the PEMS to detect excessive sensor failure modes that would adversely affect PEMS emission determination. These failure modes include gross sensor failure or sensor drift;
  - e. Demonstrate the ability to detect sensor failures that would cause the PEMS emissions determination to drift significantly from the original PEMS value;
  - f. The PEMS may use calculated sensor values based upon the mathematical relationships established with the other sensors used in the PEMS. Establish and demonstrate the number and combination of calculated sensor values which would cause PEMS emission determination to drift significantly from the original PEMS value.
7. Quality Assurance Plan
  - a. Provide a list of the input parameters to the PEMS (e.g., transducers, sensors, gas chromatograph, periodic laboratory analysis), and a description of the sensor validation procedure (e.g., manual or automatic check);
  - b. Provide a description of routine control checks to be performed during operating periods (e.g., preventive maintenance schedule, daily manual or automatic sensor drift determinations, periodic instrument calibrations);
  - c. Provide minimum data availability requirements and procedures for supplying missing data (including specifications for equipment outages for QA/QC checks);

## **APPENDIX B**

### **Predictive Emissions Monitoring Systems Requirements**

- d. List corrective action triggers (e.g., response time deterioration limit on pressure sensor, use of statistical process control (SPC) determinations of problems, sensor validation alarms);
  - e. List trouble-shooting procedures and potential corrective actions;
  - f. Provide an inventory of replacement and repair supplies for the sensors;
  - g. Specify, for each input parameter to the PEMS, the drift criteria for excessive error (e.g., the drift limit of each input sensor that would cause the PEMS to exceed relative accuracy requirements);
  - h. Conduct a quarterly electronic data accuracy assessment test of the PEMS;
  - i. Conduct semiannual RA tests of the PEMS. Annual RA tests may be conducted if the most recent RA test result is less than or equal to 7.5%. Identify the most significant independently modifiable parameter affecting the emissions. Within the limits of safe unit operation and typical of the anticipated range of operation, test the selected parameter for three RA test data pairs at the low range, three at the normal operating range, and three at the high operating range of that parameter for a total of nine RA test data sets. Each RA test data set should be between 21 and 60 minutes in duration.
8. PEMS Tuning
- a. Perform tuning of the PEMS provided that the fundamental mathematical relationships in the PEMS model are not changed.
  - b. Perform tuning of the PEMS in case of sensor recalibration or sensor replacement provided that the fundamental mathematical relationships in the PEMS model are not changed.

## **APPENDIX E**

### **HOVENSA'S LDAR and BWON Training Program Summary**

The HOVENSA LLC training program will utilize a combination of training methods to educate refinery personnel on their roles and responsibilities within the LDAR and BWON programs. The extent of education on the programs (two hours, four hours, eight hours, etc.) will be based on the employee's job assignment within their respective department and the individual's management level.

All Environmental LDAR personnel will be trained on an annual basis on the requirements of their jobs through classroom based, computer-based, field-based, or other training methods. The training will consist of specific material and processes required for the knowledge of the program including certification testing. Listed below are some of the key elements and subjects of the training module that link to roles and responsibilities.

- knowledge of the refinery structure and systems
- refinery basics: process unit functions individually and how they work in partnership
- how to read and understand P&IDs and ISOS
- the applicable regulations
- the proper operation of monitoring equipment
- applicable LDAR procedures
- the systems in place to manage our data and compliance; electronic database such as LeakDAS and like systems
- the checks and balances required to maintain quality control and compliance
- the leadership skills required to manage and maintain a successful program

All other Operations, Maintenance and Contractor personnel will be trained on the requirements of their jobs through classroom based, computer-based, field-based, or other training methods. The training consists of material and processes required for their specific role and responsibility needed to ensure knowledge of the program including certification testing. Listed below are some of the key elements and subjects of the training module.

- knowledge of Environmental Department structure and contact information
- general knowledge of the environmental regulations (LDAR & BWON)
- knowledge of regulatory inspection, documentation and repair requirements
- knowledge of fugitive emissions procedures
- knowledge of the Valve Preventative Maintenance Program
- knowledge of how to utilize the refinery system, such as SAP, to create work notifications and approvals and electronic inspections

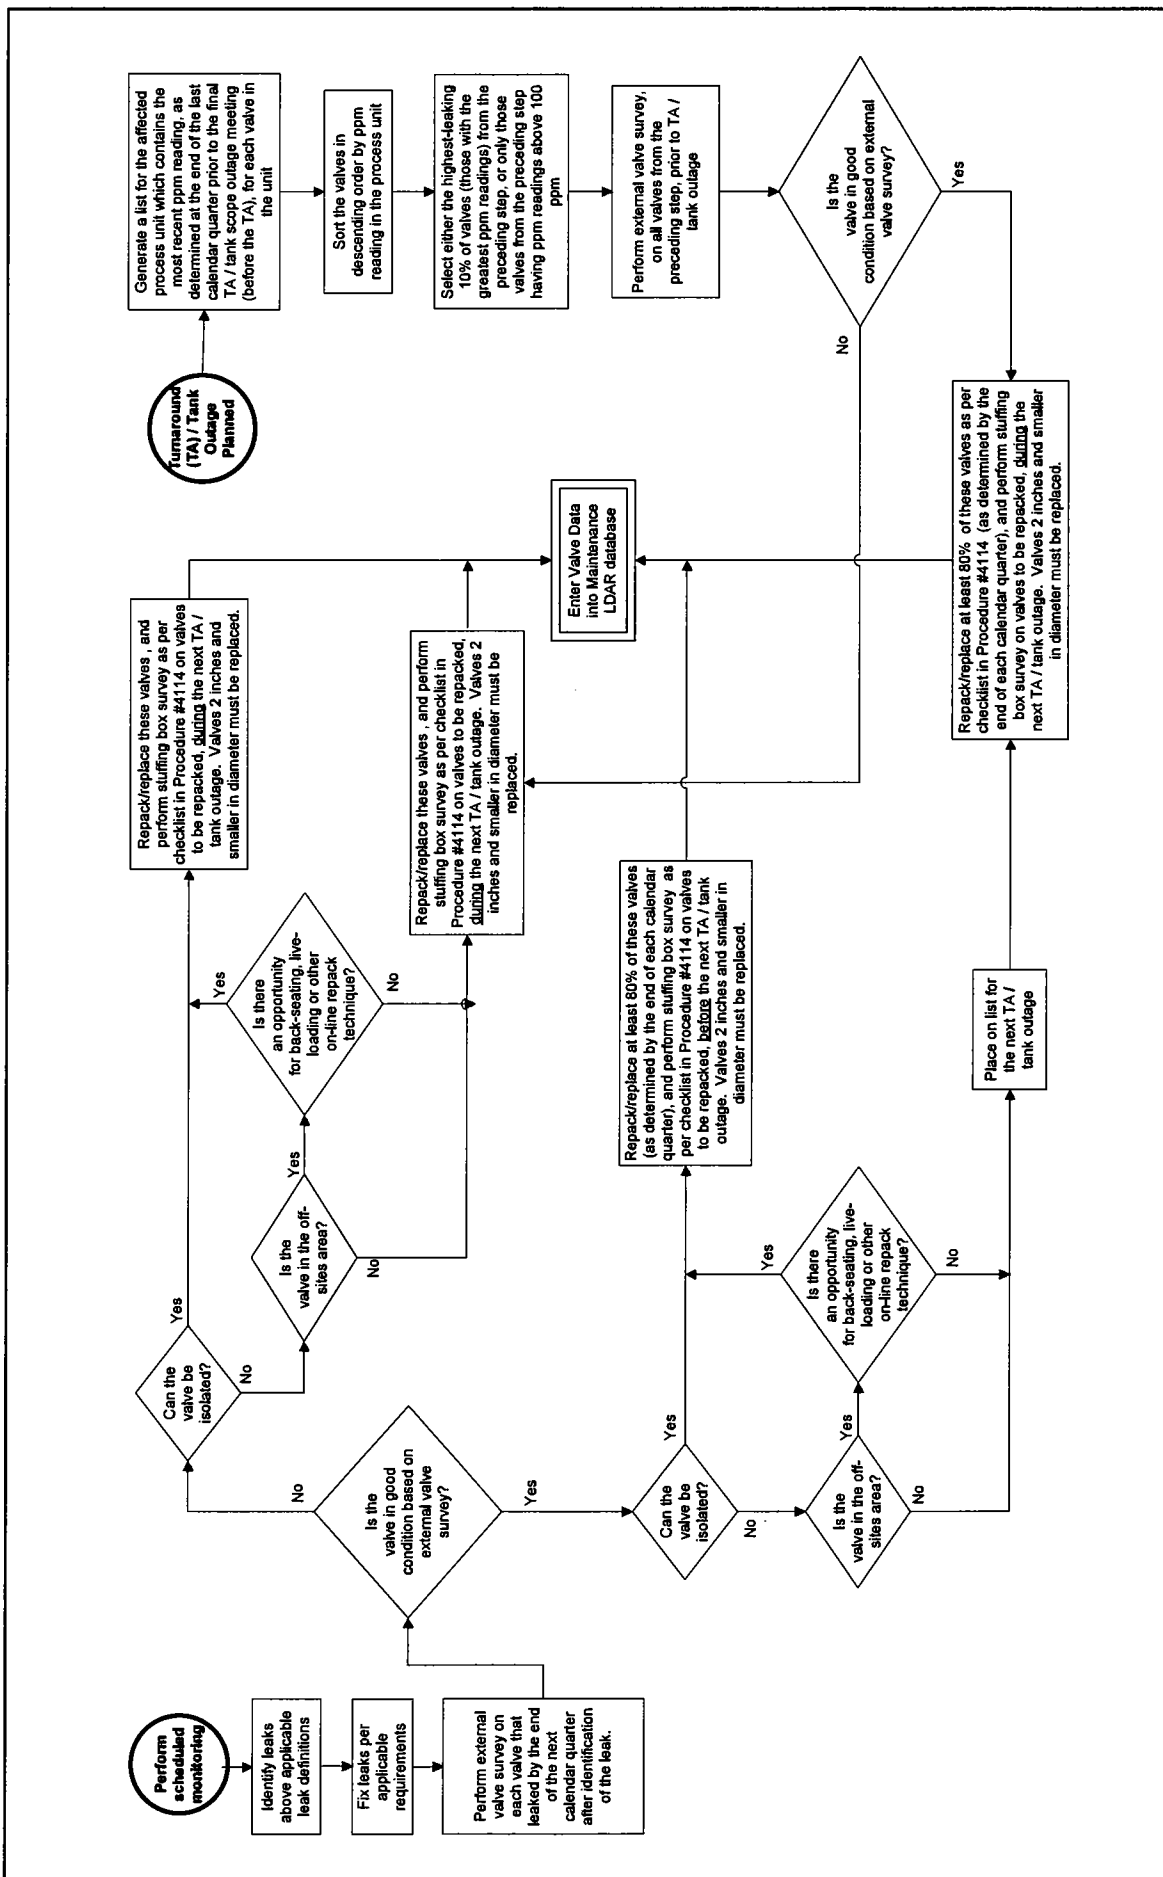

The requirements of this training will be incorporated into HOVENSA's job specific training. All training will be reviewed and updated on a reoccurring basis (at least once every three (3) years). The certification testing will be utilized to assess the effectiveness of the training products.

## DIVISION OF ST. CROIX

Defendants.

Civ. A. No. 1:21-cv-00264

## JOINT STIPULATION

WHEREAS, the United States of America, by the authority of the Attorney General of the United States, acting at the request of the Administrator of the United States Environmental Protection Agency (“EPA”) filed a civil action against defendants Limetree Bay Refining, LLC and Limetree Bay Terminals, LLC (collectively, “Limetree Bay”) under Section 303 of the Clean Air Act (“CAA”), 42 U.S.C. § 7603.

WHEREAS, the complaint seeks injunctive relief under Section 303 of the CAA requiring Limetree Bay to comply with a CAA Emergency Order (“EPA Order,” Exhibit 1 hereto) that EPA issued on May 14, 2021, and other relief.

WHEREAS, on June 16, 2021, EPA issued an information request to Limetree Bay under Section 114(a) of the CAA, 42 U.S.C. § 7414(a) (“114 Request,” Exhibit 2 hereto) requiring Limetree Bay to install and operate ambient air monitoring equipment for hydrogen sulfide (H<sub>2</sub>S) and sulfur dioxide (SO<sub>2</sub>) at nine specified locations.

WHEREAS, Limetree Bay began to idle the Refinery on May 12, 2021, and represents that it does not intend to restart the Refinery or any Refinery Process Unit at the current time, except as necessary to purge hydrocarbons from process units and other equipment as part of the process of bringing the Refinery to a state of indefinite shutdown.

WHEREAS, Limetree Bay continues to operate the Terminal and intends to conduct the activities identified in Paragraph 13.

WHEREFORE, the Parties hereby stipulate and agree as follows:

1. Limetree Bay certifies that the Refinery<sup>1</sup> has been idled.
2. Except as provided pursuant to Paragraphs 9, 10 and 13 below, Limetree Bay shall notify the United States and the Court not less than ninety (90) days before restarting the Refinery, or any Refinery Process Unit for any purpose.
3. The Audit Reports required by Paragraph 115.d of the EPA Order were submitted to EPA by June 25, 2021, in compliance with the deadline set forth in Paragraph 115.d of the EPA Order.
4. Except as provided pursuant to Paragraphs 9, 10 and 13 below, by no later than ninety (90) days prior to any restart of the Refinery or any refinery Process Unit, Limetree Bay shall submit to EPA the Plan required by Paragraph 115.l of the EPA Order (the “303 Order Plan”) that addresses all findings, conclusions, and observations set forth in each Audit Report, with a schedule for implementation of all corrective measures. The 303 Order Plan shall specify which measures must be completed prior to restart of the Refinery or any refinery Process Unit.

---

<sup>1</sup>Terms used in this Stipulation that are defined in the Clean Air Act or in regulations promulgated pursuant to the Act shall have the meanings assigned to them in the Act or such regulations, unless otherwise provided in the Complaint, EPA Order, Consent Decree or First Modification of the Consent Decree.

5. As part of the 303 Order Plan submitted under Paragraph 4, Limetree Bay shall identify any changed conditions at the Refinery that occurred since May 12, 2021, including but not limited to any corrective measures taken.
6. Before Limetree Bay restarts the Refinery or any Refinery Process Unit, it shall complete all measures necessary to eliminate any imminent and substantial endangerment to public health or welfare or the environment posed by the Refinery or Refinery Process Unit.
7. Except as provided pursuant to Paragraphs 9, 10 and 13, no later than ninety (90) days prior to restart of the Refinery or any Refinery Process Unit, Limetree Bay shall submit to EPA an ambient air monitoring plan (“Monitoring Plan”) that includes the operation of H<sub>2</sub>S and SO<sub>2</sub> monitors at the nine (9) monitoring sites specified in Table A of the 114 Request (“Monitoring Sites”), as required by the 114 Request.
8. Except as provided pursuant to Paragraphs 9, 10 and 13, Limetree Bay shall install and operate the H<sub>2</sub>S and SO<sub>2</sub> monitors at the Monitoring Sites, as well as a meteorological tower, as required by the 114 Request, no later than thirty (30) days prior to any restart of the Refinery or any refinery Process Unit.
9. Limetree Bay shall submit to EPA a plan (“Hydrocarbon Purge Plan”) for purging hydrocarbons from Refinery Process Units and other equipment at the Refinery as part of the process of bringing the Refinery to a state of indefinite shutdown. The Hydrocarbon Purge Plan shall identify the activity or activities that Limetree Bay intends to undertake under the Hydrocarbon Purge Plan, as well as the measures Limetree Bay has taken or will take prior to restarting, or during the operation of, any Refinery Process Unit covered by the Hydrocarbon Purge Plan, to ensure that the purging process and any associated activities do not present an imminent and substantial endangerment to public health or welfare or the environment, including

but not limited to measures in response to recommendations contained in the Audit Reports. The Hydrocarbon Purge Plan shall include, among other things: the operation of ambient air monitoring during all purging operations and compliance with applicable requirements of 40 C.F.R. Part 60, Subpart Ja and 40 C.F.R. Part 63, Subpart CC.

10. The purging process and any associated activities shall be conducted in accordance with the EPA-approved Hydrocarbon Purge Plan, subject to any modifications necessary based on monitoring data or other information received by EPA suggesting that operations under the Hydrocarbon Purge Plan may present an imminent and substantial endangerment to public health or welfare, or the environment. Before EPA makes or requires any modifications to an approved Hydrocarbon Purge Plan, the Parties shall meet and confer. Any proposed modification by Limetree Bay to the EPA-approved Hydrocarbon Purge Plan shall be subject to Paragraph 12, below. Limetree Bay shall not begin the purging process or any associated activities without EPA's approval, nor shall Limetree Bay use any Refinery Process Unit other than as specified in the EPA-approved Hydrocarbon Purge Plan.

11. Limetree Bay may submit and EPA may approve one or more Hydrocarbon Purge Plans subject to Paragraphs 9 and 10.

12. Any plan required by this stipulation shall be submitted to EPA for its review, comment, and approval or approval with modifications, and shall be sent by email to the EPA and VIDPNR representatives listed in Paragraph 116 of the EPA Order.

13. For the avoidance of doubt, nothing in the 303 Order or this Stipulation prevents Limetree Bay from operating equipment necessary for Terminal operations, or necessary to generate electricity or provide drinking water or wastewater management for the Facility, the HOVENSA Environmental Response Trust, and for the worker residences dependent on the

Facility for such services.

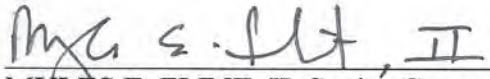

14. The Parties agree that further proceedings in this case should be stayed for a period of ninety (90) days from the date of filing this Joint Stipulation, and Limetree Bay does not oppose the United States' Unopposed Motion for Stay filed simultaneously with this Stipulation; and the Parties shall submit a joint status report sixty days after the date this Stipulation is filed.

THE UNDERSIGNED PARTY enters into this Stipulation in the matter of United States v. Limetree Bay Refining LLC and Limetree Bay Terminals LLC.

## REGION 2

combination of sources (including moving sources) is presenting an imminent and substantial endangerment to public health or welfare, or the environment, may bring suit on behalf of the United States in the appropriate United States district court to immediately restrain any person causing or contributing to the alleged pollution to stop the emission of air pollutants causing or contributing to such pollution or to take such other action as may be necessary. If it is not practicable to assure prompt protection of public health or welfare or the environment by commencement of such a civil action, the Administrator may issue such orders as may be necessary to protect public health or welfare or the environment. Prior to taking any action under this section, the Administrator shall consult with appropriate State and local authorities and attempt to confirm the accuracy of the information on which the action proposed to be taken is based. Any order issued by the Administrator under this section shall be effective upon issuance and shall remain in effect for a period of not more than 60 days, unless the Administrator brings an action pursuant to the first sentence of this section before the expiration of that period. Whenever the Administrator brings such an action within the 60-day period, such order shall remain in effect for an additional 14 days or for such longer period as may be authorized by the court in which such action is brought.

#### **PARTIES BOUND**

1. This Order applies to and is binding upon the Respondents, their officers, directors, employees, agents, trustees, receivers, successors, assigns, and all other persons, including but not limited to firms, corporations, limited liability companies, subsidiaries, contractors, consultants, and lessees acting under or on behalf of Respondents in connection with the implementation of this Order.

2. Respondents shall be responsible and liable for conducting the activities specified pursuant to this Order, regardless of who performs the activities. Respondents shall be liable for the conduct of employees, agents, contractors, consultants, or lessees to satisfy the requirements of this Order.

3. No change in the ownership of the facility affected by this Order or the ownership or corporate status of Respondents shall in any way alter, diminish, or otherwise affect the responsibilities of Respondents under this Order. Respondents shall provide a copy of this Order to any successor(s) during the pendency of this Order.

### **FINDINGS OF FACT**

The Director of the Caribbean Environmental Protection Division in EPA Region 2 makes the following Findings of Fact:

4. Prior to issuing this Order, EPA consulted with representatives of the Virgin Islands Department of Planning and Natural Resources (“DPNR”) as required by Section 303 of the Act.

5. This Order concerns a facility located at 1 Estate Hope in Christiansted, Virgin Islands (“Facility”). The Facility includes a marine loading terminal (including storage capacity) and an integrated petroleum refinery (“Refinery” or “Refinery Operations”). The Facility is located on approximately 1,500 acres on the south central coast of St. Croix, U.S. Virgin Islands (“USVI”).

6. Limetree Bay Terminals, LLC is a corporation that owns and/or operates some or all of the Facility. LBT is registered to do business in the U.S. Virgin Islands.

7. The Facility operates under a number of air permits, such as Prevention of Significant Deterioration (“PSD”) and CAA Title V operating permits. LBT is named as the owner and/or operator of the Facility and responsible for Facility Clean Air Act compliance obligations, including for its Refinery Operations, in multiple air permits.

8. The Facility’s Title V operating permit is permit number STX-TV-003-10 (the “Title V Permit”), and it is currently issued to “Limetree Bay Terminals LLC.” The Title V Permit covers the Facility’s Refinery Operations, among others.

9. The Facility also operates under three PSD permits (the “PSD Permits”) that were amended on November 5, 2018 to reflect the transfer of ownership of the Facility from HOVENSA, LLC to “Limetree Bay Terminals, LLC.” Some or all of these PSD permits encompass Refinery Operations.

10. Limetree Bay Refining, LLC is a corporation that owns and/or operates some or all of the Facility, including its Refinery Operations. LBR is registered to do business in the U.S. Virgin Islands.

11. On its website, Limetree describes LBR as “executing a project to refurbish and restart its St. Croix, USVI, deep conversion [petroleum] refinery” with peak processing capacity of 650,000 barrels of petroleum feedstock per day.

12. On July 30, 2018, the Legislature of the Virgin Islands approved an agreement with LBR titled “Refinery Operating Agreement by and among the Government of the Virgin Islands and Limetree Bay Refining, LLC,” dated July 2, 2018.

13. According to the Limetree Title V Permit, the Facility was originally owned and/or operated by Hess Oil Virgin Islands Corporation (“HOVIC”). Facility operations began in 1965. On October 30, 1998, Amerada Hess Corporation, the parent company of HOVIC, and Petroleos de Venezuela, S.A. (“PDVSA”) formed a new corporation, HOVENSA L.L.C. (“HOVENSA”), which acquired ownership and operational control of the St. Croix Refinery formerly known as HOVIC. Limetree and/or its corporate parent or associated business entities acquired the Facility in 2016.

14. Petroleum refineries separate crude oil into a wide array of petroleum products through a series of physical and chemical separation techniques. These techniques include fractionation, cracking, hydrotreating, combination/blending processes, and manufacturing and transport.

15. Limetree has described the Facility's refining operations as being conducted in the East Refinery, which includes crude units, a vacuum unit, a delayed coker unit ("DCU"), platformers, hydrotreaters, fluid catalytic cracking ("FCC"), an alkylation complex, an ultra-low sulfur gasoline unit, and a sulfolane complex. The East Refinery was developed in the 1970s, with the FCC added in 1993 and the DCU built in 2002. LBR Refinery Operations also include two flares (Flare #3 and Flare #8), two sulfur recovery units, one incinerator and a power generation complex.

16. According to Limetree, LBR started conducting activities to restart the operation of the Refinery in 2018. Among the units that Limetree has since restarted were the following: crude units #5 and #6 (limited capacity), vacuum unit #3, par-isom unit, platformer unit, sulfur recovery units, east incinerator, DCU, hydro-treating units (6, 7, and 9), reverse osmosis water plant, and gas turbines (GT-8, GT-9, GT-10, GT-11, and GT-13).

17. The Facility is located on the island of St. Croix. St. Croix is an island in the Caribbean Sea that is approximately 22 miles long (east to west) and 7 miles wide (north to south). As of the 2010 United States Census, the population of St. Croix was 50,601. The island of St. Croix is divided into nine subdistricts (population): East End (2,453), Anna's Hope Village (4,041), Christiansted (2,626), Sion Farm (13,003), Southcentral (8,049), Northcentral (4,977), Northwest (4,863), Southwest (7,498) and Frederiksted (3,091). The Facility is located on the southern shore of St. Croix, near the middle of the island east to west, within the Southcentral subdistrict.

18. According to EPA review of the National Weather Service data for February through May 2021 for St. Croix's Henry E. Rohlsen Airport meteorological station, the prevailing wind blows from the east and east-southeast to the west and west-

northwest. Wind direction prevalence indicates that communities located within Southcentral, Southwest, Frederiksted, Northwest, and portions of Northcentral are located downwind of the Facility. Among such communities are the following: Clifton Hill, Profit Hills, Kingshill, University of Virgin Islands Campus, Hannah's Rest, Frederiksted, Estate Northside, Smithfield, Upper Bethlehem, Mars Hill, Estate Carlton, Golden Grove, Grove Place, Negro Bay, Williams Delight, Whim, Sandy Point, La Grange, and Prosperity. Many residents live and work in these communities.

### **The Limetree Refinery**

19. Refineries in general emit a whole host of pollutants, ranging from nitrous oxides ("NO<sub>x</sub>"), sulfur dioxide ("SO<sub>2</sub>"), and carbon monoxide ("CO") to volatile organic compounds ("VOC"), hydrogen sulfide ("H<sub>2</sub>S"), and particulate matter "(PM)". NO<sub>x</sub>, SO<sub>2</sub>, and CO are typically emitted from combustion sources such as heaters, boilers and gas turbines. The VOCs contain light hydrocarbons. During start up, any VOCs are usually conveyed to a flare to be combusted.

20. The Refinery Operations separate crude oil into various components. Light ends (refinery fuel gas ("RFG")) are sent to the Facility's fuel gas system ("East Fuel Gas System"), while naphtha, jet fuel, kerosene, and No. 2 oil are further processed to remove sulfur. The H<sub>2</sub>S gas generated from the desulfurization process is sent to the sulfur recovery plant to be treated by two sulfur recovery units.

21. RFG is a mixture of H<sub>2</sub>S and other gases that is used to supply fuel to the various process heaters at the Refinery. This RFG collection and distribution system is referred to as the East Fuel Gas System. H<sub>2</sub>S is removed from the Refinery fuel gas system using amine scrubbers. The gas that enters amine unit is high in H<sub>2</sub>S, and is then processed in a sulfur recovery unit to convert H<sub>2</sub>S into elemental sulfur.

22. LBR uses a flare known as Flare #8 to combust excess Refinery gas that contains a mix of H<sub>2</sub>S, CO<sub>2</sub>, and other gases such as hydrocarbons.

23. Emissions from flaring may include carbon particles (soot), unburned hydrocarbons, CO, partially burned and altered hydrocarbons, NO<sub>x</sub> and, if sulfur containing material such as hydrogen sulfide is flared, SO<sub>2</sub>.

24. Sulfur compounds going to a flare are converted to SO<sub>2</sub> when burned, though flare efficiency is not 100%. The amount of SO<sub>2</sub> emitted depends directly on the quantity of sulfur in the flared gases.

25. The Refinery has a flare header system that collects and routes gases from process units, ancillary equipment, and the fuel gas system from locations throughout the Refinery to Flare #8. The Flare #8 header system collects gases from numerous areas of the Refinery, including but not limited to the amine units (Nos. 4, 5, 6 and 7), the sulfur recovery units (Nos. 3 and 4), the Coker Unit, and the East Fuel Gas System.<sup>1</sup>

26. Flare #8 is a steam assisted flare 230 feet above grade. Gas enters the flare for burning up through 41 staged burner tips.

27. Flare #8 is subject to an H<sub>2</sub>S concentration limit specified in 40 C.F.R. § 60.103a(h) (162 parts per million (“ppm”)) determined hourly on a 3-hr rolling average basis), as well as total sulfur (“TS”) root-cause analysis requirements and monitoring requirements specified in 40 C.F.R. § 60.103a(c), and operating limits specified in 40 C.F.R. § 63.670.

---

<sup>1</sup> The full list of areas that send gas to Flare #8 includes crude unit No. 5; liquified propane gas (“LPG”) treater No. 1; utility area No. 3 (Boilers 6, 7, 8, and 9); powerhouse No. 2 (Gas Turbines); utility area No. 3 (Boiler 10); crude unit No. 6; lean oil absorber/disulfide oil recovery; LPG treater No. 2; amine units (No. 4, 5, 6 and 7); high pressure fuel gas treater; gas recovery unit No. 2; LPG fractionation unit No. 3; deisopentanizer/IC5 Sweetener; vacuum unit No. 3; distillate desulfurizers (No. 6, 7 and 9); platformer & hydrobon No. 3; platformer No. 4; dimersol; flare system (East); benzene stripper (East); sour water strippers (No. 3 and 4); sulfur recovery units (No. 3 and 4); tail gas treating unit; sour water stripper No. 5; flares – low and high pressures; coker unit; coker nitrogen system; west interconnects; East Fuel Gas System; hydrogen tie-ins (east); and butane and propane system.

28. Flare #8 has a maximum vent gas flow rate of 1,500,000 lb/hr, and is not equipped with a Flare Gas Recovery System (“FGRS”).

29. The Flare #8 header is equipped with monitoring instruments to measure volumetric flow, hydrogen sulfide content, total sulfur content, and vent gas composition, to demonstrate compliance with CAA requirements at 40 C.F.R. Part 60, Subpart Ja and 40 C.F.R. Part 63, Subpart CC. The monitoring instrumentation also measures certain other Flare #8 vent gas constituents.

30. The Facility's Title V permit, citing 40 C.F.R. § 60.104(a)(1), bars combustion in various locations at the Facility of fuel gas that contains hydrogen sulfide in excess of 0.1 gr/dscf. Two of these locations include Flare #8 and the East Fuel Gas System.

### **Refinery Restart**

31. On February 1, 2021, EIG Global Energy Partners (“EIG”), a controlling investor in Limetree Bay Ventures, LLC<sup>2</sup>, announced that the Refinery had successfully resumed operations and begun production and commercial sales of refined products.

32. According to a recent statement from LBT and LBR, “Limetree Bay Refining, LLC, restarted [Refinery] operations in February 2021, and is capable of processing around 200,000 barrels per day. Key restart work at the site began in 2018, including the 62,000 barrels per day modern, delayed Coker unit, extensive desulfurization capacity, and a reformer unit to produce clean, low-sulfur transportation fuels that will meet International Marine Organization (“IMO”) standards required under

---

<sup>2</sup> Limetree’s website describes Limetree Bay Ventures, LLC, as “a large-scale energy complex strategically located in St. Croix, U.S. Virgin Islands. The complex consists of Limetree Bay Refining, a refinery with peak processing capacity of 650 thousand barrels of petroleum feedstock per day, and Limetree Bay Terminal, a 34-million-barrel crude and petroleum products storage and marine terminal facility serving the refinery and third-party customers.”

international law in 2020. The restart project provided much needed economic development in the U.S.V.I. and created more than 4,000 construction jobs at its peak and more than 600 full-time jobs currently.”

33. Since February 1, 2021, at least four incidents have occurred at the Facility that have each had an immediate and significant health impact on multiple downwind communities.

#### **February 4, 2021 Incident**

34. On February 4, a mixture of oil and water, in the form of an oily mist, was emitted as air emissions from Flare #8 at the Facility (the “Feb. 4 Incident”). These emissions included liquid droplets of oil.

35. In a letter sent from Limetree to DPNR on March 3, 2021, Limetree explained the cause of the Feb. 4 Incident as follows (“Limetree 3/3/21 Letter”):

"On February 4, 2021, the Coker unit was shut down for repairs. Operations was preparing to quench and open coke drum D-8504 as part of the normal shut down process. At approximately 02:30hrs, the Coker Drum D-8504 was being prepared to start the procedure for water quenching. The quench water control valve was 100% open, resulting in a large quantity of water entering the drum. The water evaporated quickly after contacting the hot coke. . . . [T]he pressure safety valves opened to relieve pressure . . . A mixture of oil and water vapor was sent to the containment system, exceeding its capacity and ultimately exiting through the No.8 flare."

36. The Limetree 3/3/21 letter further explains the immediate impact of the Feb. 4 Incident on the surrounding community, stating:

“Around 14:30 hrs, calls were received by the Limetree Command Center from residents in the Clifton Hill area complaining of oil droplets on their vehicles and homes. Thereafter, Limetree immediately activated its Incident Command Response to address the impact on the community. . . . Complainants were contacted and told to disconnect their cisterns from the roof spouts if possible. A total of 11 complaints were received on February 4, 2021. On February 5, 2021, Limetree teams were dispatched to follow-up with residents in person and confirmed the presence of oil droplets on cars and homes. Plans were put in place to clean residents' cars and roofs. Additional complaints were made in following

days.”

37. Limetree was aware of the impact this event had on the surrounding community, and paid for various cleaning and decontamination work and provided bottled water to the community. In a March 3, 2021 press release, Limetree stated, “Limetree’s environmental team was able to field verify the area impacted by the release, which was determined to be the Clifton Hill community.”

38. As of March 16, 2021, Limetree had reported to EPA that the Feb. 4 Incident resulted in 193 residences with potential contamination and 148 roofs and 245 cars that required cleaning. Samples were taken from 163 cisterns, and at the time the results of 135 of those samples had been received. 70 of those 135 cisterns were identified as contaminated. At the time, 65 had been reportedly cleaned.

39. Many in the community nearby the Facility rely on cisterns for their household water use. A March 21, 2021 news article explained that, “Ever since the refinery contaminated St. Croix’s groundwater [under HOVENSA’s prior operation], cisterns have become a necessity on the island—catching rain to provide water for residents to drink, wash with or . . . irrigate their vegetable gardens.”

40. Residents also reported that the Feb. 4 Incident resulted in the oily mixture depositing on their vegetable gardens. One resident said that she and her husband ate only from their garden, but that the Feb. 4, 2021 Incident “destroyed all our foods” and “[e]verything was dead.”

41. In an April 29, 2021 meeting with EPA officials, another resident living in the impacted Clifton Hill area explained that he collected water from his roof in a cistern, for filtration for drinking water and for his sheep. The Feb. 4 Incident resulted in oil on his roof and in his cistern. Limetree cleaned his cistern 2-3 weeks after the Feb. 4

Incident, but did not conduct follow-up sampling. Limetree provided bottled water, but he is concerned about the incident's impact on his plants and the produce he grows in his garden.

42. During an April 30, 2021, site visit to the Facility by staff from EPA and DPNR, Limetree representatives said that Limetree believes that the release was a mist with heavy oil in it, and acknowledged that the mist reached areas in Clifton Hill. When asked, Limetree representative said that the droplets passed through a lit flare flame, though they did not believe that flaming droplets of oil had been recorded.

43. Emissions of oil droplets from a flare is called “flare rainout.” Flare rainout can create both environmental and physical safety hazards. Oil contamination of soil and water bodies creates environmental and public health hazards. While there is no evidence that “flaming rain” occurred during the Feb. 4 Incident, flare rainout can also result in physical and safety hazards such as “flaming rain” where the oil droplets ignite as they pass through the flare flame and rain down while on fire in the refinery and nearby neighborhoods, creating sources of ignition for vapors in the refinery and igniting combustible materials and starting fires inside the refinery and in adjacent neighborhoods. Because of these concerns, flare systems are designed with process vessels called “knockout drums.” Knockout drums are vessels whose function is to remove or “knockout” large liquid droplets from the gas sent to the flare.

44. Knockout drums are sized for expected maximum load of liquid droplets. When that capacity is exceeded, the liquid droplets pass through the knockout drum and can cause flare rainout and flaming rain. The rainout during the February 4, 2021 Incident may indicate the Flare #8 knockout drum(s) were not designed with sufficient

capacity to prevent liquid carryover to the flare. This type of event is not common for a refinery startup.

### **Refinery Operating Pause**

45. In early April, the Refinery stopped operations for a period of time due to undisclosed operational issues. LBR stated in a letter to EPA that the “refinery is shut down while we make operational adjustments.”

### **Late April 2021 Incident**

46. After Refinery operations restarted, on April 19, 20, 21, 22, and 23, 2021, Limetree reported to DPNR exceedances of the 162 ppm emission standard for H<sub>2</sub>S concentrations measured at the flare header for Flare #8 at the Facility.

47. According to the Agency for Toxic Substances and Disease Registry (“ATSDR”) H<sub>2</sub>S is a flammable, colorless gas that smells like rotten eggs. People can usually smell H<sub>2</sub>S at low concentrations in air when H<sub>2</sub>S concentrations are in the range of from 0.0005 to 0.3 ppm. Exposure to low concentrations of H<sub>2</sub>S may cause irritation to the eyes, nose, or throat. It may also cause difficulty in breathing for some asthmatics. Respiratory distress or arrest has been observed in people exposed to very high concentrations of H<sub>2</sub>S.

48. According to ATSDR, SO<sub>2</sub> is a colorless gas with a pungent odor (often described as the smell of a struck match). Exposure to very high levels of SO<sub>2</sub> can be life threatening. Exposure to 100 ppm of SO<sub>2</sub> is considered immediately dangerous to life and health. Burning of the nose and throat, breathing difficulties, and severe airway obstructions may occur.

49. Between April 19 and April 22, 2021, hydrogen sulfide concentrations measured at the Flare #8 flare header rose to orders of magnitude above the limit of 162

ppm based on a 3-hr rolling average. High hydrogen sulfide readings on each of those four days, measured between 5 AM on April 19 and 5 PM on April 22, rose as high as 31,546.5, 39,475.7, 2,272.4, and 4,046.5 ppm, respectively (on a 3-hr rolling average basis).

50. Limetree has explained the exceedances on April 19-22, 2021 as follows:

"On April 19<sup>th</sup>, the Coker unit was starting up and off gases generated were vented to the flare until the wet gas compressor was successfully brought online. The wet gas compressor was brought online around 1:34 AM on April 20<sup>th</sup> and the H<sub>2</sub>S in the flare decreased as startup progressed. Since the H<sub>2</sub>S level did not decrease below the emission limit once startup of the wet gas compressor was complete, Operations immediately began their search for another source of the H<sub>2</sub>S by methodically isolating each unit's battery flare valves. On April 21<sup>st</sup>, Operations discovered a malfunctioning pressure safety valve (PSV) on the low-pressure flash drum (D-4603) at the No. 6 Distillate Desulfurizer Unit (DD6). The PSV was taken out of service for maintenance."

51. Limetree continued to measure high levels of hydrogen sulfide in excess of the 162 ppm limit at the flare header for Flare #8 at the Facility during the evening of April 22 and into April 23, 2021. Hydrogen sulfide readings rose throughout the evening on April 22, and peaked at a three-hour average of 91,649.0 ppm around 11 AM on April 23 – over 565 times higher than the concentration limit of 162 ppm.

52. Limetree has explained the exceedances on these days as follows:

"At approximately 4:45 AM on April 23, 2021, the No. 4 Sulfur Recovery Unit (4SRU) tripped due to both "fire-eye" flame scanners not detecting a flame. At about 5:29 AM, the 4SRU was re-lit and at 7:07 AM the Clean Acid Gas (CAG) control valve at 4SRU started to slowly open but not quick enough to alleviate the pressure in the CAG header. Due to the backpressure in the CAG header, a pressure safety valve (PSV) at the No. 5 Amine Regeneration Unit (5ARU) relieved to the No. 8 Flare. The SO<sub>2</sub> generated from the combustion of the H<sub>2</sub>S in the flare header caused odors which impacted our neighbors. Further investigation showed that there was another malfunctioning PSV at the No. 6 Distillate Desulfurizer Unit (DD6), contributing to the elevated H<sub>2</sub>S before the 4SRU trip event. The PSV was taken out of service for maintenance."

H<sub>2</sub>S production units were shut down or placed on circulation to reduce the load on the amine regeneration system and the sulfur recovery plant. Limetree shut down 5ARU because the PSV continued to leak to the flare even below the PSV setpoint. Limetree stated that one of its corrective actions included responding to odor complaints.

53. Two days later, on April 25, Limetree once again exceeded the 162 ppm limit for H<sub>2</sub>S at Flare #8 from 3 to 11 p.m. That day, Limetree also exceeded that limit at the East Fuel Gas System from 1-10 PM. The maximum 3-hour average concentrations for H<sub>2</sub>S that day were 842.4 ppm at Flare #8 and 629 ppm at the East Fuel Gas System.

54. Limetree has explained these exceedances as follows:

“On April 25, 2021 the No. 3 and No. 4 Sulfur Recovery Units got contaminated with hydrocarbon carryover via the acid gas. Operations blocked in the acid gas header to the sulfur recovery units (SRUs) which overloaded the No. 4 Amine Regeneration unit (4ARU) preventing it from properly removing the H<sub>2</sub>S in the fuel gas. The No. 5 Amine Regeneration unit was not operational at the time. Soon after, the 4ARU reboilers overpressured and relieved to the flare.”

55. As a result of the “noxious” odor created by the Refinery's emissions, on April 23, 2021, the Virgin Islands Department of Education (“VIDOE”) closed in-person instruction at three schools. In its press announcement, it stated that “[s]tudents and staff have reported feelings of nausea due to the smell, which was detected on April 22[, 2021].”

56. A Reuters news article also reported the April 23, 2021, closing of a St. Croix community coronavirus vaccination center due to the odor.

57. On April 23, 2021, DPNR issued a press release advising the community of “a foul, gaseous smell permeating throughout the Frederiksted area for the past few days.” DPNR notes that it has been receiving citizen complaints, and that it “has discovered that the Limetree Bay Refinery is experiencing an exceedance of Hydrogen

sulfide.” DPNR advised that people with respiratory ailments such as allergies, lung disease, and asthma should consider taking protective actions, including staying indoors or relocating to less affected areas of the island.

58. On April 24, 2021, the Virgin Island Department of Health (“VIDOH”) issued a press release alerting St. Croix residents to potential health effects from the Facility’s Refinery emissions. It noted Limetree’s confirmation of elevated hydrogen sulfide concentrations from Flare #8 and said that a “foul, gaseous smell, which can smell similar to rotten eggs, has permeated throughout the Frederiksted area for the past few days.” It explained the potential health effects of breathing hydrogen sulfide, and encouraged residents to report symptoms such as headaches, nausea, and symptoms of a respiratory nature to their healthcare providers.

59. On April 24, 2021, Limetree issued a press release denying any release of hydrogen sulfide occurred from April 22 to 23, 2021. Limetree claimed that the incident involved only an unusually high level of sulfur dioxide emissions, and that the odor of sulfur dioxide (similar to a struck match) can be smelled in amounts far below the level normally considered dangerous to health.

60. During an April 30, 2021, site visit to the Facility by staff from EPA and DPNR (“April Site Visit”), Limetree staff explained that the April 23, 2021 incident was related to the main sulfur recovery unit #4’s fire eye detecting a lack of flame, and thus diverting the acid gas to the flare rather than treating it. The flare itself had a flame burning at the time that would have burned the hydrogen sulfide, producing sulfur dioxide.

61. During the April Site Visit, Limetree staff said that, although the Facility’s Refinery Operations have two sulfur recovery units (SRUs Nos. 3 and 4), one (No. 3) was

out of service when the April 23, 2021 event occurred. The out of service unit was thus unable to act as a backup when the operating unit (No. 4) malfunctioned.

62. During the April Site Visit, EPA and DPNR were escorted by Limetree representatives to several areas of the Refinery, including the east part of the Facility where Flare #8 is located. Based on conversation with Limetree staff and EPA observation at the Facility, EPA staff learned that due to the significant elevation of Flare #8, the emissions from Flare #8 are often not measurable, nor are odors and other impacts from Flare #8's emissions detectable by olfaction on the grounds within the Facility's Refinery. Rather, emissions plumes from Flare #8 downwash at (i.e. lowers to) ground level well beyond the Facility's fenceline.

63. During the April Site Visit, DPNR staff noted that several residents provided very specific descriptions of odors and other impacts resulting from the April 23<sup>rd</sup> incident's emissions, and those odor characteristics and other impacts were consistent with both H<sub>2</sub>S and SO<sub>2</sub> being released.

64. During the April Site Visit, EPA staff asked Limetree representatives if the Refinery was using a Sulfix<sup>TM</sup> H<sub>2</sub>S scavenger system to reduce the levels of H<sub>2</sub>S at the Flare #8 header. Limetree representatives confirmed that the Refinery is using a Sulfix<sup>TM</sup> H<sub>2</sub>S scavenger system, and explained that it consists of the injection of an additive in several points of the Flare #8 header to absorb and recover some of the H<sub>2</sub>S in the gas that is conveyed through the Flare #8 header. Limetree representatives informed EPA staff that although the H<sub>2</sub>S scavenger system was in operation during the Late April 2021 Incident, the system was not designed to manage the gas flow and H<sub>2</sub>S concentrations that were generated during the Incident. According to Limetree

representatives, the system is designed to manage flow into the Sulfix™ system up to 1 million standard cubic feet (scf) and concentrations of no more than 1000 ppm of H<sub>2</sub>S.

65. During the April Site Visit, Limetree staff acknowledged that the Facility does not have any SO<sub>2</sub> monitor to measure concentrations of SO<sub>2</sub> entering the atmosphere from Flare #8 post-flaring. Limetree believes the April 23, 2021 event only emitted SO<sub>2</sub> but does not know how much SO<sub>2</sub> was emitted.

66. Limetree also does not conduct any fenceline monitoring for SO<sub>2</sub> or H<sub>2</sub>S; it only conducts fenceline monitoring for benzene. Limetree's predecessor, HOVENSA, operated five SO<sub>2</sub> monitors near the perimeter of the Facility, but those monitors have not been operated since 2013, after HOVENSA stopped operating the Facility's Refinery. Limetree has not restarted those SO<sub>2</sub> monitors. On April 30, 2021, EPA issued a Notice of Violation ("NOV") to Limetree for its failure to operate the five SO<sub>2</sub> monitors.

67. As indicated in EPA's AP-42 Chapter 13.5 (Industrial Flares), sulfur compounds contained in a flare gas stream are converted to SO<sub>2</sub> when burned. The amount of SO<sub>2</sub> emitted depends directly on the quantity of sulfur in the flared gases. The quantity of sulfur compounds and hydrocarbon emissions generated relate to the degree of combustion and the unit destruction efficiency. The degree of combustion depends largely on the rate and extent of fuel-air mixing and on the flame temperature achieved and maintained. A flare does not provide 100% destruction efficiency, so any changes in the degree of combustion, such as a sudden increase of flow and H<sub>2</sub>S concentrations such as the one reported on April 23, 2021, can trigger the release of unburned sulfur compounds such as H<sub>2</sub>S, as well as hydrocarbons, and an increase in SO<sub>2</sub> emissions.

68. Modeling of the Late April Incident by an expert EPA contractor showed that concentrations of sulfur dioxide exceed the Acute Exposure Guideline Level-1

(AEGL-1) for S at ground level. Above AEGL-1 level, asthmatics are at risk of bronchoconstriction, which results in increased airway resistance. The expert determined that subsequently exposed individuals in the community were faced with imminent and substantial danger to their health. The “notable discomfort, irritation, or certain asymptomatic non-sensory effects” associated with AEGL-1 exposure is consistent with citizen complaints received surrounding the Late April Event for the No. 8 Flare. Modeled 1-hour concentrations of SO<sub>2</sub> also exceeded the lower bound of the taste threshold, and modeled 1-hour concentrations of H<sub>2</sub>S exceeded the odor threshold assuming a 98% conversion of H<sub>2</sub>S to SO<sub>2</sub> associated with a well-operating flare (i.e., good combustion mechanics).

**May 5, 6, and 7, 2021 Incident (“First May Incident”)**

69. On May 5, 2021, community members began calling EPA to report that an odor was emitting from the Facility. They described the odor as “sulfur,” “gassy,” “burnt eggs,” and “rotten.” On May 6, 2021, community members continued to report odor emitting from the Facility. At 7:08 PM est, a citizen caller reported that the odor was continuing and described the fumes as “noxious.” The caller also stated that the “materials in the air were causing health problems” for community members, including “head ache, sore throat, ear ache, nausea, and lips and tongue tingling.”

70. In an article published on May 7, 2021, the Washington Post reported that roughly 100 members of the community had contacted the Virgin Islands Territorial Emergency Management Agency (“VITEMA”) describing a gaseous odor emitting from the Facility.

71. Initially, on May 5, 2021, Limetree issued a statement on Facebook denying that there were any problems at the Facility. Having received “several

community complaints of a strong odor,” Limetree stated in its Facebook post that Facility personnel had conducted a preliminary investigation, and Limetree had concluded that “units are operating normally, and there is no activity that would result in an odor.”

72. On May 5, 2021, Limetree environmental personnel reported to DPNR and EPA that the Facility had exceeded the H<sub>2</sub>S limit at Flare #8 at approximately 9 PM est on May 5. At the time the email notification was sent to DPNR and EPA at 10:12 PM est, Limetree environmental personnel stated that H<sub>2</sub>S was back below the limit.

73. On May 6, 2021, at 12:45 pm, Limetree issued another statement acknowledging that releases were occurring at the Facility. The statement read:

“Limetree Bay has become aware of an odor affecting areas west of the facility. We are conducting maintenance activity at the Coker unit, which has resulted in light hydrocarbon odors. We will continue to monitor the situation, but there is the potential for additional odors while maintenance continues. We apologize for any impacts this may have caused the community. Thank you.”

74. On May 6, 2021, around 11 AM est, an EPA On Scene Coordinator (“OSC”), was driving towards the Facility in order to investigate the source of odor complaints on May 5, 2021. The OSC submitted the following summary of his experience:

While driving to the facilities, I intermittently had my car windows slightly open but at the time of this experience, my car windows were rolled up, with A/C circulating internally. I noticed an odor and pulled over. I rolled down my car window down to ask a worker on the side of the road what location I was at? What facility was he working at? The worker informed me it was “Container Port. I was surprised how unaffected the workers were by the odor. As if there was nothing different going on. They had no respiratory protection at all. I immediately closed my window and pulled away driving north. I determined that I was slightly west of the Limetree facility. The odor I briefly encountered was overwhelming and nauseating. I normally am suited up with respiratory protection and other [personal protective equipment] prior to being exposed to something like this. It was unexpected. The smell was gasoline-like in nature, but it was stronger than gasoline. I have experience inspecting refineries and other facilities, as well as general life experience mowing lawns and pumping gasoline, and I am familiar [with]

what gasoline smells like and what many other substances emitted by refineries smell like. This odor was stronger, more pungent than others I have encountered. The odor was overwhelming and felt as if I would be sick. I sent an email to EPA Region 02 [Regional Emergency Operations Center (REOC)] with a Google maps screenshot to my location. The REOC was receiving multiple calls from the National Response Center regarding similar odor complaints. The DPNR Environmental Director also contacted me with similar odor complaints. I then planned to visit those two locations which were described as Whim Estates and Mars Hill. As I drove away, even with the A/C on and recirculating air, I continued to smell the odor. I did not detect any orders [sic] in the towns that I investigated which were on the southwest side of the island. I did feel sick throughout the afternoon. It was obvious[] to me the odor was emitting from Limetree and not the asphalt plant(s). I could tell due to my location, the wind direction at the time, and other factors. When I returned to the hotel, the woman at the front desk referenced the facility restarting the coker plant and said that it was the source of the smell. Throughout the afternoon, my head felt 'cloudy' and [I] needed to shower because I felt 'contaminated.'"

75. As a result of the odor, the Virgin Islands Department of Education closed three schools on May 6, 2021. Due to concerns of continuing odor releases, the school closures remained in effect through May 7, 2021.

76. Also as a result of the odor, the VI Bureau of Motor Vehicles ("VIBMV") closed early on May 6, 2021 and remained closed on May 7, 2021. The VIBMV stated that, "[t]his closure is necessary because the employees at the BMV are affected by the strong unpleasant, gas like odor, in the atmosphere surrounding the BMV."

77. On May 7, 2021, VI Governor Albert Bryan activated the VI National Guard and the VITEMA to address continuing reports of odor and heightened concern from the community. The Director of the VI Department of Health ("VIDOH") stated during the same briefing that at least three members of the community had sought medical attention at an area hospital for headaches and nausea allegedly caused by the continuing odors. VIDOH then advised residents with respiratory ailments to avoid going outside or to temporarily relocate to areas of the island that were less affected by the odors.

78. On May 7, 2021, Limetree environmental personnel reported to EPA that the Facility had exceeded the H<sub>2</sub>S limit at Flare #8 at approximately 11 PM EST on May 7, 2021. Limetree environmental personnel stated in the email that “there was an instrumentation/communications error that caused a short spike.” The notification did not indicate the extent of the exceedance.

**May 12, 2021 Incident (“Second May Incident”)**

79. On May 12, 2021 at approximately 5:30 PM, Limetree reported to EPA that around 3:15 PM EST a flaring incident occurred at the Refinery when the pressure in the coker drum rose, causing fire or flames. At the time, Limetree was still unsure what specifically caused the flaring incident. Limetree reported that during its investigation of the fire, Limetree discovered that liquid droplets of oil were on the road west of the Facility. Limetree contacted VITEMA, and VITEMA had or was going to close the road. Liquid droplets of oil had also been reported on properties in the Enfield Green neighborhood.

80. Photographs and video of the Second May Incident show a large flame coming off Flare #8, with a large trailing plume of visible emissions extending a long distance.

81. At 4:15 PM on May 12, 2021, VITEMA issued an alert stating the following: “Limetree Bay Emergency Response Teams are responding to a fire onsite. DPNR has deployed the Virgin Islands Nation Guard for air quality monitoring and the VI Fire Service is standing by to support.”

82. At 6:55 PM on May 12, 2021, Limetree emailed EPA to report the following: “We exceeded the 162 ppm H<sub>2</sub>S limit in the flare header (3-hr average) starting on the hour of 3 to 4pm. We will follow up with a letter.”

83. At 7:12 PM on May 12, 2021, Limetree sent EPA the following information by email: “At 6pm we exceeded the Reportable Quantity (RQ) of 500lbs of SO<sub>2</sub> in a 24hr period from a flaring event at Flare #8. Limetree issued a statement on social media and is preparing a press release. We temporarily suspended production in response to the incident.” In a subsequent email, Limetree clarified that it “temporarily suspended production on all process units.”

84. At 8:50 PM on May 12, 2021, Limetree staff told EPA staff by phone that Limetree was stopping production after such a “big” incident. This would not be a full shutdown of the Refinery, but Limetree would stop production. Limetree would run some units on circulation and the utilities/wastewater would still be in operation. The Limetree staff was not sure how long production would be suspended.

85. At 7:10 PM on May 12, 2021, an EPA employee currently deployed to St. Croix emailed colleagues and informed them that, “[t]here is oil on my windshield.”

86. During the evening of May 12, 2021, a Reuters news article reported the following: “‘The troubled Limetree Bay refinery in St. Croix will temporarily suspend production activities until further notice after a flaring incident dropped oil on a nearby neighborhood’, the company said on Wednesday. The company urged residents in the nearby Enfield Green community not to consume the water following the incident. ‘Water distribution will be established for affected communities,’ the company said in a statement, adding that processing units will be brought to a ‘safe, stable condition.’”

87. During a call with EPA staff on the morning of May 13, 2021, Limetree staff said that at that time no oil was being added to the Refinery system. The shutdown of production will take a couple of days. The oil from the incident that was deposited on roads and neighborhoods to the west of the Facility or elsewhere was a heavy oil like

pitch oil, and not crude oil. Limetree was, at this time, still using some pumps in generating electricity and running wastewater treatment operations.

88. Later in the morning on May 13, 2021, around 11:40 AM, Limetree staff clarified to EPA staff that all process units at the Refinery are shut down with the exception of the platformer, which supplies hydrogen to the desulfurization unit and is needed during the ramping down process. As soon as the Refinery is completely “ramped down”, that unit will be shut down too. Limetree staff stated that they expected this to be completed by the end of the day on May 13, 2021.

89. The May 12, 2021 Incident resulted in flare rainout from Flare #8, and was likely caused by overloading the flare knockout drum with liquid droplets that reportedly originated from a process upset at the coker unit. As discussed in paragraph 44 above, this type of event – let alone two such events in a few months – is not common for a refinery startup.

90. Flare #8 has been the only flare in service at the Refinery, and refinery process units rely on it as a safeguard for process safety and environmental protection. Based on photos of the Second May Incident, it appears that Flare #8’s flare tip, flare riser, and/or associated components were likely damaged in the Second May Incident. Due to the potential for release of uncombusted hydrocarbons and hydrogen sulfide, oil droplet rainout, and/or “burning rain”, the refining process units that rely on Flare 8 may not be able to operate safely until Flare 8 is repaired and its capacity and fitness-for-service evaluated.

**Limetree Environmental Staffing**

91. During the April Site Visit, Limetree representatives stated that Limetree has a single Environmental Department, known as the Health, Safety, and Environmental (“HSE”) Department, serving the entire Facility, including the Refinery and marine loading terminal operations. In addition to managing environmental compliance at the Facility, the HSE department also oversees safety and implementation of COVID-19-related procedures. The entire HSE department consists of 5 employees. Limetree representatives noted they did have consultant support.

92. A Refinery of this size and complexity would be expected to have 10-20 full time onsite staff in its health, safety and environment department.

93. On April 1, 2021, EPA issued a Clean Air Act § 114 information request to Limetree that provided Limetree with 30 days to respond. In an April 7, 2021 letter from LBR, LBR expressed that, “this is a very intense time for the [environmental, health, and safety] team in terms of work load in general.” In large part given the heavy workload on its environmental, health, and safety staff, LBR requested that it be given an extra 180 days to respond to the information request, an amount of time far exceeding any extension typically provided by the EPA.

94. On April 19, 2021, Limetree replaced its Refinery General Manager.

**Health and Welfare Risks of Hydrogen Sulfide, Sulfur Dioxide, and Fuel Oils**

95. According to an April 24, 2021, DPNR advisory regarding the Late April 2021 incident, DNPR warned:

“Exposure to low concentrations of hydrogen sulfide may cause irritation to the eyes, nose, or throat. It may also cause difficulty in breathing for some asthmatics. Respiratory distress or arrest has been observed in people exposed to very high concentrations of hydrogen sulfide.

Exposure to low concentrations of hydrogen sulfide may cause headaches, poor memory, tiredness, and balance problems. Brief exposures to high concentrations of hydrogen sulfide can cause loss of consciousness. In most cases, the person appears to regain consciousness without any other effects. However, in some individuals, there may be permanent or long-term effects such as headaches, poor attention span, poor memory, and poor motor function.

Individuals with respiratory ailments such as allergies, lung disease, or asthma should consider taking protective actions such as staying indoors or temporarily relocating to areas less affected.”

This language echoes the information provided by ATSDR in its “TOXFAQ” and “Public Health Statement” (a summary about a hazardous substance taken from its ATSDR Toxicological Profile) documents for hydrogen sulfide.

96. ATSDR’s “TOXFAQ” for hydrogen sulfide further notes that “[s]tudies in humans suggest that the respiratory tract and nervous system are the most sensitive targets of hydrogen sulfide toxicity.”

97. According to ATSDR’s “TOXFAQ” for hydrogen sulfide, while there is very little information on possible health problems in children who have been exposed to hydrogen sulfide, exposed children probably will experience effects similar to those experienced by exposed adults. Whether children are more sensitive to hydrogen sulfide exposure than adults is not known.

98. ATSDR’s “Public Health Statement” on hydrogen sulfide further specifies that you can have respiratory and neurological effects if you are exposed to higher concentrations of hydrogen sulfide, at least 100 times higher than typical environmental levels. The ATSDR Public Health Statement elsewhere says that, “[h]ydrogen sulfide air concentrations from natural sources range between 0.00011 and 0.00033 ppm. In urban areas, the air concentrations are generally less than 0.001 ppm.”

99. ATSDR's "Public Health Statement" on hydrogen sulfide notes that, "If you are exposed to very high concentrations of hydrogen sulfide, you may have severe problems breathing even if you do not have a pre-existing respiratory condition. You could lose consciousness if you are briefly exposed to very high concentrations (more than 1 million times higher than the amount typically found in the environment). If this happens, you may regain consciousness without any other effects. However, some people may have longer lasting effects such as headaches, poor attention span, poor memory, and poor motor function."

100. ATSDR has also said that hydrogen sulfide can remain in the air from 1 to 42 days, depending on the season.

101. Breathing high levels of SO<sub>2</sub> can cause immediate health impacts. Short-term exposures to SO<sub>2</sub> can harm the human respiratory system and make breathing difficult. People with asthma, particularly children, are sensitive to these effects of SO<sub>2</sub>. SO<sub>2</sub> emissions that lead to high concentrations of SO<sub>2</sub> in the air generally also lead to the formation of other sulfur oxides ("SO<sub>x</sub>"). SO<sub>x</sub> can react with other compounds in the atmosphere to form small particles. These particles contribute to particulate matter (PM) pollution. Small particles may penetrate deeply into the lungs and in sufficient quantity can contribute to health problems.

102. According to ATSDR's "Public Health Statement" on sulfur dioxide:

"Short-term exposures to high levels of sulfur dioxide can be life-threatening. Exposure to 100 parts of sulfur dioxide per million parts of air (ppm) is considered immediately dangerous to life and health. Previously healthy nonsmoking miners who breathed sulfur dioxide released as a result of an explosion in an underground copper mine developed burning of the nose and throat, breathing difficulties, and severe airway obstructions. Longterm exposure to persistent levels of sulfur dioxide can also affect your health. Lung function changes have been observed in some workers exposed to 0.4–3.0 ppm sulfur dioxide for 20 years or more. However, these workers were also exposed to

other chemicals, making it difficult to attribute their health effects to sulfur dioxide exposure alone. Additionally, exercising asthmatics are sensitive to the respiratory effects of low concentrations (0.25 ppm) of sulfur dioxide. . . .

Most of the effects of sulfur dioxide exposure that occur in adults (i.e., difficulty breathing, changes in the ability to breathe as deeply or take in as much air per breath, and burning of the nose and throat) are also of potential concern in children, but it is unknown whether children are more vulnerable to exposure. Children may be exposed to more sulfur dioxide than adults because they breathe more air for their body weight than adults do. Children also exercise more frequently than adults. Exercise increases breathing rate. This increase results in both a greater amount of sulfur dioxide in the lungs and enhanced effects on the lungs. . . .

Long-term studies surveying large numbers of children have indicated possible associations between sulfur dioxide pollution and respiratory symptoms or reduced breathing ability. Children who have breathed sulfur dioxide pollution may develop more breathing problems as they get older, may make more emergency room visits for treatment of wheezing fits, and may get more respiratory illnesses than is typical for children. However, studies like these are unable to provide conclusive evidence about sulfur dioxide's effects on children's health because many other pollutants are also present in the air. . . .

It is known that exercising asthmatics are sensitive to low concentrations of sulfur dioxide. Therefore, increased susceptibility is expected in children with asthma, but it is not known whether asthmatic children are more sensitive than asthmatic adults. Additionally, asthma occurs most often in African Americans, children between the ages of 8 and 11, and people living in cities. For unknown reasons, the death rates associated with asthma are also higher in non-Caucasian people. Therefore, it is expected that asthmatic, African American children living in urban areas have increased sensitivity to sulfur dioxide.”

103. The Center for Disease Control's ATSDR has developed a “ToxFAQ” document (a fact sheet that answers the most frequently asked questions about a contaminant and its health effects) for fuel oils. This document describes “fuels oils” as “a variety of yellowish to light brown liquid mixtures that come from crude petroleum. Some chemicals found in fuel oils may evaporate easily, while others may more easily dissolve in water. Fuel oils are produced by different petroleum refining processes, depending on their intended uses.” The document notes that, “[d]rinking or breathing fuel oils may cause nausea or nervous system effects,” although it also notes that, “[l]ittle

information is available about the health effects that may be caused by fuel oils.” It says that “Breathing some fuel oils for short periods may cause nausea, eye irritation, increased blood pressure, headache, light-headedness, loss of appetite, poor coordination, and difficulty concentrating. Breathing diesel fuel vapors for long periods may cause kidney damage and lower your blood's ability to clot.”

104. According to an expert EPA contractor, for the oil droplets released during two events, “. . . the oil [released during the Feb. 4 Incident and the Second May Incident] is likely composed of a mixture of petroleum hydrocarbons. Potential exposures include inhalation of volatile components, dermal contact with the residues, and ingestion of or contact with impacted water. Human health impacts depend on the specific petroleum constituents in a particular media or matrix, but total petroleum hydrocarbons as well as individual constituents have been associated with a variety of adverse health impacts. Skin and eye irritation, for example, are associated with short-term exposures to different hydrocarbon fractions. Longer term oral exposures to the semi-volatile fractions such as polyaromatic hydrocarbons (PAHs) have shown liver effects to be a common endpoint. Dermal contact with some PAHs have been shown to elicit skin hypersensitivity reactions. Some oil constituents have been classified as known or possible carcinogens.

The expert EPA contractor found that: “The information available to date indicates that the incidents which occurred at the Limetree Bay Terminals and Refining facility present an imminent and substantial endangerment to both public health and welfare. This conclusion is based on multiple lines of evidence that demonstrate that the facility has already placed the health and welfare of the nearby community at risk. Additionally, the repeated nature of the flare failures coupled with the events associated with the release of noxious sulfur compounds and other potential hazardous air pollutants elevates the degree of harm.”

The expert EPA contractor noted that, in addition to the impacts on physical health, the repeated incidents emitting oil droplets in a short time period have resulted in fear and anxiety about the next possible event and the severity of that event. The frequency of Limetree flare incidents raises the concern that events could continue to escalate and result in an even more significant or catastrophic incident, which could lead to injury or loss of life. The contractor also notes that improper maintenance or process safety management of flare systems has historically caused serious harm to people (killing or injuring workers and people living and working off site) and the environment, as well as damage and loss to property.

### **CONCLUSIONS OF LAW**

EPA concludes the following:

105. Respondent LBT is a "person" within the meaning of Section 302(e) of the Act, 42 U.S.C. § 7602(e), against whom an Emergency Order may be issued under Section 303 of the Act, 42 U.S.C. § 7603.

106. Respondent LBR is a "person" within the meaning of Section 302(e) of the Act, 42 U.S.C. § 7602(e), against whom an Emergency Order may be issued under Section 303 of the Act, 42 U.S.C. § 7603.

107. In its current state, the Facility is a "pollution source" or "combination of sources" within the meaning of Section 303 of the Act, 42 U.S.C. § 7603.

108. The Feb. 4, 2021 Incident's emissions of an "oily mist," consisting in part of heavy oil, including a mixture of many heavy organic compounds; the Late April Incident emissions of H<sub>2</sub>S and/or SO<sub>2</sub>; the First May Incident's emissions of light hydrocarbons and/or volatile organic compounds; and the Second May Incident's

emissions of heavy oil droplets, particulate matter, and visible emissions are all “air pollutants” within the meaning of Sections 302(g) and 303 of the Act, 42 U.S.C. §§ 7602(g) and 7603.

109. Respondents are “causing or contributing” to the emission of air pollutants within the meaning of Sections 302(g) and 303 of the Act, 42 U.S.C. §§ 7602(g) and 7603, by continuing to operate the Facility’s Refinery Operations in the current manner.

110. EPA is in receipt of evidence that, in less than four months, the air emissions from the Facility’s Refinery Operations have, on at least four occasions, harmed the public health, welfare or the environment, as described *supra* at Paragraphs 33-90, and 95-104.

111. EPA is in receipt of evidence that the Refinery, if allowed to continue to operate as it is currently operated, presents an imminent and substantial endangerment to the public health or welfare or the environment.

112. Issuance of this Order is necessary to assure prompt protection of public health or welfare or the environment because it is not practicable to wait for the commencement of a civil action in United States District Court to assure prompt protection from additional air emissions events.

113. The Director of the Caribbean Environmental Protection Division has found that the Refinery’s current operations, as described above, if allowed to continue, are presenting an imminent and substantial endangerment to public health or welfare or the environment, and it is therefore appropriate for the issuance of an Order under Section 303 of the Act, 42 U.S.C. § 7603.

114. The Director of the Caribbean Environmental Protection Division is vested with the authority of the Administrator under Section 303 of the Act, 42 U.S.C. § 7603.

### **ORDER**

115. Based on the foregoing, and pursuant to Section 303 of the Act, 42 U.S.C. § 7603, in order to abate or prevent an imminent and substantial endangerment to public health or welfare or the environment, the Director of the Caribbean Environmental Protection Division hereby orders Respondents, their agents, employees, successors, and assigns, to address the endangerment posed by frequent incidents at the Refinery that have endangered public health and welfare, as follows:

- a. Within one (1) business day of receipt of this Order, Respondents shall submit to EPA in writing a statement explaining whether Respondents intends to and is able to comply with this Order.
- b. Upon receipt of this Order, Respondents shall ensure all Refinery Operations cease until the termination of this Order in accordance with paragraph 125 unless, based on the auditor reports and Respondents' implementation plan, EPA determines, in consultation with VIDPNR, that operations can resume before the expiration of the Order.
- c. Respondents shall notify EPA electronically, in accordance with paragraph 116, as soon as possible once Refinery operations have ceased.
- d. Respondents shall retain, at their expense, independent third party auditors ("Auditors") consistent with the requirements set forth below. The Auditors shall be retained to conduct one or more comprehensive

audits (“Audits”), to be completed by the earlier of 30 days after EPA’s approval of a list of auditors for a given Audit Category pursuant to subparagraph (f) of this paragraph or 42 days after issuance of this Order. The Audits shall include a review of the items specified in subparagraphs (i) and (j) of this paragraph. Respondents shall require that the Auditors act independently and objectively when performing all activities. Respondents shall provide the Auditors with full access to the Facility and provide or otherwise make available any necessary personnel, documents, and Facility environmental, health, and safety training to fully perform all audit activities.

- e. Within 7 days of this Order’s issuance, Respondents shall submit to EPA the name and qualifications of at least three (3) proposed Auditors (the “Proposed Auditors”) in each Audit Category discussed in subparagraphs (h), (i) and (j) of this paragraph – and more if necessary to provide competency in all of an Audit Category’s scope – that Respondents certify meet the following conditions:

- i. A Proposed Auditor for the Environmental Compliance Audit has demonstrated experience in audits for compliance with Clean Air Act regulations and has completed at least a bachelors degree in science or engineering.
- ii. A Proposed Auditor for the Process Unit Audit has demonstrated experience in refinery process operation and optimization and has completed at least a bachelors degree in chemical or mechanical engineering.

- iii. The Proposed Auditor and its personnel have not conducted research, development, design, construction, financial, engineering, legal, consulting nor other advisory services for Respondents or any other entity associated with the Refinery within the last three years. However, a Proposed Auditor with personnel who, before working for the audit firm, conducted research, development, design, construction, or consulting services for Respondents (as an employee or contractor) may meet the requirements of independence by ensuring such personnel do not participate on, manage, or advise the audit team;
  - iv. The Proposed Auditor was not involved in efforts since 2016 to restart or operate the Facility.
  - v. The Proposed Auditor and its personnel will not provide any other commercial, business, or voluntary services to Respondents for a period of at least three years following the Proposed Auditor's submittal of the final Audit Report.
  - vi. Respondents will not provide future employment to any of the Proposed Auditor's personnel who managed, conducted, or otherwise participated in the Audit for a period of at least three (3) years following the Proposed Auditor's submittal of its final Audit Report.
- f. EPA will notify Respondents in writing whether it approves of any of the three (3) proposed Auditors in each Audit Category. Within 7

days of EPA approval, Respondents shall retain one or more of the EPA-approved Proposed Auditors for each Audit Category, who shall then become the Auditor(s) for that Audit Category, to perform the audit activities set forth in subparagraphs (i) and (j) of this paragraph of this Order. Respondents shall ensure that all audit personnel who conduct or otherwise participate in audit activities shall certify that they satisfy the conditions set forth in subparagraph (e) of this paragraph above before receiving any payment from Respondents.

- i. If EPA rejects all three of the Proposed Auditors proposed for an Audit Category, within 48 hours of receipt of EPA's rejection notification, Respondents shall submit to EPA for approval another three (3) Proposed Auditors that meet the qualifications set forth in subparagraph (e) of this paragraph. EPA will review the proposed replacements in accordance with this subparagraph (f).
- g. Each Auditor shall commence auditing onsite within 5 days of contracting.
- h. The Audit Categories shall include Category A (Environmental Compliance Audit) and Category B (Process Unit Audit).
- i. Audit Category A: Environmental Compliance Audit. Respondents shall ensure that the contract with the Auditor(s) retained to perform the Environmental Compliance Audit explicitly requires the Auditor(s) to perform the activities specified in this paragraph and its subparagraphs. However, the contents of the Audit shall not be

limited to the below items if the Auditor determines that additional evaluation should be conducted to prevent emissions or incidents that could endanger public health or welfare or the environment.

- i. An evaluation of staffing within the environmental, health and safety program at the Refinery including staffing levels and whether staff have proper academic background, experience, and training to ensure the Refinery operates within required environmental, health, and safety limits and avoids situations or condition that endanger public health or welfare or the environment;
- ii. A review of CAA compliance at the Refinery since February 2021, with a summary of all non-compliance and recommended steps to prevent future noncompliance, including at a minimum:
  1. Exceedances of NSPS Subpart J and Ja and permit H<sub>2</sub>S limits at Flare #8 and the East Mix Drum and Coker Mix Drum Fuel Gas Systems;
  2. Compliance with all NSPS Subpart Ja requirements for flare incidents that exceed the 500 pound per day threshold;
  3. Compliance with the obligations of the Flare Management Plan submitted pursuant to NSPS Subpart Ja and NESHAP Subpart CC; and

4. An evaluation of compliance for releases at the coker unit with particular emphasis on the miscellaneous process vent requirements of NESHAP Subpart CC and the coker steam vent requirements of NESHAP Subpart CC.

- j. Audit Category B: Process Area Audits. Respondents shall retain one or more Auditors, as necessary to ensure the Auditors have the requisite expertise to perform the activities in this paragraph and its subparagraphs. Respondents shall ensure that its contract with each Auditor retained to perform Process Area Audits explicitly requires the Auditor to perform the activities specified in this paragraph and its subparagraphs. However, the contents of the Audit shall not be limited to the below items if an Auditor determines that additional evaluation should be conducted to prevent emissions or incidents that could endanger public health or welfare or the environment.

1. Flare system audit.

- a. An evaluation of the condition of the tip on Flare #8;
- b. Capacity of the knockout pot to handle liquids loading to prevent flare rainout;
- c. Capacity of flare #3 to serve as backup to Flare #8;

- d. Other damage already incurred by and to the flare system due to high liquid loading or other causes;
  - e. Review of procedures that can be implemented to avoid and minimize the impact of future flaring events, including:
    - i. Operation of redundant amine treatment units and redundant SRU trains operated in hot standby; and
    - ii. Sulfur shedding practices;
  - f. A review of whether and how installation of a flare gas recovery system to eliminate or minimize Flare #8 non-compliance can be expedited; and
  - g. An evaluation of staffing with regard to the operation and maintenance of the process unit, including staffing levels and whether operators have proper experience and training to operate the process unit safely and within required environmental limits.
2. Coker audit.
- a. Releases to Flare #8, particularly high liquid loading that has occurred, what caused them,

and physical changes and operating changes to prevent them from happening in the future;

- b. Releases since February 2021 of volatile organics directly to the atmosphere from the coker unit, and particularly from the steam vent prior to decoking, what caused them, and physical changes and operational changes to prevent such releases from happening again in the future; and
- c. An evaluation of staffing with regard to the operation and maintenance of the process unit, including staffing levels and whether operators have proper experience and training to operate the process unit safely and within required environmental limits.

3. Amine/Sulfur Recovery Unit (SRU).

- a. Acid gas flaring events at Flare #8, particularly including hydrocarbon carryover from the amine units to the SRUs, what caused them, and physical changes and operational changes to prevent them from happening again in the future;

- b. Review of procedures that can be implemented to avoid and minimize the impact of future acid gas flaring events, including:
    - i. Operation of redundant amine treatment units and redundant SRU trains operated in standby; and
    - ii. Sulfur shedding practices; and
  - c. An evaluation of staffing with regard to the operation and maintenance of the process unit, including staffing levels and whether operators have proper experience and training to operate the process unit safely and within required environmental limits.
- k. Respondents shall ensure that its contract with each Auditor requires that the Auditor shall simultaneously submit an audit report (“Audit Report”) to Respondents, EPA (at the contacts listed in paragraph 116 below), and VIDPNR (at the contacts listed in paragraph 117). Concurrently, Respondents shall represent that the Audit Report submittal meets the following requirements:
  - i. Respondents shall ensure that the Auditor does not share any draft or preliminary audit findings or reports with Respondents in any format (electronic, paper, or verbal).
  - ii. Respondents shall conduct no post-audit oral or written communications with the Auditor except to request, for the

purposes of the audit, additional audit-related data or information. EPA and VIDPNR shall be simultaneously copied (at the contacts listed in paragraphs 116 and 117 below) on any such communication.

- iii. Respondents shall ensure that the Auditor does not share its audit conclusions with Respondents until the Auditor submits its Audit Report(s) to EPA and VIDPNR.
  - iv. The Audit Report shall include all findings, conclusions, monitoring results, and other observations of the Auditor.
  - v. The Auditor shall provide EPA and VIDPNR with copies of all documents reviewed and identify all Facility personnel interviewed in support of the Audit Report.
  - vi. Respondents shall require the Auditor to include in the final Audit Report, submitted to EPA and VIDPNR pursuant to this Order, a certification that the Auditor has remained in compliance with all of the conditions set forth in subparagraph (e) of this paragraph, above.
1. Within 56 days of the issuance of this Order, Respondents shall submit to EPA a detailed plan that addresses all findings, conclusions, and observations set forth in each Audit Report, with an expeditious schedule for implementation of all corrective measures (“the Plan”).
- i. Respondents shall also describe each completed or proposed action to correct each deficiency identified in each Audit Report submitted to EPA, including the date(s) that such corrections occurred or are

scheduled to occur. The Plan shall provide for the implementation of each Auditor's recommendations in each Audit Report or provide a detailed explanation for why an Auditor's given recommendation is impracticable.

- ii. The Plan shall ensure that the Refinery operates in a manner that complies with environmental statutory, regulatory and permit requirements such that said operation does not present an imminent and substantial endangerment to public health or welfare or the environment, and the Plan shall include adequate measures to protect the health and welfare of residents living near the Facility.
- iii. The Plan shall be submitted to EPA, for EPA review, comment, and approval, or approval with modifications.
- m. Upon commencing operation of any Refinery process unit following the ceasing of Refinery Operations required in subparagraph (b) of this paragraph, Respondents shall electronically notify EPA as soon as possible but no later than 24 hours after commencement.

116. Note: Respondents shall submit all notices, schedules, work plans, analyses, certifications and documentation required by this Order by email to:

Robert Buettner, Chief  
Air Compliance Branch  
Enforcement and Compliance Assurance Division  
[buettner.robert@epa.gov](mailto:buettner.robert@epa.gov)

And

Nancy Rodríguez, Chief  
Multimedia Permits and Compliance Branch  
Caribbean Environmental Protection Division  
U.S. Environmental Protection Agency, Region 2

rodriguez.nancy@epa.gov

And

Harish Patel, Team Leader  
Air Compliance Branch  
Enforcement and Compliance Assurance Division  
Patel.harish@epa.gov

And

Patrick Foley, Senior Environmental Engineer  
Air Enforcement Division  
Office of Enforcement and Compliance Assurance  
U.S. Environmental Protection Agency  
Foley.patrick@epa.gov

And

Liliana Villatora, Chief, Air Branch  
U.S. Environmental Protection Agency, Region 2  
Office of Regional Counsel  
villatora.liliana@epa.gov

And

Sara Froikin, Assistant Regional Counsel  
U.S. Environmental Protection Agency, Region 2  
Office of Regional Counsel  
froikin.sara@epa.gov

117. Note: Whenever submittal to VIDPNR is required in paragraph 115,

Respondents shall submit all notices, schedules, work plans, analyses, certifications and documentation required by this Order by email to:

Verline Marcellin, Air Program Supervisor  
Virgin Island Department of Planning and Natural Resources  
verline.marcellin@dpr.vi.gov

And

Jean-Pierre Oriol, Commissioner  
Virgin Island Department of Planning and Natural Resources  
jp.oriol@dpr.vi.gov

### **ACCESS**

118. Respondents shall allow EPA and its authorized representatives and contractors to enter and freely move about all areas subject to this Order, using equipment to gather information, for the purposes of inspecting conditions, activities, records, and contracts related to the presence of emissions in the Facility and other CAA compliance concerns and operation of the Refinery. Respondents shall allow EPA and its authorized representatives to enter the areas subject to this Order to inspect and copy all records, files, photographs, documents, sampling and monitoring data, and other writings related to carrying out this Order.

119. Nothing in this Order is intended to limit, affect or otherwise constrain EPA's rights of access to property and records pursuant to applicable law.

### **RESERVATION OF RIGHTS**

120. EPA reserves the right to take any necessary action to enforce this Order, including obtaining injunctive relief or civil or criminal penalties, in accordance with Section 113 of the CAA, 42 U.S.C. § 7413.

121. Be advised that issuance of this Order does not preclude EPA from electing to pursue any other remedies or sanctions authorized by law that are available to address these and other violations. This Order does not resolve Respondents' liability for past violations of the Act or for any violations that continue from the date of this Order up to the date of compliance. At any time after the issuance of this Order, EPA may take any or all of the following actions: issue a further order requiring compliance with the Act; issue an administrative penalty order for up to \$48,762 per day for each violation; or bring a civil or criminal action seeking an injunction and penalties. See Sections 113(a)-

(d) of the CAA, 42 U.S.C. §§ 7413(a)-(d); 40 C.F.R. Part 19; and 85 Fed. Reg. 83818 (December 20, 2020) (raising CAA penalties to \$48,762 for violations occurring after Nov. 2, 2015 and assessed on or after Dec. 23, 2020).

122. Nothing in this Order shall limit the power and authority of EPA to take, direct or order all action necessary to protect public health or welfare or the environment to prevent, abate or minimize an imminent and substantial endangerment resulting from the continued operation of the Refinery as it is currently operated. Further, nothing in this Order shall be construed to prevent EPA from seeking legal or equitable relief to enforce the terms of this Order, or from taking other legal or equitable action as EPA deems appropriate and necessary, pursuant to the CAA, and any other applicable law. Nothing herein shall be construed to prevent EPA from requiring Respondents to perform further actions pursuant to the CAA or other applicable law.

123. Neither EPA nor the United States, by the issuance of this Order, assumes any liability for any acts or omissions by Respondents or Respondents' employees, agents, contractors or consultants engaged to carry out any action or activity pursuant to this Order; nor shall EPA or the United States be held as a party to any contract entered into by Respondents or Respondents' employees, agents, contractors or consultants engaged to carry out the requirements of this Order.

#### **EFFECTIVE DATE**

124. This Order is effective immediately upon issuance by EPA. Although this Order is effective immediately, Respondents may contact EPA to confer about compliance with the Order by contacting Sara Froikin, Esq. of EPA at 212-637-3263.

125. This Order shall be effective for a period of not more than 60 days unless the United States files a civil action in the appropriate United States district court pursuant to Section 303 of the Act, 42 U.S.C. § 7603.

**Re: Request to Provide Information Pursuant to the Clean Air Act,**  
**Reference Number: CAA-02-2021-1462**

Dear Messrs. Morgan and Hersperger:

The U.S. Environmental Protection Agency (EPA), Region 2 is requiring Limetree Bay Terminal, LLC & Limetree Bay Refining, LLC (Limetree) to submit certain information about your facility at 1 Estate Hope, Christiansted, VI 00820 (the Facility). Enclosure 1, Part I provides the instructions needed to answer this information request, including instructions for electronic submissions. Enclosure 1, Part III specifies the information and monitoring that you must submit and conduct as well as the reporting schedule.

We are issuing this information request under Section 114(a) of the Clean Air Act (CAA), 42 U.S.C. § 7414(a). Section 114(a) authorizes the Administrator of EPA to require the submission of information. This authority has been delegated to the Director of the Enforcement and Compliance Assurance Division. Limetree owns and operates emission sources at the Facility.

Limetree must send all required information to:

Robert Buettner, Chief  
Air Compliance Branch  
U.S. Environmental Protection Agency  
Region 2  
290 Broadway  
New York, New York 10007  
[Buettner.Robert@epa.gov](mailto:Buettner.Robert@epa.gov)

Limetree must submit all required information under an authorized signature with the following certification:

I certify under penalty of law that I have examined and am familiar with the information in the enclosed documents, including all attachments. Based on my inquiry of those individuals with primary responsibility for obtaining the information, I certify that the statements and information are, to the best of my knowledge and belief, true and complete. I am aware that there are significant penalties for knowingly submitting false statements and information, including the possibility of fines or imprisonment pursuant to Section 113(c)(2) of the Clean Air Act and 18 U.S.C. §§ 1001 and 1341.

You may assert a claim of business confidentiality under 40 C.F.R. Part 2, Subpart B for any part of the information you submit to us. Information subject to a business confidentiality claim is available to the public only to the extent, and by means of the procedures, set forth at 40 C.F.R. Part 2, Subpart B. If you do not assert a business confidentiality claim when you submit the information, EPA may make this information available to the public without further notice. You should be aware, moreover, that pursuant to Section 114(c) of the CAA and 40 C.F.R. § 2.301(a) and (f), emissions data, standards and limitations are not entitled to confidential treatment.

This information request is not subject to the Paperwork Reduction Act, 44 U.S.C. § 3501 *et seq.*, because it seeks collection of information from specific individuals or entities as part of an administrative action or investigation.

We may use any information submitted in response to this request in an administrative, civil or criminal action.

Failure to comply fully with this information request may subject Limetree to an enforcement action under Section 113 of the CAA, 42 U.S.C. § 7413.

You should direct any questions about this information request to Harish Patel in the EPA Region 2 Air Compliance Branch at [patel.harish@epa.gov](mailto:patel.harish@epa.gov) or by phone at 212-637-4046.

Sincerely,

Dore LaPosta, Director  
Enforcement and Compliance Assurance Division  
Environmental Protection Agency – Region 2

**ENCLOSURE 1****INFORMATION REQUEST PURSUANT TO SECTION 114 OF THE CLEAN AIR ACT**

The U.S. Environmental Protection Agency (EPA) requires the submittal of information regarding operations and compliance of the Limetree facility located at 1 Estate Hope, Christiansted, St. Croix, VI.

**Part I: Instructions**

In preparing your responses, please refer to the following instructions:

1. A complete and separate response must be provided for each numbered information request paragraph below. Identify each response with the same paragraph number to which it corresponds.
2. Provide all supporting documentation for each response. Supporting documentation includes, but is not limited to, company records (such as logs, receipts, ledgers, etc.), notifications or reports that have been submitted to EPA and/or the Virgin Islands Department of Planning and Natural and Resources (VIDPNR), manufacturer's equipment specifications and equipment certifications, and other similar types of documents. For each document submitted, indicate the paragraph number to which it responds.
3. Provide as precise and complete a response as possible, even if the information sought was never documented in writing, or if the written documents are no longer available. Consult with all present and past employees and agents whom you or other employees or officers have reason to believe may be familiar with the matter to which the question pertains. Provide the name of each person responding to each information request paragraph, along with the names of all persons consulted in the preparation of each response.
4. If the requested information or documentation cannot be made available, state the reason(s) why it cannot be made available, and provide all information that could lead to obtaining it. If you cannot provide a precise answer to a question, please approximate, but in any such instance, state the reason for your inability to be specific.
5. In response to each question below, please provide, in detail, all relevant information. Please submit your responses to the EPA electronically. You may submit your responses electronically using any of the following methods: a) via electronic mail sent to Robert Buettner at the following address: buettner.robert@epa.gov; b) by providing the EPA with a link to the file sharing service of your preference where we may download the documents; or c) by requesting a link from the EPA to our file sharing service where you may upload the documents. If the information requested is not in existence or is not available, submit a statement certifying that fact, along with an explanation supporting such certification.
6. Pursuant to Section 114 of the Clean Air Act (the Act), Limetree must supply the requested information. The requested information must be submitted in accordance with the schedules in Part III, Specific Information Request, unless EPA grants, in writing, an extension of time to respond.

## **Part II: Definitions**

All terms used in this Information Request will have their ordinary meaning unless such terms are defined in the Act, 42 U.S.C. § 7401 *et seq.*, and its implementing regulations. Where reference is made to the EPA regulatory provisions only, however, you should also apply the applicable federally approved state provisions when appropriate. Specific terms are defined as follows:

- A. The terms “document” and “documents” shall mean any object that records, stores, or presents information, and includes writings, memoranda, records, or information of any kind, formal or informal, whether wholly or partially handwritten or typed, whether in computer format, memory, or storage device, or in hardcopy, including any form or format of these.
- B. The term “Facility” shall mean the Limetree Bay Refining, LLC and Limetree Bay Terminals, LLC facility located at 1 Estate Hope, Christiansted, St. Croix, VI 00820.
- C. The terms “you,” “your” or “Limetree” means the following: the addressees of this Information Request, Limetree Bay Refining, LLC and Limetree Bay Terminals, LLC.

**Part III: Specific Information Request****Information Request**

1. Within fifteen (15) days of receipt of this Request, Limetree shall submit for EPA review and approval an ambient air monitoring plan that includes the operations of sulfur dioxide (SO<sub>2</sub>) and hydrogen sulfide (H<sub>2</sub>S) monitors at the five existing air monitoring sites and an additional four offsite monitoring sites identified in Table A below (the Limetree Monitoring Plan). The SO<sub>2</sub> monitoring must be performed using an EPA approved methodology. Approved methodologies for SO<sub>2</sub> monitoring are available in the List of Designated Reference and Equivalent Methods: [https://www.epa.gov/sites/production/files/2019-08/documents/designated\\_reference\\_and-equivalent\\_methods.pdf](https://www.epa.gov/sites/production/files/2019-08/documents/designated_reference_and-equivalent_methods.pdf). The minimum specifications for the H<sub>2</sub>S monitor are: minimum detection level of 3 parts per billion (ppb), maximum span of 1000 ppb, and an accuracy factor of +/- 15-20 percent.

Table A

<b>Monitor Number</b>	<b>AQS Address</b>	<b>Coordinates</b>
Site 1	West Gate Martin Marietta	17.706014 -64.781737
Site 2	Estate Anguilla, The Ruins	17.717197 -64.774590
Site 3	Plot 25 Estate Clifton Hill	17.718683 -64.776514
Site 4	Plot 487 Estate Barren Spot	17.732244 -64.765214
Site 5	Plot 214 Estate Ruby	17.736911 -64.751889
Site 6	Approx. 3.75 miles NNW of refinery	17.7697 -64.7800
Site 7	Good Hope Country Day School 2.25 North of refinery	17.7518 -64.7659
Site 8	St. Croix Educational Complex High School -2.50 miles WNW of refinery	17.7223 -64.7985
Site 9	School of Good Shepherd 5.00 miles WSW of refinery	17.7008 -64.8350

2. Limetree shall follow all monitoring, siting, and quality assurance criteria in 40 CFR Part 58.
3. EPA will review the Limetree Monitoring Plan and approve it, approve it with specified changes, or require Limetree to make changes to it and submit the revised version to EPA for review and approval. If EPA requires Limetree to make changes to the Limetree Monitoring Plan and submit the revised version to EPA, Limetree shall do so within seven (7) days of receiving such communication from EPA. Limetree shall implement the plan once it is approved by EPA.
4. Limetree shall commence monitoring at Sites 1-5 within thirty (30) days of the date of this Information Request. Limetree shall commence monitoring at Sites 6-9 within ninety (90) days of the date of this Information Request.
5. Limetree shall also follow the operating procedures identified in the "Quality Assurance Handbook for Air Pollution Measurement Systems, Volume II, Ambient Air Quality Measurement Program (EPA-454/B-17-001, January 2017)", located at <http://www.epa.gov/amtic/ambient-air-monitoring->

[quality-assurance#documents](#), 40 CFR Part 58, Appendix A, and any specified procedures in the manufacturer's maintenance manual for the units used to monitor SO<sub>2</sub> and H<sub>2</sub>S.

6. Limetree shall be responsible for all operation and maintenance associated with the SO<sub>2</sub>/H<sub>2</sub>S monitors. Maintenance shall include, at a minimum, the replacement of any equipment and cleaning on a schedule specified in the manufacturer's maintenance manual and the EPA requirements as specified in the items above.
7. All monitoring shall take place for as long as the refinery operations remain in service.
8. Limetree shall re-install a meteorological tower at the Facility within thirty (30) days of the date of this Information Request and shall operate and maintain it. At a minimum, the meteorological tower must be comprised of instrumentation that continuously measures and records wind speed and wind direction at one-hour average intervals throughout the entire ambient monitoring period. Limetree shall correlate 1-hr ambient SO<sub>2</sub>/H<sub>2</sub>S measurements with wind speed and wind direction data to determine source direction and the effects of wind speed on SO<sub>2</sub>/H<sub>2</sub>S concentrations. The meteorological tower must also include calibrated ambient temperature and pressure instrumentation for purposes of determining corrected (actual) SO<sub>2</sub>/H<sub>2</sub>S concentrations as recorded by the monitors. Limetree shall maintain and submit reports and records in accordance with the reporting requirements in this Information Request.
9. With respect to the meteorological tower, Limetree shall follow the "Quality Assurance Handbook for Air Pollution Measurement Systems Volume IV: Meteorological Measurements Version 2.0 (Final)" (EPA -454/DB-068-0012), located at [https://www.epa.gov/sites/production/files/2020-10/documents/volume\\_iv\\_meteorological\\_measurements.pdf](https://www.epa.gov/sites/production/files/2020-10/documents/volume_iv_meteorological_measurements.pdf), and the "Meteorological Monitoring Guidance for Regulatory Modeling Applications" (EPA-454/R-99-005), located at [https://www.epa.gov/sites/production/files/2020-10/documents/mmgrma\\_0.pdf](https://www.epa.gov/sites/production/files/2020-10/documents/mmgrma_0.pdf).
10. The internal clocks of all SO<sub>2</sub>/H<sub>2</sub>S analyzers, data loggers, and the wind speed and wind direction data logger shall be synchronized to within 60 seconds of each other (local time and not adjusted for Daylight Savings Time) and shall be checked against a calibrated reference clock at least once every thirty (30) days. Instrument clocks that are not within 60 seconds from the reference clock shall be reset to within 60 seconds of the reference clock. Each of these inconsistencies and each reset time shall be noted in the study log.
11. Limetree shall be responsible for all operation and maintenance associated with the meteorological tower. Maintenance shall include, at a minimum, the replacement of any equipment and cleaning on a schedule specified in the manufacturer's maintenance manual.
12. Within 30 days of EPA approval of the Limetree Monitoring Plan, Limetree shall submit a Quality Assurance Project Plan (QAPP) to the EPA. The guidance document for writing a QAPP is "U.S. EPA Guidance for Quality Assurance Project Plans," EPA QA/G-S, EPA/600/R-02/009 - December 2002. The guidance is available at <https://www.epa.gov/quality/guidance-preparing-quality-assurance-project-plan>. Any measures identified by this Information Request should be incorporated into the QAPP.
13. Limetree shall provide the EPA and VIDPNR access to the monitor sites and expeditiously respond to any inquiries from the EPA and/or VIDPNR regarding monitor siting, operations, or maintenance.

In the event that an EPA and/or VIDPNR inspector or auditor identifies problems, Limetree shall take appropriate corrective actions.

14. Limetree shall keep a daily log and monthly reports (Calibration/Maintenance Reports) of the following information:
  - a. Each site visit and operator activities at the monitors;
  - b. Any monitoring system downtime (date, time, duration, and reason) along with any corrective actions taken; and
  - c. Any calibration data provided by the manufacturer or performed by Limetree.
15. EPA will provide additional written instructions to Limetree regarding the reporting, submittal, uploading, and posting of data and reports gathered or compiled pursuant to this Information Request, and Limetree shall comply with those instructions.
16. Limetree shall retain all records related to this Information Request for as long as the refinery operations remain in service.

**CERTIFICATION OF RESPONSE**

State/Territory of \_\_\_\_\_:

County of \_\_\_\_\_:

I certify, under penalty of law, that I have personally examined and am familiar with the information submitted in response to the Information Request and all documents submitted with this response, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete, and that all documents submitted with this response are complete and authentic unless otherwise indicated. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment. I am also aware that for one year from the date of the Information Request, I am under an obligation to supplement my response to the Information Request if any additional information relevant to the matters should become known or available to me.

## Official Form 206A/B

### Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.

**Part 1:** Cash and cash equivalents

1. Does the debtor have any cash or cash equivalents?

- ☐ No. Go to Part 2.  
☒ Yes Fill in the information below.

**All cash or cash equivalents owned or controlled by the debtor**

**Current value of debtor's interest**

3. **Checking, savings, money market, or financial brokerage accounts** (Identify all)

Name of institution (bank or brokerage firm)	Type of account	Last 4 digits of account number	
3.1. <b>Deutsche Bank</b>	<b>Revenue Account</b>	<b>9721</b>	<b>\$1,049,979.71</b>
3.2. <b>Deutsche Bank</b>	<b>O&amp;M Operating Account</b>	<b>9722</b>	<b>\$1.49</b>

## Fill in this information to identify the case:

Debtor name Limetree Bay Refining Marketing, LLCUnited States Bankruptcy Court for the: SOUTHERN DISTRICT OF TEXASCase number (if known) 21-32356☐ Check if this is an amended filingOfficial Form 206H  
Schedule H: Your Codebtors

12/15

Be as complete and accurate as possible. If more space is needed, copy the Additional Page, numbering the entries consecutively. Attach the Additional Page to this page.

## 1. Do you have any codebtors?

☐ No. Check this box and submit this form to the court with the debtor's other schedules. Nothing else needs to be reported on this form.☒ Yes

2. In Column 1, list as codebtors all of the people or entities who are also liable for any debts listed by the debtor in the schedules of creditors, Schedules D-G. Include all guarantors and co-obligors. In Column 2, identify the creditor to whom the debt is owed and each schedule on which the creditor is listed. If the codebtor is liable on a debt to more than one creditor, list each creditor separately in Column 2.

## Official Form 202

**Declaration Under Penalty of Perjury for Non-Individual Debtors**

12/15

An individual who is authorized to act on behalf of a non-individual debtor, such as a corporation or partnership, must sign and submit this form for the schedules of assets and liabilities, any other document that requires a declaration that is not included in the document, and any amendments of those documents. This form must state the individual's position or relationship to the debtor, the identity of the document, and the date. Bankruptcy Rules 1008 and 9011.

**WARNING -- Bankruptcy fraud is a serious crime. Making a false statement, concealing property, or obtaining money or property by fraud in connection with a bankruptcy case can result in fines up to \$500,000 or imprisonment for up to 20 years, or both. 18 U.S.C. §§ 152, 1341, 1519, and 3571.**

**Declaration and signature**

I am the president, another officer, or an authorized agent of the corporation; a member or an authorized agent of the partnership; or another individual serving as a representative of the debtor in this case.

I have examined the information in the documents checked below and I have a reasonable belief that the information is true and correct:

- ☒ *Schedule A/B: Assets—Real and Personal Property* (Official Form 206A/B)
- ☒ *Schedule D: Creditors Who Have Claims Secured by Property* (Official Form 206D)
- ☒ *Schedule E/F: Creditors Who Have Unsecured Claims* (Official Form 206E/F)
- ☒ *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G)
- ☒ *Schedule H: Codebtors* (Official Form 206H)
- ☒ *Summary of Assets and Liabilities for Non-Individuals* (Official Form 206Sum)
- ☐ Amended Schedule \_\_\_\_\_
- ☐ *Chapter 11 or Chapter 9 Cases: Consolidated List of Creditors Who Have the 30 Largest Unsecured Claims and Are Not Insiders* (Official Form 204)

**CHAPTER 11**

**CASE NO.: 21-32351**

**(Jointly Administered)**

**DISCLAIMER REGARDING DEBTORS' SCHEDULES AND SOFA**

**General Disclaimer**

1. The Schedules and the SOFA are unaudited and subject to potential adjustment. In preparing the Schedules and the SOFA, the CRO and his professionals relied on financial data derived from the Debtors' books and records that was available at the time of preparation. The CRO and his professionals have made reasonable efforts to ensure that the Schedules and the SOFA are as accurate and complete as possible under the circumstances; however, subsequent information or discovery may result in changes to the Schedules and SOFA and errors or omissions may exist.

2. The CRO reserves all rights to amend or supplement the Schedules and SOFA from time to time, in all respects, as may be necessary or appropriate, including the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Schedules and SOFA as to any amount, liability, classification, identity of debtor or to otherwise subsequently designate any claim as "disputed", "contingent", or "unliquidated". Furthermore, nothing

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC.(1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors' mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

contained in the Schedules and SOFA shall constitute a waiver of any of the CRO's rights or an admission with respect to these chapter 11 cases, including any issues involving objections to claims, substantive consolidation, defenses, affirmative claims against third parties or rights against third parties, other issues that typically arise under the Bankruptcy Code.

### **Notes on Schedules of Assets and Liabilities**

#### **Method of Valuation**

3. Unless otherwise noted, the carrying value on the Debtors' books and records (net book value) as of the Petition Date, rather than the current market values, of the Debtors' interest in the property and of the Debtors' liabilities, is reflected on the Debtors' Schedules and SOFA. The net book value may not correspond to market value, or liquidation value, of which may be either higher or lower.

## Official Form 206A/B

## Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.

Part 1: **Cash and cash equivalents**

## 1. Does the debtor have any cash or cash equivalents?

- ☐ No. Go to Part 2.  
☒ Yes Fill in the information below.

3. Total of the dollar amounts from Part 1, Column A, including the amounts from the Additional Page, if any.

**\$1,160,056,794.65**

**Part 2: List Others to Be Notified for a Debt Already Listed in Part 1**

List in alphabetical order any others who must be notified for a debt already listed in Part 1. Examples of entities that may be listed are collection agencies, assignees of claims listed above, and attorneys for secured creditors.

If no others need to be notified for the debts listed in Part 1, do not fill out or submit this page. If additional pages are needed, copy this page.

Name and address

On which line in Part 1 did you enter the related creditor?

Last 4 digits of account number for this entity

## Fill in this information to identify the case:

Debtor name Limetree Bay Refining, LLCUnited States Bankruptcy Court for the: SOUTHERN DISTRICT OF TEXASCase number (if known) 21-32354☐ Check if this is an amended filing

## Official Form 206E/F

## Schedule E/F: Creditors Who Have Unsecured Claims

12/15

Be as complete and accurate as possible. Use Part 1 for creditors with PRIORITY unsecured claims and Part 2 for creditors with NONPRIORITY unsecured claims. List the other party to any executory contracts or unexpired leases that could result in a claim. Also list executory contracts on *Schedule A/B: Assets - Real and Personal Property* (Official Form 206A/B) and on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G). Number the entries in Parts 1 and 2 in the boxes on the left. If more space is needed for Part 1 or Part 2, fill out and attach the Additional Page of that Part included in this form.

## Part 1: List All Creditors with PRIORITY Unsecured Claims

1. Do any creditors have priority unsecured claims? (See 11 U.S.C. § 507).

☒ No. Go to Part 2.☐ Yes. Go to line 2.

## Part 2: List All Creditors with NONPRIORITY Unsecured Claims

3. List in alphabetical order all of the creditors with nonpriority unsecured claims. If the debtor has more than 6 creditors with nonpriority unsecured claims, fill out and attach the Additional Page of Part 2.

**Fill in this information to identify the case:**Debtor name Limetree Bay Refining, LLCUnited States Bankruptcy Court for the: SOUTHERN DISTRICT OF TEXASCase number (if known) 21-32354☐ Check if this is an amended filing**Official Form 206H  
Schedule H: Your Codebtors**

12/15

Be as complete and accurate as possible. If more space is needed, copy the Additional Page, numbering the entries consecutively. Attach the Additional Page to this page.

**1. Do you have any codebtors?**☐ No. Check this box and submit this form to the court with the debtor's other schedules. Nothing else needs to be reported on this form.☒ Yes

**2. In Column 1, list as codebtors all of the people or entities who are also liable for any debts listed by the debtor in the schedules of creditors, Schedules D-G. Include all guarantors and co-obligors. In Column 2, identify the creditor to whom the debt is owed and each schedule on which the creditor is listed. If the codebtor is liable on a debt to more than one creditor, list each creditor separately in Column 2.**

## Official Form 202

**Declaration Under Penalty of Perjury for Non-Individual Debtors**

12/15

An individual who is authorized to act on behalf of a non-individual debtor, such as a corporation or partnership, must sign and submit this form for the schedules of assets and liabilities, any other document that requires a declaration that is not included in the document, and any amendments of those documents. This form must state the individual's position or relationship to the debtor, the identity of the document, and the date. Bankruptcy Rules 1008 and 9011.

**WARNING -- Bankruptcy fraud is a serious crime. Making a false statement, concealing property, or obtaining money or property by fraud in connection with a bankruptcy case can result in fines up to \$500,000 or imprisonment for up to 20 years, or both. 18 U.S.C. §§ 152, 1341, 1519, and 3571.**

**Declaration and signature**

I am the president, another officer, or an authorized agent of the corporation; a member or an authorized agent of the partnership; or another individual serving as a representative of the debtor in this case.

I have examined the information in the documents checked below and I have a reasonable belief that the information is true and correct:

- ☒ *Schedule A/B: Assets—Real and Personal Property* (Official Form 206A/B)
- ☒ *Schedule D: Creditors Who Have Claims Secured by Property* (Official Form 206D)
- ☒ *Schedule E/F: Creditors Who Have Unsecured Claims* (Official Form 206E/F)
- ☒ *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G)
- ☒ *Schedule H: Codebtors* (Official Form 206H)
- ☒ *Summary of Assets and Liabilities for Non-Individuals* (Official Form 206Sum)
- ☐ Amended Schedule
- ☐ *Chapter 11 or Chapter 9 Cases: Consolidated List of Creditors Who Have the 30 Largest Unsecured Claims and Are Not Insiders* (Official Form 204)
- ☐ Other document that requires a declaration \_\_\_\_\_

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge based upon the information available to me at this time.

**CHAPTER 11**

**CASE NO.: 21-32351**

**(Jointly Administered)**

**DEBTORS' MOTION TO (I) APPROVE SALES OF GOODS FREE AND CLEAR OF  
ALL CLAIMS, LIENS, AND ENCUMBRANCES BY NRI INDUSTRIAL SALES, LLC  
AND (II) APPROVE NRI'S COMMISSION FOR SALES**

**If you object to the relief requested, you must respond in writing. Unless otherwise directed by the Court, you must file your response electronically at <https://ecf.txsb.uscourts.gov/> within twenty-one days from the date this motion was filed. If you do not have electronic filing privileges, you must file a written objection that is actually received by the clerk within twenty-one days from the date this motion was filed. Otherwise, the Court may treat the pleading as unopposed and grant the relief requested.**

Limetree Bay Services, LLC and its debtor affiliates (collectively, the “**Debtors**”), as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “**Chapter 11 Cases**”), respectfully represent as follows in support of this motion (the “**Motion**”).

**Introduction**

1. The Debtors require various materials, equipment, and machinery to maintain the operations of the refinery and related facilities. Due to the remote location of the facility, the Debtors acquire and maintain an inventory of such materials, equipment, and machinery on site. Prior to the Petition Date (defined below), Limetree Bay Refining, LLC and NRI Industrial Sales

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors' mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

LLC (“**NRI**”) entered into an agreement, pursuant to which NRI agreed to liquidate certain surplus or unnecessary materials, equipment, and machinery. LBR and NRI entered into the Contract (defined below) and, following the commencement of the Chapter 11 Cases, continued performing in accordance therewith in the ordinary course of business. Notwithstanding, out of an abundance of caution, the Debtors hereby seek approval of the ongoing sale of the Goods (defined below) and payment of the Commission (defined below) to NRI pursuant to the Contract.

### **Relief Requested**

2. Pursuant to Sections 105 and 363 of title 11 of the United States Code, 11 U.S.C. § 101, *et seq.* (the “**Bankruptcy Code**”), and rules 2002 and 6004 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), the Debtors request entry of an order (i) approving the sale of certain Goods (defined below) free and clear of any and all liens, claims, and encumbrances (collectively, the “**Liens**”), in any individual transaction or series of transactions to a single buyer or multiple buyers, without the need for further Court approval and with Liens attaching to the proceeds of such sale with the same validity, extent, and priority as such Liens attached to the subject asset(s) immediately prior to the sale or transfer; and (ii) approving the payment of any and all commissions, fees and reimbursements (the “**Commission**”) required under the master consignment agreement (the “**Contract**”) between Limetree Bay Refining, LLC (“**LBR**”) and NRI for NRI’s services in selling the Goods.

3. A proposed form of order granting the relief requested herein is attached hereto as **Exhibit A** (the “**Proposed Order**”).

4. A discussion of the facts and circumstances surrounding the Contract and the sale of the Goods is set forth in the *Declaration of Mark Shapiro in Support of Debtors’ Motion to (I) Approve Sales of Goods Free and Clear of All Claims, Liens, and Encumbrances by NRI Industrial*

*Sales, LLC and (II) Approve NRI's Commission for Sales* (the “**Shapiro Declaration**”), which is attached hereto as **Exhibit B** and incorporated herein by reference in its entirety.

### **Jurisdiction and Venue**

5. This Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

### **Background**

6. On July 12, 2021 (the “**Petition Date**”), each of the Debtors filed with this Court a voluntary petition for relief under Chapter 11 of the Bankruptcy Code—thereby commencing the above-captioned Chapter 11 Cases. The Debtors continue to operate their businesses as debtors in possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these Chapter 11 Cases. On July 26, 2021, the Office of the United States Trustee appointed an Official Committee of Unsecured Creditors (Doc. No. 189).

7. On July 13, 2021, this Court entered an order authorizing the joint administration of the Chapter 11 Cases (Doc. No. 20).

### **The NRI Contract**

8. On or about March 9, 2021, LBR and NRI entered into the Contract. A true and correct copy of the Contract is attached as **Exhibit C**. The Contract provides, in pertinent part, that NRI will market and sell certain surplus and used industrial materials, equipment, and machinery of the Debtors (collectively, the “**Goods**”), as further described in the Contract and identified on Exhibit A thereto. The Contract authorizes NRI to market and sell the Goods through an online platform or via an auction. In exchange for its services, NRI is entitled to receive forty

percent (40%) of gross proceeds from a sale via the NRI online platform and twenty percent (20%) of gross proceeds from a sale via an auction—in either case with the remainder of gross proceeds, net of certain reimbursements and deductions (e.g., transportation costs for the Goods), being payable to LBR. The Contract is for a term of twenty-four (24) months but provides that it may be terminated upon the occurrence of an Event of Default (as defined in the Contract). Additionally, the Contract provides that NRI shall pay LBR a guaranteed, non-refundable minimum payment of \$2.6 million with respect to the sale of Goods under the Contract.

9. NRI has continued to manage LBR's inventory and sold the Goods in the ordinary course of the Debtors' business post-petition. Out an abundance of caution, the Debtors seek Court approval of NRI's continued services under the Contract and for the payment of the Commission.

#### **Basis for Relief Requested**

10. Section 363(b)(1) of the Bankruptcy Code provides that “[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). Although Section 363 of the Bankruptcy Code does not set forth a specific standard, bankruptcy courts routinely authorize sales of estate assets outside the ordinary course of business if such sale is based upon the sound business judgment of the debtor. See *Asarco, Inc. v. Elliott Management (In re ASARCO, L.L.C.)*, 650 F.3d 593, 601 (5th Cir. 2011), (quoting *The Institutional Creditors of Cont'l Air Lines, Inc. v. Cont'l Air Lines, Inc. (In re Cont'l Air Lines, Inc.)*, 780 F.2d 1223, 1226 (5th Cir. 1986)) (“[F]or the debtor-in-possession or trustee to satisfy its fiduciary duty to the debtor, creditors and equity holders, there must be some articulated business justification for using, selling, or leasing the property outside the ordinary course of business.”).

11. In conducting such an evaluation, however, courts generally accord significant deference to a debtor's business judgment to use or sell estate assets outside the ordinary course

of business. *See In re ASARCO, L.L.C.*, 650 F.3d at 601 (“The business judgment standard in section 363 is flexible and encourages discretion.”); *see also GBL Holding Co. v. Blackburn/Travis/Cole, Ltd.*, 331 B.R. 251, 254 (N.D. Tex. 2005) (“Great judicial deference is given to the Trustee’s exercise of business judgment.”), (citing *In re Gulf States Steel, Inc. of Ala.*, 285 B.R. 497, 516 (Bankr. N.D. Ala.2002)); *see also In re W.A. Mallory Co., Inc.*, 214 B.R. 834, 836–37 (Bankr. E.D. Va. 1997) (“[G]reat deference is given to a business in determining its own best interests.”); *see also In re Global Crossing, Ltd.*, 295 B.R. 726, 744 n. 58 (Bankr. S.D.N.Y. 2003) (“[T]he Court does not believe that it is appropriate for a bankruptcy court to substitute its own business judgment for that of the [d]ebtors and their advisors, so long as they have satisfied the requirements articulated in the case law.”).

12. The Debtors submit that the proposed sale of the Goods reflects a reasonable exercise of their business judgment. By selling the Goods, the Debtors will be able to obtain the value of these assets for the benefit of their estates and creditors. Further, authorizing the sale of the Goods through NRI’s online platform or auction will ensure that the Debtors obtain the highest and best price for these assets in an efficient and cost-effective manner. Requiring the Debtors to file a motion with the Court each time the Debtors seek to dispose of a Good or group of Goods would cause the Debtors to incur unnecessary costs that would reduce the benefit to the estates. Additionally, NRI’s Commission is reasonable and will allow the Debtors to realize the benefit of selling the Goods due to the commission-based compensation and guaranteed payment. Accordingly, the Debtors submit that the proposal to sell the Goods per the terms of the Contract reflects the Debtors’ exercise of sound business judgment and, thus, may and should be approved under Section 363(b) of the Bankruptcy Code.

13. Section 363(f) of the Bankruptcy Code permits a debtor to sell property free and clear of another party's interest in the property if: (a) applicable non-bankruptcy law permits such a "free and clear" sale; (b) the holder of the interest consents; (c) the interest is a lien and the sales price of the property exceeds the value of all liens on the property; (d) the interest is in *bona fide* dispute; or (e) the holder of the interest could be compelled in a legal or equitable proceeding to accept a monetary satisfaction of its interest. 11 U.S.C. § 363(f). The Debtors request approval of a sale free and clear of any Liens to ensure the Debtors are able to market and convey clean title to the Goods. The Debtors believe the Goods may be subject to certain Liens, including, without limitation, Liens of 405 Sentinel, LLC.

14. Sale free and clear of Liens is warranted under Section 363(f) of the Bankruptcy Code. The Debtors propose to sell or transfer the Goods in a commercially reasonable manner and expect that the value of the proceeds from such sales or transfers will fairly reflect the value of the Goods sold. The Debtors further propose that any party with a Lien on Goods sold or transferred pursuant to this Motion shall have a corresponding security interest in the proceeds from the sale of the subject Goods. Moreover, the Debtors propose that the failure to file an objection to the entry of the Order approving this Motion following the provision of notice be deemed "consent" to any sales or transfers pursuant to the Order within the meaning of Section 363(f)(2) of the Bankruptcy Code. As such, the requirements of Section 363(f) of the Bankruptcy Code would be satisfied for any proposed sales or transfers of any Goods free and clear of Liens.

15. Purchasers are entitled to treatment as good faith purchasers under Section 365(m) of the Bankruptcy Code. Section 363(m) of the Bankruptcy Code provides in relevant part that the reversal or modification on appeal of an authorization under Section 363(b) of the Bankruptcy Code of a sale or lease of property of the estate does not affect the validity of the subject sale or

lease as to a purchaser who bought or leased such property in good faith, whether or not such entity knew of the pendency of the appeal, unless the subject authorization and sale or lease were stayed pending appeal. *See* 11 U.S.C. § 363(m). Although the Bankruptcy Code does not define “good-faith purchaser,” “[t]he requirement that a purchaser act in good faith . . . speaks to the integrity of [purchaser’s] conduct in the course of the sale proceedings.” *In re Abbotts Dairies of Pa., Inc.*, 788 F.2d 143, 147 (3d Cir. 1986) (internal citations omitted); *see Factory Mutual Insurance, Co. v. Panda Energy Int’l, Inc. (In re Hereford Biofuels, L.P.)*, 466 B.R. 841, 860 (Bankr. N.D. Tex. 2012). “Typically, the misconduct that would destroy a purchaser’s good faith status at a judicial sale involves fraud, collusion between the purchaser and other bidders, or an attempt to take grossly unfair advantage of other bidders.” *In re Hereford Biofuels, L.P.*, 466 B.R. at 860. The Debtors submit that the sale of any Goods will be the result of an arms’-length transaction through an online platform or auction open to any potential purchasers and, thus, the purchaser should be entitled to the protections of Section 363(m) of the Bankruptcy Code.

#### **Bankruptcy Rules 6004(a) and 6004(h)**

16. The Debtors also request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

#### **Notice**

17. Notice of this Motion will be provided to the Master Service List, including: (a) the U.S. Trustee; (b) all secured creditors; (c) the Offices of the Attorney General of the State of Texas and the United States Virgin Islands; (d) the thirty (30) largest consolidated unsecured creditors for the Debtors; (e) the Debtors’ identified, interested taxing authorities, including the Internal Revenue Service; (f) the Debtors’ identified, interested government and regulatory entities; (g)

other interested parties as identified by the Debtors; (h) the Committee members and their counsel, if known; (i) proposed counsel to the Committee; and (j) any party that has requested notice pursuant to Bankruptcy Rule 2002. Notice of this Motion will also be provided to *all creditors* in accordance with Bankruptcy Rule 2002(a)(2). The Debtors shall serve the Motion via U.S. Mail without a copy of Exhibit A to the NRI Contract due to its voluminous nature and the attendant costs of reproduction; however, any party in interest may obtain an electronic copy of Exhibit A to the NRI Contract by submitting a written request via email to [dmerola@bakerlaw.com](mailto:dmerola@bakerlaw.com) or by downloading the Motion through the website for the Debtors' claims agent at [www.bmcgroup.com/limetree](http://www.bmcgroup.com/limetree). The method of service for each party will be described more fully in the certificate of service prepared by the Debtors' claims and noticing agent. The Debtors respectfully submit that, under the circumstances, such notice is sufficient and that no other or further notice of this Motion is required.

**WHEREFORE**, the Debtors respectfully request entry of the Proposed Order granting the relief requested herein and for all other relief that is appropriate under the circumstances.

RESPECTFULLY SUBMITTED this 29th day of October, 2021.

<sup>2</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors’ mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

<sup>3</sup> Unless otherwise defined herein, capitalized terms shall have the meanings ascribed to them in the Motion.

relief requested in the Motion; having considered the Motion, the declaration of Mark Shapiro in support thereof, and all other documents submitted in support of the Motion; and, after due deliberation, finding that the relief requested by and through the Motion is due and proper, is supported by the Debtors' sound business judgement, and serves the best interests of the estates and their creditors; and sufficient cause appearing therefor,

**IT IS HEREBY ORDERED:**

1. The Motion is granted as set forth herein.
2. Pursuant to Section 363(b) of the Bankruptcy Code, the Debtors, through NRI, are authorized (a) to sell and transfer the Goods, or any of them, by any commercially reasonable means through one or more transactions without further order of this Court and (b) to pay any commissions, fees and reimbursements to NRI provided under and per the terms of the Contract.
3. Pursuant to Section 363(f) of the Bankruptcy Code, any sales or transfer of the Goods pursuant to this Order are, without need for any action by any party, free and clear of any and all Liens, with such Liens attaching to the proceeds of such sale or transfer with the same validity, extent, and priority as such Liens attached to the subject Goods immediately prior to such sale or transfer, subject to any claims and defenses the Debtors or any other party may possess with respect thereto. The holder of any valid Lien or interest on such Goods shall, as of the effective date of such sale or transfer, be deemed to have waived and released such Lien, without regard to whether such holder has executed or filed any applicable release, and such Lien shall automatically, and with no further action by any party, attach to the proceeds of the sale of the Goods subject to such Lien(s), to the extent set forth herein. Notwithstanding the foregoing, any

holder of a Lien on any Goods is authorized and directed to execute and deliver any waivers, releases, or other related documentation, as reasonably requested by the Debtors. To the extent deemed necessary, the Debtors may file a copy of this order as conclusive evidence of the release of any and all Liens in the Goods.

4. NRI shall be deemed to be a consignee of the Goods, which Goods shall remain property of the Debtors' estates until such time as such Goods are sold to a third-party buyer. At no time shall NRI be deemed to be an owner of, or title holder to, any of the Goods and shall not have any authority to pledge or encumber any of the Goods, absent further order of this Court.

5. The Debtors shall file with the Court a report (the "NRI Report") on the last business day of every other calendar month, concerning all transactions consummated during the two (2) calendar months immediately preceding the month in which the report is filed pursuant to the terms of this Order and/or the Contract; *provided, that*, the initial NRI Report shall include, to the extent known and not confidential, an itemized listing of any and all sales of Goods under the Contract from the Petition Date through and including October 31, 2021. The initial NRI Report shall be due 30 calendar days following entry of this Order. Each NRI Report shall include, to the extent known and not confidential, the following information with respect to each Good sold: (a) the purchaser's name; (b) the purchase price; (c) the book value of the subject Good; (d) the date on which payment of the purchase price was received by NRI, the means of sale (*i.e.*, online or auction format); and (e) any commission attributable thereto.

6. Any sales or transfers of Goods pursuant to this Order shall be deemed arms'-length transactions, and such purchasers and transferees of the Goods shall be entitled to the protections afforded to good-faith purchasers under Section 363(m) of the Bankruptcy Code.

7. The Debtors and any purchasers of the Goods are authorized to take any and all actions and execute any and all documents necessary or appropriate to effectuate the sale or transfer of any Goods.

8. Any sale transactions pursuant to this Order shall be binding upon and shall govern the acts of all persons and entities who may be required by operation of law, the duties of their office, or contract to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the property sold pursuant to this Order, including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, administrative agencies, governmental departments, secretaries of state, and federal, state, and local officials, and each of such persons and entities is hereby directed to accept this Order as sole and sufficient evidence of such transfer of title and shall rely upon this Order in consummating the transactions contemplated hereby.

9. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Bankruptcy Local Rules are satisfied by such notice.

10. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

11. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order.

12. This Court shall retain jurisdiction over any and all matters arising from or related to the implementation or interpretation of this Order.

DATED:

**LIMETREE BAY SERVICES, LLC, *et al.***<sup>1</sup>

**Debtors.**

**CHAPTER 11**

**CASE NO.: 21-32351**

**(Jointly Administered)**

**DECLARATION OF MARK SHAPIRO IN SUPPORT OF DEBTORS' MOTION TO  
(I) APPROVE SALES OF GOODS FREE AND CLEAR OF ALL CLAIMS, LIENS,  
AND ENCUMBRANCES BY NRI INDUSTRIAL SALES, LLC  
AND (II) APPROVE NRI'S COMMISSION FOR SALES**

I, Mark Shapiro, declare as follows:

1. I am a Senior Managing Director for GlassRatner Advisory & Capital Group LLC, d/b/a B. Riley Advisory Services (“**B. Riley**” or the “**CRO**”). On or about June 17, 2021, Limetree Bay Services, LLC, Limetree Bay Refining Holdings, LLC, Limetree Bay Refining Holdings II, LLC, Limetree Bay Refining, LLC, Limetree Bay Refining Operating, LLC, and Limetree Bay Refining Marketing, LLC (collectively, the “**Debtors**”) retained B. Riley as chief restructuring officer. I am the principal representative of B. Riley in its capacity as CRO.

2. I am a duly authorized representative of the Debtors for purposes of executing any and all documents in connection with the above-captioned chapter 11 cases (collectively, the “**Chapter 11 Cases**”), and representing the Debtors in the course of these Chapter 11 Cases and any related proceedings. I am authorized to submit this Declaration on behalf of the Debtors.

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors' mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

3. I submit this Declaration in support of the *Debtors' Motion to (I) Approve Sale of Goods Free and Clear of All Claims, Liens, and Encumbrances by NRI Industrial Sales, LLC and (II) Approve NRI's Commission for Sales* (the "**Motion**"). Unless otherwise defined herein, all defined terms shall have the meanings ascribed to them in the Motion.

4. I am familiar with the Debtors' businesses, day-to-day operations, and financial affairs. Except as otherwise indicated, the facts set forth in this Declaration are based upon my personal knowledge, my review of relevant documents and records created and maintained by the Debtors in the ordinary course of business, information provided to me by employees and consultants working under my supervision with personal knowledge of the veracity of such information, and/or my opinion based on experience, knowledge, and information concerning the Debtors' operations and financial condition. If called upon to testify, I could and would testify competently to the facts set forth in this Declaration.

5. LBR and NRI entered into the Contract in the ordinary course of business. Under the Contract, NRI sells certain surplus and used industrial materials, equipment, and machinery (i.e., the Goods). The Debtors do not require the Goods to idle the refinery or maintain the operation of the ancillary systems. As such, the services of NRI are critical to the Debtors ability to liquidating unnecessary inventory and, thereby, maximize recoveries for creditors.

6. In my sound business judgment, I believe it is in the best interest of the Debtors' estates to continue to sell the Goods pursuant to the terms set forth in the Motion, including paying NRI's Commission, which I believe to be fair and reasonable.

*[Remainder of Page Intentionally Blank]*

I declare under penalty of perjury that the foregoing is true and correct according to the best of my knowledge, information and belief.

Dated: October 29, 2021

/s/ Mark Shapiro

## MASTER CONSIGNMENT AGREEMENT

This Master Consignment Agreement is expressly limited to and made conditional upon the exclusivity of these terms and conditions. Any proposal for additional or different terms or any attempt to vary, in any degree, any of the terms of this Agreement shall be deemed a material alteration hereof and is expressly rejected. The terms and conditions of this Agreement may only be amended by the parties' specific, written assent to the change.

This **MASTER CONSIGNMENT AGREEMENT** (the "**Agreement**") is made effective on the date indicated below (the "**Effective Date**") by and between NRI Industrial Sales LLC, a Delaware limited liability company with offices at 6401 Rogers Road, Delta, Ohio 43515 ("**NRI**", "**Consignee**", "**we**", and "**us**") and the person or entity identified below (the "**Consignor**", "**Limetree**", "**you**", and "**your**"). NRI and Consignor are hereinafter referred to jointly as the "**parties**" and individually as a "**party**".

### RECITALS

**WHEREAS**, NRI is in the business of purchasing and selling surplus and used industrial equipment including electrical, hydraulic, pneumatic, power transmission, pumps, tools, valves, and instrumentation

**WHEREAS**, Consignor desires to consign to NRI certain goods for the purpose of facilitating a sale of such goods by NRI and to engage NRI to act as Consignor's exclusive agent for the sale of such consigned goods; and

**WHEREAS**, NRI is willing to accept delivery of the goods and to make necessary payment to the Consignor upon the sale of the goods on the terms and subject to the conditions set forth in this Agreement.

**NOW THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which the parties hereto both acknowledge, the Consignor and the Consignee hereby agree as follows:

1. **Definitions.** Terms not otherwise defined herein shall have the following meanings:

**"Consigned Goods"** or **"Goods"** means that equipment, products, or goods as set forth on the attached Exhibit A, as such Exhibit may from time to time be amended in writing, and any and all other equipment, products, or goods that you deliver to NRI and which NRI agrees to take possession.

**"Gross Proceeds"** means the aggregate of all revenue from the sale of the Goods actually received by NRI, but excluding (a) all refunds made in good faith, (b) any sales taxes that are collected by NRI for or on behalf of any governmental taxing authority and paid thereto, and (c) any shipping costs paid by the buyer of the Goods.

**"Premises"** means NRI's facility located at 6401 Rogers Road, Delta, Ohio, 43515, 4901 Rockaway Blvd, Bldg G, Rio Rancho, New Mexico, 87124, 2530 Speers Rd, Unit 8-9, Oakville, ON L6L 5K8, or such other facility designated by NRI in the continental United States, Canada or the United Arab Emirates as NRI may in its sole discretion provide. Notwithstanding the foregoing, NRI shall give Consignor written notice of the location of the Goods and any change thereto prior to sale. NRI shall ensure that any such Premises is safe and secure and that the Goods are stored and handled in a manner to preserve their value.

2. **Right to Sell.** Throughout the Term of this Agreement (as hereafter defined), you agree that NRI shall be the sole Consignee of the Consigned Goods, and you shall assign NRI the exclusive right to sell the Consigned Goods in accordance with the terms of this Agreement.

3. **Consignment of Goods.**

- a. NRI agrees to use its reasonable commercial efforts to sell the Goods, as a whole, on the most favorable terms. We shall have complete professional discretion as to the time and place of sale of the Goods, the sale and venue in which the Goods are offered, and the manner in which any sale is promoted and conducted. Notwithstanding the foregoing, NRI (i) shall use only such written sales materials provided by Consignor or approved by Consignor in writing (the **"Approved Sales Materials"**), and (ii) shall not make any promises or statements with respect to the Goods that are not expressly set forth in the Approved Sales Materials. NRI shall have discretion to determine the manner in which items are grouped into auction lots (if any).
- b. Unless otherwise instructed in writing by Consignor, NRI may clean and dismantle any Goods for the purpose of making the Goods ready for sale. All detritus generated from above activities will be disposed of by NRI. Any scrap of value generated from above activities will be treated as Consigned Goods.
- c. Unless otherwise agreed in writing by the parties, NRI shall obtain custody and risk of loss of the Goods after NRI inspects the Goods and approves the loading methodology to be used by Consignor for loading of the Goods, at Consignor's refinery in St. Croix, USVI (the **"Receipt Point"**). NRI shall coordinate the transportation of the Goods to the Premises; provided that Consignor shall reimburse NRI for all reasonable and documented costs and expenses incurred by NRI in connection with the transportation of such goods to the Premises. Consignor shall insure the Goods while in transit and upon receipt of the Goods at the Receipt Point, NRI shall insure the Goods for their liquidation value, at its sole

cost and expense. For purposes of this Agreement, the term "liquidation value" means eleven percent (11%) of the book value of the Goods.

- d. The Consigned Goods shall remain the sole property of Consignor until immediately prior to the sale of the Goods to a buyer. NRI hereby acknowledges that it takes possession of the Consigned Goods only on a consignment basis and it does not acquire any property right or security interest in the Consigned Goods. Your consignment is not a consignment intended as a security.
- e. NRI maintains a comprehensive return policy which allows buyers to return unwanted items within thirty (30) days. Any Goods which are returned will result in an adjustment of amounts to be paid pursuant to Section 4 below.
- f. You may choose to recall Goods that are not committed to be sold at any time prior to sale through Consignee's web portal. If the value of the Goods recalled is one percent or less of the total value of the Goods, as specified in Exhibit A, no adjustment shall be made to the Minimum Payment. If the value of the recalled Goods is greater than one percent (1%), then the Minimum Payment will be adjusted on a pro rata basis. NRI will make the recalled items available for pickup by you and you agree to be responsible for all shipping costs associated with such recalled items.
- g. If sold at auction, neither you, your principal, if any, nor any other representative or agent of you or your principal shall bid for the Goods. All bids to protect your reserves, if any, will be made at our discretion by our representatives. If you violate your foregoing commitments and you (or your principal, agent or representative) become the successful bidder on your Goods, we may either return the Goods to you in exchange for the commissions set forth in Section 4 based on the bid price, or retain and sell the Goods without reserve in order to recover the commissions due from such sale and the commissions due on the sale concluded in violation of this paragraph including, in each case, all expenses to which we are entitled.

#### 4. Proceeds and Terms of Sale.

- a. Online Sales (Orderly Liquidation). NRI shall retain forty percent (40%) of the Gross Proceeds from the sale of each item Goods consigned and shall remit to Consignor an amount equal to sixty percent (60%) of the Gross Proceeds, less any and all shipping charges paid by the customer, refund adjustments, or applicable sales taxes on the Goods.
- b. Auction Sales (Forced Liquidation). NRI shall retain twenty percent (20%) of the Gross Proceeds from the sale of each item Goods consigned and shall remit to Consignor an amount equal to eighty percent (80%) of the Gross Proceeds, less any and all shipping charges paid by the customer or applicable sales taxes on the Goods. NRI maintains the right to collect a buyer's premium on any sales from the buyer.
- c. Subject to the provisions of Section 3f, NRI shall pay Consignee a guaranteed, non-refundable minimum payment of \$2,600,000 (the "**Minimum Payment**"), with respect to all sales of Goods under this Agreement. For purposes of this Section 4(c), the term "**Start Date**" means thirty (30) days after NRI has provided notice of signoff to Consignor and all of the Goods have been loaded onto containers. If twelve (12) months after the Start Date (the "**Payment Date**"), Consignor's

cumulative collected funds is less than the Minimum Payment, NRI shall pay Consignor an amount equal to the difference between the Minimum Payment and the cumulative collected funds disbursed to Consignor as of the Payment Date (such amount being referred to herein as the "**Payment Advance**"). NRI shall have the right to continue sales under this Agreement until the earlier of (i) twelve (12) months after the Payment Date, or (ii) the complete disposition of the Goods. For all periods after the Payment Date, additional sales of Goods shall be subject to the sharing ratios set forth in Sections 4(a) and 4(b) above, except that no funds will be due and payable to Consignor during such period until NRI's share of earned funds is equal to the Payment Advance.

- d. NRI shall be responsible for collecting all funds from its customers, the record of which shall be visible on the NRI Portal (as defined below). Within eight (8) days of the end of each calendar month, NRI shall disburse to Consignor its share, as specified in Sections 4(a) and 4(b), of the gross sales revenues received during the immediately prior month and NRI shall retain NRI's share, as specified in Sections 4(a) and 4(b), as NRI's commission (the "**Commission**") with respect to such sales. NRI shall pay Consignor its share via electronic transfer of same day funds in U.S. Dollars, to a bank account or accounts designated by Consignor. Each payment shall be in the full amount due to Consignor pursuant to the provisions of this Section 4. All payments under this Agreement not paid by the due date as defined herein shall accrue interest at the lesser of 1% per month or the highest rate permitted by applicable law. Interest shall run from, and including, the applicable due date of the payment to, but excluding, the date that payment is received.
- e. Goods that are not sold will be evaluated by both NRI and Consignor if not sold within twenty-four (24) months after acceptance by NRI. If you decide to remove the remaining consigned Goods after such period, you take responsibility for retrieving the Goods or for delivery costs that may result for such delivery.

5. **NRI's Proprietary Consignment Portal.** In consideration of your agreement to retain NRI as your exclusive consignee for all sales of any Consigned Goods during the Term of this Agreement, NRI hereby grants you access to NRI's exclusive and proprietary consignment portal located at <https://consignment.nriparts.com> (the "**NRI Portal**"). The NRI Portal will enable you to monitor reports on the status of NRI's inventory of your Goods, the sales of Goods, payments, and other information. Your use of the NRI Portal shall at all times be subject to NRI's Terms of Use set forth at [www.nriparts.com/terms](http://www.nriparts.com/terms) and NRI's Privacy Policy set forth at [www.nriparts.com/privacy](http://www.nriparts.com/privacy) as such terms may from time to time be modified and amended by NRI upon delivery of notice to you. NRI will provide you with unique, sign on identifications and passwords ("**IDs**") to enable you to access the NRI Portal. You and any authorized users shall maintain the confidentiality of the IDs. You agree to immediately notify NRI if a security breach occurs or if you suspect that a security breach may have occurred with respect to your license to use the NRI Portal.

6. **Consignor's Warranties and Indemnity.**

- a. You represent and warrant that: (i) you have the right, power and authority to consign the Goods for sale, to enter into this Agreement and to perform all of your obligations hereunder; (ii) the Goods are, and until sold shall remain, free and clear of all liens, encumbrances or claims arising by, through and under you; (iii) you alone hold good title to the Goods, and good title will pass to any buyer upon sale, except for any liens created by, through or under NRI; (iv) to your knowledge, there are no legal, contractual or other restrictions on our right to exhibit the Goods or

reproduce images of the Goods or on our right to use or reproduce any images or materials provided by you to us for the purposes contemplated herein, and (v) to your knowledge, the Goods are not counterfeit.

- b. EXCEPT AS SPECIFICALLY SET FORTH IN SECTION 6(A) ABOVE, CONSIGNOR MAKES NO WARRANTIES OF ANY KIND OR NATURE (EXPRESS OR IMPLIED) REGARDING THE GOODS, AND NRI SHALL INFORM ALL POTENTIAL PURCHASERS THAT THE GOODS ARE BEING SOLD "AS IS, WHERE IS" WITHOUT ANY WARRANTIES OF ANY KIND WHATSOEVER (EITHER EXPRESS OR IMPLIED) AND THAT ALL WARRANTIES ARE EXPRESSLY DISCLAIMED (INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS OR SUITABILITY FOR ANY PARTICULAR PURPOSE).
- c. To the fullest extent permitted by applicable law, you agree to defend and indemnify NRI, its affiliates, and their directors, officers, employees, representatives, agents, and subcontractors against, and hold us and them harmless from, any and all claims, actions, damages, losses, liabilities, and expenses (including reasonable attorneys' fees for counsel of our choice, including in-house counsel) arising out of or concerning title to the Goods at the time of sale to NRI's purchaser.
- d. Your warranties and this indemnity shall survive the completion of the transactions contemplated by this Agreement for a period of two (2) years and shall be applicable to any Goods sold or consigned for sale hereunder.

#### 7. **NRI's Warranties, Obligations and Indemnity.**

- a. NRI represents and warrants that it shall not permit any liens to be placed on the Goods while in its custody and control.
- b. NRI shall comply with all applicable laws in performing its obligations under this Agreement, including all trade and export regulations. Without limiting the foregoing, NRI represents and warrants that it is familiar with, and will comply with, all applicable laws concerning the sale of the Goods, including any laws concerning, relating to or affecting (i) the import and/or export thereof, (ii) sales to "restricted persons," and (iii) the U.S. Foreign Corrupt Practices Act and similar laws.
- c. NRI shall comply with Consignor's policies ("**Consignor's Policies**") concerning (i) gifts, kickbacks or other payments to Consignor's employees and contractors or any other person and (ii) access to and conduct on Consignor's property, including Consignor's St. Croix refinery. In addition, at all times when NRI has access to Consignor's property, NRI shall maintain the insurance set forth in Exhibit B hereto. NRI acknowledges and recognizes the importance of the safety and health of all persons, including, but not limited to, employees of Consignor, NRI and other contractors. NRI shall strictly and carefully comply with all requirements of this Agreement and all of Consignor's policies and procedures pertaining to safety, health and environmental matters. NRI agrees to devote special care and attention to, and to exercise its best efforts to attain, the desired objective of performing the Services without injury to any person.
- d. If required under applicable law, NRI will hold a valid Virgin Islands Business License (a "VI License") in order to perform the Services.

- e. Except as otherwise provided in this Agreement, NRI shall be responsible for the payment of the costs and expenses incurred or committed to in connection with the sale of the Goods, including all advertising and other costs and expenses, it being understood and agreed that the Commission includes the reimbursement of all of, and NRI shall not be entitled to reimbursement for any such costs and expenses.
- f. During the Term and for a period ending two (2) years after the termination of this Agreement, (a) NRI shall keep and maintain complete and accurate records (the "**Sales Records**") regarding the sale of the Goods, and (b) Consignor shall have the right (at its sole cost and expense) to inspect, copy and audit the Sales Records at NRI's offices and during NRI's normal business hours. Access to such Sales Records may be provided via NRI's Portal.
- g. To the fullest extent permitted by applicable law, NRI shall defend, indemnify and hold harmless Consignor, its affiliates, and their directors, officers, employees, representatives, agents and contractors for and against any liabilities directly or indirectly arising out of (i) any breach by NRI of any covenant or agreement contained herein or any representation or warranty of NRI made herein proving to be false or misleading, (ii) any failure by NRI to comply with or observe any applicable law or Consignor's Policies, (iii) NRI's negligence or willful misconduct, (iv) injury, disease, or death of any person or damage to or loss of any property, fine or penalty, to the extent caused by NRI, its employees or representatives, and (v) any liabilities directly or indirectly arising out of or relating to the Goods on and after the date of receipt by NRI at the Receipt Point. The foregoing indemnity shall survive termination of this Agreement for a period of two years.
- h. NRI's warranties and indemnity shall survive the completion of the transactions contemplated by this Agreement for a period of two (2) years and shall be applicable to any Goods sold or consigned for sale hereunder.

**8. WAIVER AND RELEASE.** YOU HEREBY EXPRESSLY WAIVE AND RELEASE US (AND ALL OF OUR OFFICERS, STOCKHOLDERS, INSURERS, AGENTS AND EMPLOYEES) FROM ANY JOINT AND/OR SEVERAL LIABILITY WITH YOU OR ANY OTHER PERSON OR ENTITY TO ANY BUYER OF THE CONSIGNED GOODS RELATING TO OR ARISING FROM AN ALLEGED DEFECT IN THE TITLE, EXCEPT TO THE EXTENT THAT SUCH DEFECT IS CAUSE BY OR ARISES BY, THROUGH OR UNDER NRI. The provisions of this Paragraph 8 shall survive the transactions covered by this Agreement.

**9. Limitation of Liability.**

- a. NRI shall have risk of loss with respect to the Goods at all times after receipt at the Receipt Point and while under its care, custody and control. During all such times, NRI shall insure the Goods for their liquidation value as set forth in Section 3(c) of this Agreement. In the event of any casualty loss to the Goods while in NRI's custody, Consignor shall receive 60 percent of the insurance proceeds and NRI shall receive 40 percent of the insurance proceeds.
- b. IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL OR EXEMPLARY DAMAGES, INCLUDING WITHOUT LIMITATION, BUSINESS INTERRUPTION, DAMAGES FOR LOSS OF PROFITS, INCURRED BY THE OTHER PARTY ARISING OUT OF THE SERVICES PROVIDED UNDER THIS AGREEMENT,

EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

10. **[Intentionally Deleted]**

11. **Term.** This Agreement is effective as of the Effective Date and shall continue for a period of twenty-four (24) months thereafter (the "**Term**").

12. **Independent Contractor.** NRI is, and shall remain, an independent contractor selling to third-party buyers the Consigned Goods. Nothing contained in this Agreement will be deemed to create any association, partnership, joint venture, or relationship of principal and agent between the parties.

13. **Assignment.** Neither party shall assign this Agreement, or any rights or obligation hereunder without the prior written consent of the other party and any attempted assignment shall be void and of no effect.

14. **Events of Default.** Notwithstanding any other provision of this Agreement, an event of default (an "**Event of Default**") shall be deemed to occur with respect to a party when:

- a. Such party fails to make payment when due under this Agreement and such failure is not cured within five (5) days of receipt of written notice of nonpayment.
- b. Other than a Default described in Sections 14(a) and (c), such party fails to perform any obligation or covenant to the other party under this Agreement, which failure is not cured to the satisfaction of the other party (in its sole discretion) within fifteen (15) business days from the date that such party receives written notice that corrective action is needed.
- c. Such party breaches any material representation or material warranty made or repeated or deemed to have been made or repeated in this Agreement by such party, or any warranty or representation in this Agreement proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated under this Agreement; *provided, however*, that if such breach is curable, it is only an Event of Default if such breach is not cured to the reasonable satisfaction of the other party (in its sole discretion) within ten (10) business days from the date that such party receives notice that corrective action is needed.
- d. Such party (i) is dissolved, other than pursuant to a consolidation, amalgamation or merger, (ii) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due, (iii) makes a general assignment, arrangement or composition with or for the benefit of its creditors, or (iv) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law bankrupt.

15. **Remedies.** Notwithstanding any other provision of this Agreement, upon the occurrence of an Event of Default with respect to either party (the "**Defaulting Party**"), the other party (the "**Performing Party**") shall in its sole discretion, in addition to all other remedies available to it and without incurring any liabilities to the Defaulting Party or to third parties, be entitled to do one or more of the following: (a) suspend its performance under this Agreement without prior notice to the Defaulting Party, (b) proceed against the Defaulting Party for damages occasioned by the Defaulting Party's failure to perform, and (c) upon one (1) business day's notice to the Defaulting Party, terminate this Agreement. Notwithstanding the foregoing, in the case of an Event of Default described in Section

14(d), no prior notice shall be required. If NRI is the Defaulting Party and such default is material, Consignor shall have the right to enter NRI's Premises and remove all of its Goods.

- 16. Obligations upon Termination.** If any Goods remain unsold at the expiration of this Agreement, Consignor shall, at its sole option, (i) instruct NRI to liquidate the remaining Goods pursuant to Section 4(b) at liquidation value with the parties to share the proceeds in accordance with Section 4(b) of this Agreement, (ii) request that the remaining Goods be shipped back to Consignor's refinery, at Consignor's sole cost and expense, or (iii) dispose of the Goods for scrap value, all of the proceeds of which shall be for Consignor's account. Consignor shall have no obligation to pay NRI any Commission with respect to any Goods returned to Consignor at the expiration of this Agreement or sold for scrap value.
- 17. Notices.** Except as otherwise specifically provided, any notice required or permitted to be given under this Agreement shall be in writing and (i) delivered in person, which delivery the recipient agrees to acknowledge in writing; (ii) transmitted by e-mail with a confirming copy delivered on the next business day by a nationally recognized overnight courier service; (iii) deposited in the United States postal service mail (or, if outside the United States, such other country's postal service mail) postage fee prepaid, for mailing by first-class, registered or certified mail or (iv) sent by a nationally recognized overnight courier service, addressed as follows:

- 18. Governing Law.** The Agreement shall be construed and enforced in accordance with the laws of the State of Delaware, without reference to or inclusion of the principles of choice of law or conflicts of law of that jurisdiction. Each party irrevocably agrees that any legal action, suit or proceeding brought by it in any way arising out of the Agreement must be brought solely and exclusively in any federal or state courts of the State of Delaware, and irrevocably accepts and submits to the sole and exclusive jurisdiction of each of the aforesaid courts in persona, generally and unconditionally with respect to any action, suit or proceeding in any way arising out of the Agreement brought by it or against it by the other party. Each party hereto further irrevocably consents to the service of process from

any of the aforesaid courts by mailing copies thereof by registered or certified mail, postage prepaid, to its address designated pursuant to the Agreement. To the fullest extent permitted by applicable law, each party waives its right to a trial by jury.

19. **Severability.** If any provision of this Agreement shall be held to be illegal, invalid or unenforceable under present or future laws, such provisions shall be fully severable, this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part of this Agreement; and, the remaining provisions of this Agreement shall remain in full force and effect.
20. **Entire Agreement; Amendment.** This Agreement is the final, complete and exclusive agreement of the parties with respect to the subject matter hereof and supersedes and merges all prior or contemporaneous representations, discussions, proposals, negotiations, conditions, communications and agreements, whether written or oral, between the parties relating to the subject matter hereof and all past courses of dealing or industry custom. No modification of or amendment to this Agreement shall be effective unless in writing and signed by each of the parties.
21. **Waiver.** The waiver by either party of a breach of or a default under any provision of this Agreement shall not be effective unless in writing and shall not be construed as a waiver of any subsequent breach of or default under the same or any other provision of this Agreement, nor shall any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have hereunder operate as a waiver of any right or remedy.
22. **Captions.** The headings used in this Agreement are for convenience only and shall not be used to limit or construe the contents of any of the sections of this Agreement.
23. **Counterparts.** This Agreement may be signed in several counterparts, each of which shall be deemed an original and all such counterparts together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement electronically (including by fax, email or PDF) shall be effective as delivery of a manually executed counterpart of this Agreement.
24. **Force Majeure.** No party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's ("**Impacted Party**") reasonable control, including, without limitation, the following force majeure events: (a) acts of God; (b) flood, fire, earthquake, or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) government order, law, or actions; (e) embargoes or blockades in effect on or after the date of this Agreement; (f) national or regional emergency; (g) strikes, labor stoppages or slowdowns, or other industrial disturbances; (h) shortage of adequate power or transportation facilities; and (i) other similar events beyond the reasonable control of the Impacted Party. A party's performance hereunder shall be excused only if the Impacted Party gives the other party prompt written notice of such event and its expected duration and impact. The Impacted Party shall also give the other party prompt written notice when such event has ended.
25. **Interpretation.** For purposes of this Agreement, (a) the word "dollars" shall mean United States dollars; (b) the words "include," "includes," and "including" are deemed to be followed by the words "without limitation"; (c) the word "or" is not exclusive; and (d) the words "herein," "hereof," "hereby," "hereto," and "hereunder" refer to this Agreement as a whole. Unless the context otherwise requires, references herein: (x) to sections, schedules,

and exhibits mean the sections of, and schedules and exhibits attached to, this Agreement; (y) to an agreement, instrument, or other document means such agreement, instrument, or other document as amended, supplemented, and modified from time to time to the extent permitted by the provisions thereof; and (z) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted. The schedules and exhibits referred to herein shall be construed with, and as an integral part of, this Agreement to the same extent as if they were set forth verbatim herein.

[Signature Page to Follow]

IN WITNESS WHEREOF, the parties have signed this Agreement as of the date first set forth above.

All Potential Buyers of Limetree Bay Refinery  
c/o Elizabeth A. Green  
egreen@bakerlaw.com

Re: Environmental information about the Limetree Bay Refinery; *In re Limetree Bay Services, LLC, et al.*, Case No. 21-32351, pending in the United States Bankruptcy Court for the Southern District of Texas, Houston Division.

The United States Environmental Protection Agency ("EPA") provides this letter to potential buyers of the Limetree Bay Refinery in an attempt to provide a common base of information for all potential bidders and minimize the risk of misunderstanding or surprise. This letter is merely informational, and buyers should not interpret it as designed to either encourage or discourage a sale or any particular use of the facility. This letter is not intended to be nor should be read as an exhaustive list of environmental compliance, permitting, or liability issues related to the debtors or the refinery.

Limetree Bay Terminals, LLC, and Limetree Bay Refining, LLC (jointly, "Limetree Bay") are also subject to requirements contained in environmental permits issued by EPA and the Virgin Islands Department of Planning and Natural Resources ("VIDPNR"), including Prevention of Significant Deterioration permits issued by the EPA and a Clean Air Act Title V operating permit issued by VIDPNR. Any potential purchaser of the facility will have to perform its own environmental due diligence, and any entity that becomes an owner/operator of the refinery will have to employ environmental compliance staff who maintain familiarity with all applicable environmental requirements and ensure that the refinery is operated in compliance with applicable law.

**I. Audit Reports**

The EPA issued an emergency order on May 14, 2021, requiring the refinery to cease operations for sixty days. This order also required the debtors to retain independent third-party auditors to conduct an environmental compliance audit and process area audits.

The debtors have obtained (a) an environmental compliance audit report, and (b) process area audits of (1) the flare system, (2) the amine unit and sulfur recovery unit system, and (3) the delayed coker system. The EPA sent a letter to the debtors on July 28, 2021, concerning the environmental compliance audit report, and therein referenced a letter the EPA had sent to the debtors on June 9, 2021.

These audits and letters detail compliance issues under environmental law of which potential buyers should be aware. The EPA recommends that any buyer review these documents.

## **II. 2021 Complaint and Joint Stipulation**

On July 12, 2021, the United States filed suit against Limetree Bay in the United States District Court for the Virgin Islands, for injunctive relief for compliance with environmental law. Case No. 1:21-cv-264. On the same day, the United States filed with the court a joint stipulation with Limetree Bay.

The joint stipulation requires Limetree Bay, among other things, to:

- (a) Submit a plan for purging hydrocarbons from the refinery to bring the refinery to an indefinite state of shutdown, including operation of ambient air monitors during the purging process;<sup>1</sup>
- (b) Conduct the purging process in accordance with the EPA-approved Hydrocarbon Purge Plan, subject to any modification necessary, and not begin purging without the EPA's approval;
- (c) Except as otherwise provided in the stipulation, at least ninety days before restarting the refinery or any refinery process unit:
  - (1) Notify both the presiding court and the United States,
  - (2) Submit the Corrective Action Plan required by the May 14 order to the EPA. The plan must specify which measures must be completed before restarting the refinery or a refinery process unit, and
  - (3) Submit an ambient air monitoring plan to the EPA that includes operation of hydrogen sulfide (H<sub>2</sub>S) and sulfur dioxide (SO<sub>2</sub>) monitors at nine EPA-identified monitoring sites;
- (d) Except as otherwise provided in the stipulation, at least thirty days before restarting the refinery or any refinery process unit, install and operate the nine ambient air monitoring sites plus a meteorological tower; and
- (e) Before restarting the refinery or any refinery process unit, complete all measures necessary to eliminate any imminent and substantial endangerment to public health or welfare or the environment.

## **III. 2011 Consent Decree**

On January 26, 2011, the United States and the United States Virgin Islands filed suit against HOVENSA in the United States District Court for the Virgin Islands seeking injunctive relief and civil penalties for alleged violations of the Clean Air Act, 42 U.S.C. §§ 7401-7671, and the Virgin Islands Air Pollution Control Act. In conjunction with the filing of the complaint, the United States lodged a consent decree resolving the claims alleged in the complaint. The court entered the consent decree on June 7, 2011. The claims addressed in the 2011 consent decree included alleged violations of the Clean Air Act and its

---

<sup>1</sup> Limetree has submitted to EPA, and EPA has approved, Phases 1 and 2 of the Hydrocarbon Purge Plan. Information about Phases 1 and 2 can be found on the EPA website at <https://www.epa.gov/vi/limetree-bay-terminals-and-limetree-bay-refining-llc>. Limetree has indicated that it expects to provide at least one additional plan (Phase 3) to EPA for hydrocarbon purging, and that additional phases after Phase 3 may be necessary to fully complete the purging process.

implementing regulations, including prevention of significant deterioration provisions, the New Source Performance Standards (“NSPS”), leak detection and repair (“LDAR”) provisions for equipment leaks, and National Emission Standards for Hazardous Air Pollutants for benzene waste operations provisions. The 2011 consent decree required HOVENSA to: reduce nitrogen oxide (“NO<sub>x</sub>”) emissions and control SO<sub>2</sub>, particulate matter (“PM”), and carbon monoxide (“CO”) emissions from the refinery’s fluid catalytic cracking unit; significantly reduce NO<sub>x</sub> emissions from the refinery’s heaters, boilers, generating turbines, and compressor engines through the installation of pollution control equipment; reduce SO<sub>2</sub> emissions by burning lower sulfur fuel oil and complying with H<sub>2</sub>S limits for fuel gas combustion requirements for heaters, boilers, flares, and sulfur recovery plants; comply with regulatory requirements for acid gas and hydrocarbon flaring, and implement a program to investigate and correct the causes of flaring incidents and take preventive action; create a preventive maintenance and operation plan for minimizing SO<sub>2</sub> emissions from the sulfur recovery plant; reduce emissions of volatile organic compounds (“VOCs”) through stricter LDAR requirements for equipment leaks and by replacing valves that are leaking above a specified level with low emissions valves or low emissions valve packing; and reduce emissions of benzene by improving management of benzene waste streams. The 2011 consent decree also required HOVENSA to pay \$5,375,000 in civil penalties and deposit \$4,875,000 into an escrow account to be used to implement Territorial Supplemental Environmental Projects.

#### **IV. Modification of 2011 Consent Decree**

On August 25, 2020, the United States lodged the proposed First Modification of the Consent Decree with the court. The first modification was subject to a thirty day public comment period. After reviewing and responding to public comments, the United States filed a motion to enter the First Modification of the Consent Decree on April 26, 2021. The motion to enter is still pending before the court. A second, non-material modification of the consent decree that does not require court approval was also submitted to the court on April 26, 2021.

The First Modification adds Limetree Bay and the Environmental Response Trust (“ERT”) as parties to the consent decree and transfers uncompleted or ongoing decree responsibilities to Limetree Bay and the ERT, such that Limetree Bay and the ERT effectively step into the shoes of HOVENSA, and HOVENSA is released from its decree obligations and liabilities as of the date of entry of the First Modification. The First Modification also modifies the following deadlines and injunctive relief obligations to reflect the changed operational realities of the refinery: (1) briefly extends the deadline for Limetree Bay to install Qualifying Controls and apply for emission limits from the appropriate permitting authority sufficient to achieve 3,663 tons per year of NO<sub>x</sub> emission reductions; (2) modifies the language to reflect the current configuration of the East Side sulfur recovery plant (“SRP”) and extends the deadline for installing control technology to control the sulfur emissions from the East Side SRP and comply with NSPS Subparts A and Ja; (3) modifies the requirement to install and operate flare gas recovery systems (“FGRS”) on certain flares in order to comply with NSPS Subpart Ja and potentially requires Limetree Bay to perform mitigation projects if emissions exceed a specified level. Specifically, because the operational profile of the refinery is now significantly different as compared to when the consent decree was entered into in 2011, the First Modification conditions the installation of FGRS on the refinery’s flaring emission levels after restart (as defined in the First Modification); providing that FGRS is not required if flaring emissions remain below specified gas flow rates, but requiring Limetree Bay to install and operate FGRS if the specified gas flow rates are exceeded<sup>2</sup>, thereby ensuring the expected emission

---

<sup>2</sup> On April 13, 2021, Limetree Bay submitted a letter to EPA acknowledging that it had exceeded the specified gas flow rates, requiring Limetree Bay to install and operate FGRS on the FCCU Low Pressure Flare (Flare 8) by March 14, 2023.

reduction benefits that were required by the 2011 consent decree are obtained while taking into account the modified operating profile of the refinery; (4) modifies Section V.P (Benzene Waste NESHAP Program) to reflect that HOVENSA selected the 6 BQ compliance option set forth in 40 C.F.R. § 61.342(e), and that Limetree Bay has agreed to redo the one-time review and verification of the refinery's total annual benzene ("TAB") report following restart; (5) modifies Section V.R (LDAR Program) to make the terms consistent with the more recent LDAR regulations, including lower leak definitions, to ensure that a minimum of three audits will be conducted before the decree is terminated, and to update the Valve Preventative Leak Maintenance Program; (6) modifies Section VIII.B (NSPS Applicability: Boilers and Generating Turbines) to extend the deadline for demonstrating compliance with NSPS Subparts A and GG at GT-4, GT-7, and GT-8, and to reflect that Limetree Bay has installed combustion liner systems on GT-7 and GT-8 to reduce NO<sub>x</sub> emissions, and to operate at lower maximum load limits on GT-4, GT-7, and GT-8 until Limetree Bay demonstrates compliance with NSPS Subparts A and GG; (7) modifies Section IX.A (Territorial Supplemental Environmental Project) to reflect the transfer of HOVENSA's obligation to disburse monies for the Territorial Supplemental Environmental Project to the ERT; and (8) modifies Section IX.B (Additional Work) to reflect that HOVENSA's remaining obligations for the VIWAPA Emissions Monitoring Assistance Program were transferred to the ERT [First Modification ¶ 140A].

The consent decree conditions any transfer on the transferee executing a modification of the consent decree which makes the terms and conditions applicable to the transferee.

#### **V. Prevention of Significant Deterioration Permit**

A prospective purchaser may also be required to obtain a Prevention of Significant Deterioration ("PSD") permit under the Clean Air Act to restart the refinery. 42 U.S.C. § 7475; 40 C.F.R. § 52.21.

A PSD permit is required to construct any new "major stationary source" of air pollutants, as defined by 40 C.F.R. § 52.21(b)(1), or to make a "major modification" to any existing major stationary source, as defined by 40 C.F.R. § 52.21(b)(2). See 40 C.F.R. § 52.21(a)(2)(iii). EPA has required PSD permits for restarting long-dormant facilities that qualify as major stationary sources because this action can qualify as either the construction of a new source or a major modification of an existing one. PSD permits must include emission limits that constitute the Best Available Control Technology ("BACT") to minimize the emission of regulated pollutants. 42 U.S.C. §§ 7475(a)(4) and 7479(3); 40 C.F.R. § 52.21(b)(12), (j)(2)-(3).

PSD permitting is factually-driven. If the refinery is required to obtain a PSD permit, the permit will require BACT to be installed and operational prior to restart of the refinery.

#### **VI. Additional Clean Air Act Requirements**

As described in its complaint referenced in Section II, above, EPA has concerns about incidents of excess release of H<sub>2</sub>S and SO<sub>2</sub>. The refinery must adhere to the H<sub>2</sub>S input gas concentration limit specified in 40 C.F.R. § 60.103a(h) and the refinery's Title V operating permit of (a) 162 parts per million volume, determined hourly on a 3-hour rolling average basis, for Flare #8 and the East Mix Drum Fuel Gas System, and (b) 75 parts per million volume at the Coker Mix Drum Fuel Gas System. During incidents where emissions exceed the 500-lb. SO<sub>2</sub> threshold in a twenty-four hour period, the refinery is also subject to requirements in 40 C.F.R. Part 60, Subpart Ja. Subpart Ja requires a regulated entity to conduct a root cause and corrective action analysis whenever SO<sub>2</sub> emissions from a flare exceed the 500-lb/day threshold.

The Environmental Compliance Audit Report and the Flare Systems Audit Report also identified a number of compliance issues related to Clean Air Act Risk Management Program (RMP) requirements, such as requirements relating to Process Safety Information, Process Hazard Analysis, Operating Procedures, and Training. Potential issues in these RMP elements are intended to be captured during Prestartup Review, prior to introducing a regulated RMP substance to a process. The recent release events at the refinery indicate potential failure of one or more RMP elements. A new owner or operator would be responsible for ensuring that all RMP requirements are implemented and that the interconnections between the program elements have been characterized to ensure compliance. Attention to Process Safety Information and Mechanical Integrity program elements, especially as they pertain to the safe design and maintenance of process areas in accordance with recognized and generally accepted good engineering practices, will be important for any future owner/operator of the refinery as they evaluate conformance with Prestartup Review and other program elements.

Prospective purchasers should evaluate the need for modifications to the facility's Title V operating permit under the Clean Air Act.

Finally, the EPA's Petroleum Refinery Sector Rule, NESHAP Subpart CC, requires, among other things, that oil refineries conduct fence line monitoring for benzene and that the annual average benzene emissions stay below  $9 \mu\text{g}/\text{m}^3$ . Any purchaser will need to ensure compliance with this requirement.

## **VII. Resource Conservation and Recovery Act**

The Environmental Response Trust is addressing legacy contamination at the facility, in part with funding from Limetree Bay Terminals. The trust is remediating contamination from HOVENSA's operations pursuant to a federal permit issued by EPA under the Resource Conservation and Recovery Act (RCRA), 42 U.S.C. § 6901, *et seq.*, under the oversight of EPA. While the legacy contamination includes impacted groundwater subject to remediation under the permit, new contamination tied to refinery and/or terminal operations is not covered by the RCRA permit. According to the ERT, new (non-legacy) contamination has been detected in the groundwater. The ERT and Limetree Bay are working to gather and analyze data to determine whether the refinery, terminal, or both caused the release(s) resulting in the new contamination. Any future refinery owner will be obligated under RCRA to remediate contamination on or migrating from the property it acquires. A future owner subject to such obligations may seek contribution and/or cost recovery from any liable third party to the extent allowed by law, and may propose to reach an understanding, or enter into an agreement, with the federal and/or local government concerning such obligations.

## **VIII. Clean Water Act**

On August 13, 2021, the EPA sent a letter to Limetree Bay notifying them of potential violations of Sections 301(a), 308, and 402 of the Clean Water Act, 33 U.S.C. §§ 1311(a), 1318(a) and 1342, and providing them with a copy of EPA's inspection report. A purchaser of the refinery will need to comply with the Clean Water Act, including by correcting any violations that are ongoing at the time of the transfer.

**IX. Additional Matters**

As previously stated, any prospective purchaser should carry out its own due diligence concerning potential environmental liabilities and obligations. EPA has not performed a comprehensive environmental compliance review of the refinery facility, and EPA does not represent that the information contained in this letter identifies all environmental violations that a new owner would have to address, nor all environmental obligations for which a new owner would be responsible.

Sincerely,

**ST. CROIX ENERGY, LLLP WINS AUCTION OF LIMETREE BAY  
REFINING ASSETS**

ST. CROIX, USVI – St. Croix Energy (SCE) emerges as the top bidder at the modified Chapter 11 Bankruptcy proceedings for the Limetree Bay Refining Assets. According to Communications and Public Relations Director Ashley Scotland, “Emerging as the top bidder for the LBR asset is a good thing, however SCE continues to remain focused and steadfast on accomplishing the other milestones necessary for our company and the US Virgin Islands community to see a safe and environmentally conscious restart of the LBR facility.”

SCE remains committed to working with the local and statutory environmental regulatory bodies, including the Department of Planning and Natural Resources (DPNR) and the Environmental Protection Agency (EPA) in creating a restart plan that will address safety and environmental concerns, while allowing our company the opportunity to operate and provide economic growth opportunities for all Virgin Islanders.

The St. Croix Energy group looks forward to more and new engagement with the local community in the coming weeks, as we begin to roll out our senior leadership team and expound on our new business plan for the facility. This team of experienced industry, business and environmental professionals will shepherd the Refinery through the transitional and restart phases, back to a fully safe, operational facility.

SCE seeks to operate as a sustainability driven and environmentally conscientious energy solutions provider, committed to responsible, values and science-based stewardship of the resources under our care. SCE partners continue to be interested in what is best for the territory and being good fiduciaries of the natural resources of the Virgin Islands, which is ultimately an environmentally safe restart and enhanced, wise-use of the property.

**IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE SOUTHERN DISTRICT OF TEXAS  
HOUSTON DIVISION**

In re:  LIMETREE BAY SERVICES, LLC, <i>et al.</i> , <sup>1</sup>  Debtors.	§ § § § § § §	Chapter 11  Case No. 21-32351 (DRJ)  (Jointly Administered)
--	---------------------------------	---

**THE TERMINAL ENTITIES' STATEMENT AND  
RESERVATION OF RIGHTS CONCERNING PROPOSED SALE**  
**[Relates to Docket No. 191]**

The Terminal Entities<sup>2</sup> submit this statement and reservation of rights concerning the proposed sale (the “**Proposed Sale**”) of substantially all of the assets of the above-captioned debtors and debtors in possession (the “**Debtors**”) pursuant to the *Debtors Emergency Motion for Entry of Order: (I) Establishing Bidding and Sale Procedures; (II) Approving the Sale of Assets; and (III) Granting Related Relief* [Docket No. 191] and respectfully state as follows:

1. The Terminal Entities welcome the Proposed Sale to St. Croix Energy, LLLP (“**SCE**”), or any other successful buyer, and stand ready to assist SCE or such other buyer in managing the transition and working to restart the Refinery. The Terminal Entities have reached out to the Debtors and SCE on multiple occasions over the last month, both before and after the auction, to discuss how the Debtors and SCE intend to address the key provision of the Shared Services (as defined below) on a go-forward basis and the need to address such issues in a timely

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors’ mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

<sup>2</sup> The Terminal Entities are: Limetree Bay Terminals, LLC (“**LBT**”), Limetree Bay Terminals Holdings, LLC, Limetree Bay Terminals Holdings II, LLC, Limetree Bay Cayman, Ltd., and Limetree Bay Financing, LLC.

fashion given the timeline for the Proposed Sale. To date, the Terminal Entities have not received adequate information or engagement to address these issues.

2. As the Court and other parties in interest are aware, the Terminal Entities supply critical services to the Debtors, including, but not limited to, power generation, wastewater treatment, lab facilities, administration buildings, and employee housing (the “**Shared Facilities**”). The Terminal Entities also currently provide a number of employees to the Debtors (the “**Shared Employees**”)<sup>3</sup> and are named parties under certain of the governmental licenses, permits, and other authorizations required to operate the Debtors’ and the Terminal Entities’ assets (the “**Shared Permits**,” and together with the Shared Facilities and the Shared Employees, the “**Shared Services**”).

3. The Terminal Entities provide the Shared Services to the Debtors under the terms of that certain Shared Services Systems Agreement dated as of November 30, 2018 (the “**Shared Services Systems Agreement**”) by and among LBT, debtor Limetree Bay Refining, LLC, and debtor Limetree Bay Refining Marketing, LLC. Under the terms of the Shared Services Systems Agreement, the Debtors are required to compensate the Terminal Entities for Shared Services provided by the Terminal Entities. As of this date, the Debtors have not paid all their obligations on either a prepetition or postpetition basis due under the Shared Services Systems Agreement.

4. The Proposed Sale raises a number of issues in connection with the provision of the Shared Services as well as the ongoing environmental issues being addressed through the hydrocarbon removal process, which is still not complete. The Terminal Entities understand that SCE (or any other buyer) will need to continue receiving the Shared Services as it manages the

---

<sup>3</sup> The Debtors terminated substantially all of their operational employees at the end of September 2021. Many of these employees were subsequently hired by LBT and continue to do work for the Debtors.

transition of the Refinery and takes steps to restart the Refinery.<sup>4</sup> Even in a shutdown and potential liquidation scenario, certain Shared Services will still be needed. As a result, the Debtors and SCE (or any other buyer) will need an agreement with the Terminal Entities for the provision of the Shared Services. To date, however, the Terminal Entities have only seen a draft version of the asset purchase agreement with no schedules for the Proposed Sale, and there have been no substantive discussions with the Terminal Entities on the provision of Shared Services.

5. It is unclear how SCE (or any other buyer) will be able to manage the Refinery and the transition to a potential restart of the Refinery without the Shared Services and working collaboratively with the Terminal Entities. The Terminal Entities are supportive of a going concern sale of the Refinery and stand ready and willing to engage with the Debtors and SCE to address these issues. However, in light of the timeline for the Proposed Sale, the Terminal Entities are concerned about the lack of engagement to date<sup>5</sup> and wanted to alert the Court and all parties in interest of these important issues. The Terminal Entities reserve all rights with respect to the Proposed Sale and the Shared Services Systems Agreement, including their rights to object to the Proposed Sale on any grounds.

**Subject:** Concerns over delays on post auction deadlines, the status of bids, and lack of detailed information  
**Date:** Tuesday, November 30, 2021 11:27:44 AM

---

Dear Limetree Team

As you know we represent Bay, Ltd, a prevailing bidder at the auction conducted November 18. Despite its prevailing bid especially when combined with the Sabin bid exceeding the highly contingent bid proffered [and seemingly favored throughout] by SCE, Bay has not heard anything further regarding its bid, its status, any comments to its offer going into the auction, or even a draft copy of a proposed sale order promised three weeks ago. That is concerning on several levels.

First, while the actual conduct of the auction itself was capably done and resulted in Bay and Sabin emerging as the highest bidders for the assets, the process before and after was from a buyer's perspective chaotic and seems without precedent in disregarding or extending deadlines at will and often literally on the eve of the deadline, without explanation, and geared entirely to favor delivery of the assets to SCE, regardless of its highly conditioned proposals. That is troublesome, because the process before and now after the auction seems preordained to deliver the assets to SCE, even under the new circumstances of what came from the auction.

Second, the various deadlines for announcing the prevailing bidder have been unilaterally delayed several times, without explanation, before and after the auction. Yet the timeline for a sale hearing keeps being posted as "maybe" December 7, without any confirmed time, and the closing timelines at December 10 and 13, which are rapidly approaching. That unfairly jams prevailing bidders into reacting to an as yet undelivered form of sale order, critical to any buyer, as well as to even review as yet undelivered comments to the last form of APA. That is troublesome too.

Third, when viewing the foregoing against the chaotic 18 hours before the auction when Bay was overtly discouraged from even participating at the auction, and having the auction seemingly cancelled as a preferred path, necessitating preparation by Bay of emergency papers to file if the lack of admission to the auction occurred, the several delays and lack of communication since the auction appear from Bay's perspective to be tactical to somehow jam prevailing bidders into a fait accompli outcome they can never react to if indeed the sale hearing does proceed on December 7, and the closings forced as scheduled at risk of forfeit of deposit. That too is troubling.

Bay is concerned this process is flawed and outcome determinative, intended before and now after the auction to favor delivery of the assets to SCE, or to at every turn give SCE the benefit of the doubt on its highly conditional proposal which at this juncture offers less value, and seems more akin to a disguised liquidation bid perhaps. Before and during the auction, SCE statements made plain its bid was not firm, and remained conditional on other events, not least of which was a TSA that as of the auction other key participants had not yet reviewed. Yet SCE remained as the ostensible lead bid, in circumstances where its willingness to close was in substantial doubt, and its ability to ever restart the refinery highly improbably for a host of reasons.

We have heard nothing since to change that, even though I just did wrap a call with Joe

Esmont on another matter where he did indicate that tonight's deadline to designate a lead bidder would not be further extended apparently. But the fact as we understand it remains as before—the SCE bid is no more firm than before, it remains below the Bay and Sabin bids; and it seems that regardless of practical and legal impediments to any restart, it still is preferred. That makes no sense to Bay at this juncture.

If there continues to be delays or a refusal to acknowledge Bay and Sabin as the prevailing bidder, then Bay may need to seek relief, and otherwise request an immediate production of limited documents concerning the foregoing matters and internal business decisions made, and a deposition of representatives with knowledge. Unless Bay can better understand what is going on, Bay also opposes, until that is provided, the current amorphous December 7 schedule. We will be forwarding a 30(b)(6) request later today, but we expect you can discern from the above the nature and types of materials relevant for gathering and identify the corporate representatives who can attest to the foregoing.

**EXHIBIT A**

**DESIGNATION OF WINNING BID AND BACK-UP BIDS**

IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE SOUTHERN DISTRICT OF TEXAS  
HOUSTON DIVISION

IN RE:

LIMETREE BAY SERVICES, LLC, *et al.*,<sup>4</sup>  
Debtors.

CHAPTER 11

CASE NO.: 21-32351 (DRJ)  
(Jointly Administered)

**DESIGNATION OF WINNING BID AND BACK-UP BIDS**

Limetree Bay Services, LLC and its debtor affiliates (collectively, the “**Debtors**”) hereby designate the Winning Bid and Back-up Bids, as provided herein, in accordance with the *Order Granting Debtors’ Emergency Motion for Entry of Order: (I) Establishing Bidding and Sale Procedures; (II) Approving the Sale of Assets; and (III) Granting Related Relief* [Doc. No. 392] (the “**Bid Procedures Order**”) and Paragraph 28 of the Bidding Procedures attached thereto as Appendix A (the “**Bidding Procedures**”).<sup>5</sup>

**I. Summary of Winning Bid**

St. Croix Energy, LLLP (“**St. Croix**”) is the Winning Bidder.

The St. Croix transaction is structured as an asset sale with an expected continuation of the business operations as a going concern upon SCE retaining the requisite personnel and securing certain authorizations during the transition period. The following is a summary of the principal terms of the Winning Bid, a copy of which is attached to the accompanying notice as Exhibit B (the “**APA**”)<sup>6</sup> and incorporated herein by reference:

Purchased Assets.

Substantially all assets of the Debtors, as identified in Sections 1.1 and 1.2 of the APA, exclusive of Excluded Assets. The sale shall be free and clear of any interests in the Purchased Assets pursuant to Section 363(f) of the Bankruptcy Code on an “as is, where is” basis, without

<sup>4</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors’ mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

<sup>5</sup> Unless otherwise defined herein, capitalized terms shall have the meanings ascribed to them in the Bid Procedures Order, Bidding Procedures, *Debtors’ Emergency Motion to Amend Milestones and Bid Procedures Deadlines* [Doc. No. 565], or the Bid Procedures Amendment Order, as applicable.

<sup>6</sup> Unless otherwise defined herein, capitalized terms used in the summary shall have the meanings ascribed to them in the APA. All section references in the summary shall refer to the referenced section of the APA. The summary does not contain all material terms of the APA; accordingly, interested parties should review the APA in its entirety. In the event of any inconsistency between the summary and the APA, the provisions of the APA shall control.

representations or warranties, except for the representations and warranties expressly set forth in the APA.

Without limiting the foregoing, the Purchased Assets to be acquired as of the Closing Date include: (a) all Improvements; (b) all Parts Inventory; (c) books and records of the Debtors related to the Purchased Assets, subject to Debtors' right to retain copies of pre-Closing books and records; (d) rights to Intellectual Property; (e) all Furniture and Equipment; (f) accounts receivables related to Purchased Assets; (g) rights, claims, causes of action, and insurance recoveries on account of Purchased Assets; and (h) any rights of the Debtors under any bids to acquire any of the Purchased Assets.

Excluded Assets.

Excluded Asset are identified in Section 1.3 of the APA, and include, among other things, (a) cash and cash equivalents, (b) Avoidance Actions and proceeds thereof, (c) certain rights, claims and causes of action identified in Section 1.3(h), (d) certain rights, claims and causes of action under insurance policies as identified in Section 1.3(i), (e) deposits and prepaid charges unrelated to any Purchased Assets, (f) tax refunds/credits unrelated to any Purchased Assets, (g) accounts receivable unrelated to the Purchased Assets, and including the J. Aron Receivables, the BP Receivables, and NRI Receivables, (h) all contract rights under the APA or any other Transaction Document or otherwise relating to the Excluded Assets or Excluded Liabilities, including rights under executory contracts and unexpired leases, and (i) all equity interests of the Debtors or any of their respective Affiliates.

Subject to the provisions of Section 1.4 of the APA, St. Croix may designate Excluded Assets, including executory contracts and unexpired leases, for inclusion in the Purchased Assets without further consideration until the Designation Deadline.

Assumed Liabilities.

None as of Closing, subject to designation of Excluded Liabilities as Assumed Liabilities pursuant to Section 1.4 and terms of the TSA (defined below).

Excluded Liabilities.

All liabilities as of Closing, subject to designation of Excluded Liabilities as Assumed Liabilities pursuant to Section 1.4 and terms of the TSA.

Consideration.

**\$33,000,000.00**, which is comprised of:

\$20,000,000.00 in cash at the Closing, plus

\$14,000,000.00 (est.) in assumed and avoided liabilities and expense reimbursement pursuant to the terms of a transition services agreement, minus

\$1,000,000.00 in St. Croix expense reimbursement.

Executory Contracts and  
Unexpired Leases.

None as of Closing, subject to designation of executory contracts and unexpired leases for assumption and assignment under Section 1.4 and terms of the TSA.<sup>7</sup>

Under the terms of the TSA, St. Croix shall be liable for all costs associated with maintaining executory contracts and unexpired leases pending assumption or rejection and any cure costs, if any executory contracts or unexpired leases are ultimately assumed and assigned to St. Croix.

Transition Services.

The St. Croix transaction is predicated upon the Debtors continuing to provide or facilitating services in connection with the operation of the refinery pending St. Croix's designation of operational assets (e.g., permits, contractual rights, etc.) for acquisition. The Debtors shall render the required services pursuant to a transition services agreement (the "TSA") with St. Croix. St. Croix and the Debtors are finalizing the terms of the TSA and shall file a copy of the TSA prior to the Sale Hearing.

Certain material terms of the TSA are set forth in Section 1.4(i).

Sale Hearing.

December 7, 2021, at 4:00 p.m. CT.

Closing.

No later than December 17, 2021, at 5:00 p.m. ET

The Debtors and St. Croix are presently finalizing certain documents pertaining to the APA and transaction, including the TSA; accordingly, pursuant to Exhibit C to this notice, the Debtors are extending the deadline to file such documents under the Bidding Procedures through and including December 3, 2021. Additionally, the Debtors are extending the deadlines associated with the assumption and assignment of executory contracts and unexpired leases to comport with the terms of the APA.

---

<sup>7</sup> St. Croix does not seek the assumption or assignment of any executory contracts or unexpired leases on the Closing Date under the APA; rather, under Section 1.4 of the APA, St. Croix reserves the right to designate any executory contracts or unexpired leases for assumption and assignment at any time prior to the Designation Deadline. The assumption and assignment of any contracts under the APA is premised upon satisfaction of the requirements of Section 365 of the Bankruptcy Code. To comport with the APA, the Debtors are extending the dates and deadlines associated with the assumption and assignment of executory contracts and unexpired leases under the Bid Procedures to the Designation Deadline.

## II. Summary of Back-up Bids

Sabin Metal Corporation (“**Sabin**”) and Bay, Ltd. (“**Bay**”) are the Back-up Bidders.

The bids presented by Sabin (the “**Sabin Bid**”) and Bay (the “**Bay Bid**” and, together with the Sabin Bid, the “**Back-up Bids**”) are piecemeal bids for the acquisition and/or liquidation of the subject assets.<sup>8</sup> The following is a summary of the principal terms of the Back-up Bids, which remain subject to final negotiations:

### A. The Sabin Bid

<u>Purchased Assets.</u>	Catalyst
<u>Excluded Assets.</u>	All assets of the Debtors, excluding the Catalyst.
<u>Assumed Liabilities.</u>	None.
<u>Excluded Liabilities.</u>	All liabilities of the Debtors.
<u>Consideration.</u>	<b>\$15,122,047.00</b> , which is payable in two installments— (i) 50% six (6) weeks after completion of sampling of the catalyst (approximately five (5) months post-closing) and (ii) 50% upon sale of the metals recovered from the catalyst (approximately eight (8) months post-closing).  <b><u>Caveat:</u></b> The consideration is an <u>estimate</u> of total recoveries from the processing of the catalyst <u>net</u> of processing costs and, as such, may vary depending upon, among other things, the total amount and condition of the catalyst, the amounts of precious metals recovered from the catalyst and the market value of the recovered precious metals at the time of the sale. There is no minimum consideration under the Sabin Bid. The above-described consideration is not the same as the value the Debtors ascribe to the bid, which must be adjusted to include factors such as the uncertainty in total recovery, the Debtors’ cash flow needs, and the time-value of money.
<u>Executory Contracts and Unexpired Leases.</u>	None
<u>Closing.</u>	TBD

---

<sup>8</sup> The consideration set forth in the summary of Back-up Bids is subject to certain offsets and adjustments under the proposed transaction, including, without limitation, adjustments to reflect the risks of recovery and present value of the proposed payments over time. As such, the Debtors are not representing that the stated consideration is the net value of the Back-up Bids to the estates or that the estates are guaranteed to receive the estimated consideration.

## B. The Bay Bid

### Purchased Assets.

All tangible personal property assets of the Debtors, excluding the Catalyst, subject to adjustment prior to Closing.

### Excluded Assets.

All assets of the Debtors, other than Purchased Assets, including the Catalyst, real property, and intangible personal property assets; *provided* that Bay retains the rights to add or remove certain items from the Purchased Assets without further consideration.

### Assumed Liabilities.

Limited assumption of liabilities, including Cure Amounts and certain adequate assurance payments related to any assumed and assigned contracts or leases; transfer taxes; and certain liabilities traceable to Purchaser's conduct.

### Excluded Liabilities.

All other liabilities of the Debtors.

### Consideration.

An amount up to **\$24,760,000.00**, which is comprised of:

\$3,200,000.00 in cash at the Closing, plus

55% of net proceeds in excess of \$3,000,000, not to exceed \$21,560,000, from the liquidation of non-scrap assets, including equipment, inventory and rolling stock, subject to certain exclusions.

In addition to the foregoing, in the event that Bay is permitted to draw upon the USVI Letter of Credit, Bay agrees to pay Debtors 50% of any proceeds after deducting the expenses of removing Hazardous Materials, up to \$3 million. This recovery is, however, contingent on events outside the Debtors' control.

The Debtors anticipate that the consideration will be paid over a period of three (3) years following the closing date.

**Caveat:** The consideration is an estimate of recoveries from the liquidation of Purchased Assets, subject to certain exclusions, and, as such, the ultimate consideration may vary depending upon the liquidation values of the subject Purchased Assets. Further, the net consideration is dependent upon the payment of certain costs and expenses associated with the removal of the Purchased Assets, which are unknown and, as such, not factored into the gross consideration stated herein. Accordingly, the above-described consideration is not the same as the value the Debtors ascribe to the bid, which must be adjusted to include those expenses and other factors such as the uncertainty in

total recovery, the Debtors' cash flow needs, and the time value of money.

Executory Contracts and  
Unexpired Leases. TBD

Closing. TBD

## ASSET PURCHASE AGREEMENT

THIS ASSET PURCHASE AGREEMENT (“Agreement”) is made as of November [ ], 2021, by and among Limetree Bay Services, LLC, a Delaware limited liability company (“LBS”), Limetree Bay Refining Holdings, LLC, a United States Virgin Islands limited liability company (“LBRH”), Limetree Bay Refining Holdings II, LLC, a United States Virgin Islands limited liability company (“LBRH II”), Limetree Bay Refining, LLC, a United States Virgin Islands limited liability company (“LBR”), Limetree Bay Refining Operating, LLC, a United States Virgin Islands limited liability company (“LBRO”), Limetree Bay Refining Marketing, LLC, a United States Virgin Islands limited liability company (“LBRM”), along with LBS, LBRH, LBRH II, LBR and LBRO, each a “Seller” and collectively, “Sellers”), and St. Croix Energy, LLLP, a domestic limited liability limited partnership, and its permitted assignees pursuant to Section 10.5 (collectively, “Purchaser” and, the Purchaser together with Sellers, each a “Party” and collectively, the “Parties”). Capitalized terms used but not otherwise defined in the text of this Agreement have the meanings set forth in Appendix 1 attached hereto, which is incorporated herein and made a part of this Agreement.

### RECITALS

A. Sellers own and operate an oil refinery located on the island of St. Croix in the United States Virgin Islands (collectively, the “Business”).

B. On July 12, 2021 (the “Petition Date”), Sellers filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Court”), which cases are jointly administered under *In re Limetree Bay Services, LLC*, Case No. 21-32351.

C. On November 14, 2021, Purchaser presented an executed Asset Purchase Agreement, pursuant to which Purchaser presented an irrevocable offer to purchase from Sellers certain assets and assume from Sellers certain liabilities related thereto (the “Initial Asset Purchase Agreement”), subject to the terms of the proposed Initial Asset Purchase Agreement, the *Order Granting Debtors’ Emergency Motion for Entry of Order: (I) Establishing Bidding and Sale Procedures; (II) Approving the Sale of Assets; and (III) Granting Related Relief* (the “Bid Procedures Order”) and bidding procedures appended thereto (the “Bid Procedures”).

D. On or about November 14, 2021, Sellers filed a motion in the Bankruptcy Court to designate the Initial Asset Purchase Agreement as the stalking horse bid and approve certain buyer protections (described therein) under the terms of the Bid Procedures Order and Bid Procedures.

E. On or about November 17, 2021, Sellers conducted an auction in accordance with the terms of the Bid Procedures, during which the Initial Asset Purchase Agreement was designated the Winning Bid and Purchaser the Winning Bidder (as such terms are defined in the Bid Procedures).

F. On the terms and subject to the conditions set forth in this Agreement, (i) the Parties wish to enter into this Agreement to update and supersede the Initial Asset Purchase Agreement on the terms set forth herein, (ii) Purchaser desires to purchase from Sellers, and Sellers desire to

sell to Purchaser, the Purchased Assets and (iii) Purchaser desires to assume, and Sellers desire to assign and transfer to Purchaser, the Assumed Liabilities (the “Purchase”).

G. It is intended that the acquisition of the Purchased Assets will be accomplished through the sale, transfer and assignment of the Purchased Assets by Sellers to Purchaser, or its designee or designees, in a sale undertaken pursuant to Section 363 of the Bankruptcy Code and that certain executory contracts and unexpired leases will be assumed by Sellers and assigned to Purchaser pursuant to Section 365 of the Bankruptcy Code in connection therewith.

## A G R E E M E N T S

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

### ARTICLE I

#### Purchase and Sale of Assets

1.1 Agreement to Purchase and Sell. On the terms and subject to the conditions contained in this Agreement, Purchaser agrees to purchase from Sellers, and Sellers agree to sell, transfer and convey to Purchaser, all of the Sellers’ assets, properties, rights and interests identified in Section 1.2, effective as of the Closing Date, wherever situated or located (collectively, the “Purchased Assets”). The Purchased Assets shall be sold, transferred and conveyed to Purchaser free and clear of any and all Liens and Claims, in each case to the fullest extent permitted under the Bankruptcy Code and resulting from the Sale Order, other than Permitted Liens and Assumed Liabilities.

1.2 Description of Purchased Assets. The Purchased Assets shall include the following assets owned by Sellers as of the entry of the Sale Order, except to the extent that any of the following are specifically enumerated in Section 1.3 as being Excluded Assets:

(a) each Contract listed or described on Schedule 1.2(a) (collectively, the “Business Contracts”);

(b) the real property described on Schedule 1.2(b), together with such easements, appurtenances, right and other hereditaments appurtenant to such real property that are expressly described on Schedule 1.2(b) or otherwise imposed by Law (collectively, the “Purchased Real Property”);

(c) all Improvements;

(d) each real property lease and sublease listed or described on Schedule 1.2(d) (“Real Property Leases”);

(e) all Parts Inventory;

(f) the Files and Records, whether in hard copy or electronic format, except that, with respect to Files and Records that any Seller or any of its Affiliates is required by

Law or Order to retain, the Purchased Assets shall include copies of such Files and Records to the extent permitted by any applicable Law or Order; provided, that any Seller shall be permitted to retain a copy of any such Files and Records that such Seller requires in connection with any of the Excluded Assets;

(g) all Permits (and any pending applications for Permits) described on Schedule 1.2(g) (the “Business Permits”);

(h) the rights to the Intellectual Property listed on Schedule 1.2(h) (the “Business Intellectual Property”);

(i) the rights to Information Technology listed on Schedule 1.2(i) (the “Business IT Assets”);

(j) all Furniture and Equipment owned by a Seller that is located at the Seller Facilities or that is otherwise primarily used or held for use in the Business (other than the Excluded Furniture and Equipment);

(k) all accounts receivables, trade receivables, notes receivables, and other miscellaneous receivables, whether current or overdue, in each case, solely to the extent related to any of the Purchased Assets set forth in Section 1.2(a)-(j), and all pre-paid assets of any Seller, solely to the extent related to any of the Purchased Assets set forth in Section 1.2(a)-(j), which, for the avoidance of doubt, excludes any right to or interest in any Excluded Assets;

(l) all rights, claims, defenses, causes of action, rights of offset and counterclaims (at any time or in any manner arising or existing, whether choate or inchoate, known or unknown, contingent or non-contingent) of each Seller, but excluding any Avoidance Actions and proceeds thereof, in each case solely (i) with respect to any of the Purchased Assets set forth in Sections 1.2(a)-(k) and (ii) to the extent first arising with respect to incidents, actions or omissions that occur on or after the Closing Date (the “Purchased Claims”);

(m) all insurance recoveries, other than the Excluded Insurance Recoveries, under each Seller’s or its Affiliates’ insurance policies, in each case solely with respect to any of the Purchased Assets set forth in Sections 1.2(a)-(k), and any rights to assert claims with respect to any such insurance recoveries;

(n) all rights under and to any bids, offers, options, or other contracts to purchase or sell any Purchased Asset, including any of the offers received at the Auction; and

(o) the general books and records and the books of account and books of original entry that comprise a Seller’s permanent Tax records, in each case, solely to the extent related to the Purchased Assets or Assumed Liabilities; provided, that any Seller shall be permitted to retain a copy of any such pre-Closing books and records.

1.3 Excluded Assets. The “Excluded Assets” means all of the assets, properties, rights and interests of the Sellers as of the Closing Date, wherever situated or located, other than the Purchased Assets, including, but not limited to, the following items and assets:

- (a) all cash, certificates of deposit or other cash equivalents;
- (b) any real property other than the Business Real Property;
- (c) all personal property, equipment and inventory not included in the Purchased Assets;
- (d) notwithstanding anything to the contrary in Section 1.2, all Avoidance Actions and proceeds thereof;
- (e) all rights under any Contract to which any Seller is a party that is not a Business Contract or a Real Property Lease;
- (f) general books of account and books of original entry that comprise a Seller’s permanent Tax records, corporate minute books, stock books and related organizational documents and the books and records that any Seller is required to retain pursuant to any Law or Order and the books and records solely to the extent not related to the Purchased Assets or the Assumed Liabilities;
- (g) all personnel records of employees, former employees or consultants of each Seller;
- (h) all rights, claims, causes of action, remedies, defenses, rights of offset and counterclaims (at any time or in any manner arising or existing, whether choate or inchoate, known or unknown, contingent or non-contingent) of each Seller or its estate against any Person, together with recoveries therefrom, including, without limitation, against any current or former equity holders, lenders, employees, professionals, advisors, agents, officers, directors, managers, contractors, suppliers or other contractual counterparties of any Seller or any Affiliate of any Seller relating to, without limitation, negligence, misrepresentation, fraud, malpractice, breach of contract, breach of fiduciary duty, breach of the duty of loyalty, breach of the duty of care, breach of the implied covenant of good faith and fair dealing, mandatory subordination, equitable subordination, equitable disallowance or recharacterization; provided that this Section 1.3(h) shall not include any Purchased Claims; provided, further, that any remaining rights of the Official Committee of Unsecured Creditors (the “Committee”) to assert a “Challenge” under the *Final Order (I) Authorizing the Debtors to (A) Obtain Postpetition Senior Superpriority Financing and (B) Use Cash Collateral, (II) Granting Adequate Protection to Prepetition Secured Parties, (III) Modifying the Automatic Stay, and (IV) Granting Related Relief* (Doc. No. 495 filed in the Bankruptcy Cases) are fully preserved and shall not constitute Purchased Assets;
- (i) all rights, claims, causes of action, remedies, defenses, rights of offset and counterclaims (at any time or in any manner arising or existing, whether choate or inchoate, known or unknown, contingent or non-contingent) of each Seller or its estate against any Person, together with recoveries therefrom, under any insurance policies of any Seller or

any Affiliate of any Seller, to the extent related to or arising from any business interruption (including, without limitation, any business interruption coverage under any property damage policies), errors and omissions or directors' and officers' liability insurance policies, or property damage, and any rights to assert claims with respect to any such insurance recoveries; provided, that any recovery on account of property damage related to any Purchased Assets shall be limited solely to (i) recoupment of amounts actually paid (as evidenced by written invoices or receipts therefor or other written documentation thereof) by Sellers in connection with the repair, rehabilitation or remediation of the subject Purchased Assets, which amounts shall only be payable if (x) the Bankruptcy Court holds that Sellers are entitled to recovery of such amounts notwithstanding any unpaid self-insurance retention, or (y) Purchaser has recouped all amounts paid by Purchaser in connection with the repair, rehabilitation or remediation of the subject Purchased Assets and compensable under the subject insurance policy, and additional coverage remains under the applicable insurance policies, and (ii) any related business interruption claims (such rights, claims, causes of action, remedies, defenses, rights of offset, counterclaims and insurance recoveries pursuant to this Section 1.3(i), the "Excluded Insurance Recoveries");

(j) all claims for refund or credit of (i) income Taxes of each Seller and its Affiliates for any taxable period and (ii) non-income Taxes of each Seller and its Affiliates with respect to a Pre-Closing Period;

(k) the Excluded Intellectual Property;

(l) the Excluded IT Assets;

(m) each Seller's or any of its Affiliates' rights under this Agreement or any Transaction Document or relating to the Excluded Assets or the Excluded Liabilities;

(n) all deposits (including security deposits, rent, electricity, telephone or otherwise and retainers held by attorneys, accountants, financial advisors and other professional advisors retained by any Seller or by any creditors' committee in the Bankruptcy Case) and other prepaid charges of each Seller, in each case other than with respect to the Purchased Assets described in Section 1.2(k), provided, for the avoidance of doubt, that any returned insurance premiums paid prior to the Closing Date shall constitute Excluded Assets;

(o) any assets of each Seller in a directors and officers liability insurance policy, executive or incentive compensation, bonus, deferred compensation, pension, retiree medical, stock option or other stock purchase plan or other employee benefit plan;

(p) the Furniture and Equipment set forth on Schedule 1.3(p) (the "Excluded Furniture and Equipment");

(q) all accounts receivables, trade receivables, notes receivables, and other miscellaneous receivables, whether current or overdue, and all pre-paid assets of each Seller, in each case, except to the extent within the scope of Section 1.2(k), but including,

for the avoidance of doubt, the J. Aron Receivables, the BP Receivables, and NRI Receivables;

(r) all Permits (and any pending applications for Permits) other than the Business Permits;

(s) all attorney client privilege and attorney work product protection of each Seller or associated with the Business (as currently or formerly conducted) as a result of legal counsel representing a Seller or the Business (as currently or formerly conducted), and all Files and Records related thereto subject to such attorney client privilege or work product protection; provided that any privilege or work product that exclusively relates to the Purchased Assets or the Assumed Liabilities or that is necessary to operate the Business (other than such privileges, protections and related Files and Records related to or in connection with the transactions contemplated by this Agreement or any Transaction Document) shall not be deemed to be an Excluded Asset whether or not in connection with the transactions contemplated by this Agreement or any Transaction Document; and

(t) all shares of capital stock or other equity interests in any Seller or any Affiliate thereof or any securities convertible into, exchangeable or exercisable for shares of capital stock or other equity interests in any Seller or any Affiliate thereof.

For clarification purposes and without implication that the contrary would otherwise be true, it is understood and agreed that all rights and remedies with respect to the Excluded Assets or the Excluded Liabilities shall be retained by Sellers and shall not be transferred to Purchaser hereunder unless and until designated as a Purchased Asset or Assumed Liability pursuant to Section 1.4(h).

#### 1.4 Contract and Asset Designation Rights.

(a) No later than three (3) Business Days following the execution of this Agreement, Sellers shall deliver to Purchaser a list of any Contracts Sellers that are material to the Business, any Purchased Assets, and any Assumed Liabilities, including the Cure Amounts associated with each such Contract subject to Section 365 of the Bankruptcy Code. Sellers shall cooperate with, and, as promptly as practicable, provide Purchaser with such access and information reasonably requested by it in order for Purchaser to identify each of the material Contracts related to the Business, any Purchased Assets and any Assumed Liabilities, and subject to assumption or rejection hereunder, including providing copies of all such Contracts, and in order for Purchaser to confirm any associated Cure Amounts. Prior to the Designation Deadline (as defined below), Sellers shall supplement such list to add any Contracts entered into by Sellers during the pendency of the Bankruptcy Cases that are material to the Business, any Purchased Assets, or any Assumed Liabilities, and update any information pertaining to Contracts entered into prior to Closing.

(b) Any motions filed by Sellers with, and any proposed orders submitted by Sellers to, the Bankruptcy Court seeking authorization after the date hereof to assume or reject any Contracts shall be satisfactory in form and substance to Purchaser in its reasonable discretion. No later than three (3) Business Days following Purchaser's designation of any Contract for assumption by the Sellers and assignment to Purchaser (each such Contract, a "Designated Contract"), the Sellers shall cause notice to be provided

to all known or reasonably ascertainable counterparties to such Contract regarding the (i) assumption and assignment to Purchaser of such Contract and (ii) setting forth the Cure Amounts associated with such Contract as of the Sale Hearing (or as of such later date reasonably acceptable to Purchaser and Sellers). If Purchaser is designated the Winning Bidder following the Auction, Sellers shall consult with, and give due consideration to the views and concerns of, Purchaser prior to compromising or commencing any Action with respect to any material payment required to be made under the Bankruptcy Code to effectuate the assumption of any such Contract, including using commercially reasonable efforts to provide no less than three (3) Business Days' notice of any such compromise or Action to Purchaser; provided, that Sellers shall not have any obligation to attempt to resolve any issues with respect to or commence or prosecute any Action concerning any material payment required to be made under the Bankruptcy Code to effectuate the assumption or assignment of any such Contract, it being acknowledged and agreed that Purchaser is solely responsible for resolving any disputes pertaining such payments, including the payment of any Cure Amounts.

(c) For the purpose of determining whether a Contract of Sellers shall be included as a Purchased Asset or an Excluded Asset, from and after the filing of the Approval Motion, all such Contracts shall be treated as follows:

(i) No later than one (1) Business Day prior to the Closing Date, Purchaser shall notify Sellers in writing of those Contracts which Purchaser desires to be designated to be assumed by Sellers and assigned to Purchaser on the Closing Date.

(ii) No Contracts entered into during the pendency of the Bankruptcy Cases shall be designated to be assigned to Purchaser unless Purchaser notifies Sellers in writing that it will purchase such Contract prior to the Closing Date, in which case Sellers shall seek authority to assign such Contract to Purchaser.

(iii) Until the date that is 150 days following the Closing Date (the "Designation Deadline"); provided that the Designation Deadline may be extended by Purchaser in its sole discretion for up to two successive 90 day periods subject to Purchaser's continued reimburse of Sellers for any and all costs and expenses of retaining Contracts, and all Liabilities that arise in the ordinary course of business, during such extension period, as provided in the Transition Services Agreement including all administrative costs of the Bankruptcy Cases (i.e., the U.S. Trustee's fees, and expenses of Sellers' professionals, including legal counsel) as and to the extent such costs are contemplated in the Sellers' Budget for the Bankruptcy Cases attached hereto as Exhibit A (the "Budget"). Purchaser shall have the right to designate additional Designated Contracts for no additional Consideration, except for the obligations set forth under the Transition Services Agreement and the payment of Cure Amounts associated with any Designated Contracts. Any such Designated Contracts will be deemed to be included as a Business Contract or a Real Property Lease, as applicable, and included as a Purchased Asset hereunder.

(iv) All other Contracts not expressly assumed by Purchaser prior to the Designation Deadline (each a “Disclaimed Contract”) shall be deemed to be Excluded Assets. With respect to each Contract that is an Excluded Asset, Sellers hereby agree that, without the prior written consent of Purchaser, they shall not, and shall not permit any of their respective Affiliates to, reject any such Contract prior to the earlier to occur of the expiration of (x) the Designation Deadline and (y) the date that Purchaser provides written notice designating such Contract as a Disclaimed Contract.

Purchaser shall provide, with respect to any Designated Contract, such information or documentation related to “adequate assurance of future performance” as shall be reasonably required in connection with the assumption and assignment of such Contract, and upon Bankruptcy Court approval for the assumption and assignment thereof to Purchaser, any such Designated Contract shall be deemed to be a Business Contract and to constitute a Purchased Asset hereunder. Notwithstanding anything to the contrary set forth in this Agreement, to the extent that, prior to Closing, any Contract is not subject to an order of the Bankruptcy Court with respect to the assumption and assignment of such Contract, any Liabilities of Sellers related to such Contract shall be the responsibility of Sellers until such Contract is either assumed by Sellers and assigned to Purchaser or rejected by Sellers as permitted pursuant to this Section 1.4(c); provided that, notwithstanding the foregoing, Purchaser shall reimburse Sellers for any and all costs and expenses of retaining such Contracts, and all Liabilities that arise in the ordinary course of business, as provided in the Transition Services Agreement until the earlier to occur of (x) five (5) Business Days following the date that Purchaser provides written notice designating any such Contract as a Disclaimed Contract and (y) the date that is five (5) Business Days after the Designation Deadline.

(d) At Closing, to the extent not previously paid, Purchaser shall pay or cause to be paid (and shall reimburse or cause to be reimbursed to Sellers any amounts paid after the date hereof in respect of) any and all Cure Amounts in respect of all Designated Contracts then identified. Additionally, following the Closing, Purchaser shall pay or cause to be paid (and shall reimburse or cause to be reimbursed to Sellers any amounts paid after the date hereof in respect of) any and all Cure Amounts in respect of all Designated Contracts as they become so designated and assigned to Purchaser. Purchaser’s obligations under this Section 1.4(d) shall be in addition to any obligations under the Transition Services Agreement.

(e) Nothing in this Agreement shall be construed as an attempt by Sellers to assign any Contract to the extent that such Contract is not assignable under the Bankruptcy Code or otherwise without the consent of the other party or parties thereto, and the consent of such other party has not been given or received, as applicable. With respect to any Contract for which the consent of a party thereto to the assignment thereof shall not have been obtained at Closing and any claim, right or benefit arising thereunder or resulting therefrom, Sellers and Purchaser shall use their reasonable good faith efforts to obtain as expeditiously as possible the written consent of the other party or parties to such Contract necessary for the assignment thereof to Purchaser; provided Purchaser shall be ultimately responsible for obtaining any such consent(s). Unless and until any such consent, waiver,

confirmation, novation or approval is obtained, Sellers and Purchaser shall cooperate to establish an arrangement reasonably satisfactory to Sellers and Purchaser under which Purchaser would obtain the claims, rights and benefits and assume the corresponding Liabilities and obligations thereunder (including by means of any subcontracting, sublicensing or subleasing arrangement). In such event, (i) Sellers will hold in trust for and promptly pay to Purchaser, when received, all moneys received by them under any such Contract or any claim, right or benefit arising thereunder, (ii) Purchaser will promptly pay, perform or discharge, when due, any and all obligations and Liabilities arising thereunder, other than those being contested in good faith, and (iii) Purchaser shall reimburse Sellers for all reasonable costs and expenses, including fees and costs of professionals, incurred by Sellers in connection with any such Contract. Purchaser acknowledges that no adjustment to the Purchase Price shall be made for any such Contracts that are not assigned and that Purchaser shall have no claim against Sellers in respect of such unassigned Contracts. Nothing in this paragraph shall be deemed a waiver of Purchaser's right to receive an effective assignment of all of the Purchased Assets at Closing, save and except for any Contracts that Sellers are unable to assume or assign to Purchaser under applicable Law or order of any court of competent jurisdiction, nor shall any Contracts covered by this paragraph be deemed to constitute Excluded Assets solely by virtue of this paragraph. Sellers' obligations under this paragraph shall terminate on the date that is 150 days after the Closing Date.

(f) Promptly following the Designation Deadline, Purchaser shall file with the Bankruptcy Court a final list of all Business Contracts and Real Property Leases.

(g) Notwithstanding anything to the contrary in this Section 1.4, Sellers shall have no obligation to renew, replace or extend the term of any Contracts or otherwise preserve or prevent the expiration of any Contracts, or incur any costs, expenses or other liabilities or obligations associated with any Contracts not reimbursable by Purchaser under this Agreement or the Transition Services Agreement.

(h) Until the Designation Deadline, for no additional consideration, except for any obligations under the Transition Services Agreement or Cure Amounts due in connection with the subject assets, Purchaser shall be entitled to amend Schedules 1.2(b), 1.2(g), 1.2(h) and 1.2(i), or any other Schedule(s) affected by such designation, and to designate (by delivery of written notice to Sellers of such designation) additional assets and liabilities to assume and have assigned to Purchaser by Sellers, which assets and liabilities will thereafter be deemed to constitute "Purchased Assets," and "Assumed Liabilities," hereunder, as appropriate, notwithstanding the fact that such assets and liabilities previously may have been considered Excluded Assets or Excluded Liabilities hereunder and any and all Schedule(s) affected by such designation shall be deemed amended automatically upon receipt of such notice without further action by the Parties or order of the Bankruptcy Court; provided, however, that Purchaser shall not be entitled to designate any Excluded Assets under Sections 1.3(a), (d), (j), (m), (n), (o), or (q) as Purchased Assets without the express prior written consent of Sellers and, until all obligations owing to the DIP Agent have been indefeasibly paid and discharged in full, DIP Agent; provided, further, that the Purchaser shall in no event be entitled to designate any Excluded Assets under Sections 1.3(h) or (i) as Purchased Assets, and any amendment

or waiver with respect to Sections 1.3(h) or (i) shall require the express prior written consent of the Prepetition Secured Parties and, until all obligations owing to the DIP Agent have been indefeasibly paid and discharged in full, DIP Agent. In the event of any designation pursuant to Section 1.4, Sellers reserve the right to amend or supplement any Schedule(s) or disclosures under this Agreement or any Transaction Documents solely to account for such designation, which amendment or supplement shall be deemed made as of the date hereof. For the avoidance of doubt, this Section 1.4(h): (i) shall not apply to designation of Contracts as assumed or excluded, which shall occur in accordance with the procedures set forth in Sections 1.4(a)-(g) above, and (ii) shall not result in any adjustments to the Purchase Price.

(i) On the Closing Date, the Parties shall enter into a Transition Services Agreement, on terms mutually acceptable to the Parties, which shall provide, among other terms, (i) Purchaser shall perform any and all obligations of the Sellers under any Contracts from and after the Closing until such Contract is designated as a Disclaimed Contract, (ii) Purchaser shall pay certain expenses associated with the maintenance or operations of the Refinery or other assets of the Debtors from and after Closing until the date that is five (5) Business Days after the Designation Deadline (unless such asset is designated a Purchased Asset, which case Purchaser shall be exclusively responsible for such assets and any related costs and expenses on and after such designation), (iii) Purchaser shall reimburse Sellers for any and all costs and expenses incurred in connection with any Contract on or after the Closing Date until such Contract is designated as a Disclaimed Contract, (iv) Purchaser shall indemnify and hold harmless Sellers, and each of them, and each of their respective officers, directors, employees, agents, professionals and any other individual or entity acting by or through or on behalf of Sellers, or any of them (collectively, the “Indemnified Parties”), from any and all actions, causes of action, claims, demands, damages, judgments, Liabilities, debts, dues and suits of every kind, nature and description whatsoever, arising directly or indirectly out of the Purchaser’s performance of any Contracts or Purchaser’s or Sellers’ actions that are required to be taken pursuant to the Transition Services Agreement on or after the Closing Date, (v) release of the Indemnified Parties from any and all actions, causes of action, claims, demands, damages, judgments, Liabilities, debts, dues and suits of every kind, nature and description whatsoever, arising directly or indirectly out of arising out of the Indemnified Parties’ actions in connection with the Contracts or any actions taken pursuant to the Transition Services Agreement on or after the Closing Date, and (vi) the effectiveness of the Transition Services Agreement shall be subject to approval of the Bankruptcy Court as a Transaction Document. For the avoidance of doubt, to the extent there is any conflict between the terms of this Section 1.4(i) and the terms of the Transition Services Agreement, the terms of the Transition Services Agreement shall govern.

## ARTICLE II

### Assumption of Liabilities

2.1 Agreement to Assume. At the Closing, Purchaser shall assume and agree to pay, perform and discharge when due, solely the liabilities and obligations of Sellers described in Section 2.2 (the “Assumed Liabilities”). Purchaser shall only be liable for Assumed Liabilities.

All other liabilities and obligations of Sellers, including those enumerated in Section 2.3, are collectively referred to herein as “Excluded Liabilities”. Purchaser shall not assume, be deemed to have assumed, or otherwise be responsible for, any Excluded Liabilities unless and until designated as an Assumed Liability in accordance with Section 1.4(h).

2.2 Description of Assumed Liabilities. The following liabilities and obligations of Sellers (and only the following liabilities and obligations) shall constitute the Assumed Liabilities:

(a) all Liabilities (including for the avoidance of doubt, all Environmental Liabilities) relating to or arising out of the Purchased Assets on or after the Closing Date (or, in the case of any Purchased Assets that are designated for assignment or transfer to Purchaser following the Closing, after the date of such assignment or transfer, except as otherwise provided in the Transition Services Agreement);

(b) all Post-Closing Litigation Liabilities with respect to the Purchased Assets;

(c) all Cure Amounts with respect to the Business Contracts and the Real Property Leases;

(d) all costs and expenses necessary in connection with providing “adequate assurance of future performance” with respect to the Business Contracts and Real Property Leases (as contemplated by Section 365 of the Bankruptcy Code) for the period commencing on or after the Closing;

(e) all Liabilities related to the Business Contracts, Real Property Leases and Business Permits, arising out of or relating to any act, omission, circumstance or other Event occurring on or after the Closing Date (in the case of Contracts that are ultimately designated as Disclaimed Contracts, Purchaser shall reimburse Sellers for all Liabilities that arise in the ordinary course of business after the Closing through and including the earlier to occur of (x) five (5) Business Days following the date that Purchaser provides written notice designating any such Contract as a Disclaimed Contract and (y) the date that is five (5) Business Days after the Designation Deadline);

(f) all accounts payable to Sellers’ third party trade creditors that relate to the Purchased Assets and are in respect of goods or services that are provided to or for the benefit of the Purchaser following the Closing (or, in the case of Purchased Assets that are designated as such after the Closing, following the date such Purchased Asset is transferred to Purchaser), including any unresolved vendor rebates or credits associated with such trade creditors that are unpaid, uncollected or unresolved, as the case may be, at the Closing (or, in the case of Purchased Assets that are designated as such after the Closing, following the date such Purchased Asset is transferred to Purchaser);

(g) any Transfer Taxes;

(h) any Liability for any Tax or Taxes arising out of or relating to the ownership of the Purchased Assets with respect to any Post-Closing Period (or, in the case of any Purchased Assets that are designated for assignment to Purchaser following the Closing, after the date of such assignment); provided that any liability under the Refinery Operating

Agreement for any Post-Closing Period shall not be considered a Tax Liability arising out of the ownership of the Purchased Assets unless and until the Refinery Operating Agreement is designated as a Designated Contract; and

(i) all Environmental Liabilities arising out of or relating to any act, omission or circumstance that occurred solely with respect to the Purchased Assets prior to the Closing (or, in the case of any Purchased Assets that are designated for assignment to Purchaser following the Closing, prior to the date of such assignment), including for the avoidance of doubt, the presence of Hazardous Materials arising from Sellers' or its predecessors' former refinery operations and located at the Purchased Assets, solely to the extent such Liabilities are exacerbated, triggered, increased, or have their timing accelerated by any act or omission of, or any delay caused by, Purchaser or any of its Affiliates, their respective successors or assigns or their respective Representatives following the Closing (or, in the case of any Purchased Assets that are designated for assignment to Purchaser following the Closing, after the date of such assignment); provided, that, all Environmental Liabilities arising out of or relating to Events or conditions occurring or existing prior to Closing shall not be Assumed Liabilities solely by virtue of Purchaser discovering, identifying or quantifying such Environmental Liabilities through sampling of environmental media if such sampling is (i) required by Environmental Law or by a Governmental Entity, (ii) required to be conducted in response to a Third Party Claim alleging that Hazardous Materials have migrated offsite from the Business Real Property, or (iii) performed to assess known or reasonably suspected conditions that reasonably could be expected to result in imminent and substantial harm to human health or the environment.

2.3 Excluded Liabilities. The Excluded Liabilities shall consist of all Liabilities other than the Assumed Liabilities. The Excluded Liabilities shall include, but shall not be limited to, the following:

(a) all Liabilities (other than Environmental Liabilities) relating to or arising out of any breach or violation of any Law (other than any Environmental Law), Business Contract, Real Property Lease or any Business Permit occurring prior to Closing (or, in the case of any Business Contract, Real Property Lease or Business Permit that is designated for assignment to Purchaser following the Closing, prior to the date of such assignment, except as otherwise provided in the Transition Services Agreement);

(b) any Liability arising out of or relating to the Excluded Assets, except as otherwise provided in the Transition Services Agreement;

(c) any Liability arising out of or relating to this Agreement or any Transaction Document for which any Seller has responsibility;

(d) all Liabilities in respect of any employee or other service provider of Sellers or any of its Affiliates (whether arising prior to, on or after the Closing Date), including any severance obligations that accrue under any severance plan of any Seller with respect to any of such Seller's employees;

- (e) all Environmental Liabilities that are not Assumed Liabilities;
- (f) all Liabilities for fees and expenses (i) relating to the negotiation and preparation of this Agreement and the Transaction Documents and (ii) relating to the transactions contemplated by this Agreement and the Transaction Documents, in each case, to the extent incurred by Sellers or their respective Affiliates;
- (g) any Liability for any Tax or Taxes of any Seller or its Affiliates for any taxable period;
- (h) any Liability for any Tax or Taxes arising out of or relating to the operation of the Business (as currently or formerly conducted) or the ownership of the Purchased Assets in any Pre-Closing Period (or, in the case of any Purchased Assets that are designated for assignment to Purchaser following the Closing, prior to the date of such assignment, except as otherwise provided in the Transition Services Agreement), including any Property Taxes;
- (i) any Liability for any Quarterly Refinery Payments incurred or accruing prior to the date that the Refinery Operating Agreement is designated for assignment to Purchaser, if ever; and
- (j) any Liability or obligation arising out of or relating to Indebtedness of any Seller or any of its Affiliates.

### ARTICLE III

#### Purchase Price, Manner of Payment; Closing; Deposit

3.1 Purchase Price; Delivery of Funds. At the Closing, Purchaser shall in full consideration for the sale and transfer by Sellers of the Purchased Assets (a) pay to Sellers an amount (such amount, the “Closing Payment”) equal to (i) the Purchase Price, less (ii) the Good Faith Deposit Amount, by wire transfer of immediately available funds to an account or accounts designated by Sellers in writing to Purchaser at least three (3) Business Days prior to the Closing; (b) together with Sellers, execute and deliver a joint written instruction to the Escrow Agent instructing it to release from the Escrow Account to Sellers by wire transfer of immediately available funds to an account or accounts designated by Sellers, an amount equal to the Good Faith Deposit Amount, and (c) assume the Assumed Liabilities.

#### 3.2 Good Faith Escrow Deposit.

(a) Purchaser has paid to the Escrow Agent the Good Faith Deposit Amount and any Additional Deposit Amount, which funds shall be held in a segregated trust account by the Escrow Agent and released by the Escrow Agent only in accordance with the terms of this Agreement.

(b) If the Closing occurs, then the Good Faith Deposit Amount, shall be paid to Sellers and the applicable Parties shall submit joint written instructions to the Escrow Agent (in accordance with Section 3.1) to give effect to the same.

(c) If the Closing does not occur as a result of the termination of this Agreement pursuant to Section 8.1(e), then within five (5) Business Days of such termination, the Good Faith Deposit Amount shall be disbursed to Sellers by the Escrow Agent as liquidated damages and the applicable Parties shall submit joint written instructions to the Escrow Agent to give effect to the same.

(d) If the Closing does not occur as a result of the termination of this Agreement for any reason other than as set forth in Section 3.2(c), then the Good Faith Deposit Amount shall be returned to Purchaser by the Escrow Agent within five (5) Business Days of such termination, and the applicable Parties shall submit joint written instructions to the Escrow Agent to give effect to the same.

(e) The Parties acknowledge that the agreements contained in this Section 3.2 are an integral part of the transactions contemplated by this Agreement and that without these agreements neither Sellers nor Purchaser would enter into this Agreement.

**3.3 Time and Place of Closing.** Subject to the satisfaction or waiver of all of the conditions set forth in Article VII, the closing of the Purchase (the “Closing”) shall take place at the offices of Baker & Hostetler LLP, 45 Rockefeller Plaza, New York, New York 10111, or such other location agreed upon by Sellers and Purchaser, as soon as practicable, but in any event within five (5) Business Days, after the last of the conditions set forth in Article VII is satisfied or waived (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the fulfillment or waiver of those conditions), or at such other time, date or place as the Parties shall agree in writing; provided, however, that the Closing Date (defined hereinafter) shall occur no later than December 17, 2021, at 5:00 p.m. (New York City time), unless extended by Sellers, with the consent of the DIP Agent and Prepetition Secured Parties. Such date of Closing is herein referred to as the “Closing Date”.

**3.4 Closing Deliverables.**

(a) At the Closing, Sellers shall deliver or cause to be delivered to Purchaser:

(i) a certificate in a form reasonably satisfactory to Purchaser signed by an authorized officer of each Seller, dated as of the Closing Date, confirming the matters set forth in Sections 7.2(a) and (b) with respect to each Seller;

(ii) counterparts to the assignment, transfer and conveyance instruments listed on Schedule 3.4, in each case, duly executed by each Seller (as applicable);

(iii) a counterpart to the Bill of Sale and Assignment and Assumption Agreement, duly executed by each Seller;

(iv) a counterpart to the Transition Services Agreement, duly executed by each Seller (or their applicable Affiliates); and

(v) written instructions to the Escrow Agent to release the Good Faith Deposit Amount pursuant to Section 3.1.

(b) At the Closing, Purchaser shall deliver or cause to be delivered to Sellers, and Sellers shall have received:

(i) the Closing Payment by wire transfer of immediately available funds to an account or accounts designated by Sellers in writing to Purchaser at least three Business Days prior to the Closing;

(ii) a certificate in a form reasonably satisfactory to Sellers signed by an authorized officer of Purchaser, dated as of the Closing Date, confirming the matters set forth in Sections 7.1(a) and (b);

(iii) counterparts to the assignment, transfer and conveyance instruments listed on Schedule 3.4, in each case, duly executed by Purchaser (as applicable);

(iv) a counterpart to the Bill of Sale and Assignment and Assumption Agreement, duly executed by Purchaser;

(v) a counterpart to the Transition Services Agreement, duly executed by Purchaser; and

(vi) written instructions to the Escrow Agent to release the Good Faith Deposit Amount pursuant to Section 3.1.

3.5 Allocation of Purchase Price. The purchase price (as determined for U.S. federal income Tax purposes) shall be allocated among the Purchased Assets within 120 days after the Closing in the manner required by Section 1060 of the Code, and as proposed by Sellers and consented to by Purchaser prior to the Closing (such consent to not be unreasonably withheld). Notwithstanding the foregoing, nothing in this Agreement shall be construed to mean that a Party hereto or other person must: (a) use, for any one or more purposes, any price or other allocation set forth or provided for in this Agreement if such Party or person reasonably believes or reasonably is advised that such use is not in accordance with applicable Law; or (b) make or file, or cooperate in the making or filing of, any return or report to any Governmental Entity in any manner that such Party or person reasonably believes or is reasonably advised is not in accordance with applicable Law.

#### ARTICLE IV Representations and Warranties of Sellers

Except as set forth in the disclosure letter delivered by Sellers to Purchaser (the “Seller Disclosure Letter”) concurrently with the execution of this Agreement (it being agreed that any matter disclosed pursuant to any section of the Seller Disclosure Letter shall be deemed disclosed for purposes of any other section of the Seller Disclosure Letter to the extent the applicability of the disclosure to such other section is reasonably apparent on the face of such disclosure), as may be amended, Sellers hereby represent and warrant to Purchaser as follows as of the date hereof and as of the Closing Date (or as of such other date as may be specified herein):

4.1 Due Organization, Good Standing and Limited Liability Company Power. Each Seller is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization. Each Seller has all requisite limited liability company power and authority to own, lease and operate its assets and properties and conduct its business as now being conducted. Each Seller is in good standing under the laws of each jurisdiction where the character of its assets or properties or the conduct of its business requires such qualification, except where the failure to be in good standing would not reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole, or prevent or materially delay beyond the Termination Date Sellers' ability to consummate the transactions contemplated by this Agreement or the Transaction Documents.

4.2 Authorization; Noncontravention.

(a) Subject to obtaining Bankruptcy Court approval pursuant to the Sale Order, each Seller has the requisite limited liability company power and authority and has taken all limited liability company action necessary to execute and deliver this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Sellers as contemplated hereby, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. Subject to obtaining Bankruptcy Court approval pursuant to the Sale Order, the execution, delivery and performance by Sellers of this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Sellers as contemplated hereby, the consummation by Sellers of the transactions contemplated hereby and thereby and the performance of its obligations hereunder and thereunder have been, and in the case of documents required to be delivered at the Closing will be, duly authorized and approved by all necessary limited liability company, member or other action. This Agreement has been, and the Transaction Documents and all other instruments and agreements to be executed and delivered by Sellers as contemplated hereby will be, duly executed and delivered by Sellers. Subject to obtaining Bankruptcy Court approval pursuant to the Sale Order, assuming that this Agreement, the Transaction Documents and all such other instruments and agreements constitute valid and binding obligations of Purchaser and each other Person (other than any Seller or any Affiliate thereof) party hereto and thereto, this Agreement, the Transaction Documents and all such other instruments and agreements constitute valid and binding obligations of Sellers, enforceable against each applicable Seller in accordance with the terms thereof, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether considered in a proceeding in equity or at law).

(b) Except as a result of the Bankruptcy Cases and, subject to obtaining Bankruptcy Court approval pursuant to the Sale Order, the execution and delivery by Sellers of this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Sellers as contemplated hereby do not, and the consummation of the transactions contemplated hereby and thereby will not:

(i) conflict with any of the provisions of any Seller's certificate of formation or other formational documents;

(ii) except as provided in Section 4.2(b)(ii) of the Seller Disclosure Letter and subject to receipt of the Consents set forth in Section 4.3 of the Seller Disclosure Letter, conflict with or result in a breach of, or constitute a default under or give rise to any right of termination, cancellation, modification or acceleration (including any right of first refusal or similar right) or the loss of a benefit under, or require the Consent of or giving of notice to any Person under any Business Contract, Real Property Lease or Business Permit (in each case, with or without notice or lapse or time or both); except, in the case of this clause (ii) for such conflicts or breaches or Consents or notices that (if not received) would not reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole, or prevent or materially delay beyond the Termination Date Sellers' ability to consummate the transactions contemplated by this Agreement or the Transaction Documents;

(iii) subject to the receipt of the Consents referred to in Section 4.3 of the Seller Disclosure Letter, contravene any Law or any Order applicable to Sellers or by which any of their properties or assets are bound except such contraventions that would not reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole, or prevent or materially delay beyond the Termination Date Sellers' ability to consummate the transactions contemplated by this Agreement or the Transaction Documents; or

(iv) result in the creation or imposition of any Lien (other than a Permitted Lien) on any of the Purchased Assets.

4.3 Governmental Consents and Approvals. Except as a result of the Bankruptcy Cases and, subject to obtaining Bankruptcy Court approval pursuant to the entry of the Sale Order and the expiration, or waiver by the Bankruptcy Court, of the 14-day period set forth in rules 6004(h) and 3020(e) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), as applicable, except as set forth in Section 4.3 of the Seller Disclosure Letter, no Consent of or filing with any Governmental Entity must be obtained or made by Sellers in connection with the execution and delivery of this Agreement or any Transaction Document by Sellers or the consummation by Sellers of the transactions contemplated by this Agreement or any Transaction Document, except for any Consents that, if not obtained or made, would not reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole, or prevent or materially delay beyond the Termination Date Sellers' ability to consummate the transactions contemplated by this Agreement or the Transaction Documents.

#### 4.4 Property.

(a) Other than the Real Property, no Seller owns any other real property. One or more Sellers has good and valid title to the Purchased Real Property (other than any Excluded Asset), subject to Permitted Liens. There are no outstanding options, rights of first offer or rights of first refusal to purchase any Purchased Real Property or any portion thereof or interest therein. No Seller has leased or otherwise granted to any Person the

right to use or occupy the Purchased Real Property or any material portion thereof, except as set forth in Section 4.4(a) of the Seller Disclosure Letter.

(b) Section 4.4(b) of the Seller Disclosure Letter contains an accurate and complete list as of the date hereof of all Real Property Leases and all other real property leases and subleases to which a Seller is a party. With respect to each Real Property Lease pursuant to which a Seller is a lessee or sublessee, such Seller has valid leasehold interests in all leased real property described in such Real Property Lease, free and clear of any and all Liens, except for Permitted Liens. Each Real Property Lease is a valid and binding obligation of the Seller party thereto and, to the Knowledge of Sellers, is enforceable against the other parties thereto in accordance with the terms thereof, in each case, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether considered in a proceeding in equity or at law). Except as set forth in Section 4.4(b) of the Seller Disclosure Letter, there exists no material default or event of default (with or without notice or lapse of time or both) with respect to any Real Property Lease by a Seller or, to the Knowledge of Sellers, by any other party thereto, and no Seller has received or delivered any notice with respect to any alleged material default that has not been rescinded, completely cured, or will be cured on or before the Closing Date pursuant to §365 of the Bankruptcy Code or otherwise.

(c) To the Knowledge of Sellers, there is no, and no Seller has received written notice of any, existing or threatened change in the zoning classification of any Business Real Property (or any portion thereof) from that in effect on the date of this Agreement, in each instance, which would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. All water, sewer, gas, electric, telephone and drainage facilities and all other utilities and public or quasi-public improvements related thereto required by Law with respect to, or required for the operation of, the Business at the Business Real Property, are installed and available to serve the Business Real Property. No condemnation proceeding, lawsuit or administrative action or other matter affecting and adversely impairing the current use or occupancy of the Business Real Property is pending or, to the Knowledge of Sellers, threatened in writing with respect to any Business Real Property which has had or would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. There has been no casualty damage at any of the Business Real Property that has had or would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

4.5 Title to Purchased Assets. Except as set forth in Section 4.5 of the Seller Disclosure Letter, and excluding Purchased Real Property (which is governed by Section 4.4(a)), one or more Sellers own and has good and valid title to, or a valid leasehold interest in, all personal property included in the Purchased Assets, free and clear of all Liens, except for Permitted Liens.

4.6 Affiliate Transactions. Except as disclosed in Section 4.6 of the Seller Disclosure Letter and except for employment and consultant relationships and compensation, benefits, travel advances and employee or consultant loans to any officer, director, employee or consultant of Seller, in each case, in the ordinary course of business, there is no Contract or Liability relating primarily to the Business, the Purchased Assets or the Assumed Liabilities between (a) a Seller,

on the one hand, and (b) any Affiliate, equity holder, option holder, officer, member, partner or director of a Seller (in each case that is not also a Seller), on the other hand, that remains in force and provides for obligations of any party from and after the Closing.

#### 4.7 Material Contracts.

(a) Section 4.7(a) of the Seller Disclosure Letter sets forth an accurate, correct and complete list of the following Contracts to which a Seller is a party and which are currently in effect as of the date hereof:

(i) each Contract relating to Indebtedness of the Business or any of the Purchased Assets (in each case, whether incurred, assumed, guaranteed or secured by any asset);

(ii) each Contract whereby a Seller has granted a Lien in respect of any of the Purchased Assets;

(iii) each Contract containing any covenant limiting the freedom of a Seller or any of its Affiliates (A) to compete with any Person, engage in any line of business or exploit the Purchased Assets, in each case, in any geographic territory, (B) which grants to any Person any exclusivity with respect to any geographic territory, any customer or any product or service, or (C) to solicit for employment, hire or employ any Person;

(iv) each Contract that requires capital expenditures or other outstanding payments to be made by a Seller in excess of \$100,000, in each case, following the date hereof;

(v) each Contract involving a joint venture, partnership, limited liability company or other arrangement providing for the sharing of profits, losses, costs or liabilities with any other Person relating to the Business, the Purchased Assets or the Assumed Liabilities;

(vi) each Contract that requires (or may require in certain circumstances) in accordance with its terms the provision of credit support, collateral, a guarantee or similar financial assurance in respect of the Business, the Purchased Assets or the Assumed Liabilities;

(vii) each Contract that (A) provides services for a fixed price or maximum fee, or pursuant to any cap or similar provisions; (B) grants "most favored nation" status (or similar status) to a Person (whether in respect of pricing or otherwise); or (C) provides any performance guarantee, material rebates, discounts, incentive or volume credits;

(viii) each Contract with any Governmental Entity relating to the Business, the Purchased Assets or the Assumed Liabilities;

(ix) Contracts relating to any interest rate, currency or commodity derivatives or hedging transaction;

(x) Contracts containing any “change of control” or similar provisions; and

(xi) Contracts with any employees or other service providers of the Business providing for any severance Liabilities.

(b) The Contracts required to be listed in Section 4.7(a), together with the Business Contracts and the Real Property Leases are referred to as “Material Contracts”. True, correct and complete copies of each Material Contract have been made available to Purchaser prior to the date hereof. Each Business Contract is a valid and binding obligation of a Seller (except for any breach or default that results from the insolvency of a Seller or the commencement of the Bankruptcy Cases and any breach or default to be cured through the payment of the Cure Amounts) and to the Knowledge of Sellers, enforceable against the other parties thereto in accordance with the terms thereof, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors’ rights generally and by general equitable principles (whether considered in a proceeding in equity or at law). Except as set forth in Section 4.7(b) of the Seller Disclosure Letter and any breach or default that results from the insolvency of a Seller or the commencement of the Bankruptcy Cases and any breach or default to be cured through the payment of the Cure Amounts, there exists no material default or event of default (with or without notice or lapse of time or both) with respect to any Business Contract by a Seller or, to the Knowledge of Sellers, by any other party thereto and no Seller has received or delivered any notice with respect to any alleged material default that has not been rescinded or cured.

#### 4.8 Intellectual Property Rights and Claims.

(a) The Intellectual Property set forth in Section 4.8(a) of the Seller Disclosure Letter identifies all registrations and applications for the Intellectual Property owned by each Seller and used or held for use by Sellers in the Business as presently conducted. The Intellectual Property required to be set forth in Section 4.8(a) of the Seller Disclosure Letter is subsisting and has not been adjudicated to be invalid or unenforceable in whole or part, and to the Knowledge of Sellers, is valid and enforceable, and to the Knowledge of Sellers, no Seller is aware of any uses of any item of such Intellectual Property that could be expected to lead to such item becoming invalid or unenforceable.

(b) Except as set forth in Section 4.8(b) of the Seller Disclosure Letter, one or more Sellers owns all right, title, and interest to or is licensed to use the Business Intellectual Property, free and clear of any Liens, other than Permitted Liens.

(c) The operation of the Business as currently conducted and the use of the Intellectual Property in connection therewith, to the Knowledge of Sellers, do not conflict with, infringe, misappropriate, dilute, misuse or otherwise violate the intellectual property rights of any third-party. No claim, action, suit, investigation, litigation or proceeding has

been asserted or is pending or, to the Knowledge of Sellers, threatened against any Seller with respect to the foregoing. To the Knowledge of Sellers, no Third Party is infringing or misappropriating any Business Intellectual Property.

(d) Except for claims that have since been satisfactorily resolved or for which the statute of limitations has lapsed, no Seller has received any written notice from any Third Party challenging the right of such Seller to use any of the Business Intellectual Property that would reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole.

(e) There are no pending actions, suits or arbitrations by, or before any Governmental Entity for an infringement or misappropriation by any Seller of any Intellectual Property owned by any Third Party which would reasonably be expected to materially and adversely affect the Business, the Purchased Assets and the Assumed Liabilities, taken as a whole.

4.9 Tax Matters. Except as disclosed in Section 4.9 of the Seller Disclosure Letter:

(a) Sellers have timely filed or caused to be timely filed, taking into account any applicable extensions, with the appropriate taxing authorities all income Tax Returns and all material non-income Tax Returns with respect to the Business or the Purchased Assets. All such Returns are correct and complete in all material respects. No Seller is currently the beneficiary of any extension of time within which to file any material tax Return with respect to the Business or the Purchased Assets. Since January 1, 2017, no written claim has been made by a Governmental Entity in a jurisdiction in which a Seller does not file Returns that such Seller is or may be subject to taxation by that jurisdiction with respect to Taxes that would be the subject of such Returns.

(b) All income Tax Liabilities and all material non-income Tax Liabilities of each Seller due and payable with respect to the Business or the Purchased Assets, in each instance for all Pre-Closing Periods, have been timely paid, taking into account any applicable extensions, to the extent the non-payment of such Taxes could reasonably be expected to result in a Lien (other than a Permitted Lien) on the Purchased Assets. There are no pending or, to the Knowledge of Sellers threatened in writing, audits, investigations, disputes, notices of deficiency, claims or other similar actions relating to Property Taxes or any other Taxes that are imposed on a periodic basis (which are not based on income) of a Seller with respect to the Business or the Purchased Assets. No Seller has waived any statute of limitations in respect of non-income Taxes or agreed to any extension of time with respect to a non-income Tax assessment or deficiency.

4.10 Financial Statements. Sellers have made available to Purchaser copies of the audited consolidated balance sheet of the Business as of December 31, 2020 (the “Most Recent Balance Sheet”), the related audited consolidated income statement and audited statement of cash flows for the twelve-month period ended December 31, 2020, together with the accompanying notes thereto (collectively, the “Financial Statements”). Each of the Financial Statements has been prepared in all material respects in conformity with U.S. generally accepted accounting principles (“GAAP”) applied on a consistent basis during the periods involved (except as may be indicated

therein or in the notes thereto), and presents fairly in all material respects the consolidated financial position, results of operations and cash flows of the Business as at the dates and for the periods indicated therein.

4.11 Compliance with Laws. Except as set forth in Section 4.11 of the Seller Disclosure Letter, (a) no Seller is, and no Seller has been in the past five (5) years, in material violation of any Law or Order applicable to the Business, the Purchased Assets or the Assumed Liabilities, and (b) no Seller has received any written notice alleging or, to the Knowledge of Seller, been subject to any investigation by any Governmental Entity concerning, any such material violation of a Law or Order.

4.12 Environmental Matters. Except as disclosed in Section 4.12 of the Seller Disclosure Letter, with respect to the Business:

(a) each Seller is in material compliance with all applicable Environmental Laws;

(b) there are no Proceedings pending, or to the Knowledge of Sellers, threatened in writing, against any Seller that alleges any material violation of Environmental Law and no Seller has received from any Governmental Entity any written notice of material violation or alleged material violation of Environmental Law;

(c) Sellers possess and are in material compliance with all Permits required under Environmental Laws to operate the Business as currently operated and as the Business is expected to be operated following the Closing as contemplated by the Transaction Documents ("Environmental Permits"), which such Environmental Permits are listed in Section 4.12(c) of the Seller Disclosure Letter, and there are no Proceedings pending, or to the Knowledge of Sellers threatened in writing, to modify, suspend, revoke or rescind any such Environmental Permits; and

(d) from and after December 1, 2015, there have been no material releases of any Hazardous Materials (i) at, in, under, on, or from any Seller Facilities or (ii) at, in, under, on, or, from any third-party location for which a Seller has any material Liability under Environmental Law.

The representations and warranties in this Section 4.12 are the sole and exclusive representations and warranties of Sellers concerning any Environmental Law, Environmental Permits, Hazardous Material or other environmental matters.

4.13 Permits. Except for matters that are the subject of the representations and warranties in Section 4.12 (Environmental Matters), which matters are covered solely by Section 4.12, Sellers possess all material Permits that are necessary for the lawful operation of the Business as currently conducted by Sellers in the ordinary course. All such Permits are valid and have not lapsed, been cancelled, terminated or withdrawn. Sellers are in compliance in all material respects with all such Permits.

4.14 Litigation. Except as set forth in Section 4.14 of the Seller Disclosure Letter: (a) there is no Proceeding pending, or to the Knowledge of Sellers, threatened, against any Seller or

its Affiliates in respect of the Business, the Purchased Assets or the Assumed Liabilities, and (b) there are no material Orders outstanding applicable to the Business, the Purchased Assets or the Assumed Liabilities that have not been fully satisfied.

4.15 Finders; Brokers. Except for Jefferies LLC and GlassRatner Advisory & Capital LLC, doing business as B. Riley Advisory Services (whose fees are payable by Sellers), no agent, broker, Person or firm acting on behalf of Sellers is, or shall be, entitled to any broker's fees, finder's fees or commissions from Purchaser in connection with this Agreement or any Transaction Document or any of the transactions contemplated hereby or thereby.

4.16 Exclusivity of Representations; Projections, Etc.. The representations and warranties expressly made by Sellers in this Article IV and the Transaction Documents are the exclusive representations and warranties made by Sellers with respect to the Business, the Purchased Assets and the Assumed Liabilities. Except for any representations and warranties expressly set forth in this Article IV (as qualified by the Seller Disclosure Letter) or the Transaction Documents, (a) the Purchased Assets and the Assumed Liabilities are sold "AS IS, WHERE IS," and Sellers expressly disclaim (on each of their own behalf and on behalf of each of their respective Affiliates) any other representations or warranties of any kind or nature, express or implied, as to Liabilities, operations of their businesses (as currently or formerly conducted), the title, condition, value or quality of assets of Sellers, or the prospects (financial and otherwise), risks and other incidents of Sellers and their businesses (as currently or formerly conducted), the Purchased Assets and the Assumed Liabilities, (b) SELLERS SPECIFICALLY DISCLAIM (ON EACH OF THEIR OWN BEHALF AND ON BEHALF OF EACH OF THEIR RESPECTIVE AFFILIATES), AND PURCHASER HEREBY WAIVES, ANY REPRESENTATION OR WARRANTY OF QUALITY, VALUE, DESIGN, OPERATION, MERCHANTABILITY, NON-INFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, ELIGIBILITY FOR A PARTICULAR TRADE, CONFORMITY TO SAMPLES, OR CONDITION OF THE ASSETS OF SELLERS (INCLUDING THE PURCHASED ASSETS) OR ANY PART THEREOF, WHETHER LATENT OR PATENT, (c) no material or information provided by or communications made by any Seller or any of its Affiliates, or by any advisor thereof, whether by use of a "data room," or in any information memorandum, or otherwise, or by any broker or investment banker, will cause or create any warranty, express or implied, as to or in respect of any Seller, any Affiliate of any Seller or the title, condition, value or quality of their businesses (as currently or formerly conducted), the Purchased Assets or the Assumed Liabilities, and no other Person shall be deemed to have made, or shall be deemed to make, any other express or implied representation or warranty, either written or oral, on behalf of any Seller or any Affiliate thereof with respect to the subject matter contained herein, and (d) no Seller makes any representation or warranty whatsoever with respect to any estimates, projections and other forecasts and plans (including the reasonableness of the assumptions underlying such estimates, projections and forecasts).

## ARTICLE V

### Representations and Warranties of Purchaser

Purchaser hereby represents and warrants to Sellers as follows as of the date hereof and as of the Closing Date (or as of such other date as may be specified herein):

5.1 Due Organization, Good Standing and Power. Purchaser organized, validly existing and in good standing under the laws of its jurisdiction of organization. Purchaser has all requisite power and authority to own, lease and operate its assets and properties and conduct its business as now being conducted. Purchaser is in good standing under the laws of each jurisdiction where the character of its assets or properties or the conduct of its business requires such qualification, except where the failure to be in good standing would not reasonably be expected to prevent, materially delay or impair Purchaser's ability to consummate the transactions contemplated by this Agreement or any Transaction Document.

5.2 Authorization; Noncontravention.

(a) Purchaser has the requisite power and authority and has taken all action necessary to execute and deliver this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Purchaser as contemplated hereby, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution, delivery and performance by Purchaser of this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Purchaser as contemplated hereby, the consummation by it of the transactions contemplated hereby and thereby and the performance of its obligations hereunder and thereunder have been, and in the case of documents required to be delivered at the Closing will be, duly authorized and approved by all necessary action of Purchaser. This Agreement has been, and the Transaction Documents and all other instruments and agreements to be executed and delivered by Purchaser as contemplated hereby will be, duly executed and delivered by Purchaser. Assuming that this Agreement, the Transaction Documents and all such other instruments and agreements constitute valid and binding obligations of Sellers and each other Person (other than Purchaser) party hereto and thereto, this Agreement and all such other instruments and agreements constitute valid and binding obligations of Purchaser, enforceable against Purchaser in accordance with the terms thereof, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether considered in a proceeding in equity or at law).

(b) Except as a result of the Bankruptcy Cases, the execution and delivery by Purchaser of this Agreement, the Transaction Documents and all other instruments and agreements to be delivered by Purchaser as contemplated hereby do not, and the consummation of the transactions contemplated hereby and thereby will not, (i) conflict with any of the provisions of the certificate of formation or governance documents of Purchaser, in each case, as amended to the date of this Agreement, (ii) conflict with or result in a breach of, or constitute a default under, any Contract or other instrument to which Purchaser is a party or by which Purchaser or any of its properties or assets are bound, or (iii) contravene any Law or any Order applicable to Purchaser or by which any of its properties or assets are bound, except in the case of clauses (ii) and (iii) above, for such conflicts, breaches, defaults, consents, approvals, authorizations, declarations, filings or notices which do not and would not reasonably be expected to, individually or in the aggregate, prevent or materially delay beyond the Termination Date Purchaser's ability to consummate the transactions contemplated by this Agreement.

5.3 Governmental Consents and Approvals. Except as a result of the Bankruptcy Cases, no additional Consent of or filing with any Governmental Entity must be obtained or made by Purchaser in connection with the execution and delivery of this Agreement or any Transaction Document by Purchaser or the consummation by Purchaser of the transactions contemplated by this Agreement or any Transaction Document, except for any Consents which have been obtained or made or, if not made or obtained, do not and would not reasonably be expected to, individually or in the aggregate, prevent, materially delay or impair Purchaser's ability to consummate the transactions contemplated by this Agreement or any Transaction Document.

5.4 Financing. Purchaser has sufficient funds to consummate the transactions contemplated hereby, to perform its obligations hereunder (including all payments to be made by it in connection herewith) and to pay its expenses related to this Agreement and the transactions contemplated hereby. The obligations of Purchaser under this Agreement are not contingent on the availability of any equity or debt financing.

5.5 Solvency of Purchaser. After giving effect to the transactions contemplated by this Agreement, Purchaser will not: (a) be insolvent (either because its financial condition is such that the sum of its debts is greater than the fair market value of its assets or because the fair saleable value of its assets is less than the amount required to pay its probable liabilities on its existing debts as they mature); (b) have unreasonably small capital with which to engage in its business; or (c) have incurred debts beyond its ability to pay as they become due.

5.6 Adequate Assurances. Purchaser is and will be capable of satisfying the conditions contained in Section 365(b)(1)(C) and 365(f) of the Bankruptcy Code with respect to the Business Contracts and Real Property Leases.

5.7 Litigation. There is no Proceeding pending against or affecting Purchaser, or any of its properties or rights, except as have not and would not reasonably be expected to, individually or in the aggregate, prevent, materially delay or impair Purchaser's ability to consummate the transactions contemplated by this Agreement or any Transaction Document. Purchaser is not subject to any Order which seeks to or would reasonably be expected to, individually or in the aggregate, prevent, materially delay or impair Purchaser's ability to consummate the transactions contemplated by this Agreement or any Transaction Document.

5.8 Finders; Brokers. Other than Greenhill & Co., LLC, no agent, broker, Person or firm acting on behalf of Purchaser or any of its Affiliates is or shall be entitled to any broker's fees, finder's fees or commissions from Sellers or any of their respective Affiliates in connection with this Agreement or any Transaction Document or any of the transactions contemplated hereby or thereby.

5.9 Investigation by Purchaser. Purchaser has conducted its own independent investigation, verification, review and analysis of the Business (as currently or formerly conducted) and results of operations, financial condition, technology and prospects, the Purchased Assets and the Assumed Liabilities, which investigation, review and analysis was conducted by Purchaser and its Affiliates and, to the extent Purchaser deemed appropriate, by Purchaser's Representatives. Purchaser acknowledges that it and its Representatives have been provided adequate access to Sellers' personnel, properties, premises and records, the Purchased Assets and the Assumed

Liabilities. In entering into this Agreement, Purchaser acknowledges that it has relied solely upon the aforementioned investigation, review and analysis and not on any factual representations or opinions of Sellers or any of their respective Affiliates (except the representations and warranties of Sellers set forth in Article IV), and Purchaser acknowledges and agrees, to the fullest extent permitted by Law, that:

(a) none of Sellers or any of their respective Affiliates, Representatives or any other Person makes or has made any oral or written representation or warranty, either express or implied, as to the accuracy or completeness of any information made available or delivered to Purchaser, or its Affiliates and Representatives, including any information, whether oral or written (including cost estimates, financial information and projections and other projections and forward-looking statements) included in management presentations, “break-out” discussions, responses to questions submitted by or on behalf of Purchaser or its Affiliates and Representatives, or any “data room” or court filings;

(b) none of Sellers or any of their respective equity holders, Affiliates, Representatives or any other Person shall have any Liability or responsibility whatsoever to Purchaser or its equity holders, Affiliates or Representatives on any basis (including in contract, tort or equity, under any securities Laws or otherwise) based upon any information described in Section 5.9(a);

(c) without limiting the generality of the foregoing, none of Sellers or any of their respective equity holders, Affiliates, Representatives or any other Person makes any representation or warranty regarding (and Purchaser disclaims) any Third Party beneficiary rights or other rights which Purchaser might claim under any studies, reports, tests or analyses prepared by any Third Parties for any of Sellers or any of their respective Affiliates, even if the same were made available for review by Purchaser or its equity holders, Affiliates or Representatives; and

(d) without limiting the generality of the foregoing, Purchaser expressly acknowledges and agrees that none of the documents, information or other materials provided to it at any time or in any format by Sellers or any of their respective equity holders, Affiliates or Representatives constitutes legal advice, and Purchaser waives all rights to assert that it received any legal advice from any of Sellers or any of their respective equity holders, Affiliates, or any of their respective Representatives, or that it had any sort of attorney-client relationship with any of such Persons.

## ARTICLE VI

### Covenants

#### 6.1 Access to Information Concerning Properties and Records.

(a) During the period from the date of this Agreement through and including the earlier of (i) the date this Agreement is terminated in accordance with Article IX and (ii) the Designation Deadline, (A) Sellers shall, upon reasonable prior notice and during regular business hours, afford Purchaser and its Representatives reasonable access to the personnel, properties, facilities, books and records and other Files and Records of Sellers,

the Purchased Assets and the Assumed Liabilities (provided that, prior to the Closing, Sellers shall not be required to conduct, or permit Purchaser or any of its Representatives, without the express written permission of Sellers, to conduct any Phase I environmental site assessment or Phase II environmental site assessment (or other similar environmental air, building materials, soil, soil gas, surface water, groundwater or other environmental media investigation, sampling or analysis on or relating to any real property owned by or leased to any Seller)), and (B) Sellers shall furnish to Purchaser access to all financial and operating data and other information of Sellers relating to the Purchased Assets and the Assumed Liabilities that are in the possession or control of Sellers as Purchaser may reasonably request. Information obtained by Purchaser and its Representatives in connection with the transactions contemplated by this Agreement shall be subject to the provisions of the Confidentiality Agreement, which shall survive the termination of this Agreement in accordance with Section 6.14.

(b) Purchaser hereby acknowledges that any access granted pursuant to Section 6.1(a) and utilized by Purchaser or any of its Representatives shall be at the sole risk, cost and expense of Purchaser. Purchaser shall comply, and shall use commercially reasonable efforts to ensure that each of its Representatives complies, with all safety and similar requirements imposed by Sellers on their properties in the ordinary course of business. Purchaser shall indemnify, defend and hold harmless each of the Sellers and their respective Affiliates and their respective shareholders, partners, members, managers, officers and directors (the “Seller Access Indemnitees”) from and against any Losses suffered, incurred or paid by them to the extent such Losses are a result of or arise out of Purchaser’s or any of its Representatives’ access granted pursuant to Section 6.1(a); provided, that Purchaser shall not be required to indemnify and hold harmless any Seller Access Indemnitee to the extent any Losses incurred by such Seller Access Indemnitee arise due to the gross negligence or willful misconduct of such Seller Access Indemnitee. Notwithstanding anything to the contrary contained in this Agreement, the provisions of this Section 6.1(b) shall survive the Closing and any cancellation or termination of this Agreement.

(c) Nothing contained in this Agreement shall be construed to give to Purchaser, directly or indirectly, rights to control or direct any Seller or any business or operations of any Seller prior to the Closing in a manner that would violate any Antitrust Laws. Prior to the Closing, Sellers shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision of its business and operations.

(d) Purchaser hereby acknowledges and agrees that it is not authorized to and shall not (and shall not permit any of its Representatives to), without the prior written consent of Sellers, contact any competitor, contractor, vendor, supplier, distributor or customer of the Sellers, in each case, with respect to Sellers, the Purchased Assets (including, for the avoidance of doubt, the Seller Facilities) or the Assumed Liabilities, prior to the Closing. Purchaser shall keep Sellers informed on a reasonably current basis of any contact with any customers, competitors, vendors or suppliers of Sellers.

(e) Notwithstanding anything to the contrary contained herein, no access or investigation by Purchaser, its Affiliates or their respective Representatives shall affect or

otherwise modify in any respect any of Purchaser's rights or benefits under this Agreement, including the conditions to Purchaser's obligation to consummate the transactions contemplated by the Agreement as set forth in Article VII.

## 6.2 Conduct Prior to the Designation Deadline.

(a) Except (i) as set forth on Schedule 6.2(a), (ii) as may be expressly required by this Agreement, (iii) as required by Law or Order or by a Governmental Entity, (iv) as required by the Bankruptcy Court, or (v) as a consequence of the commencement and continuation of the Bankruptcy Cases, during the period commencing on the date hereof and ending on the earlier of the Designation Deadline and the termination of this Agreement pursuant to Article IX, Sellers shall use commercially reasonable efforts (x) to comply in all material respects with all Laws, Orders, Contracts, Permits and Environmental Permits applicable thereto and (y) to preserve, maintain and protect in all material respects the Purchased Assets, the current goodwill of the Business and Sellers' present relationships with Governmental Entities and other Persons having significant relationships with Sellers in connection with the Business (as currently conducted).

(b) Except (i) as set forth Schedule 6.2(b), (ii) as may be expressly required by this Agreement, (iii) as required by Law or Order or by a Governmental Entity, (iv) as required or approved by the Bankruptcy Court, including pursuant to a confirmed chapter 11 plan, or (v) as a consequence of the commencement and continuation of the Bankruptcy Cases, during the period commencing on the date hereof and ending on the earlier of the Designation Deadline and the termination of this Agreement pursuant to Article IX, Sellers shall not effect any of the following (as each pertains to or is related to the Business, the Purchased Assets or the Assumed Liabilities) without the prior written consent of Purchaser (such consent not to be unreasonably withheld, conditioned or delayed):

(i) sell, transfer, lease, license or otherwise dispose of any of its assets or properties prior to the Designation Deadline that would be, or could be, if designated in accordance with Sections 1.4(c) or 1.4(h) Purchased Assets under this Agreement, except for any sale, transfer, lease, license or other disposition under this Agreement or other Transaction Document;

(ii) except as required by GAAP, make any change in any method of accounting or auditing practice with respect to the Business;

(iii) fail to pay, discharge, settle or satisfy any Assumed Liabilities in accordance with the Budget, as such Assumed Liabilities become due, other than in connection with a good faith dispute; provided that such obligation shall terminate on the Closing Date notwithstanding anything to the contrary in this Section 6.2(b);

(iv) create, permit, subject or allow to exist any Lien on any of the Purchased Assets other than a Permitted Lien and other than any Lien that will be extinguished at or prior to Closing;

(v) extend, materially amend or terminate or grant any material waiver under any Business Contract or Real Property Lease or enter into any Contract that would be categorized as a Material Contract if in effect on the date hereof;

(vi) abandon any rights under, request the rejection under Section 365 of the Bankruptcy Code of, or amend, modify or supplement the terms of, any of the Business Contracts or Real Property Leases;

(vii) fail to take any reasonable action that would prevent the expiration, lapse, termination or abandonment of any Permit or Environmental Permit, in each case that is material to the Business;

(viii) settle or compromise any Proceeding, or enter into any consent decree or settlement agreement with any Third Party, against or affecting the Business that, in each case, would constitute an Assumed Liability;

(ix) waive any material claims or rights of material value that are included in the Purchased Assets;

(x) incur, assume, or guarantee any Indebtedness or make any material capital expenditures that, in each case, would constitute an Assumed Liability; or

(xi) authorize any of the foregoing or commit or agree to do any of the foregoing;

provided, that Purchaser is, and at all times remains, in full and complete compliance with its obligations under the Transition Services Agreement. As more fully set forth therein, if Purchaser defaults under the Transition Services Agreement, Sellers may take any actions necessary, notwithstanding this Section 6.2(b), to preserve and protect the Sellers or the Sellers' bankruptcy estates, including, without limitation, abandon, sell, transfer, lease, license or otherwise dispose of any of its assets or properties or reject any Contracts.

### 6.3 Efforts to Close.

(a) Except as otherwise provided in this Section 6.3, the Parties shall, and shall cause their respective controlled Affiliates and Representatives to, and shall use commercially reasonable efforts to direct their respective equityholders to, cooperate and use their respective commercially reasonable efforts to take, or cause to be taken, all appropriate actions, and to make, or cause to be made, all filings necessary, proper or advisable under applicable Laws and to consummate and make effective the transactions contemplated by this Agreement, including their respective commercially reasonable efforts to obtain, prior to the Closing Date, all Permits, Consents and Orders of Governmental Entities as are necessary for consummation of the transactions contemplated by this Agreement and to fulfill the conditions to consummation of the transactions set forth in Article VII; provided, that (w) no Party or its Affiliates shall be required to make any concessions that would adversely affect its business or be materially more burdensome to such Party (including to amend any Contract to increase the amount payable thereunder, commence any litigation, settle or compromise any matter, offer or grant any

accommodation (financial or otherwise) to any Third Party or Governmental Entity, pay any amount or bear any other incremental economic burden to obtain any such Permit, Consent or Order), (x) no Party or its Affiliates shall incur any expense that would be payable or otherwise borne by the other Party or such other Party's Affiliates without the consent of such other Party, (y) Sellers shall not make any concessions that would be an Assumed Liability, and (z) Purchaser shall not make any concessions that would purport to bind any Seller or any of its Affiliates.

(b) Notwithstanding anything to the contrary contained in this Agreement, no Seller nor any of its Affiliates or Representatives shall be required to repay any Indebtedness, amend or enter into any Contract or other arrangement, commence any litigation, settle or compromise any matter, offer or grant any accommodation (financial or otherwise) to any Third Party, pay any amount or bear any other incremental economic burden to procure any amendments, modification or termination of any Contract.

6.4 Public Announcements. Each Party shall (a) consult with each other Party before issuing any press release or otherwise making any public statement with respect to the transactions contemplated by this Agreement or any Transaction Document, (b) provide to the other Parties for review a copy of any such press release or public statement and (c) not issue any such press release or make any such public statement prior to such consultation and review and the receipt of the prior consent of the other Parties, unless required by Laws or regulations applicable to such Party or its Affiliates, regulations of any stock exchange applicable to such Party or its Affiliates, or the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement, in which case, the Party required to issue the press release or make the public statement or filing shall, prior to issuing such press release or making such public statement or filing, use its commercially reasonable efforts to allow the other Parties reasonable time to comment on such release, statement or filing to the extent practicable and permitted by Law. Notwithstanding anything to the contrary contained in this Agreement, each of the Parties and its legal counsel and other Representatives shall be permitted to make filings on the docket of, or statements on the record before, the Bankruptcy Court relating to this Agreement and the transactions contemplated hereby without prior approval or consultation.

6.5 Notification of Certain Matters. Sellers, on the one hand, and Purchaser, on the other hand, shall use their respective commercially reasonable efforts to promptly notify each other of any material Proceedings in connection with the transactions contemplated by this Agreement or the Transaction Documents commenced or, to the knowledge of Purchaser or the Knowledge of Sellers, threatened, against Sellers or Purchaser, as the case may be, or any of their respective Affiliates.

6.6 Post-Closing Access to Records and Personnel; Litigation Support.

(a) Until the later of (i) three (3) years after the Closing Date and (ii) one (1) year after the closing or dismissal of the Bankruptcy Cases and all proceedings related to or arising out of the Bankruptcy Cases, or any of them), Purchaser shall preserve and retain all corporate, accounting, Tax, legal, auditing, human resources and other books and records, as well as all documents and communications, including, without limitation, any electronically-stored information, servers, electronic communications (e.g., e-mail,

instant messages, voicemails, etc.), and other digital information or data, relating to the Purchased Assets, the Assumed Liabilities, the Business, or any other assets of the Seller, including any Excluded Assets or Excluded Liabilities, with respect to periods prior to the Designation Deadline (including (i) any documents relating to any Proceeding or other dispute and (ii) all Returns, schedules, work papers and other material records or other documents relating to Taxes relating to the Purchased Assets and the Assumed Liabilities). At the end of such period, Purchaser may dispose of any such books and records only after they are first offered to and not accepted by Sellers.

(b) Following the Closing, Purchaser shall allow Sellers, and their Affiliates successors, including, without limitation, any post-confirmation trustee appointed in the Bankruptcy Cases, and their respective Representatives, reasonable access to (i) all books and records related the Purchased Assets, the Assumed Liabilities, and the Business, including, without limitation, any electronically-stored information, servers, electronic communications (e.g., e-mail, instant messages, voicemails, etc.), and other digital information or data, and (ii) such personnel having knowledge of the location or contents of such books and records, in each case of the foregoing clauses (i) and (ii), for legitimate business reasons, including, without limitation, any matters arising out of or relating to the Bankruptcy Cases or any related proceedings; provided, that no such access shall unreasonably interfere with Purchaser's operation of the Business.

(c) Following the Closing, Sellers shall allow Purchaser and its Affiliates and their respective Representatives, reasonable access to (i) all books and records related the Purchased Assets and the Assumed Liabilities and the Business and (ii) such personnel having knowledge of the location or contents of such books and records, in each case of the foregoing clauses (i) and (ii), for legitimate business reasons.

(d) If and for so long as any Party (or any of its Affiliates) is actively prosecuting, contesting or defending any Proceeding brought against or by a Third Party in connection with (i) the Purchase or (ii) any fact, situation, circumstance, status, condition, activity, practice, plan, occurrence, event, incident, action, failure to act, or transaction on or prior to the Closing Date involving any Seller or the Business (as currently or formerly conducted), the Purchased Assets or the Assumed Liabilities, or for so long as the Bankruptcy Cases or any proceeding arising out of or related to the Bankruptcy Cases, or any of them, are pending, the non-contesting, non-defending, or non-debtor Person or Persons shall, at the sole cost and expense of the contesting or defending Person or Persons, (x) reasonably cooperate with the contesting or defending Person or Persons or Sellers, as applicable, and its or their counsel in the defense, contest, or prosecution of the matter, (y) make available its or their personnel during normal business hours and (z) provide such access to its or their books and records (including any electronically stored information, servers, electronic communications (e.g., e-mail, instant messages, voicemails, etc.), and other digital information or data) as shall be necessary or reasonably requested in connection with the prosecution, defense or contests, or administration of the Bankruptcy Cases; provided, that no such cooperation or access shall unreasonably interfere with the operation of the businesses of the non-contesting, non-defending, or non-debtor Person or Persons and no Party shall be required to cooperate or provide access to another Party in connection with a Proceeding between such Party and/or its Affiliates, on the one hand,

and any other Party and/or its Affiliates, on the other hand, except through the compliance with generally applicable laws, rules, statutes, and regulations.

(e) Each of Purchaser, on the one hand, and Sellers, on the other hand, shall be entitled to recover from the other its reasonable out-of-pocket costs incurred in providing the foregoing access and personnel pursuant to Sections 6.6(a) through (d), inclusive, to the other.

(f) The rights and obligations of a Party under this Section 6.6 shall inure to the benefit of and be binding upon the successors and assigns of such Party. If a Party or any of its successors or assigns (i) consolidates with or merges into any other Person or (ii) with respect to Purchaser, transfers all or substantially all of the Purchased Assets or the Assumed Liabilities to any Person, in each case proper provision shall be made so that the successors and assigns of such Party honor the obligations set forth in this Section 6.6.

#### 6.7 Tax Matters.

(a) All stamp, transfer, documentary, sales and use, value added, registration and other such taxes and fees (including any penalties, interest and recording and filing fees) incurred in connection with the Purchase or otherwise in connection with this Agreement and not exempted under a Sale Order, whether or not customarily paid by sellers or purchasers (collectively, the “Transfer Taxes”), shall be borne by Purchaser. Purchaser shall properly file on a timely basis all necessary Returns and other documentation with respect to any Transfer Tax and provide to Sellers evidence of payment of all Transfer Taxes.

(b) Purchaser and Sellers agree to furnish or cause to be furnished to each other, as promptly as reasonably practicable, such information and assistance relating to the Purchased Assets as is reasonably necessary for the preparation and filing of any Return, for the preparation for and proof of facts during any Tax audit, for the preparation for any Tax protest, for the prosecution or defense of any suit or other proceeding relating to Tax matters and for the answer of any governmental or regulatory inquiry relating to Tax matters.

(c) For purposes of this Agreement, all Property Taxes and any other Taxes that are imposed on a periodic basis (which are not based on income) with respect to the Purchased Assets with respect to any taxable period that begins on or before and ends after the Closing Date shall be apportioned between the portion of such period that falls within the Pre-Closing Period and the portion of such period that falls within the Post-Closing Period proportionally in accordance with the number of days in each such portion of the period.

6.8 Bulk Sales Act. Purchaser hereby waives compliance by Sellers with respect to any applicable bulk sale, bulk transfer, successor liability and similar Laws, or with any Laws triggered by a bulk sale or transfer of property, of any jurisdiction in connection with the transactions contemplated by this Agreement or similar Laws of any jurisdiction in connection with the Purchase.

#### 6.9 Bankruptcy Action.

(a) The Parties shall comply in all material respects with the Bid Procedures Order and the Sale Order (after the entry of such Orders by the Bankruptcy Court).

(b) Sellers shall use commercially reasonable efforts to comply (or obtain an Order from the Bankruptcy Court waiving compliance) with all requirements under the Bankruptcy Code and the Bankruptcy Rules in connection with obtaining approval of the transactions contemplated by this Agreement. Sellers shall serve (i) all Persons who are known to possess or assert a Claim against or Interest in any of the Purchased Assets, (ii) the IRS, (iii) all applicable Governmental Entities, (iv) all applicable state and local Governmental Entities with taxing authority, (v) all other Persons required by any Order of the Bankruptcy Court, (vi) all parties to Business Contracts and Real Property Leases, and (vii) all Persons that request or are entitled to notice under Bankruptcy Rule 2002.

(c) The Parties shall use their respective commercially reasonable efforts to have the Bankruptcy Court enter the Sale Order as promptly as possible.

(d) Sellers and Purchaser shall consult with one another regarding pleadings which any of them intends to file with the Bankruptcy Court in connection with, or which might reasonably affect the Bankruptcy Court's approval of the Sale Order and shall provide each other with a reasonable opportunity to review and comment on such pleadings, related motions, applications, petitions schedules and supporting papers. Sellers shall promptly provide Purchaser and its counsel with copies of all notices, filings and orders of the Bankruptcy Court that Sellers have in their possession (or receive) pertaining to the Sale Motion, the Bid Procedures Order, the Sale Order, or any other order related to any of the transactions contemplated by this Agreement, but only to the extent such papers are not publicly available on the docket of the Bankruptcy Court or otherwise made available to Purchaser and its counsel.

(e) If the Bid Procedures Order, the Sale Order, or any other orders of the Bankruptcy Court relating to this Agreement or the transactions contemplated hereby shall be appealed by any Person (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to the Bid Procedures Order, the Sale Order, or other such order), subject to rights otherwise arising from this Agreement, Sellers and Purchaser shall use their commercially reasonable efforts to prosecute such appeal, petition or motion and obtain an expedited resolution of any such appeal, petition or motion.

#### 6.10 Sale Order.

(a) Sellers and Purchaser acknowledge that this Agreement and the sale of the Purchased Assets are subject to Bankruptcy Court approval. Sellers and Purchaser acknowledge that (i) to obtain such approval, Sellers must demonstrate that they have taken steps to obtain the highest or otherwise best offer possible for the Purchased Assets including giving notice of the transactions contemplated by this Agreement to creditors and certain other interested parties as ordered by the Bankruptcy Court and, if necessary,

conducting the Auction and (ii) Purchaser must provide adequate assurance of future performance under the Business Contracts and Real Property Leases included in the Purchased Assets.

(b) The Sale Order shall, among other things:

(i) approve, pursuant to Sections 105, 363 and 365 of the Bankruptcy Code, (A) the execution, delivery and performance by Sellers of this Agreement, (B) the transfer of the Purchased Assets to Purchaser free and clear of all Liens, Claims, and Liabilities of any kind whatsoever (other than Permitted Liens), and (C) the timely performance by Sellers of their obligations under this Agreement;

(ii) authorize and empower Sellers to assume and assign the Business Contracts and Real Property Leases to Purchaser;

(iii) find that Purchaser is a “good faith” buyer within the meaning of Section 363(m) of the Bankruptcy Code and grant Purchaser the full benefits and protections of Section 363(m) of the Bankruptcy Code;

(iv) find that this Agreement was negotiated, proposed and entered into by Sellers and Purchaser without collusion, in good faith and from arm’s length bargaining positions;

(v) find that due and adequate notice and an opportunity to be heard in accordance with all applicable Laws were given to the necessary parties in the Bankruptcy Cases;

(vi) contain findings of fact and conclusions of law that Purchaser (A) is not a successor to, or subject to successor liability for, any Seller, (B) has not, de facto or otherwise, merged with or into any Seller, (C) is not an alter ego or a continuation of any Seller, and (D) does not have any responsibility for any obligations of any Seller based on any theory of successor or similar theories of liability;

(vii) find that the Purchase Price is fair and reasonable;

(viii) find that the Bankruptcy Court retains jurisdiction to resolve any claim or dispute arising out of or related to this Agreement; and

(ix) contain such other terms and conditions as are acceptable to Sellers and Purchaser in their respective sole discretion.

(c) Purchaser agrees that it will promptly take such actions as are reasonably requested by Sellers to assist in obtaining entry by the Bankruptcy Court of the Sale Order, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for purposes, among others, of (i) demonstrating that Purchaser is a “good faith” purchaser and (ii) establishing “adequate assurance of future performance” within the meaning of Section 365 of the Bankruptcy Code.

6.11 [Reserved].

6.12 Transfer of Permits. Except for those Business Permits that are not transferable to Purchaser by Law, the Parties shall use commercially reasonable efforts to cause the issuance or transfer of all of the Business Permits described on Schedule 1.2(g) and shall give and make all notices and reports that such Party is required to make to the appropriate Governmental Entities and other Persons with respect to such Business Permits. All costs and expenses associated with the issuance or transfer of the Business Permits shall be borne by Purchaser.

6.13 Expenses. Except to the extent otherwise specifically provided herein, whether or not the transactions contemplated hereby are consummated, all fees, costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be borne by the Party incurring such fees, costs and expenses.

6.14 Confidentiality. From and after the date of this Agreement, Purchaser and Sellers shall continue to be bound by and comply with the obligations of the Confidentiality Agreement except as otherwise required under or necessary to comply with any provision of the Bankruptcy Code, Bankruptcy Rules, applicable law, any order of the Bankruptcy Court, including, without limitation, the Bid Procedures Order, or the provisions of this Agreement. Except as specifically provided in the proviso to this sentence, unless otherwise agreed to by the Parties, at the later of (i) the Designation Deadline or (ii) the end of the remainder of the term set forth in the Confidentiality Agreement, the Confidentiality Agreement shall be deemed to have been terminated by the parties thereto and shall no longer be binding; provided, that notwithstanding anything in this Section 6.14 to the contrary, to the extent that Purchaser is in possession of any Information (as defined in the Confidentiality Agreement) regarding Sellers and their respective Affiliates, or the Excluded Assets or the Excluded Liabilities, Purchaser shall continue to be bound by the Confidentiality Agreement with respect to such Information until the date that is two years after the Closing, if the Closing occurs; provided, further, that notwithstanding anything in this Section 6.14 to the contrary, to the extent that any Seller is in possession of any Information (as defined in the Confidentiality Agreement) related to the Purchased Assets, the Assumed Liabilities, or the Business, such Seller and its respective Representatives shall continue to be bound by this Section 6.14 until the earlier of (a) the date that is two years after the Closing, if the Closing occurs, and (b) until such time as Sellers and their respective Representatives no longer retain copies of such Information.

## ARTICLE VII

### Conditions to Closing

7.1 Conditions to Sellers' Obligations. The obligation of Sellers to consummate the transaction contemplated hereby is subject to the fulfillment of all of the following conditions on or prior to the Closing Date and as of the Closing Date, upon the non-fulfillment of any of which this Agreement may, at Sellers' option, be terminated to the extent permitted pursuant to and with the effect set forth in Article IX:

(a) The representations and warranties of Purchaser contained in Article V shall be true and correct in all material respects at and as of the Closing Date as if made at and

as of such time (except to the extent such representations and warranties speak as of an earlier date, in which case, such representations and warranties shall be true and correct in all material respects as of such earlier date).

(b) All obligations of Purchaser to be performed hereunder through, and including on, the Closing Date (including, without limitation, all obligations which Purchaser would be required to perform at the Closing if the transaction contemplated hereby was consummated) shall have been performed in all material respects, unless waived by Sellers.

(c) Purchaser shall have delivered or caused to be delivered to Sellers each of the items set forth in Section 3.4(b).

(d) No Governmental Entity of competent jurisdiction shall have entered a valid Order that is in effect and has the effect of making the Closing illegal or otherwise prohibiting the consummation of the Closing.

(e) The Sale Order shall have been entered by the Bankruptcy Court approving the transactions contemplated under this Agreement.

7.2 Conditions to Purchaser's Obligations. The obligation of Purchaser to consummate the transaction contemplated hereby is subject to the fulfillment of all of the following conditions on or prior to the Closing Date and as of the Closing Date (in each case, so long as Purchaser has complied with its obligations under this Agreement with respect to each of the matters set forth below), upon the non-fulfillment of any of which this Agreement may, at Purchaser's option, be terminated to the extent permitted pursuant to and with the effect set forth in Article IX:

(a) The representations and warranties of Sellers in Article IV shall be true and correct in all respects as of the time of the Closing as though such representations and warranties were made at and as of such time (or, if made as of a specific date in the text of such representations and warranties, at and as of such date), interpreted without giving effect to any Material Adverse Effect or materiality qualifications or exceptions contained therein, except where the failure to be so true and correct would not have a Material Adverse Effect.

(b) All obligations of Sellers to be performed hereunder through, and including on, the Closing Date (including, without limitation, all obligations which Sellers would be required to perform at the Closing if the transaction contemplated hereby was consummated) shall have been performed in all material respects.

(c) Sellers shall have delivered or caused to be delivered to Purchaser each of the items set forth in Section 3.4(a).

(d) No Governmental Entity of competent jurisdiction shall have entered a valid Order that is in effect and has the effect of making the Closing illegal or otherwise prohibiting the consummation of the Closing.

(e) The Sale Order shall have each been entered by the Bankruptcy Court approving the transactions contemplated under this Agreement.

7.3 Frustration of Closing Conditions. No Party may rely on the failure of any condition set forth in this Article VII to be satisfied if such failure was caused by such Party's failure to act in good faith or such Party's failure to comply with Section 6.3.

## ARTICLE VIII Termination

8.1 Termination Events. This Agreement and the transaction contemplated hereby may only be terminated as follows, at any time prior to the Closing:

(a) by the mutual written consent of Purchaser and Sellers;

(b) by either Purchaser or Sellers upon (i) the issuance of a final and non-appealable Order by a Governmental Entity to restrain, enjoin or otherwise prohibit the purchase and sale transaction contemplated hereby, (ii) the appointment of an examiner with expanded powers or a Chapter 11 trustee in the Bankruptcy Cases, or (iii) the Bankruptcy Cases being converted into a case under Chapter 7 of the Bankruptcy Code or dismissed;

(c) by either Purchaser or Sellers if the Bankruptcy Court has not entered the Sale Order by December 10, 2021, provided that such date may be extended as otherwise agreed to in writing by Purchaser and Sellers; provided, however, that Purchaser's right to terminate this Agreement under this Section 8.1(c) shall not be available to Purchaser if Purchaser's failure to fulfill any of its obligations under this Agreement has been the cause of, or resulted in, the failure of the Sale Order to have been entered on or prior to the aforesaid date;

(d) by Purchaser, (i) if any condition set forth in Sections 7.2(a) through (c), inclusive, becomes incapable of being satisfied prior to the Termination Date (other than through the failure of Purchaser to comply with its obligations under this Agreement) and Purchaser has not waived such condition, (ii) if the Closing shall not have occurred at or before 5:00 p.m. (New York City Time) on December 17, 2021, or such later date as extended in accordance with the Bid Procedures Order with the Purchaser's consent (such date, as may be extended, the "Termination Date"); provided, however, that Purchaser's right to terminate this Agreement under this clause (ii) of this Section 8.1(d) shall not be available to Purchaser if Purchaser's failure to fulfill any of its obligations under this Agreement has been the cause of, or resulted in, the failure of the Closing to occur on or prior to the Termination Date, (iv) at any time following the date that is November 30, 2021 if Purchaser is not declared the Winning Bidder, or (v) at any time if the Bankruptcy Court has not entered an order by 11:59 p.m. (New York City Time) on the date that is one (1) Business Day after the date of this Agreement approving the reimbursement of up to \$1,000,000 of Purchaser's documented costs and expenses (including fees and expenses of legal counsel) incurred in connection with evaluating, negotiating and entering into this

Agreement; provided, however, that Purchaser's right to terminate this Agreement under this clause (v) of this Section 8.1(d) shall not be available to Purchaser if Purchaser's failure to fulfill any of its obligations under this Agreement has been the sole cause of the failure of the Court to enter such an order by the prescribed deadline;

(e) by Sellers, (i) if any condition set forth in Section 7.1(a) through (c), inclusive, becomes incapable of being satisfied prior to the Termination Date (other than through the failure of Sellers to comply with their obligations under this Agreement) and Sellers have not waived such condition, (ii) at any time following the date that is November 30, 2021 if Purchaser is not declared the Winning Bidder, or (iii) if the Closing shall not have occurred at or before 5:00 p.m. (New York City time) on the Termination Date; and

(f) automatically upon Bankruptcy Court approval of an Alternative Transaction.

8.2 Effect of Termination. In the event of the termination of this Agreement pursuant to Section 8.1 by Purchaser, on the one hand, or Sellers, on the other hand, written notice thereof shall forthwith be given to the other specifying the provision hereof pursuant to which such termination is made, and this Agreement shall be terminated and become void and have no effect and there shall be no Liability hereunder on the part of any Party, except that Section 3.2 (Good Faith Escrow Deposit), Section 6.14 (Expense), this Section 8.2 and Article X (Miscellaneous) and the defined terms and rules of construction used therein and set forth on Appendix I shall survive any termination of this Agreement; provided, however, that (a) subject to the terms and conditions of Section 3.2(c), no Party shall be relieved of or released from any Liability arising from any material breach by such Party of any provision of this Agreement, and (b) the Confidentiality Agreement shall remain in full force and effect.

## ARTICLE IX

### Survival

9.1 Survival; Certain Post-Closing Matters. Purchaser and Sellers acknowledge and agree that: (a) the representations and warranties set forth in this Agreement and in the documents and instruments delivered or entered into in connection with this Agreement (other than the Transition Services Agreement) shall not survive the Closing and shall expire immediately upon the Closing; and (b) the covenants and agreements of Sellers set forth in this Agreement and in any documents and instruments delivered or entered into by the Parties in connection with this Agreement (other than the Transition Services Agreement), in each case that do not by their terms extend beyond the Closing, shall not survive the Closing and shall expire immediately upon the Closing. Accordingly, for clarification purposes, it is acknowledged, understood and agreed by the Parties that no Party shall have any liability or other obligation following the Closing with respect to any breach by such Party or claimed breach by such Party of (x) except with respect to the Transition Services Agreement, any representations or warranties contained in this Agreement or any of the documents or instruments delivered or entered into by the Parties in connection with this Agreement or (y) any of the Parties' covenants and agreements contained in this Agreement or any of the documents or instruments delivered or entered into by the Parties in connection with this Agreement (other than the Transition Services Agreement) that do not by their terms extend

beyond the Closing. Notwithstanding anything expressed or implied herein to the contrary, the Parties acknowledge and agree that (1) Purchaser shall be solely responsible for the ownership of the Purchased Assets from and after the Closing Date or the applicable date of designation (except as otherwise provided in the Transition Services Agreement), as applicable, and acts or omissions of Purchaser with respect thereto, and (2) Sellers shall have no responsibility or obligation with respect to, or arising out of, any of the foregoing. Notwithstanding anything in this Agreement to the contrary, nothing herein shall operate in any manner to limit a claim or remedy for any actual and intentional fraud by any Person including any Party.

ARTICLE X  
Miscellaneous

10.1 Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given: (a) on the day of service if served personally on the party to whom notice is to be given; (b) on the day of transmission if delivered by electronic mail during regular business hours on a Business Day and, if not, then on the following Business Day; or (c) on the day of delivery (if a Business Day, and if not a Business Day, on the next Business Day) if sent by Federal Express or similar overnight courier or United States mail:

Any Party may change its address for the purpose of this Section 10.2 by giving the other Party written notice of its new address in the manner set forth above.

10.2 Entire Agreement. This Agreement, the agreements, documents and instruments to be delivered by the Parties pursuant to the provisions hereof, the Transaction Documents, and the Confidentiality Agreement, each as may be amended or supplemented, constitute the entire agreement between the Parties and shall be binding upon and inure to the benefit of the Parties hereto and their respective legal representatives, successors and permitted assigns. This Agreement supersedes the Initial Asset Purchase Agreement. Each Appendix, Exhibit, Schedule and the Seller Disclosure Letter, each as may be amended or supplemented, shall be considered incorporated into this Agreement. The inclusion of any item in the Seller Disclosure Letter is not evidence of the materiality of such item for the purposes of this Agreement. Purchaser acknowledges that any estimates, forecasts, or projections furnished or made available to it concerning Sellers or the Business or their properties, business or assets have not been prepared in accordance with GAAP or standards applicable under any securities laws, and such estimates, forecasts and projections, including any reflected in financial statements, reflect numerous assumptions, and are subject to material risks and uncertainties. Purchaser acknowledges that actual results may vary, perhaps materially, and Purchaser is not relying on any such estimates, forecasts or projections.

10.3 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, and, for purposes of such jurisdiction, such provision or

portion thereof shall be struck from the remainder of this Agreement, which shall remain in full force and effect. This Agreement shall be reformed, construed and enforced in such jurisdiction so as to best give effect to the intent of the Parties under this Agreement.

10.4 Binding Effect; Benefit. This Agreement shall inure to the benefit of and be binding upon the Parties hereto, and their successors and permitted assigns. Nothing in this Agreement, express or implied, shall confer on any Person other than the Parties hereto, and their respective successors and permitted assigns any rights, remedies, obligations or liabilities under or by reason of this Agreement, including, without limitation, third party beneficiary rights. Nothing in this Agreement is intended to relieve or discharge the obligations or liability of any third Persons to Sellers or Purchaser. No provision of this Agreement shall give any third Persons any right of subrogation or action over or against Sellers or Purchaser.

10.5 Assignability. This Agreement and the various rights and obligations arising hereunder inure to the benefit of and are binding upon Sellers and their respective successors and permitted assigns, and Purchaser and its successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder may be transferred or assigned (including by operation of law in connection with a merger or sale of stock, or sale of substantially all the assets, of a Person) by any of the Parties hereto without the prior written consent of the other Party or Parties (not to be unreasonably withheld, conditioned or delayed); provided that Purchaser may, without any required consent from any other Party, assign or transfer this Agreement or any of its rights or obligations hereunder (a) to any of its Affiliates, (b) to any acquirer of all or substantially all of the Purchased Assets or Purchaser after the Closing or (c) as a collateral assignment to its or its Affiliates lenders in connection with any debt financing arrangements of Purchaser or its Affiliates. No assignment shall relieve a Party of its liability or obligations hereunder. Notwithstanding anything expressed or implied herein to the contrary, following the Closing, Sellers (or any of them) may assign all or any portion of their rights hereunder in accordance with an Order of the Bankruptcy Court.

10.6 Amendments. Except as otherwise authorized herein with respect to the Schedules and disclosures to this Agreement, this Agreement shall not be modified or amended except pursuant to an instrument in writing executed and delivered on behalf of each of the Parties hereto.

10.7 Non-Waiver. Except as otherwise contemplated herein, the failure in any one or more instances of a Party to insist upon performance of any of the terms, covenants or conditions of this Agreement, to exercise any right or privilege in this Agreement conferred, or the waiver by such Party of any breach of any of the terms, covenants or conditions of this Agreement, shall not be construed as a subsequent waiver of any such terms, covenants, conditions, rights or privileges, but the same shall continue and remain in full force and effect as if no such forbearance or waiver had occurred.

10.8 Applicable Law. This Agreement shall be governed and controlled as to validity, enforcement, interpretation, construction, effect and in all other respects by the internal laws of the State of Texas applicable to contracts made in that state and the applicable provisions of the Bankruptcy Code, without giving effect to any choice of law or conflict of law provision or rule that would cause the application of laws of any other jurisdiction.

10.9 Consent to Jurisdiction. Purchaser and Sellers agree that the Bankruptcy Court shall retain sole jurisdiction over any legal action or proceeding with respect to this Agreement. Each of Purchaser and Sellers irrevocably waives any objection, including any objection to the laying of venue or based on the grounds of *forum non conveniens*, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Agreement or the transactions contemplated hereby. Purchaser and Sellers consent to the jurisdiction and authority of the Bankruptcy Court, including, without limitation, to the entry of final orders, decrees and judgments with respect to any matters arising under or relating to this Agreement or the transaction(s) contemplated hereby.

10.10 **WAIVER OF TRIAL BY JURY.** EACH OF THE PARTIES HERETO WAIVES THE RIGHT TO A JURY TRIAL IN CONNECTION WITH ANY SUIT, ACTION OR PROCEEDING SEEKING ENFORCEMENT OF SUCH PARTY'S RIGHTS UNDER THIS AGREEMENT.

10.11 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument. This Agreement may be executed through the exchange of scanned .pdf signature pages, which shall have the same legal effect as original signatures.

10.12 Headings. The headings contained in this Agreement are for convenience of reference only and shall not affect the meaning or interpretation of this Agreement.

10.13 Time of the Essence. Time is of the essence of this Agreement. When calculating the period of time before which, within which or following which, any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded. If the last day of such period is a non-Business Day, the period in question shall end on the next succeeding Business Day.

10.14 Rules of Construction. The Parties acknowledge and agree that each has negotiated and reviewed the terms of this Agreement, assisted by such legal and tax counsel as they desired, and has contributed to its revisions, and, as such, each of the Parties shall be deemed drafters of this Agreement and equally responsible for any ambiguities contained herein. The Parties further agree that the rule of construction that any ambiguities are resolved against the drafting party will be subordinated to the principle that the terms and provisions of this Agreement will be construed fairly as to all Parties and not in favor of or against any Party. The word "including" means "including, without limitation." The phrase "ordinary course of business" or words of similar import shall mean the ordinary course of business consistent with past custom and practice, subject, in the case of Sellers or the Business, to changes in the business, operations or custom or practice of Sellers to the extent resulting from matters arising as a result of, or in connection with, Sellers' status as filers under Chapter 11 of the Bankruptcy Code.

[SIGNATURE PAGES FOLLOW]

## **APPENDIX 1**

### **DEFINED TERMS**

As used in this Agreement, the following terms shall have the following meanings:

“Additional Deposit Amount” means the amount of any Additional Deposit, as that term is defined and used in the Bid Procedures Order.

“Affiliate” with respect to any Person means any other Person who directly or indirectly Controls, is Controlled by, or is under common Control with such Person including in the case of any Person who is an individual, his or her spouse, any of his or her descendants (lineal or adopted) or ancestors, and any of their spouses.

“Agreement” is defined in the Introduction to this Agreement.

“Alternative Transaction” means one or more sales, assignments, leases, transfers, or other dispositions of all or any material portion of the Purchased Assets to any Person (or group of Persons), whether in one transaction or a series of transactions, whether by merger, asset purchase, equity purchase or other similar transaction, in each case other than to Purchaser or its Affiliates.

“Antitrust Laws” means the Sherman Act, 15 U.S.C. §§ 1-7, as amended, the Clayton Act, 15 U.S.C. §§ 12-27, 29 U.S.C. §§ 52-53, as amended, the Hart-Scott-Rodino Antitrust Improvements Act of 1976, 15 U.S.C. § 18a et seq., as amended, the Federal Trade Commission Act, 15 U.S.C. § 41-58, as amended, and all other Laws and Orders that are designed or intended to prohibit, restrict or regulate actions having the purpose or effect of monopolization, restraint of trade, or lessening of competition through merger or acquisition.

“Assumed Liabilities” is defined in Section 2.1.

“Auction” means a sale in which the Purchased Assets shall be offered for sale to a bidder or bidders making the highest or best offer, which will be scheduled by the Bankruptcy Court in the Bankruptcy Cases.

“Avoidance Actions” means any and all claims and causes of action of a Seller arising under the Bankruptcy Code, including, without limitation, Sections 544, 545, 547, 548, 549 and 550 thereof.

“Bankruptcy Cases” means, individually and collectively, the following chapter 11 bankruptcy cases pending in the Bankruptcy Court: (i) *In re Limetree Bay Services, LLC*, case no. 21-32351; (ii) *In re Limetree Bay Refining Holdings, LLC*, case no. 21-32352; (iii) *In re Limetree Bay Refining Holdings II, LLC*, case no. 21-32353; (iv) *In re Limetree Bay Refining, LLC*, case no. 21-32354; (v) *In re Limetree Bay Refining Operating, LLC*, case no. 21-32355; and (vi) *In re Limetree Bay Refining Marketing, LLC*, case no. 21-32356.

“Bankruptcy Code” means the Bankruptcy Reform Act of 1978, 11 U.S.C. §§ 101, et seq., as in effect on the Petition Date, and as amended effective as of the Petition Date.

“Bankruptcy Court” is defined in Recital B to this Agreement.

“Bankruptcy Rules” is defined in Section 4.3.

“Bid Procedures Order” means the order of the Bankruptcy Court, entered on August 11, 2021 at docket number 392 in the bankruptcy case of *In re Limetree Bay Services, LLC*, case no. 21-32351, as amended by the order of the Bankruptcy Court, entered on September 15, 2021 at docket number 583, authorizing, among other things, the sale of the Purchased Assets and assumption and assignment of the Business Contracts and Real Property Leases and the assumption of the Assumed Liabilities pursuant to the bid procedures and bid protections set forth therein.

“Bill of Sale and Assignment and Assumption Agreement” means that certain bill of sale and assignment and assumption agreement substantially in the form attached hereto as Exhibit B.

“BP Receivables” means any and all funds payable by BP Products North America, Inc., or any affiliate or subsidiary thereof, to Sellers, or any of them, arising out of or related to the IFF Property, the J. Aron Transaction Documents, the Tolling Agreement (as such terms are defined and used in the Stipulation by and among Debtors, Committee, J. Aron & Company LLC, and BP Products North America Inc. (appended to Doc. No. 697 filed in the Bankruptcy Cases) (the “BP Stipulation”)), or any other agreement by and between Sellers, or any of them, and BP Products North America, Inc., or any affiliate or subsidiary thereof, dated on or before the Closing Date, including, without limitation, the Escrow Funds, Trade Contract Amounts, and Sale Reserve (as such terms are defined and used in the BP Stipulation).

“Business” is defined in Recital A of this Agreement.

“Business Contracts” is defined in Section 1.2(a).

“Business Day” means any day other than Saturday, Sunday and any day that is a legal holiday or a day on which banking institutions in Houston, Texas are permitted or required to be closed.

“Business Intellectual Property” is defined in Section 1.2(h).

“Business IT Assets” is defined in Section 1.2(i).

“Business Permits” is defined in Section 1.2(g).

“Business Real Property” means the Purchased Real Property and the real property subject to the Real Property Leases.

“Claim” means a claim against any or all of Sellers, whether or not asserted, as defined in Section 101(5) of the Bankruptcy Code.

“Closing” is defined in Section 3.3.

“Closing Date” is defined in Section 3.3.

“Closing Payment” is defined in Section 3.1.

“Code” means the Internal Revenue Code of 1986, as amended.

“Confidentiality Agreement” means that certain Confidentiality Agreement entered into by and between Sellers and Purchaser on or about August 24, 2021.

“Control” means the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of a Person, whether through ownership of securities, by contract or otherwise.

“Consent” means any authorization, approval, consent, ratification, negative clearance, waiver, notice or filing, or a Final Order of the Bankruptcy Court that deems, or renders unnecessary, the same.

“Contract” means any note, bond, mortgage, indenture, guaranty, license, franchise, permit, agreement, contract, commitment, lease, purchase order, or other instrument or obligation, and any amendments thereto.

“Cure Amounts” means with respect to any Business Contract or Real Property Lease, the amount of cash required to be paid with respect to such Business Contract or Real Property Lease to cure all defaults under such Business Contract or Real Property Lease to the extent required by Section 365 of the Bankruptcy Code and to otherwise satisfy all requirements imposed by Section 365 of the Bankruptcy Code in order to effectuate, pursuant to the Bankruptcy Code, the assumption by a Seller and assignment to Purchaser of such Business Contract or Real Property Lease.

“DIP Agent” shall have the meaning ascribed to such term in the Bid Procedures Order.

“Designated Contract” is defined in Section 1.4(b).

“Designation Deadline” is defined in Section 1.4(c).

“Disclaimed Contract” is defined in Section 1.4(c).

“Environmental Law” means any law, Order or other requirement of law for the protection of the environment, or for the manufacture, use, transport, treatment, storage, disposal, release or threatened release of Hazardous Materials, petroleum products, asbestos, urea formaldehyde insulation, polychlorinated biphenyls or any substance listed, classified or regulated as “hazardous” or “toxic” or any similar term under such Environmental Law.

“Environmental Liabilities” means all Liabilities (including the costs of any Remedial Action) arising in connection with or in any way relating to the Business (as currently or formerly conducted), the Purchased Assets or any property currently or formerly owned, leased or operated in connection with the Business (as currently or formerly conducted) or the Purchased Assets (including the activities and operations conducted by anyone thereon, offsite disposal therefrom and Hazardous Materials migrating thereto or therefrom), that in each case arise under or relate to any Environmental Law, Environmental Permit or a Hazardous Material, including Liabilities

arising from any Third Party claims for personal injury, death, or property damage caused by an actual or alleged release of, or exposure to, a Hazardous Material.

“Environmental Permits” means all environmental, health and safety permits, licenses, registrations, and approvals and authorizations from Governmental Entities.

“ERISA” means the Employee Retirement Income Security Act of 1974, as amended.

“Escrow Agent” means GlassRatner Advisory & Capital LLC, doing business as B. Riley Advisory Services or, if GlassRatner Advisory & Capital LLC, doing business as B. Riley Advisory Services is unable or unwilling to act as the Escrow Agent, such other Person as is mutually agreed upon by Purchaser and Sellers.

“Event” means any action, omission, state of facts, condition, occurrence, result, circumstance, event, effect, development or change.

“Excluded Assets” is defined in Section 1.3.

“Excluded Furniture and Equipment” is defined in Section 1.3(p).

“Excluded Insurance Recoveries” is defined in Section 1.3(i).

“Excluded Intellectual Property” means all rights to Intellectual Property that are owned by a Seller, other than the Business Intellectual Property.

“Excluded IT Assets” means all rights to Information Technology that are owned by Seller, other than the Business IT Assets.

“Excluded Liabilities” is defined in Section 2.1.

“Excluded Real Property” means all real property owned by a Seller, other than the Purchased Real Property.

**IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE SOUTHERN DISTRICT OF TEXAS  
HOUSTON DIVISION**

**IN RE:**

**LIMETREE BAY SERVICES, LLC, *et al.*,<sup>1</sup>  
Debtors.**

**CHAPTER 11**

**CASE NO.: 21-32351**

**(Jointly Administered)**

**NOTICE OF EMERGENCY SALE HEARING ON  
DECEMBER 7, 2021 AT 4:00 P.M. CENTRAL TIME**

**PLEASE TAKE NOTICE** that the final emergency hearing to consider the sale referenced in the Debtors' *Emergency Motion for Entry of Order: (I) Establishing Bidding and Sale Procedures; (II) Approving the Sale of Assets; and (III) Granting Related Relief* (Doc. No. 191) (the "**Motion**") is scheduled for **December 7, 2021 at 4:00 p.m. Central Time** before the Honorable David R. Jones, United States Bankruptcy Judge, 515 Rusk Street, Courtroom 400, Houston, Texas 77002 (the "**Sale Hearing**"). You may participate in the hearing either in person or by an audio and video connection.

**PLEASE TAKE FURTHER NOTICE** that **emergency relief has been requested. Relief is requested not later than 4:00 p.m. Central Time on December 7, 2021.**

**PLEASE TAKE FURTHER NOTICE** that the deadlines and milestones related to the Sale Hearing and Motion, including deadlines to object to the proposed sale, are included in the Debtor's *Notice of (I) Designation of Winning Bid and Back-Up Bids and (II) Sixth Notice of Extension of Milestones and Bid Procedures Deadlines* (Doc. No. 829) ("**Notice of Designation**"), which is being filed simultaneously with this Notice. If you object to the relief requested or you

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors' mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

believe that emergency consideration is not warranted, you must appear at the hearing and file a written response as outlined in the Notice of Designation. Otherwise, the Court may treat the matter as unopposed and grant the relief requested.

**PLEASE TAKE FURTHER NOTICE** that audio communication will be by use of the Court's dial-in facility. You may access the facility at 832-917-1510. You will be responsible for your own long-distance charges. Once connected, you will be asked to enter the conference room number. Judge Jones's conference room number is 205691. Once the code is entered, you will be connected live to the courtroom. You will be able to hear persons speaking in the courtroom and other persons on the call addressing the Court. You will be able to address the Court directly. The Court will hear all sound on your line. **PLEASE mute your line if you are not addressing the Court.**

**PLEASE TAKE FURTHER NOTICE** If there are multiple parties on the call, the Court may activate the "hand raise" feature. The system will announce that this feature has been activated. If the hand raise feature has been activated, you will not be able to address the Court until the Court addresses you or you request to speak and the Court grants the request. If you wish to address the Court, you must press 5\*. Within 5 seconds, the Court will receive a signal that you wish to speak. When the Court calls on you, you will hear a recorded message that you have been recognized. When you are done, the Court will again mute your call. Details regarding the use of the conferencing system are available at <https://www.conferencecalling.com/help>

**PLEASE TAKE FURTHER NOTICE** Video participation is available via GoToMeeting. To use GoToMeeting, the Court recommends that you download the free GoToMeeting application prior to the hearing. If a browser connection is used, Chrome is generally recommended. A mobile version of the application is also available. The meeting code is

“judgejones”. You may also connect directly by clicking the link on Judge Jones’ home page on the Southern District of Texas website. Once connected, click the settings icon in the upper right corner and enter your name under the personal information setting.

**PLEASE TAKE FURTHER NOTICE** that hearing appearances must be made electronically in advance of the hearing. To make your electronic appearance, go to the Southern District of Texas website and select “Bankruptcy Court” from the top menu. Select “Judges’ Procedures,” then “View Home Page” for Judge Jones under “Electronic Appearance” select “Click here to submit Electronic Appearance.” Select the case name, complete the required fields and click “Submit” to complete your appearance.

**PLEASE TAKE FURTHER NOTICE** that copies of documents can be obtained through the Bankruptcy Court’s electronic case filing system at <https://ecf.txsb.uscourts.gov> or can be obtained free of charge on the website maintained by the Debtors’ proposed claims and noticing agent at [www.bmcgroup.com/limetree](http://www.bmcgroup.com/limetree)

<b>EXTERNAL:</b> Sent from outside Haynes and Boone, LLP
--

Mark/Frank –

Per my email yesterday, please see attached for:

1. Bay LTD supplemental info per the RFP
2. Schedule 1.2(i)

Additionally, we have created a Google Drive link that consolidates all of the transmitted documents to date – see hyperlink below.

<https://drive.google.com/drive/folders/1hEMcB-D217DPRyVhYp7w2OFpV6Rr3uHS?usp=sharing>

Lastly, as it pertains to Schedule 1.2(b) Purchased Real Property, 1.2(d) Assumed Real Property Leases, 1.2(g) Assumed Permits, we still have not received a comprehensive list from the Seller and the associated ongoing expenses, cure amounts, etc.

Best regards,

Bobby Salehi

**Subject:** Bay Limited - Bid Transmittal Letter, Revised APA, etc.

Mark/Frank –

Please see attached for the following attachments:

1. Bid Transmittal Letter in PDF
2. Revised Asset Purchase Agreement (“APA”) in Word
3. Redline to the original Form APA in PDF
4. Two Schedules referenced in the APA (Schedule 1.2(a) in Word and Schedule 1.2(c) in PDF)

Please note that we will be sending a series of follow-up emails tomorrow that will include the remaining Schedules.

We look forward to discussing this with you tomorrow.

Best regards,
